MYRON C. FAGAN
NATIONAL DIRECTOR

Dear Fellow American:

During the past month you have contacted us for our books, or our "News-Bulletins", or our "Tracts". By that token, you have established that you are a loyal American, deeply interested in the welfare of our country.

You may not be aware of the work the "Cinema Educational Guild" is doing to preserve our country and our way of life. Therefore, I am enclosing herewith literature that more or less outlines our background.

For your information, it was CEG that forced the Congressional investigation of the Reds in Hollywood (in 1949-50) that smashed that conspiracy in the film industry — and in TV . . . Likewise, it was CEG that unmasked — and smashed — the "UNITED WORLD FEDERALISTS" scheme to destroy the United States as a free and sovereign nation . . . Also the frightening "UNITED NATIONS" plot to enslave our country through their so-called "treaties". Nobody in America (not even Senators Joe McCarthy and Pat McCarran) was even vaguely aware that the U. N.'s treacherous "GENOCIDE TREATY" was so craftily worded that, had it not been exposed, all our freedoms would have been lost forever. It was CEG that first exposed *that*, and other U.N. plottings — also that the U.N. was, *and still is*, a sanctuary for Red Spies and American traitors!

Frankly, my friend, I am sending you this letter because we, the American people, are in a life or death fight to save our country. The Reds and all of the Enemy of various shades within our country CAN be uprooted and destroyed. And CEG, with the help of God, won't stop until that job is accomplished !!! But there is much work to be done — it needs the help of all loyal Americans! That means YOU !!! That is why I appeal to you to join with us — to become an *active* member of CEG — and add your strength to ours in a fight that means the salvation of our country — *and the future of your children !!!*

Now, I won't ask you to just take my word for all that; therefore I am enclosing our "Year-End Report". All I want you to do is *read* it — and *digest every word* in it. This "Report" will tell you how we have devoted the past year and a half to achieve two objectives: 1) Congressional action to unmask and impeach Earl Warren and his co-wreckers of our Constitution; 2) Congressional investigation of the "United Nations". This "Report" will tell you how our State Department collaborated to prevent those investigations — how, despite that, we very nearly succeeded — how the lack of just one vote in the Senate prevented it — it will tell you how just a little more pressure by a few more loyal Americans, *like YOU*, would have given us a victory that would have triggered a chain of investigations that would have smashed the entire Great Conspiracy to destroy our country.

All I ask you to do is READ it — then decide if you want to help us save our country — your country — *and your children's country!* Read it — and then please write *direct to me*, if we can count on your help. It isn't just your \$12 of membership dues we want — we want your HEART with us — to help us save the land we both love so dearly. Please do it *by return mail*. Don't wait for tomorrow to join us — tomorrow spells "Manana" — and "Manana" is what enabled the ENEMY to entrench themselves so deeply.

The Reds work TODAY — WE must work TODAY — please answer this TODAY, for love of God and Country!

Faithfully yours,

Myron C. Fagan

Dear Fellow-American:

Once upon a time an American could proudly proclaim his Americanism without fear of unhappy consequences. But in 1933 we entered upon an era in which the Minority Group came into ascendancy. The Foreign Born became the favored individual. American principles were declared obsolete in favor of Foreign Ideologies. Anybody who dared to declare for America First was declared Isolationist and Outcast by no lesser arbiters than Franklin and Eleanor Roosevelt—as witness the case of Charles Lindbergh. Any American Employer who gave job preference to Americans was branded a Fascist. By 1945 Nationalism in America was transformed into Internationalism—and the United States Treasury into a free Pork Barrel for the entire world. All this was accomplished by the few shouting the many. The Minority Groups established themselves as the "Voice of the People", while the vast Majority of Americans remained asleep to the looting and the betrayal of our country.

Today it is common knowledge that until 1948 Hollywood (the Film Industry) was the backbone of the Communist Conspiracy in America. It financed the Conspiracy . . . it produced scores of films such as "Mission to Moscow", to brainwash the American people and glorify Moscow all over the world. But until 1948 not a whisper of all that treason was allowed to reach the American people—because the Press, Radio, ALL mediums of mass Communications were tight in the grip of the Enemy! That was when a group of Los Angeles Clubwomen organized the "CINEMA EDUCATIONAL GUILD" for one chief objective: to smash the Red Conspiracy by exposing all the traitors—make them known to all of the American people and thus make their names DEATH to the Box Office . . . empty

theatres would quickly kill off pro-Red films and drive the Reds out of the industry. Of course, we knew we'd get no help from the Press or Radio. The only method left to us was books, pamphlets, tracts. But even that method was faced with what seemed to be insuperable obstacles—printers were intimidated . . . booksellers were forced to boycott our literature . . . the Press and Radio "smeared" us. Nevertheless, despite all opposition, our method was highly successful — it was made successful by the members of CEG — every one of them became a book-seller; they bought each publication in tens, twenties, hundreds; they re-sold, or sent them as gifts, to friends in all parts of the country. In turn, many of those friends joined CEG and thus multiplied the circulation of our literature.

One of our first books was "DOCUMENTATION of the RED STARS", in which we NAMED all the top Stars, Directors, Writers and Producers who were master-minding the Conspiracy in Hollywood — we DOCUMENTED their Red Activities and exposed their secret organizations (RED FRONTS) and methods of operation. *That book rocked the nation!* An avalanche of angry letters poured into Washington — and that forced that famous TELEVISED Congressional investigation. Box-office receipts plunged down — down — down . . . panic swept through the entire Industry . . . Charlie Chaplin was booted out of the country . . . Eddie Cantor, Eddie Robinson, Milestone and scores of other Reds were driven off the Screen . . . That book was the roadblock to "glorify Moscow" and Red propaganda Films . . . *that was how the backbone of the Red Conspiracy in Hollywood was smashed!*

In 1948 the "Enemy" stealthily launched its infamous "United World Federalist" (UWF) treason plot to transform the United States into a Unit of a One-World Government — using the word PEACE as the bait. By July 1949 they had seduced 26 State Legislatures to pass Resolutions favoring the plot. In our August 1949 "News-Bulletin" we unmasked that plot and named the 42 Reds who had organized the UWF. As a result, in April 1950, the California Legislature rescinded its Resolution — 23 other States quickly followed that example — and *that* treason

plot was smashed . . . *by the members of CEG!*

Early in 1950 we learned that the "United Nations" was secretly trying to get our Senate Foreign Relations Committee to sign their vicious "GENOCIDE" treaty. In our November 1950 "News-Bulletin", *on the very eve of the signing of that "treaty"*, we completely unmasked that fiendish plot — a torrent of angry letters and telegrams poured into Washington . . . *the "Genocide Treaty" was NOT signed!*

I could mention other similar "jobs" accomplished by CEG, but this document has a far more important message for YOU and for every true American: The Hollywood Conspiracy, the UWF treason plot, the GENOCIDE scheme have been smashed—yes, but they won't stay smashed unless YOU and I and every true American *continue* to keep them smashed. Here is what I mean: This ENEMY WITHIN never quits! When exposed and smashed they merely get under cover until "the heat is off". Today, after laying low for several years, the Reds are sneaking back into Hollywood and reorganizing to use the Screen again . . . the UWF, smashed in 1950, is again brazenly out in the open propagandizing for a One-World Government . . . the UN is again pushing "GENOCIDE" and its various fiendish schemes . . . Earl Warren and his collaborating Justices are issuing "Decisions" that will destroy all our defenses and enable the Great Conspiracy to achieve their entire plot — *unless we stop them!!!*

Only one thing will defeat those treason plots: *an alerted American people* — we have only one way to do the alerting job: books, pamphlets, Tracts . . . but with Press, Radio, TV and all circulation channels closed to us, we have only one way to distribute AMERICAN literature: through true Americans like YOU!

The basic Fellowship fee to join C.E.G. is \$12.00 per year. But if you approve of our work and our objectives, and care to voluntarily increase that basic fee, it will be extremely helpful, as every extra dollar enables us to do that much more. Anyway, that basic fee automatically entitles you to a free

copy of each issue of our "News-Bulletin"; also as many additional copies of the "News-Bulletins" as you may require at half the list price (25 cents per copy).

Fellow-American: we have a tremendously vital job to do. I urge you to join CEG and help us to get the entire true story to all true Americans in ALL of our 50 states. Please do it NOW — you may forget if you wait until tomorrow. Joining us means you will add your strength and co-operation to a fight for God and our Country.

Sincerely yours,

Myron C. Fagan

National Director

Note: — DOCUMENTATIONS of the RED STARS has been unavailable since mid-1959, when our stocks were exhausted. With that book out of their way the Masterminds of the Red Conspiracy launched a new technique to bring back their Red Stars, Writers, Directors — they began making pro-Red Films ("Pork Chop Hill" . . . "Spartacus" — "Exodus" — "On The Beach") But a new up-to-the minute version of the book is now available—it contains all up-to-date "Documentations"—PLUS the complete story of all of the NEW Red activities in Hollywood and TV. This new version is \$2.00 per copy, or 3 copies \$5.00—actually its information for the salvation of our country is PRICELESS.

"RED RAINBOW" is the play that exposed all the treason in Washington . . . and inspired the late Senator McCarthy's investigations of Communist infiltrations in the State Department, Armed Forces, Defense Plants and various Government departments — including the White House . . . "THIEVES' PARADISE" is the play which exposes and in detail the "United Nations" plot to enslave the United States in a One-World Government — this is the play that inspired the investigations of the UN by the Senator McCarran and Representative Usher L. Burdick.

The above plays in print, each priced at \$1.00 per copy, together with the following "News-Bulletins", published by CEG, tell the entire story of the treason and the plots to destroy our Country from WITHIN!

A VITAL MESSAGE TO THE MEMBERS of CEG — AND ALL LOYAL AMERICANS:

The Hollywood and TV Reds Are On The Run —
YOU Can Complete the ROUT!!!

Dear Fellow-American:

First of all, I wish to *stress* that we issue a "Special Bulletin" of this type only *when* we have a *very important message* to bring to your attention. . . . Secondly, I wish to *stress* that I am sending this "message" to a very carefully selected group of people—only to those whom I personally know to be not only tried and true loyal Americans who are fully aware of the Internationalist-Communist conspiracy for the take-over of our country, but who know what a truly dire menace the Hollywood-TV Reds are to our nation, *especially to our Youth!*

Therefore, I pray that you read this letter carefully, *also the insert*—and digest both. And you will see why we **MUST** rout all the Reds and their allies out of those extremely sensitive mass communications media—you will see how we **CAN** do it . . . *if enough loyal Americans will join us in the holy crusade!*

OUR MOST POTENT WEAPON

For more than ten years our "RED STARS" Tract, reinforced by our original "DOCUMENTATIONS" book, has been the one (*the only one*) impassable roadblock to the Reds' complete conquest of Hollywood, Radio and TV. **YOU** know that. But you may wish to send copies of this "message" to friends who are not as enlightened as you are, therefore I will provide a brief review of the Red conspiracy in Hollywood—and show how your friends can help us to *completely* smash that conspiracy.

In 1947 I delivered a speech in Hollywood in which I revealed the RED conspiracy and named 100 of the Stars, Writers, Directors and Producers who were the top functionaries in it. That speech created a sensation—and forced the "House Committee on Un-American Activities" (HUAC) to step into the picture. The "Hearing" that followed confirmed all my charges—it named TWO hundred Reds and Fellow-Travellers—and sent the notorious "Hollywood Ten" to prison!

That "Hearing" was front-paged all over the country. It created a panic in the Film Industry—and drove many of the unmasked Reds out of Hollywood. The Moguls pleaded for mercy, and "faithfully" promised to clean ALL the Reds out of the Industry—promises which they never fulfilled—which *they never intended to fulfill!*

Anyway, we all believed that that was the end of *that* conspiracy. Which only goes to show how naive we were in those early days—at that time we had as yet to learn that the Reds never quit—we had yet to discover the fiendish craftiness of this Enemy—and the power they possess.

Within weeks after that Congressional hearing the (*controlled*) press went completely silent about the entire matter; the Hollywood Moguls proceeded to punish the Sam Woods, the Adolphe Menjous, the Robert Taylors, ALL the "friendly witnesses" who had testified at the "Hearing," by placing them on a "secret" blacklist; and they quietly began to restore the unmasked Reds to their old, *and/or better*, jobs.

The Moguls felt very safe in all that; for this reason: When Parnell Thomas, Chairman of HUAC, launched that first "Hearing" he was warned that his political career would be destroyed—the Enemy not only carried out that warning, but they succeeded in railroading him into the penitentiary on a very flimsy charge. In view of that "horrible example" it seemed very unlikely that any Congressional Committee would ever again DARE to interfere with the Hollywood Reds. Thus, within a year the Red conspiracy in Hollywood was in high gear again—all the Reds came flocking back—and all the loyal Stars, Writers and Directors were more intimidated than ever.

That was when we (CEG) developed a new technique: we set up committees to picket the theatres showing the Reds and Red propaganda films. To provide "ammunition" for our pickets, we compiled the first of our "Red Stars" tracts, in which we named all of the more than 200 unmasked Reds . . . *and once again the Hollywood Reds were on all the Front Pages all over the country!*

However, the Masterminds quickly developed what they thought would be a perfect "antidote" for our Tract: they pointed out that the Tract was a fraud, because it provided no proof of pro-Communist activities of the individuals it "named."

But that alibi was very easy to torpedo: I wrote the book, "DOCUMENTATIONS of the RED STARS in HOLLYWOOD," in which I not only *documented* the Red backgrounds of every individual named in the "Tract," but provided a complete profile of the entire Conspiracy.

That book rocked the nation! Although not one newspaper reviewed it, and virtually all book stores refused (*under pressure*) to carry it, within one year we had more than 100,000

copies, plus more than a million "Red Stars" Tracts, circulating throughout the nation. We accomplished that by a mammoth nation-wide direct mailing campaign—with the very wonderful help of our loyal (CEG) members and their friends!

And, seemingly, all the loyal Americans who read that book (and "Tract") poured letters into Washington, demanding further Congressional action. And we GOT it—in 1951 HUAC staged another, even more sensational, Hearing . . . and once again there was a panicky "exodus" of all the Hollywood Reds!

But as I previously stated, this ENEMY never quits. As in 1948, the Press again went "silent." The Reds waited (about a year) until the people went back into slumberland—and once again they came creeping and slithering back into Hollywood . . . and by this time TV, too, was a-crawl with them.

So'o'o, once again we launched a mammoth mail-campaign—and once again our valiant (CEG) members poured their avalanches of letters into Washington—and once again (in 1953) there was a Congressional Hearing that sent the Reds into a panic flight out of Hollywood.

In our new "DOCUMENTATIONS" book I cite the various "flights" and "returns" and the other techniques the Masterminds of the Red Conspiracy employed in their efforts to achieve total conquest of Hollywood and TV, and I cite how each time we torpedoed their "invasions" with a mammoth mail-campaign exactly like this one, so I won't go into the details in this "message."

But I do wish to stress that that is how and why our "RED STARS" Tract is the ONE impassable roadblock to the Reds' total conquest of Hollywood, Radio and TV . . . and why we MUST maintain this "roadblock" until we have completely smashed the entire Conspiracy!

WHY THE BOOK IS SO VITAL

The last "invasion" by the Reds was set for late 1959. They had developed a new and very crafty technique: they would produce great "Spectacle" films, such as "EXODUS," "SPARTACUS," "ON THE BEACH," etc., which would not only contain subtle propaganda, but would also serve as "come-back vehicles" for the most notorious of the previously unmasked Reds, such as Dalton Trumbo, Lewis Milestone, Albert Maltz, Frederic March, etc.,

We promptly launched a "Special Bulletin" ("URGENT WARNING"), in which we revealed the new plot. It created such a terrific demand for the "DOCUMENTATIONS" book that it completely exhausted our stocks within a matter of weeks. Inasmuch as the "documentations" of all the Reds were available in the files of HUAC, the "California Senate Fact-Finding Committee" (CUAC), the FBI and other official Agencies, we decided there was no need for our "Documentations" book—particularly as it was obsolete by then. We inserted a statement to that effect in the "Tract." And that was when we made OUR mistake! . . .

The "Masterminds" seized our announcement that the book was no longer available as their golden opportunity to not only discredit the "Tract," but to destroy the "Cinema Educational Guild" at the same time. They would do that by charging that the "Tract" is full of "gross exaggerations" and "falsehoods"—that not only were many of the individuals listed in it NOT Reds, but actually "ARDENT Anti-Communists," etc., etc.

Now, of course, they knew that mere denials and protests by the named Reds, by Sponsors, by the Film and TV industries, would not do that job—even "smearing" by the Press wouldn't do it. Not as long as confirmation of the charges in the "Tract" remained available in the files of HUAC, CUAC and/or the other official Agencies named in the "Tract." Only one thing

could give substance to such denials and challenges, and that is if the information in all those files were sealed off from the people—as, for example, the FBI files are closed to all but OFFICIAL requirements.

And to my vast amazement, they accomplished that very thing! Even more amazing (and important) they induced and/or coerced officials of HUAC, of CUAC, of the American Legion, of various other Agencies to issue form letters and official "REPORTS" which directly, or by innuendo, challenged the authenticity of the "Tract" and gravely reflected on the integrity of the author (Myron C. Fagan) . . . some of them even proclaimed that many of the Reds named in the Tract are ARDENT ANTI-Communists. They went even further: in addition to outright "misinformation and deliberate distortions of the truth, some of the "Reports" implied, and some directly charged, that all of our "attacks" on those "good and ardent Americans" named in our "Tracts" are motivated by bigotry, by anti-semitism, by anti-negroism, etc., etc.

The "Masterminds" promptly went into frenzied action to "spread the word" throughout the nation. They induced (or coerced) newspapers in various parts of the country to publish those "Reports" and "form letters"—and to denounce the "Tract" as "trash" and "full of libelous falsehoods." Radio and TV Commentators mouthed the same kind of attacks. And TV Sponsors (and Network officials) quoted those "Reports" in their replies to protests against their employment of Reds in their shows.

In short, the "Masterminds" used those false "Reports" to mount a nation-wide "crusade" to discredit the "Tract" and destroy CEG—a "crusade" which could easily have achieved those objectives if I had not quickly forced HUAC and other Agencies to retract and/or rectify the misinformation and distortions in their "Reports" and "form letters."

We promptly published their retractions in our "News-Bulletins" (Nos. 81 to 84 inclusive), together with a complete exposition of the phony "crusade"—and the names of the "collaborators." That stopped the "crusade," but it did not undo all the damage and it did not completely eradicate the doubts and suspicions those "form letters" and "Reports" had created—for the following reasons:

In their replies to protests against Reds in their TV shows, various Sponsors continued to defend their Reds with "quotes" from the original "Reports" and "form letters" previously mentioned. Recipients of those Sponsors' replies thereupon wrote to HUAC, to CUAC, to the FBI, and requested the official citations of various individuals in our "Tract"—who had been defended by the various Sponsors.

The replies from those Agencies today, such as I have seen, are modified—they no longer contain the misinformation and distortions of the earlier ones, but they still are evasive—and all of them ignored the requests for the specific "citations." That convinced me that there is only one way to torpedo that new technique of the "Masterminds," and that is by restoring into print a revised, up-to-the-minute, edition of our "DOCUMENTATIONS" Book, which would not only contain the official documentations in the files of HUAC, CUAC, and the FBI, but which also would reveal the falsities in the "REPORTS" and "form letters." It meant an arduous and costly job of research . . . but it had to be done, if we are to maintain the "RED STARS" Tract as the one impassable Road-Block to the Reds' take-over of Hollywood, Radio and TV.

This new book came off the press in June, and, praised be the Lord, the reaction to it is exceeding my fondest hopes. We are receiving a constantly growing volume of letters from people whose confidence in the "Tract" had been shaken. (if not completely destroyed) by the false "Reports" and "form letters." Many of them had actually ceased fighting. But now, after reading the "DOCUMENTATIONS" Book, they are redoubling

their efforts—and they are urging their friends and neighbors to do likewise!

And then came a miracle: Hitherto, with a very few exceptions, no newspaper has ever reviewed any of the books or "News-Bulletins" we (CEG) issued during the past 12 years—they even rejected *paid advertisements*. Then, on September 25, I picked up a Los Angeles "Herald-Express" and, lo and behold, there was this (*enclosed*) amazingly favorable review of the "DOCUMENTATIONS" Book—a review which stressed that the book is a MUST for every loyal American.

The results from that one review were truly astounding: thousands of orders for the book came pouring into our offices—quickly followed by orders for the "RED STARS" Tract, with assurances from the writers that they were jumping into the fight.

Then, shortly after that, the Shreveport (La.) Journal published a letter from one of their Texas subscribers, which eulogized the "Herald-Express" review and stressed its "MUST for all Americans" statement. That brief item brought an avalanche of orders for the book and "Tracts" from that area.

Then (*wonders will never cease*) TV and Radio commentators in Los Angeles, Houston (Texas) and Chicago gave the book favorable mention—and that brought many new "soldiers" into our "Army."

All of that clearly indicated to me that a massive attack such as I will now outline, can drive ALL the Reds and Fellow-Travellers out of Hollywood, Radio and TV—and utterly smash the entire conspiracy in those industries . . . and then employ the same technique to do similar jobs in all the other mass communications media!

A SURE-FIRE OPERATION

I repeat: The "RED STARS" Tract is unquestionably our most potent weapon to drive the Reds and Fellow-Travellers out of Hollywood, Radio and TV. But, as I have revealed, without the "DOCUMENTATIONS" book its credibility was made "suspect" by the distortions and falsifications of the (CUAC, HUAC, etc.) official "collaborators" of the Masterminds. But the new "DOCUMENTATIONS" book makes the "TRACT" positively invulnerable. The undeniable and unimpeachable documentations in the book leave the "collaborators" without a defense . . . it (*the book*) cleared away all doubts in the minds of those who had been deluded by the "collaborators". . . it clears away all the doubts of the shocked and horrified men and women who just could not believe our "RED STARS" Tract. And it is already having a terrific impact on all the TV Sponsors who previously had been brushing off "protests" with denials and with jeering challenges for PROOF that the Reds in their shows are guilty—they depended upon the "collaborators" to make that "PROOF" unavailable! But now that our BOOK is available many of those same Sponsors are resorting to anguished (*phony*) alibis that they "didn't know" and that they will "take action". . . others are waiting that they have no voice in the choice of actors and/or commentators (*such as Huntley*) for their shows—they throw all the blame on their advertising agencies, or the TV producers and Channels, but promise to "do something about it."

In short, this BOOK is doing a more terrific job than any similar publication we ever issued. And as more and more copies will go into circulation the impact will grow and grow and GROW . . . it will bring more and more of the hitherto "sleeping" and unbelieving, but otherwise loyal, Americans into the fight.

My friend, I truly and sincerely believe that this BOOK, in combination with the "Tract" will drive every RED and FELLOW-TRAVELLER out of Hollywood, out of Radio, out of TV,

and smash the entire (Hollywood) Conspiracy—*If we will get it to enough people in our entire nation*. But we can't overcome that "IF" by ordinary measures, because the "Masterminds" are employing every possible pressure to keep the book out of the book stores—and to keep the press from reviewing it, and even to refuse *paid advertisements*. Hence, we are launching a SPECIAL campaign to overcome all those obstacles—*via a direct mailing campaign*, such as we issued when the book came off the press.

My plan is to first concentrate on professional groups. My past experiences have shown that lawyers, doctors and dentists are the most responsive to this book and to the "Tract." There is an additional great value in these professions: they place the book and "Tracts" in their reception (*or waiting*) rooms, and thus bring them to the attention of their clients and patients. In like measure, Ministers and their congregations are equally valuable.

Naturally, we must do this on a nation-wide scale. There is only one sure-fire process for such mailing, and that is to have our members and/or co-workers in the various cities and communities clip the lists out of their telephone (*Yellow Pages*) books and send them to us. I'd like to have the lists of Lawyers, Doctors, Dentists, Ministers, Advertising Agencies, Radio and TV Stations, and any other groups you may consider desirable.

There is one more very important point: I want to get out at least a MILLION such letters. It would be utterly impossible for CEG to finance such a mailing. The letter will contain an "Announcement" and the "Tract." In addition, there will be the first class postage and addressing costs. I figure the total cost per letter will be between 10 and 12 cents. I wonder if you could get some good friends and dedicated Americans in your community to "pitch in" and make up a pool to finance the letters in your lists!

Please bear *this* in mind as you read this letter: as I previously stressed, if (*and in my mind there is no "if" about it*) we successfully put this campaign over we will completely smash the Reds' control of these mass communications media and then we can employ a very similar procedure to smash their control of the Press, newspapers and magazines. Does that make your co-operation worth while?

Here is another vital suggestion: you may have some friends and neighbors you'd like to "alert," but can't spare the time, or if you prefer to remain anonymous, send us the list and the financing and we will be very glad to do it for you.

Another suggestion: get some extra copies of the Book and give them to your friends as Christmas gifts. I assure you every loyal American will consider it a very wonderful and timely Christmas gift—to help smash the conspiracy to destroy Christianity! You can get the books at the rate of three copies for five dollars, or six for ten dollars. For 25 copies or more going to one address the charge is \$1.50 per copy.

ANOTHER WAY YOU CAN HELP

As you know, we defray all our operational costs from our membership dues. We get no financial help from "Foundations"—they finance only the Communists and "One-Worlders." In short, we have no rich "angels." Even before the present high costs of printing, postage and labor, that membership dues (\$12.00 per year) barely covered our overhead—*some years it doesn't do even that*. But now we have this tremendous job ahead of us. It will require an enormous amount of printing, postage, labor—but I am sure you agree it is a job that MUST be done. So now I have a very vital and urgent request: If you have not yet renewed your 1962 membership, please do so NOW—and please increase (*voluntarily*) your dues, or contribute whatever you can afford to help us do this job. Also, please enlist some of

your friends and neighbors to become dues-paying members of CEG—we have always found that members become our most effective "Paul Reveres" in their communities. The degree of our success with this job depends upon the finances and the number of members in all communities with which to do it . . . and please bear in mind that we must do this job NOW—not "tomorrow"!!! So, PLEASE rush the lists and your dues checks, your contributions and new members now—TODAY . . . you may forget "tomorrow"—and we need it NOW to get our mailings under way.

And now let me show non-members who will read this letter why they should join CEG.

(1) Our regular "News-Bulletins" (approximately 10 yearly) contain vital up-to-the minute information! For example: "News-Bulletin" No. 80 provides the complete backgrounds of Chet Huntley and Ed Murrow . . . No. 81 reveals how officials of CUAC and HUAC collaborated with the "Masterminds" of the Hollywood Red Conspiracy . . . No. 82 reveals how American Legion officials betrayed the American people and their own organization . . . No. 83 unmasked the brazen collaborations in CUAC's 1961 Annual Report . . . No. 84 reveals how the Film Industry is transforming our Youth into juvenile delinquents via "Sex and Narcotics" films—and it provides directions how and when you can get advance information on such films now in the making.

(2) We frequently get urgent requests for certain of our back (N.B.) issues. Unfortunately, we cannot keep them in stock more than two years. We have published more than 100 monthly and special Bulletins. Naturally, we can't maintain the plates of all. By being a member of CEG you will get your "News-Bulletins" automatically.

(3) In our 1960 Year-End Report, issued in January 1961, we accurately pointed to every (deliberate) false promise made by Kennedy during his campaign . . . all our predictions came true!

Note:—That Year-End Report went out of print in August, but, due to a great demand, we reprinted it in September and still have a limited number of copies available. They can be had for 15c a single copy, 8c per copy in quantities.
Ed.

(4) Our next Year-End Report will review all of the chican-

eries and treasons committed in 1961—it will show how we can force Congressional investigations (open to the public) to drive all the traitors and Homo-Sexuals out of the State Department—to unmask the Pentagon plot to muzzle our most heroic military men, such as General Walker—it will reveal the ineptness, (and the betrayals) of the Kennedy Administration—and unmask all the Left-Wingers and One-Worlders in the Administration.

Tell me, is all that worth \$12.00 a year to you? . . . is it worth \$12.00 a year to you to safeguard your children from being brainwashed and demoralized by the Reds in Hollywood and TV? . . . is the salvation and security of our beloved country worth \$12.00 a year to you? If it is, please use the membership application blank attached to this Special Bulletin . . . Please do it TODAY!!! You may forget "tomorrow."

One more VERY important point: Mr. Stan Progar, Feature Editor of the "L. A. Herald-Express" (he wrote the enclosed review), is now preparing a series of articles in which he will completely unmask and expose UNESCO, UNICEF and other UN plottings. That makes the "Herald-Express" our greatest pro-American newspaper! It might even transform the entire Hearst chain into similar pro-Americanism—if they get sufficient encouragement. YOU can provide that encouragement by becoming a Herald-Express subscriber. Those UNESCO and UNICEF articles will be of terrific interest to you. Send your note of commendation (and subscription) directly to Stan Progar and tell him to "bill" you. His address is: Los Angeles Herald-Express, 1111 So. Broadway, Los Angeles, California. And tell why you are subscribing.

Additional copies of this "Bulletin" can be had for 10 cents a single copy—or 6 cents per copy for 10 or more.

Faithfully yours,

For God and Country

could be held in London, in Paris, in Prague, or in Moscow, wherever the UN preferred. The "Judge" would be a so-called UN Tribunal. And, under the "Genocide Treaty" provisions, you could not choose an American lawyer to defend you — the UN would appoint your defense lawyer . . . nor, under that provision, could our Constitution and/or Bill of Rights protect you. That UN Tribunal could sentence you to be hanged, or shot, or imprisoned for life in a Siberian Slave Labor Camp — and the U. S. Government could do nothing to prevent it!

Thus it is clearly obvious that the real objective of the "Genocide Treaty" is to give the UN a stranglehold on every White Christian American — so as to prevent all opposition to the plot to transform the United States into a unit of a UN One-World Government. Once our Senate would ratify the "Genocide Treaty", or its twin, the "Covenant of Human Relations", the UN would find a hundred ways to twist your opposition to "One-World Government" into an "act of Genocide" — it surely would be easy for them to induce a member of a "Minority Group" into preferring charges that you have inflicted "mental anguish" on him — and how would you be able to disprove the charge when you'd be facing a UN Tribunal in Moscow or at The Hague?

Under those conditions would YOU dare to oppose the transformation of the United States into an enslaved unit of the UN One World Government?

But you can do it now — before it is too late — by sending signed copies of this document, to act as an urgent "Petition", to your Senators and Representatives;

To ALL Members of Congress, Senators and Representatives;

In this document, as also in various similar documents (Tracts), you have prima facie evidence

that in 1945 the UN did premeditatedly employ fraud, deceit and misrepresentation to delude and seduce the U. S. Senate into ratifying its Charter. It is obvious that the sole objective of the UN was, AND IS, to transform itself into a super-One World Government that would absorb the United States, destroy our sovereignty, and void and nullify our Constitution and Bill of Rights. Therefore, we, the American people, urgently request that the UN be summoned forthwith to appear before a joint session of Congress to answer all charges against it — and, if it (the UN) is proven guilty, that the Senate move promptly to rescind and revoke the original ratification, and thus GET THE U. S. OUT OF THE UN AND THROW THE UN OUT OF THE U.S.!

Gentlemen of Congress: it is your SWORN obligation to protect and defend our Constitution and the sovereignty of our nation — you got us into the UN, it is up to you to get us out of it.

THE "GENOCIDE" PLOT

TRACT

Flash ... FLASH ... FLASH!!!

★ ★ ★

"U. S. Senate signs Treaty giving the UN complete compulsory jurisdiction over the Lives and Freedoms of the American people!"

How would you like to see that happen?
Would you be willing to be executed — BY ORDER OF THE UN?

Would YOU be willing for the UN to have the power to sentence YOU to life imprisonment in a Slave Labor Camp?

Well, that is what WILL happen to YOU and to me — and to every White American man, woman and child, when and if the U. S. will sign the UN's "GENOCIDE TREATY" per se, or under its camouflaged name, the "INTERNATIONAL COVENANT of HUMAN RELATIONS"!

And once that Treaty is signed, our Government and our Constitution will be powerless to protect or defend you — because under our Constitution a Treaty becomes the Law of the Land.

Now let's analyze this diabolical plot — and see how we were "suckered" into it:

When Alger Hiss, architect of the UN, arrived in Washington with the UN Charter he called in the

Press and Radio and triumphantly read to them the 7th paragraph of Article 2, which states:

"Nothing contained in the present Charter shall authorize the United Nations to intervene in matters which are essentially within the domestic jurisdiction of any State, or shall require the Members (Nations) to submit such settlement under the present Charter . . ."

What magnanimity ! ! ! These alien agents of Foreign and Communist nations would permit us to administer our domestic affairs without interference! . . . What big-hearted generosity ! ! !

Anyway, that was the BIG LIE that "suckered" the U. S. into becoming a member of the UN. Had it not been for that "assurance" the Charter would never have been ratified. But throughout the weeks before the ratification the **controlled Press and Radio** repeatedly front-paged the above "assurance" — and glorified the UN as the only sure-fire guarantee of the **PEACE** of the World . . . and, with just a few exceptions, the Senators virtually trampled all over each other in their stampede to ratify the Charter.

But even as they were ratifying it, Senator Connally discovered the treachery in the "World Court" provision — and emasculated that plot with his "six-little-words" Amendment.

That was a great blow. But the Great Conspiracy never quits. Having failed with their "World Court" scheme, the UN decided to achieve the same objective, **and more**, with their so-called "humanitarian" **GENOCIDE TREATY** — the objective being such a **completely compulsory** jurisdiction over the American people as to make them powerless to prevent the transformation of the U. S. into an enslaved unit (a la Hungary) in their One-World Government.

Thus, on December 11, 1946, the UN General Assembly passed a Resolution (No. 96) calling for what they called a **"Genocide Convention"** — the full title being: **"Convention on the Prevention**

and Punishment of the Crime of Genocide" . . . the word "Genocide" (and its meaning) was coined by the UN.

According to the UN's proclamation, the "GENOCIDE" Law they were seeking was based on "humanitarianism" — it was to be Law, **so they said**, to prevent the mass murder of "minority groups" in the various nations throughout the world. They based the need for such a Law on Hitler's murder of the **SIX MILLION** Jews in Germany . . . the records show that there were never more than **600,000** Jews in all of Germany — but six million sounds more impressive, so the UN insists upon six million.

Now, first of all, bear in mind that under the "GENOCIDE TREATY", when and if our Senate will ratify it, all authority to administer the "GENOCIDE" LAW would rest with the UN — all arrests would be made by UN "police" — all "trials" would be supervised and controlled by the UN . . . in short, the U. S. would surrender all rights and powers in "GENOCIDE" matters to the UN. The following is the UN's definition of "GENOCIDE", taken verbatim from their proposed "Treaty":

"Any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group as such; A) Killing members of the group; B) Causing serious bodily OR MENTAL harm to members of the group; C) Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part; D) Imposing measures intended to prevent births within the group . . ." also, **1) Direct and/or indirect public incitement to commit Genocide; 2) Attempt to commit Genocide; 3) Complicity in Genocide."**

Article IV of the "Treaty" defines the punishments of those "crimes"; as follows:

"Persons charged with Genocide or any of the

other acts enumerated in Article III (including MENTAL HARM) shall be tried by a competent Tribunal (approved by UN) of the State in the territory in which the act was committed, or (at the discretion of the UN) by SUCH INTERNATIONAL PENAL TRIBUNAL AS MAY HAVE JURISDICTION WITH RESPECT TO THOSE CONTRACTING PARTIES (Nations) WHICH SHALL HAVE ACCEPTED ITS JURISDICTION."

Now, as previously stated, in all their announcements, the UN piously proclaimed that the sole objective of the "Genocide Treaty" was to prevent MASS murder of "Minority Groups", **always stressing Hitler's murder of the "SIX MILLION" Jews**. But, as we go through all the fine print in the Treaty, we find that you wouldn't have to participate in the mass murder of an entire "minority group" to be guilty of "Genocide" — you'd be just as guilty if you participated in the killing of just one member of such a group . . . then, lo and behold, we discover that you wouldn't have to even go as far as killing to be guilty of "Genocide", for if you caused **"physical or mental injury"** to a "minority group" member you would be just as guilty of "Genocide" as if you had killed **"six million" Jews or Negroes** — (Jews and Negroes are the only "Minority Groups" the UN seems to be protecting — Arabs don't count).

In other words, under that provision, if you got into a fist fight with a Jew or Negro and he suffered a black eye or a bloody nose you'd be guilty of "Genocide" . . . or, in an argument with a Jew or a Negro, you mentioned the word "kyke" or "nigger" you would have caused him **"mental anguish"**, and that **"anguished"** minority group member could bring a charge of "Genocide" against you. Thereupon, under the **"Genocide Treaty"** provisions, the UN could pluck you out of your home and ship you out of the U. S. for "trial." That "trial"

Red Group in Hollywood Told In Fagan Expose

Reviewed by
STAN PROGAR

Those of you who read a book pertaining to the machinations of the Communists in Hollywood film circles will be astonished to learn how strong a foothold they have managed to obtain.

This book is "DOCUMENTATIONS OF THE REDS AND FELLOW-TRAVELERS IN HOLLYWOOD AND TV," by Myron C. Fagan, former Broadway writer, director and producer for 40 years. It is published by the Cinema Educational Guild, (\$2), P.O. Box 46205, Cole Branch, Hollywood 46.

Here are the premises laid out:

1. For many years it has been established that some elements in the film industry have been communism's most effective Fifth Column in America—and a source of finances for the Communist party's war chest.

2. Many Americans have been duped into believing communism has been stamped out of Hollywood.

3. Fagan says in his book that the pro-Communists and documented Reds are back, stronger than ever. In fact, he writes that most of the Communist writers never left; they just wrote their scripts under assumed names.

His book should be read by every American.

It names and documents all of the pro-Red activities and Red-front affiliations of some 300 actors, writers and fellow-travelers in the movie industry and in television.

His documentation is backed by official evidence on file with the United States attorney general, the House Un-American Activities Committee and the

California State Senate Fact-Finding Committee.

School authorities verify that audio-visual aid is the greatest and most impressionable form of education known today. This is why this book may be vital to you and your family.

Fagan says because they are allowed to operate, these moulders of opinion are hurling pro-Communist propaganda at you every day of your life—whether you attend a movie or watch or listen to your TV.

Only the American public, people who attend movies and watch TV, can wipe out communism in Hollywood by knowing who the commie supporters are and refusing to support them financially.

And by the same token, all should know who the loyal American stars are—and support them!

The discovery of some of the big names on the list will shock you. This is true of the movies as well as TV, especially the commentators on network shows.

But there is a bright star here too, a tremendous shot in the arm for those hopeful of preserving the "Great American Dream" of freedom for all. This is the list of those he names brave and strong enough to withstand the pressures of communism and stay true to America.

Twelve Short Novels Told In One Book

Reviewed by
LEWIS YOUNG

Thomas B. Costain, whose own literary career has been a brilliant achievement, has done a perceptive task selecting this "TWELVE SHORT NOVELS" published by Doubleday (\$7.50).

Perhaps the fact he has been able to contain novels within a space of pages is a good indication of just how lengthy the works are by some of the finest authors. They are

Thomas Mann, Thornton Wilder, Joseph Conrad, Edith Wharton, Leo Tolstoy, Henry James, James Mill, Antoine Saint-Exupéry, Robert Nathan, Jan de Vries, Edgar Streeter, and John Steinbeck.

Costain explains in a preface his reasons for selecting these particular writings as outstanding examples of the "short novel." He says the short novel results from a decision of an author to deal with a single idea or situation without resorting to the leisurely method of the deliberate padding of what is sometimes called the "blockbuster type" long novel.

His comments range from the modern history of "best sellers" in which large numbers of books are where from 1000 to 1500 up often seem to have been the popular criterion of "great books." Costain says that theory is not entirely demolishing it.

but they will continue to commit that treason until we, the American people, stop them!

There is only one way to stop them — remove them from the high offices that enable them to commit that treason, via IMPEACHMENT! The impeachment proceedings and hearings will establish whether they are innocent or guilty.

Our Constitution states that:

"The President, Vice President and all civil officers of the United States shall be removed from office on impeachment for, and conviction of, Treason, Bribery, or other high crimes and Misdemeanors."

The Constitution defines TREASON against the United States to . . . "consist of levying war against them (the US), or in adhering to their Enemies, and for GIVING THEM AID AND COMFORT" . . . it also declares that . . . "Congress shall have the Power to declare the punishment of Treason" . . . whether committed by a President, a Vice President, a Senator, or a Supreme Court Justice!

And in Article One, Section Three, the Constitution states: "The Senate shall have the sole power to TRY all Impeachments . . . Judgment in Cases of Impeachment shall not extend further than to removal from Office and disqualification to hold and enjoy any office of Honor, Trust, or Profit under the United States . . . BUT THE PARTY CONVICTED SHALL NEVERTHELESS BE LIABLE AND SUBJECT TO INDICTMENT, TRIAL, JUDGMENT AND PUNISHMENT, ACCORDING TO LAW".

Fellow American, the United States belongs to the American People, not to the men to whom WE have given their high offices. Repeal of the CONNALLY AMENDMENT would be High Treason to the U. S. and the American people . . . and every individual who attempted it must be tried in accordance with the rulings of our Constitution! . . . and it is the sacred duty of ALL loyal Americans to our

Country — and to their own children — to DEMAND such action from their Senators and Representatives.

And to these Americans who insist that Eisenhower "can do no wrong", we say: LET CONGRESS DECIDE IT — the way our Constitution tells us to have it done.

NOTE: A complete exposition of the entire "World Court" plot, and the dire consequences of the repeal of the "Connally Amendment", can be found in the CEG "News-Bulletin" No. 73, by Myron C. Fagan. You can get a copy of this startling book by sending Fifty-Cents to "Cinema Educational Guild, Inc."

Every member in both Houses of Congress has a sworn obligation to protect and defend the United States, the Constitution, the American people . . . Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to fulfill their oaths — to summon forthwith for proper trial all those named herein who collaborated in the plot to repeal the CONNALLY AMENDMENT.

BY 39063ELW/bc/gks

In 1945 the INTERNATIONAL-COMMUNIST conspirators set up the UN ("UNITED NATIONS") to be the crux of their plot to create their ONE WORLD GOVERNMENT — but particularly to transform the United States into a unit of that One-World Government . . . because as long as the United States remains free they can never achieve their plot !!!

The UN CHARTER, when it was ratified by the U. S. Senate (in July 1945), became the "TREATY" that made the U. S. a member of the UN.

That CHARTER was written by ALGER HISS and Moscow's MOLOTOV and VISHINSKY . . . nevertheless, with one or two exceptions, our Senators ratified that CHARTER without reading it! Why? . . . We don't know — but that is how it was done!

In that CHARTER the conspirators inserted several crafty provisions — provisions that were to enable the UN to transform itself into a ONE-WORLD GOVERNMENT — and to transform the U. S. into a unit of that "government" . . . without the American people knowing it, or realizing it, until it was a fait accompli — and from which we could not pull out !!!

Why We Could Never Pull Out!

One of those Charter "provisions" authorized the UN to set up its own "SUPREME COURT", to be known as the "International Court of Justice" (World Court). That "Court", answerable only to the UN, is comprised of one American and FOURTEEN Foreign and COMMUNIST Justices — all appointed by the UN, without approval by the U. S. . . . Ostensibly, this "Court" was to have jurisdiction only of International affairs, but analysis of the fine print in that provision establishes beyond any doubt that it could assert complete jurisdiction over our immigration laws, our tariffs, interstate commerce, the Segregation question, all "Minority Group" disputes, our control of the Panama Canal — in short, of all our

Domestic affairs, as well as Foreign — and there could be no appeal from its "Decisions" !!!

Furthermore, any American charged with "transgression" of any "World Court" Law could be taken out of this country for trial in The Hague, or in Paris, or in Bombay, by a Tribunal designated by the "World Court" — and he could not appeal to our Constitutional Laws — or be defended by an American lawyer — and the United States could do nothing about it . . . and GET THIS: the jurisdiction of the "World Court" would include . . . "the trial (under the above conditions) of individuals and private organizations accused of offenses against the UN Charter" . . . and, of course, criticism would be an "offense" !!!

And there you are — that's why, once we'd be engulfed, by "World Court" DECISION, in the UN One-World Government we could never pull out . . . who would dare to commit the "offense" of protesting?

"Connally Amendment" Saved Us!

Fortunately, all such "provisions" have to be individually ratified by our Senate. So, in November (1945) Sen. Wayne Morse submitted a "Resolution" whereby the Senate would authorize our Government to accept complete and COMPULSORY jurisdiction of the UN's "World Court" — and on December 17, Congressman Herter (now Secretary of State) submitted a similar "Resolution" to the House . . . and again the Senators were about to ratify that "Resolution" without reading it!

But, by the grace of God, Sen. Tom Connally DID read it — and saw in it the complete surrender of the U. S. to the UN, via the future "DECISIONS" of the UN's "World Court" !!! And, in the nick of time, he quietly insisted upon the addition of six little words that were to protect the United States from the "World Court" future "DECISIONS" — those

"six little words" were : . . . "as determined by the United States."

And THAT is the Connally Amendment . . . it is the only thing that has kept — and is keeping — the United States from becoming an enslaved province in a United Nations "One-World Government".

Yet, our President, Dwight D. Eisenhower, DEMANDS that the Connally Amendment, our only safeguard, be repealed . . . Vice President Nixon, U. S. Attorney General Rogers, Secretary of State Herter and Senators Morse, Humphrey, Javits and Clark demand that it be repealed — that the "UN World Court" be granted full and COMPULSORY jurisdiction over the U. S. and the American people !!!

Well, REMEMBER THIS WARNING: If the Connally Amendment will be repealed, nothing under the sun will prevent a "World Court" DECISION that will transform the UN into a "One-World Government" — and then . . . in order to give the UN the "POLICE FORCE" it will need to enforce PEACE . . . there will be more "World Court" DECISIONS that will require (polite word) the U. S. to transfer (surrender) our Armies, our Navies, our Air Force our Nuclear weapons to the UN . . . exactly in line with Eisenhower's "Disarmament" program — and his plans to "strengthen the United Nations" !!! . . . And that would mean the end of our Constitution, of our Bill of Rights, of our Declaration of Independence — the end of a free United States and a FREE American people!

Dwight D. Eisenhower KNOWS all that — Nixon, Rogers, Herter, Morse, Clark and Humphrey KNOW it . . . they KNOW that they are betraying their oaths to protect and defend our Constitution — that they are betraying the American people . . . they KNOW that repeal of the Connally Amendment will open the gates of America to the Enemy, exactly as Quisling opened the gates of Norway to Hitler's Nazi hordes . . . they KNOW that it is TREASON —

decision in San Francisco . . . Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that it would be expedient for him to "forget" all about rights" and "terms of the Charter": Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — he also confirmed its permanency! After that, says Mr. Lie "... it would not have been politic for me to resist that (secret agreement) accord."

He then reveals what little authority he had in all such matters, even in the choice of the Russian to fill that all-important post, although, under the Charter, he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that "his was not to reason why, his was but to obey — OR GET FIRED!

WE NOW HAVE THE PROOF!!!

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—evidence that that "secret agreement" MURDERED and MAIMED 145,000 American boys in KOREA! — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly

investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN.

But Congress won't act unless "the people" DEMAND that they act — and the people won't DEMAND until they know what to DEMAND. Senator Jenner said: "Our problem is to get the story to the people" — so that they will KNOW what to demand.

YOU can solve that problem with this Tract! — coupled with Tract No. One!

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of these two Tracts to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will!

1962 - UN TRACT No. 2 - 1962

THE TRUTH...

ABOUT THE U. N.

as revealed

by TRYGVIE LIE

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

The most startling of all the charges was that **secret agreement** between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist !!! Now, under the Charter, "little wars" to prevent Communist aggression (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee! GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee !!!

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGRESSIONAL RECORD", and demanded that the UN be hauled up for a thorough (open to the public) hearing by the properly constituted Congressional Committee — and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get "the people" to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we quoted sections of "U. S. Government (TOP SECRET) Bulletins" which OFFICIALLY confirmed all those charges . . . Those TOP SECRET Bulletins confirmed that the UN gave MOSCOW'S Gen. Vasiliev a "leave of absence" from his UN job as Chairman of the UN Military Staff — TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES !!! . . . Those Bulletins PROVED that ALL

the American boys who died in Korea were MURDERED by the UN — as a result of that Hiss-Molotov secret agreement !!! . . . they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese !!!

Very quickly a half-million copies of that "Tract" were circulating through the nation — thousands upon thousands came pouring into Washington . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken — they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable — and that would mean the end of the UN !!! . . . And then the State Department came to the rescue of the Conspirators — they issued an "official statement" in which they denied our charges — and virtually proclaimed that their own original "U. S. Government (TOP SECRET) Bulletins" were falsehoods. And, promptly, the UN and ALL the UN Fronts — and the State Department — flooded the nation with that false and misleading "official statement"!

(Now, get this point, in their denials, those "official statements" never once named the "charges" they denied — they operated on the theory that if they could cast a doubt on any one charge it would discredit all charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce DOCUMENTARY evidence that such an agreement had ever been made!

That strategy worked perfectly! And why not? After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS — surely they wouldn't be guilty of deliberate falsehoods! Oh, no? Anyway, "the people", confused, believed

them. The demands (Tracts) for a Congressional investigation died down to a whisper — the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them—to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov — Stettinius and Vyshinsky — and Trygve Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit — maybe to clear his conscience. Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement — the following is his (verbatim) statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Secretary Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' — he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr. Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: "... by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won

memberships for Senators and/or Congressmen—and fills 15 additional seats with State or Local office holders.

THAT is how UNESCO is enabled to reach into most every major governmental body to assure that its "educational" policy of indoctrinating our YOUTH into COMMUNISM and ONE-WORLDISM is carried out.

STATE DEPT FINANCES UNESCO— UNLAWFULLY!!

The irony of this entire situation is that YOU are paying for the destruction and enslavement of your own children by financing the UNESCO plot—to wit: Your tax dollars pay for more than 30 per cent of the entire international UNESCO work . . . it pays for an additional 40 per cent for the work of "agencies" which are "subsidiaries" of UNESCO. Your tax dollars also pay ALL of the expenses of the "U.S. National Commission for UNESCO" (also known as the "U.S. Secretariat for UNESCO") regardless of the size of the bill in any one given year.

But now get this: while all this is being done, a FEDERAL STATUTE IS BEING VIOLATED by every school in the nation, by the State Department, by NEA, by EVERYBODY who supports UNESCO, to wit:

EVERY year when the Department of State Appropriations Act is passed in Congress, a section is added which FORBIDS the teaching of one-world government. Public Law 471, House Bill 8067, 83rd Congress, second session, which provides for this section, as interpreted by Nevada's late Sen. Pat McCarran, warns:

"This provision of the Law is a specific direction against the teaching of one-world citizenship and one-world government in the schools of our country . . . Those of us who are interested in maintaining our way of life and our form of government are determined to arouse the people of this country against that which would destroy patriotism in America and lead the Youth of America to believe that the UNITED NATIONS is superior to the American Government."

Read "News-Bulletin" No. 86 for full details—read the NAMES, headed by Milton Eisenhower, of the men and

women who are collaborating with this vicious plot—"Americans" of Benedict Arnold ilk . . . only THEIR treason is even more foul, because their victims are YOUR defenseless children! Read—then don't stop fighting until every one of them is hurled out of our Educational System! . . . Read—then don't stop fighting until Congress rigidly investigates the State Department's UNLAWFUL financing of UNESCO!

OUR MOST URGENT JOB!!!

The Masterminds of the "GREAT CONSPIRACY" are frightened—terrified. Their "UNITED NATIONS" is now skating on very thin ice. The American people are awakening—FAST! Actually, their (the "Masterminds") last hope of achieving a Communist One-World Government lies in a thoroughly brainwashed AMERICAN YOUTH. They can achieve that brainwashing only through UNESCO. But when the UN will finally be torpedoed, UNESCO will go with it—unless they can meanwhile get TREATY status for it and thus make UNESCO a LAW of the LAND unto itself!

So, during the past year, several of their stooges in Congress have been craftily devising ways and means to slip it through very hush-hushedly. It is included, in fine print, in Kennedy's "Federal Aid To Education" Bill—ditto in various other of Kennedy's MUST Bills—on the theory that one of them will go through and thus provide TREATY status for UNESCO. The original title of the TREATY is "UN Declaration of Human Rights." It has now been changed to: "Convention Against Discrimination in Education"—and is therefore tied in with "Desegregation." However, it is all so camouflaged in ALL the pending Bills that only careful scrutiny by our Representatives and Senators will reveal the cunning trick.

Moreover, TIME is their most important element in this plot: with doom for the UN on the horizon, the "Masterminds" have instructed their stooges in Congress to rush the railroading of at least one of those Bills in this session of Congress—and report SUCCESS to the November 1962 meeting of the UNESCO General Assembly in Paris!

Now you know why YOU, why ALL American mothers and fathers, must get off the sidelines and get to work

in this greatest battle for Freedom and Liberty since our Revolutionary War! You MUST—if you want to save YOUR CHILDREN from Communist enslavement!

Read full instructions in "News-Bulletin No. 86 and join in the fight at once!

Meanwhile, send signed copies of this "Tract" to your Representative and Senators in Washington—to the members of your State Legislature . . . and get ALL of their CONSTITUENTS to do likewise—DO IT TODAY! The futures of YOUR children depend on it!

Every Member in both Houses of Congress has a SWORN obligation and duty to protect and defend the United States, the Constitution, the American people—and to safeguard all of AMERICAN YOUTH!

I, the undersigned, a citizen of the United States, hereby urgently request my representatives in both Houses of Congress to join with other Members of both Houses to thoroughly investigate UNESCO—and OUTLAW it and all its Agencies. I also urge that all individuals who have knowingly and deliberately aided and abetted this plot shall be tried on a charge of treason and punished accordingly.

1962

UNESCO TRACT

1962

UNESCO IS DEADLY MENACE TO AMERICAN YOUTH

Time after time after time, the Masterminds of the "Internationalist-Communist Conspiracy" tried to railroad Congress into granting full "TREATY" status to various UN plots, such as "GENOCIDE," "WORLD COURT," etc. Treaty status would automatically have made any of those plots a LAW OF THE LAND . . . and that would have delivered the American people into a Communist (UN) One-World Government. Only avalanches of angry protests (signed "Tracts") from constituents (VOTERS) to their Representatives and Senators torpedoed all those plots.

However, the "Masterminds" never quit—NOW, at this very time, several of their Washington stooges are SECRETLY scheming to railroad one of several camouflaged Bills that would give UNESCO full TREATY status—and thus make UNESCO policy in our Educational System a LAW OF THE LAND . . . Here is what such a TREATY would do:

For years, Stalin and Khrushchev have been saying . . . "Give us control of one generation of AMERICAN YOUTH and we will own America."

Well, that's what "Treaty" status for UNESCO will do—it will surrender AMERICAN YOUTH to the INTERNATIONALIST-COMMUNIST CONSPIRACY!!!

URGENT WARNING

We all were horrified when Castro began to ship Cuban children to Moscow to be Communist indoctrinated . . . Well, if UNESCO is given "Treaty" status they won't have to send our American children to Moscow to be Communist indoctrinated—UNESCO will do it right here" . . . Do you want that to happen?

THE SALVATION of AMERICAN YOUTH demands that UNESCO must be DESTROYED!

To some, that may seem to be an "extremist" statement, but, as you read this "Tract," bear THIS in mind: UNESCO was created to accomplish just one job—to entrap YOUR unwary and defenseless children into Communist enslavement—and today they already are far on their way to full achievement of that job!

HOW THEY ACCOMPLISHED IT

The modus operandi to achieve that UNESCO objective was to infiltrate and finally acquire complete control of the entire American Educational System, from Kindergarten to University—in order to brainwash all AMERICAN YOUTH into contempt for patriotism and nationalism—and into complete acceptance of Communism and One-Worldism . . . and, in the process, to destroy all home and parental influences.

In order to keep the American people unaware of this finch plot, it had to be introduced gradually—and very hush-hush! Furthermore, to inspire respect and confidence, it was to be provided with a highly regarded (humanitarian) sponsorship. Thus, in November 1945, five months after the "United Nations" came into official existence, a special meeting in London gave birth to the "United Na-

tions Educational, Scientific and Cultural Organization," commonly known as UNESCO.

Bear in mind, at that particular time the UN was a "Holy of Holies," created to preserve PEACE—and to work for the GOOD of all peoples. Therefore, any UN Agency was equally a "Holy of Holies."

However, to accomplish the "brainwashing" part of the job, it was necessary to transform all of our educational processes . . . all of the tried and true text books, such as the McGuffey Reader, etc., would have to be replaced by new (UNESCO inspired) text books which would contain subtle (and not so subtle) Communist and One-World "education" . . . all the old text books that could not be eliminated would have to be revised and slanted with similar "brainwashing education."

By itself, UNESCO couldn't possibly have achieved such a brazen transformation. It had to be fully approved and supported by our "National Education Ass'n" (NEA) . . . ditto the State and City School Boards of Educations . . . ditto the "American Association of School Administrators" (AASA) . . . ditto the "National Congress of Parents and Teachers" (NCPT), which controls all local PTAs . . . ditto the TEACHERS! They ALL had to be in on it! And they all were—right from the inception of the plot! As a matter of DOCUMENTED fact, NEA proudly claims the "distinction" of having given UNESCO its start. That was proclaimed in Boston, Mass., during their 87th Annual Meeting, July 3-8, 1949, and so recorded on pages 33 and 34 of the "Minutes" of that Meeting.

Those "recordings" establish that the NEA is dedicated towards carrying out the principles of "education" as outlined by UNESCO—to do this, UNESCO policy has been made NEA policy . . . the AASA made UNESCO its policy—its primary job is to administrate this UNESCO policy and see to it that it is carried out in the schools . . . the NCPT also has adopted UNESCO policy as its policy—THEIR primary function is to make sure that the parents are deluded by the local PTAs into "going along" with the schools in each district—and thus MAKE SURE the Communist-dominated One-World teachings are indoctrinated into every child in America!

This is a serious charge—but true as gospel . . . it was Moscow that, at the behest of the Masterminds of the One-

World Conspiracy, originated UNESCO. Moscow helped write it . . . they censored and approved its principles and policies before they were adopted in London in 1945—and the MOSCOW REDS have been in complete control of UNESCO since its inception. . . .

HERE IS THE PROOF

The UNESCO Executive Board is the ruling body of UNESCO activities throughout the World. Its chief function is to carry out the directives issued by the Office of the Director-General . . . Now look at the Top Brass of this Executive Board—and SHUDDER!!!

1) The Director-General is France's Rene Maheu, one of France's top Reds . . . 2) Ass't Director-General of ALL UNESCO is one of Russia's most ruthless Reds, Pavel Ivanovitch Erchov. He steers the course—exactly as the UN's Moscow RED First Assistant Secretary-General steers the course of the Military Secretariat in the UN . . . 3) Deputy Director in charge of the entire UNESCO Dept of Education is Russia's No. 3 Communist, Vladimir Marimovsky . . . 4) Chief of the Division of Social Science is Russia's Georgi Skorov . . . 5) Chief of Secondary Education for UNESCO is Russia's infamous Mrs. A. Jegalova—this female of the species is the former Chief of Inspection Division of the Soviet Ministry of Education, etc. . . . 6) Director of UNESCO's Natural Science Dept is Russia's Victor A. Kovda, another of Moscow's most vicious Reds . . . 7) M. Kuznetsov, of Russia, is chief of translations in the Documents and Publications Service Division . . . 8) Sioma Tanguian, of Russia, is Program Specialist in UNESCO's Education Clearing House . . . 9) Mrs. Valery Bironiov, of Russia, is chief of the Publication Liaison Division . . . 10) Mrs. T. Beliaeva, of Russia, is chief Librarian in the Department of Cultural Activities . . . 11) V. Bironkov, of Russia, is program assistant, Publications Liaison Division, Dept of Mass Communications . . . 12) H. Kovalsky, of Russia, Chief of Press Division, Dept of Mass Communications.

These are just a few of the MOSCOW REDS in the governing body of UNESCO—we don't have enough space to name ALL of them. But, wait! In addition, there are REDS

from RED China, RED Korea, RED Viet Nam, Mongolia, East Germany, Poland, REDS from all of Moscow's Satellites in the UNESCO governing body . . . those are the people who formulate and control the policies of UNESCO—who rule upon the principles in our Educational System—who decide what OUR CHILDREN are to be taught!

NOTE: All of the above hardly even scratches the surface of this HORROR STORY. For the salvation of YOUR children, you should know ALL of it—you should know, MUST know, how UNESCO is building up to deliver ALL of our AMERICAN YOUTH to Communist enslavement—you should know the names of the AMERICAN traitors who are collaborating in this foul plot. You will find all of it in "NEWS-BULLETIN" No. 86, entitled "UNESCO: NO. 1 ENEMY of AMERICAN YOUTH," by Myron C. Fagan. Get a copy—read and DIGEST it. It will startle you—horrify you—ENRAGE you . . . and make you so FIGHTING MAD you'll never stop fighting until UNESCO is UTTERLY DESTROYED! You can get this MUST 32-page book by sending 50 cents to "Cinema Educational Guild, Inc." Ed.

Now, let's see how our (by accident of birth) American traitors have been, and still are, collaborating in this horrifying betrayal of our helpless, defenseless and innocent YOUTH.

STATE DEPT SHIELDS UNESCO!!!

When the plot was being organized, the "Masterminds" knew that to make it succeed they would have to keep the American people completely unaware that UNESCO is an integral apparatus of the over-all GREAT CONSPIRACY. To delude us, it was vital to make UNESCO appear to be "An American Idea" . . . so the U.S. State Department set up what it called: "THE UNITED STATES SECRETARIAT FOR UNESCO." It is composed of 100 members. Its headquarters is in the State Department. . . . Of this 100 membership, 60 are allocated to educators, scientists and cultural organizations—and 40 are retained by the State Department . . . the State Department, in turn, reserved 10

"Department of Defense, Office of Public Information, Washington 25, D. C., May 15, 1954. (Captioned) The Truth About Soviet Involvement in the Korean War: (marked "TOP SECRET")

"In the interest of throwing further light on the facts of Soviet participation in the Korean war, and on the Chinese record in Korea, the Department of Defense has released two special studies on these subjects . . . these studies establish beyond any reasonable doubt the true nature of Communist aggression against the Republic of Korea, the Soviet and Chinese Communist support of, and participation in that aggression, and the BLUNT TRUTH about the internal and external manifestations of Communist control in North Korea Many Russian 'advisors' were attached to the North Korean Army advance headquarters established in June, 1950. They wore civilian clothing, and it was forbidden to address them by rank. They were introduced as 'newspaper reporters', but they had supreme authority. They took the lead in commanding and manipulating troops. They treated the North Korean officers, who were nominally their chiefs, like their servants, or children. A North Korean Major identified two of these Russian 'advisors' as GENERAL A. Ph. VASILIEV and Colonel Dolgin. VASILIEV, he said, was in charge of all movements across the 38th parallel."

MacArthur's Top Aide Confirms - as follows:

"Someone told them (the Red Chinese) that even if the Red Chinese swarmed across the Yalu into No. Korea in overwhelming hordes, even if they slaughtered UN soldiers by the thousands on the battlefield and in the prisoner of war camps the U.S. Government would not retaliate. And the Reds' staging and supply area in Manchuria would remain a sanctuary! The U.S., BY ORDER OF THE UN, did not retaliate - Manchuria remained a Red's sanctuary throughout the war - and 145,000 American boys were maimed and MURDERED in Korea ! ! !

Do We Need Any More Proof?

By their silence the UN admits GUILTY! It is now up to Congress to act! But Congress won't act unless the people FORCE them to act. Senator Jenner said: "Our problem is to get the story to the people" . . . the people, only the people can FORCE Congress to act.

YOU can solve that problem - with this Tract! - and with UN Tract No. 2, which documents the Hiss-Molotov secret agreement.

You owe it to America - and to your own children - to SPREAD this Tract far and wide. Buy what you can afford and give them to Veterans Organizations - Civic Organizations - Clubs. Give them out where you work - give them to your Pastor for distribution - enclose a copy in every letter you write.

provide

DOCUMENTARY PROOF

that

**UN is PLANNED
DEATH-TRAP FOR U. S.**

RITA ("Thieves' Paradise") . . . "All the American Boys who were killed in Korea were really murdered by the UN."

On Sunday evening, May 20, 1956, Myron C. Fagan's play "Thieves' Paradise" opened at the Shubert Theatre in Washington, D.C.

The play was written for just one purpose - to warn the American people that the YALTA plotters created the UN to destroy the U.S. and transform our country into an enslaved unit of a Communist One World Government . . . it was produced in Washington so as to put the UN on open trial before all the Members of Both Houses of Congress - from now on there can be no "I didn't know" alibis!

"Thieves' Paradise" revealed all the different phases of the diabolical plot - how the UN was a "Trojan Horse" sneaked into the U. S. to serve as a Sanctuary for Red Spies, Saboteurs and American traitors . . . how it was to destroy our Freedoms through "Treaties," such as "GENOCIDE" and the "WORLD COURT" . . . to brainwash our Youth through UNESCO and UNICEF, etc. . . . to drain us of our wealth through UNRRA, "Marshall Plan" and Foreign Aid give-aways . . . and to finally

transform the U. S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force and/or phony "Liberation Revolutions", aided by our State Dep't., such as the Castro "revolution" in Cuba! But there were men like Syngman Rhee and Chiang Kai Check who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . so Alger Hiss and Molotov entered into that secret agreement — with Trygvie Lie in on the secret!

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and move-

ments of the UN forces!?

"STEFAN:— Exactly! That's what happened in Korea. General MacArthur was Commander-in-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . .

"RITA:— (Startled - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Vasiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . "If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"

The UN did not file a libel suit . . . they didn't dare . . . because their own records show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post continuously from 1945 to 1951 . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary . . . and he was succeeded in 1957 by A. Dobrynin, who, in turn, was succeeded in 1960 by Georgy Arkadev — all Moscow appointed Communists. The same UN records show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him sole command of all UN military affairs! !

Confirmed by U.S. State Dep't.

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) "Special agreements under article 43 of the United Nations Charter" (marked "TOP SECRET"), reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygvie Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations . . . "THIS IS THE MOST GRIPPING BOOK I EVER READ. NO AMERICAN HOME SHOULD BE WITHOUT IT. IT IS A STORY OF INTRIGUE IN HOLLYWOOD AND THE TELEVISION STUDIOS THAT WILL PARTICULARLY FASCINATE THE YOUTH OF AMERICA. NEITHER DUMAS, NOR VICTOR HUGO, NOR JULES VERNE EVER WROTE A MORE ENTRANSCING STORY OF INTRIGUE, OF PLOT AND COUNTER PLOT"... George E. Stratemeyer, Lt. Gen. USAF (Ret.)

That is what Gen. Douglas MacArthur's famous chief of the Air Force in the Korean War said about "DOCUMENTATIONS of the REDS and FELLOW-TRAVELLERS in HOLLYWOOD and TV"—and following are his reasons for that observation:

Today there is a tremendous surge to conservatism in the political climate in America. The people are rapidly realizing that "Liberalism" is the sure road to Communism. Nowhere is this more apparent than in the Youth of America—on the College Campuses and even in the High Schools.

The people are becoming aware and alarmed by the infiltration of "Liberalism" and Communism in all segments of American life... but the greatest resentment is against those in Hollywood—the Stars, Writers, Directors, Producers who have transformed our Motion Pictures and TV shows into the most effective and most frightening of all the Communist propaganda machines to brainwash the American People. The real awakening came in 1959 when the American Legion, at their National and various State Conventions, released strongly worded "Resolutions" denouncing the Red treason being perpetrated on the Hollywood Lots and in the TV studios. They named a few of the offending Films and Stars, Directors, Writers and Producers, but only a few. And their "Resolutions" lacked the story behind the treason of those men and women. This book tells ALL!

In the entire history of American Literature there has never been a more startlingly revelatory book than this one. In addition to its fascinating story, it names and charges several hundred of the most famous men and women in the World of Entertainment with deliberate and witting collaboration with the Communist Conspiracy. More important, the book leaves nothing to imagination about the guilt of the individuals it names, as it DOCUMENTS all of their pro-Communist activities... all the DOCUMENTATIONS are derived from the official records of the "House Committee on Un-American Activities," the "California State Senate

Fact-Finding Committee," and even the FBI... There can be no denials of, or alibis for, the citations by those official Agencies as recited in this book.

This book is a priceless reference handbook for all Americans who would keep their TV sets clean of the subtle Communist propaganda and debasing filth that has been brainwashing their children... it is INVALUABLE for the SPONSOR of TV Shows who would avoid offending his potential customers—and losing their patronage—by bringing Reds and Fellow-Travellers into their Living-Rooms.

In addition to the documentations it contains, this book, authored by a famous master of the written word, tells the complete story of the Communist conquest of Hollywood and the entire World of Entertainment... it starts with the inception of the Conspiracy in 1917 and reveals all of the Machiavellian techniques the Reds employed to achieve their conquest—techniques they have been employing ever since to retain that conquest—techniques they are employing in these very days of 1961... and it unmasks all of their collaborators in high places in our Government in Washington.

For \$2.00 the reader will get a PRICELESS story. Once you will start to read this book, you won't lay it down until you have read its final word. It will fascinate and entrance you... it will also horrify you... it will shock you, startle you, scare the very daylights out of you, but it will also make you fighting mad and goad you into doing what this book tells all loyal Americans to do to smash the Red Conspiracy that has the whole World of Entertainment in its grip.

This book also contains a list of between 300 and 400 LOYAL Stars, Writers and Directors.

Gen. Stratemeyer concluded his statement with: "This book will be a prize item in every book store in America."

YEAR-END REPORT for our MEMBERS

Dear Fellow-American:

Of all the Year-End Reports we have issued not one has been as vital and important as this one is for ALL Americans, especially for ALL the PARENTS of school-age children—because this REPORT reveals that in this year (1962) UNESCO, with the help of the State Department and NEA, is plotting to railroad Congress into a TREATY which would FOREVER place our entire Educational system under the full control of UNESCO . . . the objective of this plot is to destroy all parental (home) influences—and to BRAINWASH our YOUTH into accepting a COMMUNIST ONE-WORLD GOVERNMENT! . . . For that reason alone I urge you to read—and READ AGAIN every word in this REPORT . . . because this REPORT also provides a BLUEPRINT showing how YOU can help to smash that plot and—

SAVE OUR AMERICAN YOUTH!!!

Now, I will first review some of the weird happenings in the past year (1961)—weird, but every one of them foretold in our previous Year-End Report—and then stressed in the various "News-Bulletins" that followed.

One of the most amazing of those happenings came immediately after the "California State Senate Fact-Finding Committee" released its "Annual Report" which contained a vicious and false "smear" attack on CEG, the "RED STARS" Tract and Myron C. Fagan.

As I have frequently stated, CEG is the one and *only* organization that through the years, from 1947 to the present, has consistently and indefatigably maintained the fight to prevent the ENEMY from achieving full control of Hollywood, Radio and TV. And all through those years the *Masterminds of the Red Conspiracy in Hollywood* have been frantically concocting scheme after scheme to destroy CEG—because with CEG destroyed, there would be nothing, *absolutely nothing*, in their way to total conquest of Hollywood and the entire World of Entertainment. And their most powerful ally in that fight is, and always has been, the "Anti-Defamation League" (ADL). And don't minimize the power of this ADL. They have ways and means of pressuring, of coercing, of *blackmailing*, every phase in our society and every Agency in our government into collaborating with their *dirty* work. Their principal, and *frighteningly effective*, weapon is the "ANTI-SEMITIC" brand. And they have been training that weapon on me through all these years, on the theory that if they can fasten that brand on me it will effectively calumniate and utterly discredit CEG. To date, they have failed to accomplish that because my *only* act of so-called "anti-semitism" is my exposure of the ADL as a (*rattlesnake*) den of pro-Communism, and the chief "hatchet-man" outfit of the over-all Internationalist-Communist Conspiracy to destroy the United States.

I stress all that (*as I have been stressing it through all the years*) because of its highly significant bearing on one of the "weird happenings" I will shortly cite.

For the benefit of the newcomers to the CEG fighting forces, I now wish to establish that our "RED STAR" Tract has been

our (*and the American people's*) most potent weapon for preventing frequent desperate "come-back" efforts of the ENEMY to regain control of Hollywood and TV. I have also frequently stressed that what made the "RED STARS" Tract such an invincible weapon was our "DOCUMENTATIONS" book, which automatically exploded all denials and alibis of the individuals listed in the "Tract."

Well, as you know, in mid-1959 our entire stock of the "DOCUMENTATIONS" book was exhausted—and our plates had disappeared! We felt that in view of the great expense that new plates (*plus a vast research job*) would entail we should abandon the book. In addition, we felt that inasmuch as the files of HUAC, CUAC, the FBI and other official agencies could provide all necessary documentations, there was no further need of the book—and we so stated in the "Tract."

Apparently, that decision was what the Reds and their "Masterminds" had long been waiting for. They promptly launched a campaign to discredit the "Tract" and Myron C. Fagan—and thereby destroy all the effectiveness of CEG. Many of the Reds and Fellow-Travelers named in the "Tract" began to issue vituperative challenges to CEG to prove our charges . . . ditto TV sponsors . . . ditto Hollywood Producers. In addition (*amazingly*), various officials of the "American Legion," Left-wing newspapers, and similar groups and individuals voiced equally vituperative challenges and accusations—all of them boldly, or *slyly*, insinuating the "anti-semitic" brand. Then, out of the blue, I suddenly began to receive copies of "form letters," issued by an (*employed*) official of HUAC, by CUAC, by the "L. A. Better Business Bureau"—all discrediting the "Tract" and attacking the credibility and integrity of Myron C. Fagan—and they fortified those attacks with charges of "anti-semitism."

I met all those attacks head-on. First of all, I quickly prepared and issued an up-to-date edition (*virtually a new book*) of our "DOCUMENTATIONS" tome. That promptly exploded (*and silenced*) all the denials and alibis of the Reds and Fellow-Travelers named in our "Tract." Secondly, I forced complete retractions by the HUAC official and "L. A. Better Business Bureau"—and publicly established (*in the press*) that the "REPORT" and "form letter" issued by CUAC were full of "half-truths, outright falsehoods, misrepresentations and distortions of facts."

All of that was duly reported in all details in our "News-Bulletins" Nos. 80 to 84 inclusive, so it needs no "repeat" here. However, the most important feature about the entire attack is that my conversations and exchange of correspondence with some of the aforementioned Agencies established that all of them had been induced and/or coerced into their acts by the ADL! But if there was any lingering doubt about it, the modus operandi of every one of that "wrecking crew" clearly revealed the fine (*I almost said "Italian"*) hand of the ADL behind the assaults; for example:

One of the most vicious of the wrecking crews was one Tom Hoag, an official in the California Department of the American Legion. Shortly after it became known that our "DOCUMENTATIONS" books was no longer available, Hoag launched himself on a series of "speeches" at American Legion gather-

ings, in which he vilified CEG and Myron C. Fagan—characterized the "RED STAR" Tract as *"trash and full of lies"*—proclaimed that many of the individuals named in it as REDS are in fact *"innocent victims"*—and, *"even more important, (that) the Tract is ANTI-SEMITIC."*

Now, mind you, nowhere in the "Tract" is there any mention of race, color or creed—NEVER is the word *"Jew"* mentioned in it. Yet, Hoag stressed that it is *"anti-semitic."*

Then, to completely intimidate those of his listeners who are members of CEG, or had been distributing the "Tract," he somberly warned that Chet Huntley was preparing to sue everybody caught passing out this "Tract"—and that *"he had already sued one person in Texas and been awarded a large monetary judgement"* . . . later Hoag was forced to confess that that was a deliberate falsehood.

Simultaneously, one Lew Irwin, a minor TV news-caster in Los Angeles, mouthed the exact same slander and falsehoods—*stressing the same "anti-semitic" charge!*

Also, simultaneously, one Frank Martinez, a young Mexican, employed as a reporter on the Santa Ana (Calif.) Register, blossomed forth as a Publisher-Editor of a new publication, which he calls: *"Americans—On Guard."* The most important feature in his first edition was a vicious attack on Myron C. Fagan and the "RED STARS" Tract. He printed *verbatim* Hoag's smearing falsehoods—and stressed the *"anti-semitic" charge!*

I promptly sent him a registered demand for a retraction. He not only ignored my demand, but, as if in answer to it, his second edition repeated the attack with increased venom—and deliberately linked CEG and Myron C. Fagan with the ADL's most notorious *"anti-semitic"* smear-carrier. Then, obviously emboldened by my continued legal inaction, his third issue conspicuously front-paged a jeering challenge to *"Fearless Fagan"* to try and disprove his (Martinez') charges . . . I replied to that challenge with a libel suit!

Within hours after the suit was filed in Santa Ana, I received several phone calls from (purported) friends of Martinez—all pleading that I withdraw the suit. They variously alibied for him with: *"Frankie is just a kid . . . he had been misinformed and misled . . . Frankie now knows he made a mistake . . . he'll never do it again," etc., etc.*

All that even before Martinez had been served. Naturally, I ignored the pleas—the matter was now in the hands of my lawyer, and I so informed the callers.

The next day my lawyer received a telephone call from a lawyer representing Martinez. He put forth a very plaintive plea, to wit: Martinez had been fired by the "Register"—*"he was flat broke—this suit, unless withdrawn would 'kill' his 'Americans—On Guard'—Martinez would gladly make any amends Fagan would require," etc., etc.*

Of course, all those pleas were phony, but, at my lawyer's suggestion, I prepared the terms on which I would permit withdrawal of the suit, to wit: Martinez would have to publish a full retraction (which I drew up) and "front page" it as conspicuously as he had "front-paged" his attacks—also that he would reveal the names of the backers of his publication and of those who had instigated the attack. My attorney relayed my terms to the Martinez lawyer.

In his next edition Martinez published (inconspicuously) NOT a "Retraction," but a CORRECTION, indicating with a few brief words that his previous stories had been (slightly) erroneous . . . at the same time he spread the word that the suit had been withdrawn!

Naturally, I rejected his "Correction"—and instructed my Attorney to serve him pronto. That was several weeks ago. To date, the Marshal has been unable to catch Martinez at his home, or at his office, or in any of his usual haunts. In short, *the Boy-Publisher is in hiding!* And we now have a private detective agency endeavoring to find and serve him.

There is one more feature about this Martinez incident that calls for highlighting: by his own admissions, Martinez never

had more than 300 paid subscribers. Yet he printed 25,000 to 50,000 copies of each edition—all of which (except 300 copies) he distributed for free. *Who provided the money, to pay the printing bills?* The answer to that question would let the cat out of the bag. However, in view of the constant vicious *"anti-semitic"* smears in his (a Mexican) attacks, do we have to look farther than the ADL?

Now let's go on to the *"weirdest happenings"* of all—one that will dissipate any and all lingering doubts about whom are behind the *"crusade"* to discredit the "RED STARS" Tract—and to destroy CEG.

Immediately after it became known that our "DOCUMENTATIONS" book was no longer available and (because they knew the plates had been destroyed) would not be reissued, a number of individuals bobbed up in various parts of the country and launched vitriolic attacks on *"Myron C. Fagan and his RED STARS Tract."* All employed the same Tom Hoag-Martinez M.O. All stressed the *"anti-semitic"* smear. Most of them are nondescript, and, of themselves, inconsequential, but they spread the smears before various civic and service groups, in letters to the press, on Radio and TV, etc., etc. And in the absence of the "DOCUMENTATIONS" book, and supported by the misleading *"form letters"* issued by the HUAC and CUAC officials, they created a great deal of confusion and suspicions.

In view of the limitation of space in this "REPORT" I will cite just one of these characters—to serve as an image of all the others:

Several years ago a nondescript Los Angeles housewife, one Marian Miller, gave out a story to her friends and neighbors that she had been a member of the Communist Party—at the behest of the FBI . . . on a few occasions she hinted (confidentially, of course) that the *"behest"* came in the form of a *"plea"* direct from J. Edgar Hoover.

That was her story. But some of her neighbors stated that she had been a member of the Party long before she ever contacted the FBI. However, let's give her the benefit of the doubt and assume that those *"nasty"* neighbors were just jealous and envious of her sudden (self-proclaimed) *"fame."* Be that as it may, she decided to transform that *"fame"* into a *"career"* for herself. Signing (and billing) herself *"Marian (FBI) Miller,"* she began to seek opportunities to *"speak"* at patriotic group and Church meetings. She was aided in those efforts by functionaries of the ADL—and by Morrie Ryskind, now a columnist of sorts on the L. A. Times. Ryskind proclaims himself to be an ardent Anti-Communist—but he doesn't hesitate (when he feels sure he won't be caught) to apply the *"anti-semitic smear"* on any Anti-Communist so branded by the ADL.

During her *"speeches,"* La Miller finds opportunities to launch a *"smear"* attack on *"Myron C. Fagan"* and his "RED STARS" Tract . . . and I have authoritative information that Ryskind had teamed up with her in at least one such attack!

Being a complete nonentity, and only able to mouth the ADL concocted *"smears,"* her attacks carried no weight. But when CUAC issued that phony *"Annual Report"* it provided her with a near-perfect *"smear"* weapon. She promptly lifted that section in the "Report" that was devoted to *"Myron C. Fagan and CEG,"* had it reprinted in pamphlet form, and launched a mailing campaign to various parts of the country. Each copy was accompanied by a personal letter reeking venomous hatred, part of which ran as follows:

"Myron Fagan has been linked with Gerald L. K. Smith, notorious anti-semitic and hate monger . . . Fagan just isn't accepted among us legitimate and reputable Anti-Communist Freedom fighters . . . the enclosed report explains why he isn't accepted."

At this point I'd like to get answers to two questions: 1) I don't know this woman—never laid eyes on her—never spoke with her—certainly I never harmed her. Yet she spews venomous hatred for me—WHY? . . . 2) That mailing *"crusade,"* involving the printing of the pamphlet, letters, postage, etc.,

would instruct our Ambassador in Belgrade to board the ship on its arrival in Yugoslavia and make a thorough inspection of its cargo—"just to prove that poor Mister Tito had been viciously maligned."

What a laugh! As if Tito would permit such an inspection—as if Rusk would so much as dream of ordering such an inspection . . . however, in this day and age, it seems that deceit is the chief function of a State Department seething and crawling with spies, traitors, liars—and homosexuals!

Incidentally, apropos of the delivery of our "obsolete" planes to Cuba, is it permissible to surmise that there were a few Cuban fly-boys among the Yugoslavs being *secretly* trained over here? . . . it would hardly seem fair to the bearded bum to provide him with planes without training his boys to properly fly them.

Kennedy resented all the criticism generated by that Tito plane and SECRET training "deal." He waxed particularly indignant on that eventful night (Nov. 18, 1961) when 5,000 outraged Americans gathered outside of the Paladium, in Hollywood, to let him know how they felt about such "deals." That was the night he branded all loyal Americans who opposed the gradual destruction of our country as "Extremists"—a word that will haunt him all his life, exactly as "red herring" is haunting Truman.

PROTECTION FOR HOLLYWOOD REDS

There is still another vital reason to remember that Kennedy visit in Hollywood—also, a visit by another Kennedy, Bobby, who came to Hollywood a few days earlier.

When Bobby stepped off the plane he found Peter Lawford and Frank Sinatra waiting for him. Inasmuch as Peter is Bobby's brother-in-law, his presence at the airport was quite understandable. But later developments seem to indicate that he and Sinatra had come there for a more important reason than just to say "hello" to Bobby. It could well be called an official reason.

As we know, Sinatra is the Chief Rat of the Hollywood Rat Pack—and Petah is top Rat No. 2. As we also know, when Kennedy was elected, Sinatra had gleefully proclaimed that the Pack now had a junior Rat in the White House and another junior Rat in the U.S. Attorney General. Thus, according to later reports, that meeting at the airport was as much official as it was social.

Anyway, from the airport they drove directly to Petah's home for a cozy (*strictly off record*) chit-chat . . . and when President Jack arrived, the two Rats were similarly closeted with him in his Beverly-Hilton Hotel Suite.

Now, of course, nobody knows what went on in those "top secret" meetings. Neither of the Kennedys revealed what they discussed—and the two Rats (*Frankie and Petah*) are too smart to do any "talking." But several days after the Kennedys left California the Hollywood grapevine began to whisper—a loud whisper—something to the following effect:

"All Hollywood Reds who will defy the Supreme Court order to register as members of the Communist Party can avoid all prosecution by joining the Rat Pack."

In addition, the same "whisper" hinted that anybody who would "snitch" on a Red Rat who failed to register would immediately come under "observation" of the "Income Tax boys"—and even if the "snitcher's" income tax reports were found to be flawless, the "Income Tax" investigator would "find" some misplaced commas and/or periods that would "warrant" such further investigation as would keep that "snitcher" too busy to do any more "snitching."

One doesn't have to be a mental wizard to figure all that out. All prosecutions for failure to register would have to be launched by the U.S. Attorney General's office. It would be very easy for Bobby to "defer" action on the Hollywood Reds until all the tens of thousands of other non-registered Reds had been duly tried and disposed of—and only the good Lord

knows how long that might take. Aside from that, Bobby could easily find himself "tied up" with far more "important litigations" long before he'd reach the cases of the non-registered Hollywood Red "Rats."

Now, as regards the "whisper" about turning the "Income Tax boys" loose on the "snitchers": it doesn't sound too far-fetched. As we know, Bobby has loudly proclaimed that he intends to smash organized crime in the United States and send the Crime Bosses to prison—of course, *that does not apply to crime bosses who are Democrats!* . . . likewise, he has vowed the same fates for Racketeers, Hoodlums and Reds in the Labor Unions—of course, *that does not apply to such as palsy-walsy Walter Reuther!* Anyway, he has clearly indicated that if he can't find legal ways and means to throw those criminals in the clink he'd have the Income Tax boys find enough misplaced commas in their tax reports to do the job. And, believe me, the Income Tax boys can do it—they did it to Capone—they can do it to anyone who will "snitch" on a Hollywood "Rat"—they can do it to anyone who poses a political problem for Jack and Bobby!!!

Note: Here I wish to clear away a possible misconception: my reference to Sinatra, Lawford, et al, as rats was not intended to be facetious. It was Sinatra himself who proudly gave the "Rat Pack" name to his group—and they all greet each other as "Brother Rat" and "Sister Rat." Therefore, when I alluded to them as Rats it should be accepted in the same way as "Legionnaire" is used to identify a member of the American Legion. I clarify this, because I don't want any of those Rats to think I meant to hurt their feelings. MCF.

Limitation of space in this Report won't permit a complete survey of John F. Kennedy's first year's frightening (*Fabian Socialistic*) stewardship of our nation. For those who desire that complete survey I suggest they get copies of our current (January, 1962) "News-Bulletin" No. 88, entitled "OUR INVISIBLE GOVERNMENT MADE VISIBLE" Part 1, and our February issue, No. 89, same title, Part 2.

However, there are three salient features in that forthcoming survey which I must mention before I close this Report:

1) Prior to Kennedy's coming into office, there was a ban (*although only a partial one at best*) against the free and uninspected entry of Communist propaganda literature into the United States. Very shortly after he (Kennedy) came into office that ban was completely lifted, so that today there are thousands (*cumulatively, MILLIONS*) of tons of books, magazines, every type of publication, pouring into our country from Moscow and her Satellites, all propagandizing Communism—almost all of it directed to our Schools and all other Educational Institutions . . . THAT MUST BE STOPPED!!! . . .

2) In addition to General Walker, there were other high military figures delivering public speeches warning the American people about the menace of Communism to our nation. Immediately after Kennedy stepped into the White House the Pentagon and the State Department, on orders from Kennedy, muzzled all those loyal Americans! . . . WHY? For fear that it will hamper the One-World Conspiracy?

3) I imagine that everybody who will read this Report is at least vaguely aware of Kennedy's "Committee for Arms Control and General Disarmament." He seduced Congress into approving it shortly after he became our Chief Executive . . . in our February "News-Bulletin." I will show how that little "deal" can very easily lead us right into a UN One-World Government. Moreover, that that is its objective! . . . THAT MUST BE STOPPED—by impeachment, if necessary!!!

THE "UNESCO" PLOT

At the outset of this Report I particularly stressed the frightful menace of "UNESCO" to our American Youth—and, by that token, to our nation.

fired Gen. Douglas MacArthur because he (*MacArthur*) insisted on destroying the Communist's sanctuary (*and sources of military materiel*) on the other side of the Yalu River . . . Kennedy drove Gen. Walker out of the Army because he (Walker) had been "*indoctrinating*" his soldiers with loyalty to Country and alerting them to the menace in Communism . . . *is there any word other than TREASON that better fits either of those acts?*

2) While we were still reeling from the Walker shock, the nation again was rocked and horrified by the vicious betrayal of the Cuban invasion. Moreover, it was a *deliberate* betrayal! The invading force had been promised full Air and Naval support. Without that promise there would have been no invasion, because it was a foregone conclusion that without such support the invaders would be slaughtered to the last man as they were landing. But not only was all that support withheld *without warning to the invaders, but Castro was alerted IN ADVANCE!* . . . Who did all that betraying? Was it the CIA? . . . was it the State Department? . . . the Pentagon? . . . Or was it the White House? Actually, it doesn't matter *who* did it—*whoever* it was could not have done it *without the full knowledge and approval of Kennedy!*

Apologists for Kennedy stressed that the entire Castro treason plot was launched during the Eisenhower administration. Which only means that both Eisenhower and Kennedy are equally guilty—that both were carrying out the directives of the Masterminds of the Great Conspiracy!

Which one of them will be responsible to the American people when one shocking day we will discover that Castro has nuclear missiles in Cuban underground sites ready for instant firing on our Country? . . . But perhaps by then it will be too late to put either one on trial for TREASON!!!

KATANGA IS THE HUNGARY OF 1961!

3) Amazement—Horror—Shame! These are the feelings with which the American people have been viewing what has been happening in the Congo. We, the U.S.A., the nation that set the world pattern of Liberty by its own struggle for freedom and independence, is supporting a ruthless attempt to smash the hopes of a brave people that seeks only the right to have a voice in deciding its own destiny.

Bear in mind that, aside from everything else, Moise Tshombe, the Katangan leader, is the only pro-Western and anti-Communist leader in the former Belgian Congo—the people of Katanga are the only anti-Communist group in the Congo.

Yet, the "*United Nations*," that "*Holy of Holies*," created and "*dedicated*" to preserve PEACE throughout the world, did, without a trace of legal authority, launch a murderous, merciless military action to force Katanga into Communist enslavement. And the United States, *on orders from President Kennedy*, has supplied, *and is supplying*, the financial and logistical support that is enabling the UN to carry on this lawless aggression. Our planes transported the hypocritical Nehru's ferocious mercenaries from India to Katanga—it is our planes that have been ferrying the armored cars, weapons and troops to help the UN subjugate the Katangans—it is our money that pays the bills—it is our (Kennedy's) support that makes possible this entire reprehensible project. Britain, France, all the great powers—*except Russia*—are opposed to it. *But Kennedy insists on it . . . and we, the American people, take the blame AND HATRED of the entire Free World!*

But, wait! You ain't heard nothin' yet! The UN has long been bankrupt. It has a growing deficit of more than one hundred million dollars. No other nation is willing to contribute to their outrageous "*war*" on Katanga. Suddenly somebody came up with a brilliant idea to float a "*United Nations*" two hundred million dollar bond issue, at 2% interest—but with absolutely no security, and no assurance of redemption . . .

inmates of a poorhouse floating a bond issue. And, in the face of all the ignominy Kennedy has heaped upon us with his support of the UN's Congo activities, he is now adding insult to injury by demanding that Congress authorize him to use American taxpayer's money to "*buy*" ONE HUNDRED MILLION DOLLARS worth of those utterly worthless bonds.

I am writing to the noble-minded boy in the White House that if he insists on being so all-out big-hearted he buy those worthless bonds with his papa's money, not with yours and mine . . . *I suggest you send him a similar letter—and copies to your Representative and Senators!*

JETS TO TITO—HIGH TREASON

4) But even as the nation was being rocked by the U. S. aided and abetted UN Katanga outrage, we were hit with another shocking revelation—we learned that our Government, SECRETLY, *on orders from Kennedy and the State Department*, has been, and still is, "*selling*" hundreds (*not one hundred, but many HUNDREDS*) of jet planes (*bombers and fighter planes*) to Tito! Moreover, those planes were (and still are) "*sold*" to this mortal enemy of the U.S. and the American people at approximately 10 cents on the dollar of what *we, the tax-payers*, have paid for them. Furthermore, that 10 cents is paid (*when and IF*) in Yugoslav currency—which can be spent only in Yugoslavia!

When Kennedy reluctantly admitted the truth of all that, he tried to "*brush it off*" with the statement that all those planes are "*obsolete*" and had to be disposed of—but *that statement was promptly refuted by authoritative information that they are exactly the same kind of planes with which our Air Force is equipped!*

But (*again*) wait—you (*still*) ain't heard nothin' yet! The same Major Knickerbocker, who had revealed all of the above, also discovered and revealed that our government was SECRETLY training Yugoslav pilots and technical crews how to expertly operate those planes—so that, one must presume, when Tito will order his pilots to shoot down our planes (*as he did a few years back*) they will be at least as "*expert*" as our pilots—who, in addition, are under orders not to shoot back!

And, as if to show Tito's contempt for the U. S. and the American people, all those Yugoslav pilots and technical crews arrived here all dressed up in Yugoslav uniforms, with RED STARS blazing on their caps. When requested to change into American uniforms, they arrogantly refused—*until gently reminded that the sight of Yugoslav uniforms on our Air Force Bases and in our Munitions plants might give the secret away!*

Now, if all that were all there was to that soul-shocking act of treason it would be horrendous enough—but *it wasn't!* At the very height of the public uproar, Kennedy brazenly ordered the shipment of a hundred and some odd planes to San Diego to await the arrival of a Yugoslav ship en route to pick them up. The good people in California, particularly in San Diego, exploded. Caravans from various parts of the state poured into San Diego, and, together with thousands of enraged local men and women, converged on the harbor, bound and determined to prevent the loading of those planes. But, on orders direct from Kennedy, the loading was protected by the police of San Diego, with military stand-by—also by the Coast Guard, with naval stand-by . . . *then that Yugoslav ship made a direct bee line for Havana—where it spent five days unloading the planes . . . to supplement the Russian Migs in Mister Castro's growing Air Force!*

When that story broke both Kennedy and Rusk branded it as a false rumor "*undoubtedly launched by Extremists*"—both insisted that Tito was just too honorable a man for such a horrible shenanigan. When it was confirmed by highly reliable observers, Mister Rusk still insisted that it was a nasty canard; but, to still the clamor, he piously proclaimed that he

must have been expensive—who paid for it? I'll give you just one guess.

In the midst of all that, she suddenly found a new "front" on which to launch an attack.

Shortly after my "DOCUMENTATIONS" book came off the press, a number of newspapers in California, Louisiana, Texas and other states, despite frantic efforts by the Hollywood Moguls and the ADL to prevent it, published glowing reviews of the book. Those reviews created instantaneous panic wherever they appeared. Within an hour after the first editions hit the streets frantic protests came pouring into the Editors' offices—they came from local theatre owners, Film Exchanges, Broadcasting Stations, from the ADL . . . and from self-described "outraged citizens"—but their anguished "protests" were verbatim quotes from the ADL files! . . . The Miller woman was one of the most frantic of the "outraged citizens."

In addition to her "speaking" engagements in the L. A. area, she travels to other cities—in Florida, Texas, various States—to "speak" and to promote a book she wrote, which she calls "I Was A Spy." In those travels, wherever she saw a "DOCUMENTATIONS" review it sent her into a complete tizzy—she promptly phoned, or rushed to the office of the Editor, to hysterically berate him for publishing such a review. When asked why she was so concerned about it, she launched into her well-rehearsed "anti-semitic" tirade. When asked to point to any "anti-semitic" passages in the book, she spluttered that "the author is anti-semitic," and, by that token (her idea), no book or play by Myron C. Fagan should ever get mention in any newspaper—unless, of course, to tear it to shreds. When asked to show PROOF that Myron C. Fagan is "anti-semitic," she produced a copy of the CUAC phony "Report"—and then triumphantly topped it with copies of the Martinez articles in his "AMERICANS—ON GUARD."

Such are the fanatical fulminations of this little female nonentity who would like to convince us that she is a VIP by billing herself as "Marian (FBI) Miller" when it actually should be "Marian (ADL) Miller."

It may be well for this female of the species to become informed that slander carries the same penalties as libel—and that, unless she mends her ways, she, like Martinez, may soon be "on the run" to dodge a Marshal . . . that goes for the Ryskind, too.

And thus you have the new gimmick the "Masterminds" are employing to discredit the "RED STARS" Tract. Now that the "DOCUMENTATIONS" book is available, they can no longer (successfully) challenge the credibility of the "RED STARS" Tract—the Sponsors can no longer (successfully) defend the Reds and Fellow-Travelers in their TV shows—the Reds themselves can no longer "alibi" their pro-Communist activities. But, as I have frequently stated, the Reds never quit. They must continue their efforts to destroy the "Tract"—and the Books. They can't do it by direct attacks on either, so they must employ calumny—they must do it through "establishing" that the author is "anti-semitic." The only way they NOW can do that is by employing the "smear" talents of such as Marian (ADL) Miller, a Morrie Ryskind, a Tom Hoag, a Martinez, and the hundreds of others of that ilk who are available to the ADL.

Now, it may seem to some that I have wasted a great deal of space on a trivial matter. But it is NOT trivial. Control of Hollywood, Radio and TV, especially TV, is even more vital to the Masterminds of the Great Conspiracy than the (already controlled) Press. They MUST protect the Red Stars and the Sponsors. They must KILL the "RED STARS" Tract. We, on the other hand, must enlist the co-operation of EVERY loyal American—to pour in our warnings to every TV Sponsor to cleanse his shows of all Reds and Red propaganda.

Now let's go back to the "weird happenings" in Washington that I predicted in our last "Year-End Report."

During the months of the campaigning for the nominations

and the Presidency in November 1960, I stressed the point that both men (Nixon and Kennedy) are members of the "Council On Foreign Relations" (CFR), the most sinister apparatus of the "Internationalist-Communist Conspiracy" (ICC) to enslave the world in a so-called One-World Government—that both (Kennedy and Nixon) were pledged to rigidly adhere to both the Foreign and the Domestic policies required by the Masterminds of the Great Conspiracy.

I was severely criticized in certain quarters for my blunt charges. Obviously without looking at the records, my critics, particularly the Nixon adherents, accused me of deliberate falsehoods—and challenged me to prove that Nixon was a member of the CFR. Well, in our next (February) issue I will publish a letter from Nixon's Staff Assistant, one C. M. Lichtenstein, in which he records Nixon's membership in that sinister organization—together with a phony assurance that the CFR is a worthily patriotic organization!

Then, after Kennedy was elected, I warned in our 1961 Year-End Report that we were in for another period of deceit, of chicaneries—of treason. I predicted that Kennedy would break every promise, big and little promises alike, he made in pleading for election . . . I predicted that he would load his Cabinet and every sensitive job in Washington (and Federal jobs outside of Washington) with his co-members of the "Council On Foreign Relations," with Harvard (Left-Wing) Eggheads, with NAACPers, ADLers, ADAers, and with outright Reds. And I stressed his "promise" that he would "take up where Franklin D. Roosevelt left off." Almighty God! What a promise! Franklin D. Roosevelt, the most vicious traitor we ever had in or out of the White House—the man who time and time again saved Communism—the man who is the direct cause of the present conditions which threaten the total destruction of the whole world! . . . And Kennedy promised to take up where that monstrous traitor left off. Boy, what a promise!

Nevertheless, I was again criticized in those same certain quarters. I was told that whether or not I liked Kennedy he was now our President—and that it behooved ALL Americans to stand behind him, not to speculate (and arouse suspicions) about the President's intentions.

At this point I wish to stress that none of those criticisms came from members of CEG, or from non-members who have become alerted through reading our "News-Bulletins." They came from individuals (those we could identify) in the "gray areas," self-styled "Liberals," Pinks and outright Reds. It is possible, of course, that some of the critics were sincere and loyal, but misguided, Americans who were (still may be) beguiled by Kennedy's unquestionable eloquence and by his boyish charm. He made one of the most moving, eloquent speeches ever delivered at an inaugural—but it was like the eloquence of the suave villain in a play, who employs that eloquence to entrance and deceive the victim he intends to despoil. For the benefit of those deluded ones, I might remind that Franklin D. Roosevelt was fully as eloquent—that he, too, could pour on plenty of charm . . . Eisenhower has no eloquence, but he has (for some people) charm—plus a phony reputation as a "military genius" and an equally phony reputation as an administrator, which served to entrance the people. Seemingly, some of our people will never learn how to differentiate the true from the phony.

KENNEDY'S RECORD

Now let's see how far afield (?) I was in my predictions that Kennedy would be a carbon copy of Roosevelt, of Truman, of Eisenhower—all of them members of the "Council On Foreign Relations."

1) He was hardly in office when he demoted and degraded one of our greatest and most loyal soldiers, General Edwin Walker. That story is too well known to require repetition. But there is a great significance in it, to wit: Harry Truman

First Lenin, then Stalin, and now Khrushchev, stated and reiterated: "Give us control of just one generation of American Youth and we will own America."

That, my dear fellow-American, leaves us with just one choice: destroy "UNESCO" and all that goes with it—or surrender our YOUTH to Communism—and our beloved Country to enslavement in a Communist (UN) One-World Government.

Our December (1961) "News-Bulletin," No. 86, is titled: "UNESCO: No. 1 ENEMY OF AMERICAN YOUTH!"

We compiled that Bulletin after a long and arduous job of research. In it you will find all the pertinent facts about this nest of horrors. It reveals when and how it was concocted. It reveals that the entire objective of UNESCO is the destruction of nationalism and patriotism (*love of country*) in our Youth—and to brainwash them into concept and complete acceptance of Communistic One-Worldism—it also boldly and brazenly advocates destruction of all home and parental influences! In that "Bulletin" we revealed the name of the Russians, the Chinese Reds, the North Korean Reds and various other Reds, including our own home-grown ones, who shape the policies of UNESCO. It reveals how UNESCO's twin, UNICEF, is set up to destroy our children's faith in Religion. It reveals how our own State Department and the "National Education Association" (NEA) are KNOWINGLY and DELIBERATELY collaborating with UNESCO!!

My friend, until you read this "News-Bulletin" you won't begin to realize what a horribly insidious trap UNESCO is for our Youth—and for our nation. *There should be a copy of it in every American home!*

We MUST destroy this vicious trap for our Youth. There is only one way to do it: we must get copies of this "News-Bulletin" into the hands of every member of both Houses of Congress—and then have all parents who would safeguard the futures of their children write their Representatives and Senators and DEMAND an immediate investigation of UNESCO and all who are behind it—and follow the same procedure with all the Legislatures in all our fifty States—so that *they* can take similar action within their States.

Enclosed with this Year End Report you will find a Tract in which we highlight the salient features in the UNESCO plot. Enclose signed "Tracts" in your letters to your representatives in Congress and in your Legislature.

In 1960 we published our "World Court" Tract to prevent the repeal of the Connally Amendment. With the help of our (CEG) members we managed to get that "Tract" into the hands of millions of loyal Americans. They poured them into the offices of their Representatives and Senators—today it is acknowledged that that avalanche of signed "Tracts" and letters defeated the plot to repeal the Connally Amendment . . . YOU and YOU and YOU accomplished that job—now YOU and YOU and YOU can smash the UNESCO plot in exactly the same way!

That will mean the salvation of our American Youth. I won't ask you if you consider that worth fighting for. I KNOW that every loyal American who will read "News-Bulletin" No. 86, and thus discover the fiendishness of the UNESCO plot, will never stop fighting until it is utterly destroyed . . . now, here is the course we must pursue to accomplish it:

1) We must get copies of the "Bulletin" to approximately 7,500 members of Congress and Legislatures. We have already mailed copies to all the members in both Houses of Congress—and we (CEG) would very much like to take care of all the Legislatures too, but we just simply lack the finances for it.

Therefore, I appeal to you to do the job with your particular Legislature—get as many copies of the "Bulletin" as you can afford and send them to the members of your Legislature. . . . however, if you prefer, we can mail the "Bulletins" directly from our office—just send us the roster of your Legislature, which you can get at your post office or Chamber of Commerce, and the money to cover the cost. You can underwrite the entire Legislature—or half—or as many as you can afford.

2) Get the "Bulletin" into the hands of every school teacher in your community, of your School Board, of your Pastor—of every person of influence.

3) We MUST get the enclosed "Tract" distributed throughout the nation—EVERY American must get copies—get all your friends and neighbors to help us achieve *nation-wide* distribution—I am sure they will after they read "News-Bulletin" No. 86 and realize that *THIS fight is for the salvation of THEIR OWN CHILDREN!*

ANOTHER WAY YOU CAN HELP

To get this project into QUICK action we must contact all the patriots throughout the nation (*including non-members of CEG*) who co-operated with some of our other projects. That means approximately 30,000 individuals, plus heads of all patriotic groups, American Legion and VFW Posts, DAR Chapters, etc. We are mailing this "Year-End Report" to 15,000 of these carefully picked patriots, but we do not have the finances to cover the other 15,000. If you approve of our objective, please finance a few letters for us. One dollar will finance 8 letters—ten dollars will finance 80 letters—one hundred dollars will finance 800 letters. Also, you may have friends and neighbors you'd like to "alert," but can't spare the time to do it—or you may prefer to be anonymous—send us the list and the financing and we will be very glad to do it for you.

PLEASE SEND US YOUR 1962 DUES

As I have always told you, we depend upon our membership dues to defray all of our operational activities. We get no financial help from Foundations—we are too patriotic for them. Now we have this tremendous, and tremendously vital, job to do. It will require an enormous amount of printing, labor, postage—but I am sure you agree that it is a MUST job. So I now have a very urgent request: *please endeavor to enlist some of your friends to become CEG members.* The dues are only \$12.00 a year—surely, the salvation of our American Youth and our glorious country is worth \$12.00 to all loyal Americans . . . also, if you have not yet sent in your dues for 1962, please do it now—TODAY . . . we need it NOW to cover the tremendous mailing to launch this project to smash the UNESCO plot—and every extra dollar we will receive will enable us to do just that much more. PLEASE DO IT TODAY!

Yours for God and Country,

Myron C. Fagan

All our "News-Bulletins" are 50 cents per copy—25 cents to CEG members . . . our Tracts are \$2.00 for 100 copies.

Additional copies of this "Year-End Report" can be had for 15c a single copy—or 10c per copy in quantities.

the Justice Department under the 1950 Subversive Activities Control Act. It was a 5-to-4 Decision . . . the Press front-paged that Earl Warren frantically endeavored to prevent that Decision.

Under our laws, giving aid and comfort to an Enemy in time of war is TREASON. Communism is a known mortal Enemy of the United States and the American people. Call it "cold" or call it "hot," we are at total war with that Enemy. Those three "Decisions" unquestionably give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General — or a Julius Rosenberg. For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For their acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle — or that was meted out to the Rosenbergs!

NOTE:—For those who may feel shocked by the very thought of impeaching a U. S. Supreme Court Justice there is just one question: what is more important—condoning the treasonous disloyalty of an Earl Warren, or the salvation of our nation?

And those who doubt that such an "exalted" person CAN be put on trial for his disloyal acts should bear in mind that in 1868 a PRESIDENT of the United States (Andrew Johnson) was im-

peached — and escaped conviction by just one vote!

Only Congress has the power to place a Supreme Court Justice on trial — via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . I further request and urge the Senators of my State to join with other Senators to carry out the final steps to impeach all those Justices.

EARL WARREN

FOR IMPEACHMENT

For giving aid and comfort to the COMMUNIST CONSPIRACY, the mortal Enemy of the United States and the American People!

CO-DEFENDANTS

✓ Also wanted for trial and impeachment, on the same charge, are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites — and thus mongrelize the American White Race!

Documentary proof that this "Decision" directly conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY," written by Israel Cohen, a Communist Party functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . the ADL and

NAACP were created immediately after that — to carry out that **DIRECTIVE!**

NOTE: The above excerpt was published by the Washington (D.C.) Evening Star in May 1957—it was entered into the Congressional Record of June 7, 1957, by Rep. Thos. G. Abernathy . . . in 1960, after every copy of the book was ferreted out and destroyed, the ADL proclaimed that no such book was ever written — and the same Evening Star blandly confirmed the ADL's proclamation . . . why did they wait three years? . . . Significant?

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA." It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites and that — "Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law."

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND !!!

Furthermore, by his own admission, Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the "modern scientific authority" of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . There is one sure way to find out — through impeachment proceedings!

No. 2) For 40 years the FBI has been the stone wall

that stood between the Communist Conspiracy and the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . it was the information in the FBI files that enabled the Congressional Committees to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — and to gain access to its files! But it (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence — if the Great Conspiracy is to succeed the FBI has to be destroyed!

So, to accomplish that, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . they freed convicted traitors . . . they muzzle our Congressional Committees . . . they nullify all our protective laws against the Communist Conspiracy . . . they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!

Those three Decisions, if allowed to stand, will completely destroy all of our defenses — they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!

Here is final proof of Warren's treason: In June (1961) the Supreme Court ruled that the Communist Party must register all its officers and members with

Enemy in time of war is TREASON. Communism is a **known** mortal Enemy of the United States and the American people. Call it "cold" or call it "hot", we are at **total** war with that Enemy. Those three "Decisions" **unquestionably** give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General — or a **Julius Rosenberg**. For him there is also a form of Court Martial, to wit: **IMPEACHMENT PROCEEDINGS**. For their acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle — or that was meted out to the **Rosenbergs!**

Only Congress has the power to place a Supreme Court Justice on trial — via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to fulfill their oaths — to summon forthwith for

proper trial all those Justices who collaborated in those three treason-packed "Decisions".

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . I further request and urge the Senators of my State to join with other Senators to carry out the final step to impeach all those Justices.

Those three Decisions, if allowed to stand, will completely destroy all of our defenses — they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!

Under our laws, giving aid and comfort to an

ing for the "better climate" — and in place of Eisenhower, Nixon, Rogers and Herter we have Kennedy, Lyndon Johnson, little brother Bobby and Rusk ready and waiting to do what that other unholy quartet tried to do.

Only one thing will kill that plot: IMPEACHMENTS and CONVICTIONS of the ringleaders, **whether they be Presidents or Senators!** Even more important, impeachment proceedings will unmask — and **torpedo** — the entire Great Conspiracy . . . and for those who doubt the existence of such a Conspiracy, there are three questions: (1) Who delivered the Balkans and Berlin to Moscow? . . . (2) Who delivered China to the Communists? . . . (3) **Who delivered Cuba to Castro?** IMPEACHMENTS will provide the answers.

And don't let anybody tell you that a President, or a Senator (or a U. S. Supreme Court Justice) cannot be impeached . . . precedent tells us otherwise, to wit: in 1868 President Andrew Johnson was impeached — he escaped conviction by one vote, but he **WAS** impeached . . . in 1917 James E. Ferguson, Governor of Texas, was impeached and **convicted!** And the Governor of a sovereign state is just as much a "royal" personage in his State as a President is in the nation.

Moreover, our Constitution states:

"The President, Vice-President and all civil officers of the United States shall be removed from office on impeachment for, and conviction of, Treason, Bribery, or other high crimes and Misdemeanors."

The Constitution defines TREASON against the United States to: . . . "consist of levying war against them (the U. S.), or in adhering to their enemies, and/or **GIVING THEM AID AND COMFORT**" . . . it also declares that . . . "Congress shall have the power to declare the punishment of Treason" . . . whether committed by a President, a Vice-President, a Senator, or a Supreme Court Justice!

Fellow American, the United States belongs to the American people, not to the men to whom WE

have given their high offices. Repeal of the Connally Amendment would be **HIGH TREASON** to the U. S. and the American people — just as the delivery of Cuba to Castro was **HIGH TREASON** to the U. S. and the American people . . . every individual guilty of either act must be tried in accordance with the rulings of our Constitution . . . and it is the sacred duty of ALL loyal Americans to our Country — and to their own children — to demand such action from their Senators and Representatives.

We must have that action NOW — not AFTER the evil deeds have been accomplished !!!

Every member in both Houses of Congress has a **SWORN** obligation to protect and defend the United States, the Constitution, the sovereignty of our nation . . . Hence, this is an urgent appeal — nay a **DEMAND** — by the American people to all members in both Houses of Congress to fulfill their oaths to summon forthwith for proper trial all those named herein who collaborated in the plot to repeal the **CONNALLY AMENDMENT!**

That will forever stand as a warning for all others who might be tempted to commit treason . . . **IT MEANS THE SALVATION OF OUR NATION !!!**

"WORLD COURT" Tract

1962

U.S.A.

ABOLISHED

BY

DECISION

OF

UN WORLD COURT!

That is what will happen if the **CONNALLY AMENDMENT** will **EVER** be repealed !!!

The **CONNALLY AMENDMENT** is our only safeguard against the International-Communist Conspiracy's "WORLD COURT" plot to transform the United States into an enslaved province of their planned UN One-World Government !!!

To Save Our Country, we must

IMPEACH

All those who attempted — and are still plotting — to repeal the **CONNALLY AMENDMENT** . . . read — and digest — the following and you will see why it is a **MUST**.

In 1945 the **INTERNATIONAL-COMMUNIST** conspirators set up the UN ("UNITED NATIONS") to be the crux of their plot to create their **ONE WORLD GOVERNMENT** — but particularly to transform the United States into a unit of that One-World Government . . . because as long as the United States re-

mains free they can never achieve their plot ! ! !

The UN CHARTER, when it was ratified by the U. S. Senate (in July 1945), became the "TREATY" that made the U. S. a member of the UN.

That CHARTER was written by ALGER HISS and Moscow's MOLOTOV and VISHINSKY . . . nevertheless, with one or two exceptions, our Senators ratified that CHARTER **without reading it!** Why? . . . We don't know — **but that is how it was done!**

In that CHARTER the conspirators inserted several crafty provisions that were to enable the UN to transform itself into a ONE-WORLD GOVERNMENT—and to transform the U. S. into a unit of that "government" . . . **without the American people knowing it, or realizing it, until it was a fait accompli — and from which we could not pull out ! ! !**

Why We Could Never Pull Out!

One of those Charter "provisions" authorized the UN to set up its own "SUPREME COURT", to be known as the "International Court of Justice" (World Court). That "Court", answerable only to the UN, is comprised of one American and FOURTEEN Foreign and COMMUNIST Justices — The American Justice is none other than the notorious pro-Communist PHILIP JESSUP! — **all appointed by the UN, without approval by the U. S. . . .** Ostensibly, this "Court" was to have jurisdiction **only** of International affairs, but analysis of the fine print in that provision establishes beyond any doubt that it could assert **complete jurisdiction** over our immigration laws, our tariffs, interstate commerce, the Segregation question, all "Minority Group" disputes, **our control of the Panama Canal** — in short, of all our Domestic affairs, as well as Foreign — **and there could be no appeal from its "Decisions" ! ! !**

Furthermore, any American charged with "transgression" of any "World Court" Law could be taken out of this country for trial in The Hague, or in MOSCOW, by a Tribunal designated by the "World Court" — and he could not appeal to our Con-

stitutional Laws — or be defended by an American lawyer — **and the United States could do nothing about it . . . and GET THIS:** the jurisdiction of the "World Court" would include . . . **"the trial (under the above conditions) of individuals and private organizations accused of offenses against the UN Charter" . . . and, of course, criticism would be an "offense" ! ! !**

And there you are — that's why, once we'd be engulfed, by **"World Court" DECISION**, in the UN One-World Government we could never pull out . . . **who'd dare commit the "offense" of protesting?**

"Connally Amendment" Saved Us!

Fortunately, all such "provisions" have to be individually ratified by our Senate. So, in November (1945) Sen. Wayne Morse submitted a "Resolution" whereby the Senate would authorize our Government to accept complete and **COMPULSORY** jurisdiction of the UN's "World Court" — and on December 17, Rep. Herter submitted a similar "Resolution" to the House . . . and again the Senators were about to ratify that "Resolution" without reading it!

But Sen. Tom Connally DID read it — and saw in it the complete surrender of the U. S. to the UN, **via the future "DECISIONS" of the UN's "World Court" ! ! !** And, in the nick of time, he quietly insisted upon the addition of **six "little words"** that were to protect the United States from the "World Court" future "DECISIONS" — those **"six little words"** were: . . . **"as determined by the United States."**

And THAT is the Connally Amendment . . . it is the only thing that has kept — and is keeping — the United States from becoming an enslaved province in a United Nations "One-World Government".

Yet, Eisenhower (his last act while President) DEMANDED that it be repealed—and that the UN World Court be granted full and **COMPULSORY** jurisdiction over the U. S. and the American people ! ! ! The then Vice President Nixon and Senators

Morse, Humphrey, Javits, Clark and Fulbright supported that DEMAND.

Well, **REMEMBER THIS WARNING** : if ever the Connally Amendment will be repealed, nothing under the sun will prevent a "World Court" DECISION that will transform the UN into a "One-World Government" — and then — (ostensibly to give the UN the **"POLICE FORCE"** it will need to enforce PEACE) there will be more "World Court" DECISIONS that will require (polite word) the U. S. to transfer (surrender) our Armies, our Navies, our Air Force and our Nuclear weapons to the UN . . . **exactly in line with Eisenhower's "Disarmament" program—and his plans to "strengthen the UN" ! ! ! . . .** Thus a disarmed U. S. in the grip of an all-powerful **"strengthened" UN ! ! ! . . .** And that would mean the end of our Constitution, of our Bill of Rights, of our Declaration of Independence — **the end of a free United States and a FREE American people!**

THAT is the objective of the Masterminds of the Internationalist-Communist Conspiracy . . . that is what would have happened if Eisenhower and the other Washington tools of those Masterminds had forced the repeal of the Connally Amendment!

Only one thing stopped that act of foul TREASON: the plotters' fear of the rage of an awakening people — they knew that if they persisted with their plot, and **ALL of the people became aware of it**, their careers would end exactly as did the careers of Pierre Laval, of Marshal Petain, of **QUISLING** — so, at the very first outcry, they hastily abandoned their plot.

But let there be no delusion that the plot has been smashed — it has only been delayed — to be revived as soon as we (the people) will "forget" and go back into slumberland. Sen. Fulbright made that very clear when he reluctantly withdrew that Wayne Morse traitorous "Resolution" and said: **"We must wait for a better climate."** No, that plot is not only not dead, but the same Senate ringleaders (Morse, Humphrey, Javits, Clark, Fulbright), are there wait-

"Department of Defense, Office of Public Information, Washington 25, D. C., May 15, 1954. (Captioned) The Truth About Soviet Involvement in the Korean War; (marked "TOP SECRET")

"In the interest of throwing further light on the facts of Soviet participation in the Korean war, and on the Chinese record in Korea, the Department of Defense has released two special studies on these subjects . . . these studies establish beyond any reasonable doubt the true nature of Communist aggression against the Republic of Korea, the Soviet and Chinese Communist support of, and participation in that aggression, and the BLUNT TRUTH about the internal and external manifestations of Communist control in North Korea . . . Many Russian 'advisors' were attached to the North Korean Army advance headquarters established in June, 1950. They wore civilian clothing, and it was forbidden to address them by rank. They were introduced as 'newspaper reporters', but they had supreme authority. They took the lead in commanding and manipulating troops. They treated the North Korean officers, who were nominally their chiefs, like their servants, or children. A North Korean Major identified two of these Russian 'advisors' as GENERAL A. Ph. VASILIEV and Colonel Dolgin. VASILIEV, he said, was in charge of all movements across the 38th parallel."

MacArthur's Top Aide Confirms - as follows:

"Someone told them (the Red Chinese) that even if the Red Chinese swarmed across the Yalu into No. Korea in overwhelming hordes, even if they slaughtered UN soldiers by the thousands on the battlefields and in the prisoner of war camps the U.S. Government would not retaliate. And the Reds' staging and supply area in Manchuria would remain a sanctuary!" . . . The U.S., BY ORDER OF THE UN, did not retaliate - Manchuria remained a Red's sanctuary throughout the war - and 145,000 American boys were maimed and MURDERED in Korea !!!

Do We Need Any More Proof?

By their silence the UN admits GUILT! It is now up to Congress to act! But Congress won't act unless the people FORCE them to act. Senator Jenner said: "Our problem is to get the story to the people" . . . the people, only the people can FORCE Congress to act.

YOU can solve that problem - with this Tract! - and with UN Tract No. 2, which documents the Hiss-Molotov secret agreement.

You owe it to America - and to your own children - to SPREAD this Tract far and wide. Buy what you can afford and give them to Veterans Organizations - Civic Organizations - Clubs. Give them out where you work - give them to your Pastor for distribution - enclose a copy in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of this Tract to your Congressman and Senators - tell them if they won't do it, you will VOTE for other men who will! TELL THEM YOU MEAN IT !!!

DOCUMENTARY PROOF

that

UN is PLANNED

DEATH-TRAP FOR U. S.

RITA ("Thieves' Paradise") . . . "All the American Boys who were killed in Korea were really murdered by the UN."

On Sunday evening, May 20, 1956, Myron C. Fagan's play "Thieves' Paradise" opened at the Shubert Theatre in Washington, D.C.

The play was written for just one purpose - to warn the American people that the YALTA plotters created the UN to destroy the U.S. and transform our country into an enslaved unit of a Communist One World Government . . . it was produced in Washington so as to put the UN on open trial before all the Members of Both Houses of Congress - from now on there can be no "I didn't know" alibi!

"Thieves' Paradise" revealed all the different phases of the diabolical plot - how the UN was a "Trojan Horse" sneaked into the U. S. to serve as a Sanctuary for Red Spies, Saboteurs and American traitors . . . how it was to destroy our Freedoms through "Treaties," such as "GENOCIDE" and the "WORLD COURT" . . . to brainwash our Youth through UNESCO and UNICEF, etc. . . to drain us of our wealth through UNRRA, "Marshall Plan" and Foreign Aid give-aways . . . and to finally

transform the U. S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force and/or phony "Liberation Revolutions", aided by our State Dep't., such as the Castro "revolution" in Cuba! But there were men like Syngman Rhee and Chiang Kai Check who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . so Alger Hiss and Molotov entered into that secret agreement — with Trygvie Lie in on the secret!

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and move-

ments of the UN forces?

"STEFAN:— Exactly! That's what happened in Korea. General MacArthur was Commander-in-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . .

"RITA:— (Startled - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Vasiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . "If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"

The UN did not file a libel suit . . . they didn't dare . . . because their own records show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post continuously from 1945 to 1951 . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary . . . and he was succeeded in 1957 by A. Dobrynin, who, in turn, was succeeded in 1960 by Georgy Arkadev — all Moscow appointed Communists. The same UN records show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him sole command of all UN military affairs! !

Confirmed by U.S. State Dep't.

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) "Special agreements under article 43 of the United Nations Charter" (marked "TOP SECRET"), reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygvie Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations . . . These Armed Forces shall be made available from the best trained and equipped units of Member Nations of the United Nations" . . . and (under UN Regulations) "all of the Armed Forces thus to be provided shall be deployed as directed by the Chairman of the Military Staff Committee of the United Nations" . . . AND RED ARMY GEN. VASILIEV WAS THE CHAIRMAN ! ! !

NOTE:—A more complete list, with their **officially DOCUMENTED** backgrounds of pro-Communist activities, their **RED FRONTS**, the techniques they employed through the years to retain their holds on both Hollywood and TV, and other **invaluable** information can be found in "DOCUMENTATIONS of the **RED STARS** and **FELLOW-TRAVELLERS** in **HOLLYWOOD** and **TV**", by Myron C. Fagan . . . this book will **stattle** you—**shock** you—**ENRAGE** you . . . and make you **FIGHTING** mad! **CINEMA EDUCATIONAL GUILD, INC.,

Hollywood 46, California**

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLDISM . . . and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the

industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their pocketbook! — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—RACIAL DISSENSIONS!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — even the infamous "HOLLYWOOD TEN" are back again! — and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are brainwashing and poisoning your children right under your very eyes ! ! . . .

YOU can stop all that!—by shunning the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once—you can do it again!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS; Kraft Foods; General Electric; Chrysler; U. S. Steel; Texaco, etc. . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows (and the Ed Sullivan Show in particular) are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see.

Here Is How YOU Can Drive Them Out

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPON-

SOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE.

THAT is the only way we will drive the REDS out of Hollywood — Radio — Television . . . Hit the pocketbooks of the Sponsor ! ! ! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

could be held in London, in Paris, in Prague, or in Moscow, wherever the UN preferred. The "Judge" would be a so-called UN Tribunal. And, under the "Genocide Treaty" provisions, you could not choose an American lawyer to defend you — the UN would appoint your defense lawyer . . . nor, under that provision, could our Constitution and/or Bill of Rights protect you. That UN Tribunal could sentence you to be hanged, or shot, or imprisoned for life in a Siberian Slave Labor Camp — and the U. S. Government could do nothing to prevent it!

Thus it is clearly obvious that the real objective of the "Genocide Treaty" is to give the UN a stranglehold on every White Christian American — so as to prevent all opposition to the plot to transform the United States into a unit of a **UN One-World Government**. Once our Senate would ratify the "Genocide Treaty", or its twin, the "Covenant of Human Relations", the UN would find a hundred ways to twist your opposition to "One-World Government" into an "act of Genocide" — it surely would be easy for them to induce a member of a "Minority Group" into preferring charges that you have inflicted "mental anguish" on him — and how would you be able to disprove the charge when you'd be facing a UN Tribunal in Moscow or at The Hague?

Under those conditions would YOU dare to oppose the transformation of the United States into an enslaved unit of the UN One World Government?

But you can do it now — before it is too late — by sending signed copies of this document, to act as an urgent "Petition", to your Senators and Representatives:

To ALL Members of Congress, Senators and Representatives:

In this document, as also in various similar documents (Tracts), you have prima facie evidence

that in 1945 the UN did premeditatedly employ fraud, deceit and misrepresentation to delude and seduce the U. S. Senate into ratifying its Charter. It is obvious that the sole objective of the UN was, AND IS, to transform itself into a super-One World Government that would absorb the United States, destroy our sovereignty, and void and nullify our Constitution and Bill of Rights. Therefore, we, the American people, urgently request that the UN be summoned forthwith to appear before a joint session of Congress to answer all charges against it — and, if it (the UN) is proven guilty, that the Senate move promptly to rescind and revoke the original ratification, and thus **GET THE U. S. OUT OF THE UN AND THROW THE UN OUT OF THE U.S.!**

Gentlemen of Congress: it is your **SWORN** obligation to protect and defend our Constitution and the sovereignty of our nation — you got us into the UN, it is up to you to get us out of it.

THE "GENOCIDE" PLOT

TRACT

Flash ... FLASH ... FLASH!!!

★ ★ ★

"U. S. Senate signs Treaty giving the UN complete compulsory jurisdiction over the Lives and Freedoms of the American people!"

How would you like to see that happen?

Would you be willing to be executed — **BY ORDER OF THE UN?**

Would YOU be willing for the UN to have the power to sentence YOU to life imprisonment in a Slave Labor Camp?

Well, that is what **WILL** happen to **YOU** and to me — and to every White American man, woman and child, when and if the U. S. will sign the UN's "GENOCIDE TREATY" per se, or under its camouflaged name, the "INTERNATIONAL COVENANT of HUMAN RELATIONS"!

And once that Treaty is signed, our Government and our Constitution will be powerless to protect or defend you — because under our Constitution a Treaty becomes the Law of the Land.

Now let's analyze this diabolical plot — and see how we were "suckered" into it:

When Alger Hiss, architect of the UN, arrived in Washington with the UN Charter he called in the

Press and Radio and triumphantly read to them the 7th paragraph of Article 2, which states:

"Nothing contained in the present Charter shall authorize the United Nations to intervene in matters which are essentially within the domestic jurisdiction of any State, or shall require the Members (Nations) to submit such settlement under the present Charter"

What magnanimity ! ! ! These alien agents of Foreign and Communist nations would permit us to administer our domestic affairs without interference! What big-hearted generosity ! ! !

Anyway, that was the BIG LIE that "suckered" the U. S. into becoming a member of the UN. Had it not been for that "assurance" the Charter would never have been ratified. But throughout the weeks before the ratification the controlled Press and Radio repeatedly front-paged the above "assurance" — and glorified the UN as the only sure-fire guarantee of the PEACE of the World . . . and, with just a few exceptions, the Senators virtually trampled all over each other in their stampede to ratify the Charter.

But even as they were ratifying it, Senator Connally discovered the treachery in the "World Court" provision — and emasculated that plot with his "six-little-words" Amendment.

That was a great blow. But the Great Conspiracy never quits. Having failed with their "World Court" scheme, the UN decided to achieve the same objective, and more, with their so-called "humanitarian" GENOCIDE TREATY — the objective being such a completely compulsory jurisdiction over the American people as to make them powerless to prevent the transformation of the U. S. into an enslaved unit (a la Hungary) in their One-World Government.

Thus, on December 11, 1946, the UN General Assembly passed a Resolution (No. 96) calling for what they called a "Genocide Convention" — the full title being: "Convention on the Prevention

and Punishment of the Crime of Genocide" the word "Genocide" (and its meaning) was coined by the UN.

According to the UN's proclamation, the "GENOCIDE" Law they were seeking was based on "humanitarianism" — it was to be Law, so they said, to prevent the mass murder of "minority groups" in the various nations throughout the world. They based the need for such a Law on Hitler's murder of the SIX MILLION Jews in Germany the records show that there were never more than 600,000 Jews in all of Germany — but six million sounds more impressive, so the UN insists upon six million.

Now, first of all, bear in mind that under the "GENOCIDE TREATY", when and if our Senate will ratify it, all authority to administer the "GENOCIDE" LAW would rest with the UN — all arrests would be made by UN "police" — all "trials" would be supervised and controlled by the UN . . . in short, the U. S. would surrender ALL rights and powers in "GENOCIDE" matters to the UN. The following is the UN's definition of "GENOCIDE", taken verbatim from their proposed "Treaty":

"Any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group as such; A) Killing members of the group; B) Causing serious bodily OR MENTAL harm to members of the group; C) Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part; D) Imposing measures intended to prevent births within the group" also, 1) Direct and/or indirect public incitement to commit Genocide; 2) Attempt to commit Genocide; 3) Complicity in Genocide."

Article IV of the "Treaty" defines the punishments of those "crimes"; as follows:

"Persons charged with Genocide or any of the

other acts enumerated in Article III (including MENTAL HARM) shall be tried by a competent Tribunal (approved by UN) of the State in the territory in which the act was committed, or (at the discretion of the UN) by SUCH INTERNATIONAL PENAL TRIBUNAL AS MAY HAVE JURISDICTION WITH RESPECT TO THOSE CONTRACTING PARTIES (Nations) WHICH SHALL HAVE ACCEPTED ITS JURISDICTION."

Now, as previously stated, in all their announcements, the UN piously proclaimed that the sole objective of the "Genocide Treaty" was to prevent MASS murder of "Minority Groups", always stressing Hitler's murder of the "SIX MILLION" Jews. But, as we go through all the fine print in the Treaty, we find that you wouldn't have to participate in the mass murder of an entire "minority group" to be guilty of "Genocide" — you'd be just as guilty if you participated in the killing of just one member of such a group . . . then, lo and behold, we discover that you wouldn't have to even go as far as killing to be guilty of "Genocide", for if you caused "physical or mental injury" to a "minority group" member you would be just as guilty of "Genocide" as if you had killed "six million" Jews or Negroes — (Jews and Negroes are the only "Minority Groups" the UN seems to be protecting — Arabs don't count).

In other words, under that provision, if you got into a fist fight with a Jew or Negro and he suffered a black eye or a bloody nose you'd be guilty of "Genocide" . . . or, if, in an argument with a Jew or a Negro, you mentioned the word "kyke" or "nigger" you would have caused him "mental anguish", and that "anguished" minority group member could bring a charge of "Genocide" against you. Thereupon, under the "Genocide Treaty" provisions, the UN could pluck you out of your home and ship you out of the U. S. for "trial." That "trial"

decision in San Francisco . . . Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that it would be expedient for him to "forget" all about "rights" and "terms of the Charter"; Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — he also confirmed its permanency! After that, says Mr. Lie ". . . it would not have been politic for me to resist that (secret agreement) accord."

He then reveals what little authority he had in all such matters, even in the choice of the Russian to fill that all-important post, although, under the Charter, he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that "his was not to reason why, his was but to obey — OR GET FIRED!

WE NOW HAVE THE PROOF !!!

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—evidence that that "secret agreement" MURDERED and MAIMED 145,000 American boys in KOREA! — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly

investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN.

But Congress won't act unless "the people" DEMAND that they act — and the people won't DEMAND until they know what to DEMAND. Senator Jenner said: "Our problem is to get the story to the people" — so that they will KNOW what to demand.

YOU can solve that problem with this Tract! — coupled with Tract No. One!

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of these two Tracts to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will!

1962 - UN TRACT No. 2 - 1962

THE TRUTH...

ABOUT THE U. N.

as revealed

by TRYGVIE LIE

100-30788-1a100

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

The most startling of all the charges was that **secret agreement** between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist !!! Now, under the Charter, "little wars" to prevent Communist aggression (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee! GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee !!!

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGRESSIONAL RECORD", and demanded that the UN be hauled up for a thorough (open to the public) hearing by the properly constituted Congressional Committee — and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get "the people" to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we quoted sections of "U. S. Government (TOP SECRET) Bulletins" which OFFICIALLY confirmed all those charges . . . Those TOP SECRET Bulletins confirmed that the UN gave MOSCOW'S Gen. Vasiliev a "leave of absence" from his UN job as Chairman of the UN Military Staff — TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES !!! . . . Those Bulletins PROVED that ALL

the American boys who died in Korea were MURDERED by the UN — as a result of that Hiss-Molotov secret agreement !!! . . . they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese !!!

Very quickly a half-million copies of that "Tract" were circulating through the nation — thousands upon thousands came pouring into Washington . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken — they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable — and that would mean the end of the UN !!! . . . And then the State Department came to the rescue of the Conspirators — they issued an "official statement" in which they denied our charges — and virtually proclaimed that their own original "U. S. Government (TOP SECRET) Bulletins" were falsehoods. And, promptly, the UN and ALL the UN Fronts — and the State Department — flooded the nation with that false and misleading "official statement"!

Now, get this point: in their denials, those "official statements" never once named the "charges" they denied — they operated on the theory that if they could cast a doubt on any one charge it would discredit all charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce DOCUMENTARY evidence that such an agreement had ever been made!

That strategy worked perfectly! And why not? After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS — surely they wouldn't be guilty of deliberate falsehoods! Oh, no? Anyway, "the people", confused, believed

them. The demands (Tracts) for a Congressional investigation died down to a whisper — the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them—to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov — Stettinius and Vyshinsky — and Trygve Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit — maybe to clear his conscience. Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement — the following is his (verbatim) statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Security Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' — he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr. Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: ". . . by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won

"Department of Defense, Office of Public Information, Washington 25, D. C., May 15, 1954. (Captioned) The Truth About Soviet Involvement in the Korean War: (marked "TOP SECRET")

"In the interest of throwing further light on the facts of Soviet participation in the Korean war, and on the Chinese record in Korea, the Department of Defense has released two special studies on these subjects . . . these studies establish beyond any reasonable doubt the true nature of Communist aggression against the Republic of Korea, the Soviet and Chinese Communist support of, and participation in that aggression, and the BLUNT TRUTH about the internal and external manifestations of Communist control in North Korea . . . Many Russian 'advisors' were attached to the North Korean Army advance headquarters established in June, 1950. They wore civilian clothing, and it was forbidden to address them by rank. They were introduced as 'newspaper reporters', but they had supreme authority. They took the lead in commanding and manipulating troops. They treated the North Korean officers, who were nominally their chiefs, like their servants, or children. A North Korean Major identified two of these Russian 'advisors' as GENERAL A. Ph. VASILIEV and Colonel Dolgin. VASILIEV, he said, was in charge of all movements across the 38th parallel."

MacArthur's Top Aide Confirms - as follows:

"Someone told them (the Red Chinese) that even if the Red Chinese swarmed across the Yalu into No. Korea in overwhelming hordes, even if they slaughtered UN soldiers by the thousands on the battlefield and in the prisoner of war camps the U.S. Government would not retaliate. And the Reds' staging and supply area in Manchuria would remain a sanctuary!" . . . The U.S., BY ORDER OF THE UN, did not retaliate - Manchuria remained a Red's sanctuary throughout the war - and 145,000 American boys were maimed and MURDERED in Korea !!!

Do We Need Any More Proof?

By their silence the UN admits GUILTY! It is now up to Congress to act! But Congress won't act unless the people FORCE them to act. Senator Jenner said: "Our problem is to get the story to the people" . . . the people, only the people can FORCE Congress to act.

YOU can solve that problem - with this Tract! - and with UN Tract No. 2, which documents the Hiss-Molotov secret agreement.

You owe it to America - and to your own children - to SPREAD this Tract far and wide. Buy what you can afford and give them to Veterans Organizations - Civic Organizations - Clubs. Give them out where you work - give them to your Pastor for distribution - enclose a copy in every letter you write.

-UN TRACT No. 1 -

Why we MUST get the U.S. out of the UN
— and the UN out of the U. S.

U.S. Government (TOP SECRET) Bulletins
provide

DOCUMENTARY PROOF

that

UN is PLANNED

DEATH - TRAP FOR U. S.

RITA ("Thieves' Paradise") . . . "All the American Boys who were killed in Korea were really murdered by the UN."

On Sunday evening, May 20, 1956, Myron C. Fagan's play "Thieves' Paradise" opened at the Shubert Theatre in Washington, D.C.

The play was written for just one purpose - to warn the American people that the YALTA plotters created the UN to destroy the U.S. and transform our country into an enslaved unit of a Communist One World Government . . . it was produced in Washington so as to put the UN on open trial before all the Members of Both Houses of Congress - from now on there can be no "I didn't know" alibis!

"Thieves' Paradise" revealed all the different phases of the diabolical plot - how the UN was a "Trojan Horse" sneaked into the U. S. to serve as a Sanctuary for Red Spies, Saboteurs and American traitors . . . how it was to destroy our Freedoms through "Treaties," such as "GENOCIDE" and the "WORLD COURT" . . . to brainwash our Youth through UNESCO and UNICEF, etc. . . to drain us of our wealth through UNRRA, "Marshall Plan" and Foreign Aid give-aways . . . and to finally

transform the U. S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force and/or phony "Liberation Revolutions", aided by our State Dep't., such as the Castro "revolution" in Cuba! But there were men like Syngman Rhee and Chiang Kai Check who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . so Alger Hiss and Molotov entered into that secret agreement — with Trygvie Lie in on the secret!

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and move-

ments of the UN forces?

"STEFAN:— Exactly! That's what happened in Korea. General MacArthur was Commander-in-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . .

"RITA:— (Startled - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Vasiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . "If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"

The UN did not file a libel suit . . . they didn't dare . . . because their own records show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post continuously from 1945 to 1951 . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary . . . and he was succeeded in 1957 by A. Dobrynin, who, in turn, was succeeded in 1960 by Georgy Arkadev — all Moscow appointed Communists. The same UN records show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him sole command of all UN military affairs! ! !

Confirmed by U.S. State Dep't.

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) "Special agreement under article 43 of the United Nations Charter' (marked "TOP SECRET"), reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygvie Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations . . . These Armed Forces shall be made available from the best trained and equipped units of Member Nations of the United Nations" . . . and (under UN Regulations) "all of the Armed Forces thus to be provided shall be deployed as directed by the Chairman of the Military Staff Committee of the United Nations" . . . AND RED ARMY GEN. VASILIEV WAS THE CHAIRMAN ! ! !

"Thieves' Paradise" Charges UN With Murder - U.S. Defense Department Confirms It! - as follows:

LET US BE AMERICANS TOGETHER

By DAVID L. McQUIDDY, JR.

(Editor's Note: The following message, particularly at this time of the year with 1962 upon us, is both inspirational and thought provoking. For too long a time we have perhaps, in our busy daily lives, forgotten some of the American principles that has kept us free men. By reaffirming our faith and our allegiance to the American Way of Life as founded by our forefathers we can offset all ideologies that would enslave us and rob us of our freedom, self-respect and the right to "life, liberty and the pursuit of happiness." We urge you to read this inspiring message and to pass it along to your friends, associates and families.)

I am an American. I fear God, but because I am free, I fear no man. I am dedicated to the proposition that all men are created equal in the eyes of God and the law, but in nothing else. I ask only to be left alone, unhindered by bureaucratic limitations, to develop my God-given talents to their highest degree. I am content with only my best efforts, deploring mediocrity in myself and others. I accept personal responsibility for my decisions and for my provision. I neither want nor expect others to think or provide for me. I desire to be rewarded in accordance with my ability — not my needs, believing that that which is earned ennobles and that which is given, enslaves. I expect to earn my way, paying my just debts, but not the debts of others. I work to provide for myself and those I love, but for none else except by my own choosing. It is my right to keep that which I have earned and to dispense it as my conscience dictates.

I prize my own self-respect above all things, preferring it to slavish conformity and the plaudits of the mob. I am tolerant of all but stupidity, atheism, and treason, believing that the former leads to the latter two. I believe there is a distinction between intolerance and an honest difference of opinion. I honor those with whom I disagree when I know them to be honest and sincere in their beliefs, but I reserve the right to take issue—both publicly and privately—with all whom I believe to be in error. I would go the extra mile to help him who would help himself, but I want no part of him who would live by the sweat of others. I count as my worst enemy the completely altruistic man. He who derides the profit motive in others, fears competition. He asks for nothing—but he seeks your soul. His call to strengthen the weak, at the expense of the strong, can but result in the ultimate destruction of individual initiative. Only by helping ourselves, can we be expected to help others. Only by utilizing our abilities to the fullest, can we realize true fulfillment. Only by a vigorous assumption of personal responsibility, can we maintain our freedom.

I believe that America represents the last hope of mankind to live in freedom and individual dignity. I am willing to defend with my life the principles of our constitutional Republic against those who would destroy us from without, but I am conscious that history has dramatically proven that more citadels crumble from within than are taken by siege or assault.

I believe that this country faces a greater danger from those in our midst, who would deprive us of our birthright for a mess of socialistic pottage, than from all the armies of those committed to our destruction. Because much has been given us, much is expected. Not just in material gifts, with which we have been more than generous, but in an unceasing vigilance that zealously promotes the principles bequeathed us by our ancestors. He who would negotiate with the Devil to save his life, shall lose his soul.

The call to battle has sounded, the lines are drawn, and the hour grows late. An aroused and informed citizenry must now rededicate itself upon the altar of self-sacrifice to restore that sense of patriotism, moral courage and individual initiative which has served us so well in the past. As a mass dedicated to mediocrity and peace-at-any-price, we are doomed. As free men, glorying in our individuality and sustained by a firm faith in ourselves and our God, we are united in the only true way.

I am an American. You are an American. Let us be Americans together.

WHY STAY IN THE U. N. ?

A Millstone 'Round Our Necks

(Reprinted from THE INDIANAPOLIS STAR)

Two weeks ago we quoted the Wall Street Journal as saying that the United States is "no longer master of its own foreign policy." Developments this last week make that even more obvious.

At his press conference President Eisenhower was asked if the United States planned any economic aid or border protective actions in the Middle East. He replied, "These things should be done in the United Nations. And we are prepared to go along with any decision of that kind."

What he is saying is simply that he has committed the people of the United States, the economic and military power of the United States, in advance, to do whatever the United Nations tells us to do. He doesn't even know what the U.N. might do. Yet so slavishly devoted to the idea that the United Nations comes before everything else is he, that he is willing to submit America's freedom of action, America's policies and plans to United Nations direction.

So, we are no longer "masters of our own foreign policy."

Other nations, large and small, are telling the United States how it should act, when it should act, how much it should spend and whether or not it must suffer war or privation. The American people have nothing to say about how their power is being used. The Congress is brushed aside or stands aside while the fortunes of our people, the future of our institutions, and liberty we prize above all else are placed into the hands of nations that neither know nor care about the interests of the United States.

For years our government under both parties has operated under the delusion that the United Nations can solve the world's problems in the face of failure after failure and war after war. We have put ourselves at the service of the United Nations and every time come out the loser. We have suffered humiliation, our first military defeat, continued loss of power and prestige to the Soviet Union. It was the United Nations that kept us from winning the Korean war and freeing North Korea. It was the United Nations that stalled us and stopped us from saving north Viet Nam from Communist China. It was the United Nations that haggled and hesitated and fumbled while Russian troops battered down the free people of Hungary in merciless slaughter. And now it is the United Nations that is going to decide what the United States should do in the Middle East!

This is the slow but sure way to national suicide. No other nation is so dumbly subservient to the U.N., weak or strong. The French roughly told the U.N. to stay out of its affairs in Algeria. The British ignored any U.N. attempt to interfere in Cyprus. The Soviet Union has told the U.N. time after time to keep its nose out of Hungary or Poland or any other place where successfully—keep strong, keep free from binding commitments to other nations, and decide every policy on what is best for America, first, last and always.

We can only do this successfully if we get out of the United Nations. But if we do, and if we run our own show in our own way, not only the United States but the whole world will be better for it.

That UN "Dress Rehearsal" revealed another very serious problem for the "Master Plotters," to wit: During the "invasions" many infuriated townspeople (civilians) rushed into their homes and emerged with various types of guns (pistols, rifles, shotguns) ready and willing to mow down the "invaders." Now, the "Plotters" know that MANY millions of Americans are equipped with such weapons — they realize that what happened in Budapest and the Congo would be light skirmishes compared to what would take place when and if they would try to move any kind of alien troops into this country. They decided that there is only one sure way to make the American people helpless to prevent the final BIG Take-Over: take away ALL their weapons — completely disarm them — IN ADVANCE! . . . So'o in January 1961, simultaneously with the inauguration of Kennedy as President, Congressman Victor L. Anfuso (Dem. N. Y.) introduced a Bill (HR 613) before the House, which, when and if passed, will require all American citizens to register ALL their guns with the FBI!

Do you realize what that means? It means that when the UN will be ready to launch the "take-over" of the U. S., on order by JFK, the CFR's stooge in the White House, the FBI will be FORCED to confiscate every privately-owned weapon in the nation . . . we will be disarmed IN ADVANCE — we won't be able to fire one shot to prevent the enslavement of our Country within a Communist UN One-World Government!

(NOTE:—Don't dismiss this WARNING as alarmist conjecture. In our "News-Bulletins," Nos. 87 and 88, entitled "OUR INVISIBLE GOVERNMENT MADE VISIBLE," Parts 1 and 2, we establish, with prima facie evidence, that the CFR is already in full control of our Federal Government . . . our "News-Bulletins" Nos. 90 and 91 reveal how the CFR plant their stooges in the White House, the State Department and in all Federal Agencies. Every one of those "News-Bulletins" will startle you — shock you — ENRAGE you . . . make you FIGHTING mad — and determined to smash this plot! You can

get them from the "Cinema Educational Guild, Inc." for 50 cents per copy.)

Now you know why YOU, why ALL loyal Americans, must get off the sidelines and join in the fight for the survival of our nation—this is the most desperate battle for the preservation of our Freedom and Liberty since the Revolutionary War . . . Read full instructions in "News-Bulletin" No. 91 and join in the fight at once!

Meanwhile, for the love of God and our Country, send signed copies of this "Tract" to your Representative and both Senators . . . and get all their constituents in your community to do likewise — do it TODAY! The salvation of our nation depends on it!

Gentlemen of Both Houses of Congress: — Each and every one of you has a SWORN obligation to protect and defend the United States and our Constitution — and to safeguard all of the American people.

I, the undersigned, a citizen of the United States, hereby urgently request my Representative to join with other members in the House of Representatives and initiate the necessary Constitutional first steps for the impeachment of John F. Kennedy, President of the United States . . . I further request and urge both Senators of my State to carry out the final steps for the trial of Mr. Kennedy, as provided by our Constitution.

KENNEDY'S DEATH TRAP FOR U. S.!!!

"END OF USA! . . . This morning the United States was formally inducted as a Province in the United Nations One World Government . . . and by order of the UN the old name was stricken and replaced by 'People's Republic of No. America'."

How would you like to see that front-paged in your newspaper? . . . Well, that is what you WILL see someday between now and 1970 — if John F. Kennedy achieves his "DISARMAMENT" plot as described in the "U. S. State Department PUBLICATION 7277," issued in September 1961:

They described that "PUBLICATION" as "FREEDOM FROM WAR" . . . But, actually, it is JOHN F. KENNEDY'S "blueprint" for the total disarmament of the United States — for the transference of ALL of our Armed Forces to the "United Nations" — for placing the U. S. into the "protective custody" of the UN . . . FOR TRANSFORMING THE U. S. INTO A UNIT OF THE INTERNATIONALIST-COMMUNIST UN ONE-WORLD GOVERNMENT! !

"PUBLICATION 7277," is a blueprint of rank TREASON . . . only IMPEACHMENT OF KENNEDY will save our Country!

As described in "PUBLICATION 7277," the delivery of the U. S. to the UN is to be accomplished within nine years — in "three stages" of three years each.

STAGE NO. 1 will be devoted to setting up a new "United Nations" Agency, to be known as the "International Disarmament Organization" (IDO). The chief functions of the IDO will be . . . A) Set up the preliminary machineries for the "Disarmament" program . . . B) Ditto for the gradual in-

ductions of all UN members into the IDO . . . C) Blueprint the steps for gradual transference to the UN of all Nuclear armaments and all the secret processes for producing such weapons . . . D) Develop arrangements for establishment of a "UN PEACE FORCE," under the sole and absolute control of the UN. . . . E) Set up quotas of manpower each nation is to provide;

STAGE NO. 2: Provide IDO with UNLIMITED POWER . . . 1) To ENFORCE reductions of the armaments and manpower of all (national) military forces . . . 2) To ENFORCE restrictions on production of armaments . . . 3) To ENFORCE transfer of all armaments (including Nuclear) already in existence to depots under the sole control of the UN's IDO . . .

STAGE NO. 3: Increase the "UN PEACE FORCE" to such overwhelming strength that no individual nation will have the military power to challenge UN orders and/or demands. States (nations) would retain only such armed force (police) needed to maintain internal order—all other manpower subject to conscription for "UN PEACE FORCE" only.

NOTE: Our "News-Bulletin," No. 91, entitled "WHY WE MUST IMPEACH KENNEDY," contains a complete (verbatim) reprint of "PUBLICATION 7277." Ed.)

This TREASON plot is far more heinous than that which made BENEDICT ARNOLD a byword of infamy in American history . . . it is more heinous than the treason for which Pierre Laval and Quisling were executed . . . it is TREASON which DEMANDS Impeachments and Trials of KENNEDY and of all of his collaborators!

Bear in mind, this Treason Plot is not new — it was launched long, long ago. In 1918-19, the Master Plotters set up the "League of Nations" to be the "housing" for their "One-World" trap. It failed — because one great American patriot kept the U. S. out of the "League." The Plotters waited for World War II and in 1945 they set up the "United Nations" for that very same purpose! Here is the PROOF ! ! !

THE "UWF" PLOT

Early in 1947 the Master Plotters, Council On Foreign Relations (CFR), set up the "UNITED WORLD FEDERALISTS" (UWF), officered and directed by REDS and Fellow-Travellers. The "job" set for the UWF was to coerce, seduce and bribe the Legislatures of 32 States to pass "Resolutions" memorializing Congress to transform the U. S. into a unit of a Federated (UN) One-World Government. It was all to be done very hush-hush. They chose California for their first "test." In March, 1949, the California Legislature SECRETLY passed the UWF "Resolution." Within four months, 25 additional States passed similar "Resolutions" . . . all they needed was 6 more States . . . and not one Newspaper, not one Radio news-caster mentioned one word about it ! ! !

But in July (1949) we (C.E.G.) launched a furious campaign that exposed the plot — and FORCED the Legislature to publicly review the (UWF) "Resolution." At the conclusion of that review, the UWF was denounced as a traitorous Cabal — and the "RESOLUTION" was promptly rescinded! Within 60 days 24 other State Legislatures followed suit. That killed the UWF traitorous plot ! ! !

Now: except for slight variations, the verbiage in KENNEDY'S "PUBLICATION 7277" is identical with that in the rescinded UWF "Resolutions" — it is identically the same TREASON, the "variations" in verbiage being intended to (clumsily) camouflage the crux of the plot . . . But, wait you ain't heard nothin' yet!

THE UN "INVASION"

As it became obvious that the UWF plot was doomed, the UN decided to set up their own techniques and machinery for the "take-over" of the U. S. As their first step, they issued what they called: "United Nations Order No. 1." It ordered a number of small cities in California, Texas and New York (Names are available) to be "captured" and

"taken-over" by our own troops — in the name and authority of the United Nations ! ! ! This was done without the knowledge of our President (Truman)—so he said . . . of our Chiefs of Staff — so they said . . . of the Governors of the three States. Upon being questioned, the head of the Security Council of the UN said it was "Simply a Dress Rehearsal." A Dress Rehearsal for what? He refused further explanation — and Washington hushed it all up ! ! !

THEY NEVER GIVE UP!

With their UWF plot and "Dress Rehearsal" torpedoed, the Master Plotters had to formulate new plans. They set up what they called "The World Association of Parliamentarians For World Government," and held a "Conference" in London in 1952. That "Conference" decided that the ruling body ("World Parliament") of the One-World Government would consist only of appointed members. There would be a World Director, 8 zone directors and 51 regional directors. None of them would ever serve in their own countries. So aliens would command alien troops stationed in the U. S. to enforce World Government law — and thus prevent American troops from "sheltering behind national allegiance."

That last precaution was inspired by what happened during that UN "Dress Rehearsal": many of our troops and Commanders indignantly refused to obey that "UNITED NATIONS ORDER NO. 1" That was why the "Conference" decided that each of the world zones would be "policed" by alien troops. The map they adopted for that purpose shows that Mongolian troops (the same kind that Khrushchev rushed into Budapest in 1956) are to be stationed in Canada, Mexico and the Northern half of the U. S., with Russian and Red Chinese troops in the Southern half . . . The Map also shows that American troops, conscripted by the UN, would be transported to "police" various other nations . . . But wait — you (still) ain't heard nothin' yet ! ! !

UWF PLOT AND JFK PLOT ARE TWIN

Part One

By MYRON C. FAGAN

This issue contains reprint of July 1949 "News-Bulletin," which unmasked the UWF plot . . . it also contains prima facie evidence of JFK first marriage and divorce.

No. 92

PREFACE

In our preceding issue ("News-Bulletin" No. 91), in which we published, *verbatim*, Kennedy's horrifying "Disarmament" plot, entitled "Dep't. of State Publication 7277," we frequently stressed that that entire "Disarmament" plot is in all intents and purposes exactly the same as the "United World Federalists" treasonous "RESOLUTION" which we (CEG) forced rescission by the California Legislature (and 24 additional states) in March 1950. We also referred to the "News-Bulletins" we issued at that time, which alerted the people in California to demand that rescission. Since we issued "News-Bulletin" No. 91, we have been deluged with requests for those early issues. Moreover, we have received a number of letters from various parts of the nation, in which the writers simply cannot believe that Kennedy would attempt to revive a plot which already had been exposed and officially denounced as "TREASON."

Obviously, those early "News-Bulletins," particularly the one containing the official announcement of the rescission, would serve as irrefutable proof. Unfortunately, all those old issues are now out of print. Therefore, this issue and the following one will be devoted to reprints of same. This issue is a reprint of the July-August 1949 "News-Bulletin," entitled "REDS BEHIND WORLD FEDERALISM."

In addition, the final pages of this issue will contain further *prima facie* evidence of John F. Kennedy's first marriage and divorce.

FOLLOWING IS THE REPRINT

On Monday, July 27 (1949), in Sacramento, I ran headlong into a scheme that out-Machiavellis Machiavelli, and which is beyond any doubt inspired and oriented by Moscow.

This nefarious scheme is camouflaged by the phony, *but very appealing*, promise of eternal World PEACE. Hatched in the State of California, if you please, and dubbed the "California Plan," this new scheme calls for a "ONE WORLD FEDERATED GOVERNMENT," in which our United States would become merely a unit with just about as much importance and potency in the world of nations as tiny Finland has in Europe's family of nations. If that scheme goes through, *dear God forbid*, we would have to give up

our Navy and our Army, retaining just enough to "police" our territory — in exactly the same proportions as a State Police Department . . . We would have to surrender our Atom Bomb — which is the ONE most important thing they are after . . . Our Stars and Stripes would become a mere State Emblem — and an International Flag would be hoisted above it . . . and our National Anthem would be replaced by an International Anthem.

In short, we would become merely 149 million voters — a 7 percent minority — in a world body of TWO BILLION voters . . . if there would be a vote at all!!!

This super-Machiavellian scheme was concocted — and RAIL-ROADED through the California Legislature — by a gang of would-be America-Wreckers who call themselves the "UNITED WORLD FEDERALISTS." The name of the man who devised "THE CALIFORNIA PLAN" and supervised its secret passage by the California Legislature is one ALAN CRANSTON, whose personal background is studded with pro-Communist proclivities. Before I am through I will PROVE that UWF was founded and created and (*behind a facade of so-called respectable names*) is being directed by a gang of known Reds and Pinks of all hues!

SHALL WE DIE IN OUR SLEEP

I first became aware of the existence — and the vicious objective — of the UWF in February 1947, when a motley crew of so-called Americans assembled in Asheville, North Carolina, for the brazenly avowed purpose of nullifying our CONSTITUTION and outlawing our DECLARATION OF INDEPENDENCE. However, I had at that time already dedicated myself to the job of awakening America to the Red Menace in Hollywood — *which I assure you is a full time job all by itself* — and I gave the UWF only a passing thought . . . I *assumed* that the very audacity of their intended treason would quickly bring about their destruction by other good and alert Americans. But — *apparently* — one hundred and forty-eight million and nine hundred and ninety thousand of our 149 million Americans are still soundly asleep at the switch. This fact was brought home to me by an Editorial by E. F. Tompkins in the "Los Angeles Examiner" on Sunday, April 10, 1949, which, while it practically repeats what I have stated above is worth repeating — if only to establish that I am not alone in my appraisal of the UWF plot . . . The Editorial reads, in part, as follows:

"SHOULD WE ABANDON OUR FREEDOM?"

"Hardly observed by the vast silent majority of the American people, a spreading and seductive movement is progressing across the country to REPEAL THE DECLARATION OF INDEPENDENCE and TO NULLIFY THE CONSTITUTION OF THE UNITED STATES.

"The UNDECLARED objective is to be accomplished by establishing a form of one-world government based upon the existing organization of the 'United Nations.' If the enterprise succeeds, this country would be required to abrogate its national sovereignty. Eventually, we would be compelled to MERGE OUR CITIZENSHIP WITH ALIEN AND DISTANT RACES, who do not share our language, our customs, our principles of law, our traditions of individual liberty or our ancestral experiences in the arts of qualifications of democracy.

"Obscure in its origin, the movement was initiated some years ago by Robert Lee Humber, a lawyer of Greenville, North Carolina, who formulated a proposal, for submission to State Legislatures, to 'declare that all people of the earth should be united in a world federation.' Since the formation of the 'United Nations,' the movement has been carried further by new organizations. One of the most active groups is the 'UNITED WORLD FEDERALISTS, INC.,' headed by Cord Meyer, Jr., which has a GLOBAL prospectus Another group is 'FEDERAL UNION, INC.,' which as a beginning would recombine the United States into the obsolete British Empire. . . . Still another group would start with an 'ATLANTIC UNION' and progressively include all of Europe, the Americas, Asia, Africa and Australasia. . . . Then there is the 'AMERICAN ASSOCIATION For the UNITED NATIONS,' of which former Under-Secretary of State Sumner Welles is honorary President.

"Since the movement was instituted by Mr. Humber — way back yonder and down in Dixie — the Legislatures of SEVENTEEN STATES have been deluded into adopting formal 'RESOLUTIONS' favoring 'limited world government!' . . . which is the basic idea. But developing this basic idea further, the UWF has devised a new 'model' RESOLUTION for the Legislatures DIRECTLY SEEKING A CHANGE IN OUR FEDERAL CONSTITUTION and calling upon Congress to summon a national constitutional convention for the purpose.

"Furthermore, the UWF has established local propoganda chapters in 600 communities and colleges; has won the support of the pretentious American Academy of Political and Social Science; and has under way a \$500,000 'expansion campaign' to 'transform the UNITED NATIONS into a limited world government.'

"The danger is growing imminent. The Legislatures of 36 states can compel Congress to call a constitutional convention for that purpose; and nearly half of the requisite number of states have already sanctioned, in effect, this procedure which would ultimately result in their own political extinction. . . . The old and defunct 'League of Nations' was an attempt at 'limited world government' which started in the travails of one global war and expired in the bloodshed and anarchy of another. Now the existing UNITED NATIONS, with its 200 or more commissions and councils, is developing into A SCHEME OF WORLD SOCIALISM, sustained chiefly by American tax-payers and providing notably a sheltered haven for foreign espionage and intrigue in this country.

"Experience thus proves that a 'LIMITED' system of world government must either dissolve itself in disappointing futility or else become UNLIMITED government over ALL the diverse people of the earth.

"Under such a system — the American people would no longer be permitted to write their own tariffs or immigration laws, or to regulate their own banking and currency practices, for the free movement of goods and persons across national boundaries is an essential idea of world government; International monetary controls have already been set up in the UNITED NATIONS; and Congress has already scuttled our protective tariff system and repealed the statutes prohibiting Asiatic immigration. . . . Under such a system — our natural resources, and the fruits of our productive free enterprise, could be exhaustively looted for the benefit of covetously less able and less industrious populations elsewhere. . . . Under such a system — American labor would have to compete at home and abroad with alien pauper labor and the American standard of living would vanish. . . . Under such a system — we would have to share our privileges of citizenship with the aborigines of Africa and the hordes of the Orient, and in the end be overwhelmed by their migrations

"We could maintain no national defense without the express consent of foreign powers . . . Our Flag would cease to command respect, our institutions would become degraded and an American would never again inherit the pride of our ancestors in being AN AMERICAN! ! !"

—————●—————

(NOTE:—Mr. Tompkins made that prediction in April 1949 in his appraisal of the UWF treasonous RESOLUTION—NOW read Kennedy's "DISARMAMENT" plot in News-Bulletins Nos. 90 and 91. . . . what the UWF failed to achieve Kennedy is determined to accomplish! MCF.)

I SEE RED!

After reading the Tompkins startling disquieting article, I promptly began to dig deeper into the background of the "United World Federalists, Inc.," — *especially as to its founders*. I never accept these organizations at face value, because when the RED hue of a Founder or an Officer is exposed that individual promptly disappears from their letterheads and literature and is replaced by a "respectable" name. I will cite a *very recent* example of that technique:

In our April-May (1949) "News-Bulletin" we exposed that both Dr. J. Eugene Harley and Mary J. Workman, President and Secretary, respectively, of the Los Angeles Chapter of the "American Association for the United Nations" are notorious REDS. An "election" was promptly arranged and both Harley and Miss Workman were "replaced" by individuals who, on their "face," are not suspect to the unwary citizen. Hence, the *face value* of an organization means nothing to me. . . . I've heard skunks called wood-pussies, but I've noticed that both smell the same.

BACKGROUND OF UWF

The ill-omened birth of the UWF occurred in Asheville, North Carolina, on February 21, 1947. On that day all the groups in America that were organized to *clamor* for "world federalism" assembled in that city. This conference was called the "First National Congress of World Government Organization," the purpose being to merge all of them into one over-all organization. There were sixteen such groups under various names. Five of them were merged into one major organization, now known as: "UNITED WORLD FEDERALISTS" — and their *announced* objective is "World Government with Limited Powers Adequate to Prevent War." . . . SO THEY SAY !!!

In addition to the merger of the five groups, the general session of the convention coordinated the platform and interlocked the activities of all the world government organizations in America *so that all would drive at the same objective from different directions*.

The Executive Council of this newly organized over-all organization, (UWF), thirty in number, was elected at that Asheville conference. This Executive Council was empowered to elect officers, select an Advisory Board, appoint Honorary Directors, etc., etc. . . . Chet Huntley, then a CBS News-Analyst in Los Angeles, was appointed Director of Radio!

FORTY-TWO REDS ORGANIZED UWF

To remove even an infinitesimal doubt that the UWF is Communist inspired in its very inception, I will *name* the REDS who gathered in Asheville on that day to organize this *new approach to unwary Americans into surrendering to this obvious Communist plot*. There were over 300 "*delegates*" present, but I will name only the most notorious ones — we won't waste space on the *small fry*. All of these names have been — *most of them still are* — affiliated with UWF as Organizers, Sponsors and/or Directors:

Stringfellow Barr, Chas. G. Bolte, James B. Carey, Albert Einstein, Serge Koussevitsky, Vito Marcantonio, Jerry Voorhis, James P. Warburg, Byrl A. Whitney, Cass Canfield, Norman Cousins, Norman Corwin, Raymond Swing, Carl Van Doren, Mark Van Doren, Clifton Fadiman, Robert Sherwood, Sholem Asch, William Rose Benet, EMANUEL CELLER, Waldo Frank, Robert Lee Humber, Thomas Mann, Lewis Mumford, Robert St. John, Prof. Harlow Shapley, Senator Glen H. Taylor, Walter Wanger, A. Philip Randolph, Culbert L. Olsen, Van Wyck Brooks, Mary Ware Dennet, Upton Sinclair, Rex Stout, Rex Tugwell, Rev. David DeSola Pool, George S. Kaufman, Varian Fry, Bishop G. Ashton Oldham, Elmer Rice, Frederick L. Schuman, etc., etc.

Each of the above named has been an Organizer, Sponsor, Director and active worker in at least 5 to 50 other FLAMING RED FRONT ORGANIZATIONS — name ANY Red Front and you will find most of them in its Directorate . . . and these are the individuals who used the word PEACE to organize the UWF !!!

It would be very illuminating if the FBI could be prevailed upon to show from their files how many of these UWF organizers are also secret members of the Communist Party!

THE TECHNIQUE OF THE REDS

At this point, a comparison of the methods or operations decided upon by the UWF with the Moscow official techniques becomes very significant!

NOTE:—Even in those early years I had become aware of the "COUNCIL ON FOREIGN RELATIONS," but I had not done an research of its true background and objectives. Thus I was only vaguely aware that the UWF and other "organizations" of that ilk were CFR FRONTS, and I

was "crediting" all such treason to Moscow. Of course, we now know that every such act is an integral feature of the over-all INTERNATIONALISTS-COMMUNIST ONE-WORLD CONSPIRACY. MCF.)

We cannot do better than cite the structure of the "*American Association for the United Nations*" as a pattern.

"Local Chapters are to be set up under the jurisdiction of City and State branches wherever possible, otherwise directly under the National Central Headquarters. Provision is to be made for Members-at-Large in communities where there are no organized Chapters. Each Chapter is to develop and train speakers and make them available for Women's Clubs, Collogo and University Fraternities and Sororities, PTA groups, Men's Service Clubs, etc. All Chapters are to organize "Study Groups" within, and whenever possible, under the sponsorship of these various Clubs and Organizations. The Speakers are to arrange special study meetings in their homes, and/or in the homes of influential Social and Civic leaders."

Now let's examine the UWF's Bag of Tricks — as taken *verbatim* from their Charter and By-Laws.

TECHNIQUE OF THE UWF

"Local Chapters are to be set up under the jurisdiction of State Branches, wherever possible, otherwise directly under the corporation itself. Provision is made for members-at-large in communities where there are no organized chapters. The governing body of the United World Federalists is to be the General Assembly; a representative assembly of all members is to meet at least once each year. In between meetings of the Assembly, the corporation is to be governed by the Executive Council.

"Each chapter is to create and train a corps of effective speakers and make them available to Women's Clubs, Church organizations, University, College and High School Clubs and Societies, Men's groups, Parent-Teacher groups, etc. Special efforts to be directed at all Church groups, stressing the word Peace as our motive. Wherever possible, induce Ministers to lend their names to chapter boards."

(Note:—In other words, their theory is that if they succeed in deluding and hypnotizing your pastor, he, in turn, will anesthetize you and all the members of his congregation.)

"All chapters are to create Study Groups within the various Church and Civic organizations, and, wherever possible, under the sponsorships of the Churches and the various Organizations. In addition, the speakers are

to hold home meetings in their own homes, or the homes of Community leaders."

Close examination of the structures of "*The League of Women Shoppers*," "*the American League for Peace and Democracy*," "*The American Peace Crusade*," "*American Peace Mobilization*," "*American Youth Congress*" — all blazing Red Fronts, discloses a startlingly striking similarity . . . ditto the "*Christian and Jewish Brotherhood*" hoax!

"GIVE ME THE YOUTH OF A NATION" . . . Stalin!

The UWF further decided that *student* chapters are to be organized and are to have the status of local chapters, to be under the immediate direction of a National Student Council — *but, the Executive Council would make all decisions in the student field and control all student chapter activities*. In other words, the National Student Council is the taskmaster set up *by the Reds behind the Executive Council* . . . the Student Chapters are the stooges — and the student members just so many "*knuckle-headed*" pigeons. This Student Council consists of 35 members — 10 from Colleges; 6 from High Schools; 4 from *preparatory schools*, and 15 unspecified. Bearing in mind Stalin's orders to "*capture the Youth of the Nation*," it will not be surprising to find some of those "*unspecified*" 15 assigned to the Kindergartens — and nurseries . . . No Red Front organization, with the possible exception of Gene Kelly's "*Youth Section of the Communist Progressive Party of America*," is making as determined an effort to capture "*Young America*" as the UWF . . . and they are meeting with great success !!!

THE PLOT

A statement of policy was drafted at the Asheville Convention. Boiled down, it declared for a One-World Government with so-called "*limited powers adequate to prevent war*," expressing the theory that "PEACE" is not merely the absence of war, but the presence of justice, law and order; that world peace can be created and maintained only under *world law* sufficiently strong to prevent armed conflict between nations; that, while endorsing the efforts of the "*United Nations*" to bring about a world community favorable to peace, the UWF will work to *transform the UN into a One-World Government*.

Thus, the UWF brazenly declares itself an anti-Nationalist organization — and, in particular, *anti-United States Nationalist*. It would surrender our Armed Forces and our Sovereignty to the UN. *This was actually acknowledged by an OFFICIAL of the UWF at the hearing before the Senate Judiciary Committee in Sacramento on June 27!*

Their “policy” further states: “This Federal (UN) World Government (in which we would be a 149 million voice against TWO BILLION!) will make laws relating to natural resources; international trade; transportation; currency and many similar matters. For it is quarrels between nations about these bread-and-butter questions which will go on causing wars forever, unless you and all other world citizens give a law-making body higher than any national government the power to settle them.”

To give you a clear idea of what kind of power they intend to achieve, I will quote from a book entitled “PEACE OR ANARCHY,” authored by Cord Meyer, Jr., President and Co-Founder of the UWF. After he outlines how the UWF will *disarm* and transform the United States into a province within their Federated World Government, *under complete control of that government*, he states on page 171 of that book, that “*once having joined the One-World Federated Government no nation could secede OR REVOLT. . . . because with the Atom Bomb in its possession the Federal Government police would blow that nation off the face of the earth!*”

This is a statement IN PRINT by the man who is using the word PEACE to induce us to give up our Sovereignty, our Freedom, our Army, our Navy—AND OUR ATOM BOMB . . . and in the same breath he, *the official voice of UWF*, bluntly informs us that if we fall for their scheme *and then discover our mistake* we could never secede — and if we would try to revolt we would be blown off the face of the earth *by our own surrendered Atom Bomb!*

Note:—Now read Kennedy's present “DISARMAMENT” plot in “News-Bulletin No. 91 — and see for yourself how it parallels the UWF's “RESOLUTION” plot in 1949. MCF.

THEY SEDUCE CALIFORNIA LEGISLATURE

On March 24, 1949, a “RESOLUTION” prepared by the UWF, known as “Resolution 26”, was passed UNANIMOUSLY by the California Assembly — and, *after strenuous opposition*, was approved.

ed by the Senate 23 to 9. Only one word can describe the method employed to get that "RESOLUTION" passed — that word is: "RAILROADED! The UWFers themselves acknowledged that fact with gleeful chortles and statements that "Resolution 26" was rushed through the California Legislature before anybody knew *"what it was all about"* But that was a slight exaggeration. What they should have said was: *"Before anybody outside of the California Legislature knew what it was all about."*

Now to describe the method they employed to railroad "RESOLUTION 26" through the Legislature: Under the supervision of Alan Cranston, the UWF's "BIG WHEEL" in Northern California, they canvassed all the members of the Legislature. The answer was *unanimously* an emphatic NO! The dismayed Cranston scurried to Paul Smith, Editor of the San Francisco Chronicle, and laid his problem before him. Smith hied himself to Sacramento for *"a few words"* with one Artie Samish.

CZAR OF CALIFORNIA

Artie Samish is a behemoth of a man. Outwardly exuding great good nature, his hugely fat body shakes like a vat of jello when he laughs. Artie is a professional Lobbyist, but the mere word *"Lobbyist"* in the case of Artie is as great an understatement as saying that Toscanini is an orchestra leader. Artie is the Master of the Master-Lobbyists. Artie openly boasts that he can *pass* a Bill or a Resolution, or KILL it, before you can say abracadabra — *and THAT is no understatement*. He has publicly boasted that he *"carries the California Legislature around in his small change pocket."* Artie's pet *"client"* is the Liquor Industry — and his *"slush fund"* from that *"client"* is *positively* without limit. He also Lobbies for Bus Companies, Oil Companies, the Motion Picture industry, Race Tracks — and for anybody who can pay \$25,000.00 — *but no less than \$25,000.00* — to a million he also is the ANTI-DEFAMATION LEAGUE's official *"Hatchet-Man"* in Sacramento. His power in Sacramento is far greater than the power of any Governor in the past decades, and has been so acknowledged by Governor Warren — but it is best exemplified by a statement made by Artie himself: *"To hell with the Governor of California, I'm the Governor of the Legislature!"* This is the man Paul Smith turned to when Cranston informed him that the UWF RESOLUTION had been pronounced *"a dead duck"* by every Legislator he had buttonholed.

"Artie," said Smith, "I need a favor. I've got a little Resolution I want put through, but the boys are playing hard to get — can you help me out?"

"What's the little Resolution, baby?" . . . "Baby" is Artie's pet name for those he likes.

"It's to support a World Federated Government," replied Smith.

"What's a World Federated Government?" asked the puzzled Czar of California.

"Here," Smith proffered a copy, "read it and you'll know."

"Never mind," hastily assured Artie, eyeing the document warily — Smith uses big words and Artie's education has been a limited one, not much beyond kindergarten. "If you want it passed, baby, it'll be passed — but it'll take some *do re mi*."

Smith assured him that he'd get all the "*do re mi*" he'd need — and on March 24 it was passed UNANIMOUSLY by the Assembly — many of whose members had previously shied away from it with holy horror! ! !

By March 31 a few members of the Senate became aware of the heinous intent of "RESOLUTION 26" and put up a strenuous opposition, but with Samish cracking the whip, it was approved by the Senate 23 to 9.

Gravely alarmed, the 9 who voted *against* the "Resolution" took steps toward reconsidering it. That was brought up on April 6 — and was defeated 22 to 13. Thereupon a new RESOLUTION, known as RESOLUTION 36, was introduced by Senator Hugh Donnelly to rescind RESOLUTION 26 — and was defeated!

In a *confidential* Special Bulletin to their members, the UWF gloatingly described the blackjacking methods they employed to defeat RESOLUTION 36. Lack of space in this issue prevents a detailed analysis of their methods — it will be given special attention in our next issue . . . but in their boasting they reveal how closely they hew to the Moscow-directed Commie techniques. Their description of one particular method they employed to "pressure" wavering Legislators into supporting their treason-packed "RESOLUTION" is definitely *criminal* under our laws and may prove to be the very boomerang that will alert the entire nation. Action is now being taken to bring that out into the open before our next issue goes to press!

THE VALIANT!

When the fight against Communism in America is finally won, and the valiant ones who made the victory possible will be count-

ed, the name of Jack B. Tenney will ride high on the list.

Armed with a vast knowledge of Red objectives and Red methods, Senator Jack B. Tenney used up a lot of midnight oil during 1948 preparing several anti-Communist Bills which, *had they been enacted into Laws, would have cleaned Communism out of California — AND HOLLYWOOD — with the effectiveness of an Atom Bomb* and made the State of California the symbol for all America. By the same token, there would have been no UWF "Resolution 26." When first submitted, early in 1949, the Senate passed all those Bills unanimously and practically all the Assemblymen assured Tenney that they would vote for those Bills. Well, then Tenney went to Honolulu, so he wasn't in Sacramento when the Federalists *railroaded* their "Resolution 26" through both Houses. But when Senator Donnelly and his Co-Americans launched their fight against that "*give away America*" Resolution Tenney promptly jumped in with them. When he did that he signed a personal political death-warrant with every one of those "*give away America*" Senators and Assemblymen — *and, of course, with Artie Samish!* When his anti-Communist Bills came before the Assembly *sixty-seven* out of the *total eighty* who had promised an "*aye*" vote voted against them! At the same time the cry went up "*Get Tenney! ! !*" "*Drive Tenney out of politics! ! !*"

LEADERS OF THE PACK

The leaders in the attack on Tenney in the upper house were: Senators Gerald J. O'Gara, George Miller, Jr., H. E. Dillinger, and Harry E. Drobish. In the Assembly, Sam Collins, Speaker, took the lead, with John B. Cooke, Ernest R. Geddes, George Collins, Jr., Lester A. McMillan, and Thomas A. Maloney, *sponsor of "Resolution 26,"* promptly swinging into line behind him. *But the real knifer-in-the-back was Sam Yorty!* The chief reason they gave for their gang-up on Tenney was that he had used the funds allotted to the Committee to "*build himself*" up with the public. This was proved false very quickly. The second *given* reason was that Tenney had committed rank heresy by exposing a Red taint in several of his colleagues. Well, now, let's analyze the latter reason — *and go beyond it.*

IN THE SPIRIT OF JUDAS!

Brutus achieved his particular ill-fame when he stabbed the

mortally wounded Caesar in the back of his neck. Caesar had been his great friend and patron. Well, right in our own Sacramento we have a Brutus or two — plus a Judas! Assemblyman Sam Yorty had been a very close friend and political associate of Jack B. Tenney. When the Tenney Bills came through the Senate with flying colors, Yorty told Tenney that it would give him great happiness to sponsor those Bills in the Assembly. Came the day before those Bills were to be submitted. In the interim the Sacramento wolves had howled their howl of “*get Tenney*” and Yorty solicitously advised Tenney to choose somebody else to sponsor his Bills — *on the theory that it would be political strategy to have someone not identified as a close buddy do the sponsoring!* That, earnestly, assured Yorty, would give him greater freedom in doing *the more important job* of all-out support on the floor. Harold K. Levering took over the sponsorship — *and he did a great job!* Then came Yorty’s “*once-in-a-lifetime*” opportunity. I will describe it in the words of one of the Reporters present at this historic session: “*Sam Yorty, Tenney’s friend, whipped out his trusty blade—and sank it deep into Tenney’s back!*”

Now, knowing what is at stake, why did this, Sammy Yorty stab Tenney in the back? — *actually, however, he sank his dagger into the collective back of his constituents!* ! ! What was his objective? . . . What was his gain?

Mussolini stabbed dying France in the back to achieve an empire . . . Brutus stabbed dying Caesar in the neck in the hope that he would inherit Caesar’s power . . . Judas betrayed Christ for thirty pieces of silver. Yorty stabbed Tenney—AND AMERICA—in the back . . . FOR WHAT? . . . and FOR WHOM? *That* is something for his AMERICAN constituents to find out.

(Note:—We all know the story behind Kennedy’s firing of Gen. Edwin Walker. Shorn of all phony reasons, Walker was fired because he had banned the “Over-Seas Weekly,” more commonly known as the “Over-Sex Weekly,” from circulation in U. S. Military installations in West Germany. He banned it after it was established that this pornographic sheet was pro-Communist and was deliberately undermining the morale of the American soldiers — also after it was established that key officials and reporters of the sheet had pro-Communists affiliations. Shortly after Gen. Walker was fired, the Pentagon ordered the ban lifted — it did so after Sam Yorty, at that time a Congressman, applied some kind of mysterious pressures. Why did he do that? I presume, for the same reasons that he knifed Tenney in the back —

and KILLED HIS ANTI-COMMUNIST BILLS IN 1949 . . . Today Sam Yorty is Mayor of Los Angeles — the voters in Los Angeles should know all that. MCF.)

BY THEIR DEEDS SHALL THEY BE KNOWN

Another gentleman who plunged his blade deep into the collective back of his AMERICAN constituents — *and of his State and of his Country* — is Assemblyman Sam Collins. Collins is Speaker of the House. He fancies himself a very important BIG FISH in his little pond. He would resent being told that he is disloyal to the land he lives in — but, then, so did Frederic March and Eddie Robinson scream when *they* were *exposed*. I *won't* say that Collins is a Communist or a Fellow Traveler . . . I don't know. I can only judge him by his deeds . . . and by his deeds he has convicted himself of at least giving plenty of comfort to the REDS. All his attacks on and smears of Tenney were motivated by one overwhelming desire: to abolish the California Un-American Investigating Committee! *The Reds of Hollywood organized "The Committee for the First Amendment" for that very identical objective!* To my distinct knowledge, Sam Collins, and his particular pals in the Assembly, have for years fought tooth and toenail to abolish the "California Un-American Investigating Committee." He . . . *and his pals* . . . couldn't very well *dare* protest against the objectives and the purposes for which the Committee was set up, so they invoked phony charges and a smear campaign against the man who *headed* the Committee — obviously in the hope that by destroying the head they would destroy the body. *And they were grandly supported in their attack by the Communist "DAILY PEOPLE'S WORLD."* By that very token, Sam Collins . . . *and his pals* . . . have for years *been violently opposing the investigation of Communism in the State of California — and thus AIDING the Communist Conspiracy!* This is amply corroborated in that previously mentioned Communist sheet, "Daily People's World," which burst forth on Monday, March 31, 1947, with the following blazing *front page* headline:

"GOP LEADER REFUSES FUNDS FOR TENNEY

"By Doug Ward

"Daily People's World Political Editor

"Sacramento, March 30—Opposition to Senator Jack B. Tenney's State Un-American Committee hit a new high in the legislature today, when Sam

Collins, conservative Republican Assembly Speaker declared emphatically he "will not vote one red cent" for continuing the Committee."

The story goes on in typical Commie style, accusing Senator Tenney of having used the funds of the Committee to "*build himself up politically by smearing . . . or threatening . . . all those who stood in the way of his ambitions.*"

Two weeks later, on April 12, 1947, this same Red sheet came out with another blazing headline:

"GOP LEADER: 'NO FUNDS FOR TENNEY' "

"SACRAMENTO, April 11, — Another influential Republican legislator today joined the ranks of those who will oppose any appropriation for the Tenney State Un-American Committee. Assemblyman Ernest R. Geddes (R. Pomona) said he was in agreement with Republican Speaker of the Assembly Sam Collins that the Committee should not be given 'one red cent.'"

As in the previous article, "*People's Daily World*" quotes Geddes along *exactly* the same line as they had quoted Collins. In both cases the same motive stood out like a beacon . . . "*abolish the California State Un-American Committee.*"

It *may* be just a co-incidence, but those two stories in the "*Daily People's World*" remind me of the high praise Al Capone used to accord certain political figures in Illinois — *who were on his secret payroll.*

On that same front page of the "*Daily People's World*" — right alongside the eulogy accorded Sam Collins for his vituperation of the Tenney Committee — we find a huge four-column headline glowingly praising Communist Eugene Dennis for denouncing our Congressional Un-American Investigating Committee. Is that just another coincidence? . . . *or is there something significant in the fact that these two articles are twin in their support of Communism?*

That was early in 1947. Collins . . . *and his pals* . . . were unable to destroy Tenney and/or the Committee *at that time.* But they did not give up. They bided their time — for an opportunity which would enable them to line up *overwhelming odds.* That came with "*Resolution 26.*" In March 1949 few people knew very much about the UWF. Nobody had gone to the trouble of investigating and exposing the fact that it (UWF) had been *founded, created and organized by a gang of the most notorious and crafty Reds in America.* Employing their wily Red technique, they railroaded their viciously traitorous "*Resolution 26*" through the California Legislature and — *to our everlasting shame* — brazenly announced it to the world as

the "California Plan." Then, as previously stated, Senator Donnelly and a pitifully few other wide-awake Americans set up "Resolution 36" to rescind the *give-away America* "Resolution 26." Jack B. Tenney roared in to their support. Ah'h! ! ! ! *That* was the opportunity Collins, Geddes and Yorty had been waiting for! And this time they had the UWF-Samish "captive" Assembly and Senate ready to say "Uncle" — and roll over on command.

As previously said, the American people didn't know that that "Resolution 26" was treason-packed. *But Sam Collins knew . . . Sam Yorty knew . . . all those other Assemblymen and Senators, who fought against rescinding "Resolution 26," knew* — and before I am through I will prove that they knew. I will prove that every individual in the California Legislature who voted *against* rescinding "Resolution 26" was guilty of an act that would have meant death without a trial behind the Iron Curtain.

Anyway, *that* was the opportunity Collins and his particular henchmen had been waiting for . . . "Resolution 26" would enable them to kill two birds with one stone: Tenney, the fighter against the "Give-Away America" conspiracy — Tenney, the exposé of Reds and their activities in California. They used that act of treason ("Resolution 26") as their springboard for an all-out attack on Tenney. *Once again they demanded that the Tenney Committee be abolished!* And — *again* — they charged that Tenney had misused Committee funds for personal objectives. *This time* they made the specific charge that Tenney had subsidized — *with Committee funds* — a News-letter publication called "Alert," and its Editor, Ed Gibbon, to smear those Assemblymen and Senators who opposed his (Tenney's) political ambitions.

That charge was an utter and complete lie. Those who made the charge knew it was a deliberate lie. Its only purpose was to confuse the public. That lie was the "Iron Curtain" behind which they could scheme and plot and conspire how to kill . . . *not only Tenney — but the California Un-American Investigating Committee — or at least, make it innocuous.*

On Tenney's insistence a Committee was appointed to investigate that charge. *It was quickly proved false — AND SO ANNOUNCED IN THE PRESS! !* But the two Sammys and their co-workers shrewdly continued to use that treason-loaded "Resolution 26" as their bludgeon to KILL THE ANTI-COMMUNIST BILLS — *and prevent the rescinding of Resolution 26. And they succeeded! !*

And now I will again show who wanted those anti-Red Bills killed — by a direct quote from the official mouthpiece of the Communist Party — the "Daily People's World":

" 'WORLD' LAUDED FOR ROLE IN DEFEATING TENNEY BILLS."

"Los Angeles, July 6, 1949 — The Daily People's World was praised today for its 'excellent coverage' of the campaign which aided in dumping the Tenney bills in the state legislature The praise came in the final report of the Emergency Coordinating Committee to Defeat the Tenney Bills, and was drafted by Philip M. Connelly . . . Connelly directed the campaign for the Committee . . . The report was approved by the Committee's steering committee, consisting of Robert W. Kenney, Daniel G. Marshall, Hugh Macbeth, Sr., Ignacio Lopez, Averill Berman, William B. Elconin and Paul Major . . . After outlining activities of the Committee, which included placing ads in various papers, the report said.

" 'Aside from excellent coverage given by the Daily People's World, both to the Los Angeles campaign and to information out of Sacramento . . . the Press was of little assistance in promoting the campaign.

" 'The Tenney Bills went down the legislative drain pipe mainly because enough assemblymen were inundated with telephone calls, telegrams and letters to the point where they were convinced that a vote for the Tenney program would be an emphatically unhealthy act — politically, that is.'

"The report noted that the Committee didn't worry too much about delegations to Sacramento, or appearance at legislative hearings on the Bills, but instead urged the people to utilize their time, energies and money in mobilizing the 'voice from home.'"

The UWF employed identically the same Commie method of the "voice from home" to make the members of the Legislature "sit up and say 'Uncle.'" That method will be exposed in detail in our September issue — and it will show a criminal exploitation of the United States Mail! ! !

Does that show whom Collins, Yorty, O'Gara and all those others were working for?

Friends, if we, the people of the State of California, allow those men to go back into our Legislature in 1950 we will have no one but ourselves to blame if we finally find ourselves and our children in Communist Prison-Labor Camps — or worse! Those men must never be re-elected! We must see to that! The Reds admit they succeeded only because we were asleep. The UWF gleefully chortled that *they* succeeded because we were asleep. But finally we are awake! Anything they can do we can do . . . anything they can achieve we can achieve! We are going to get those anti-Red Bills passed and enacted into laws — and we are going to get "Resolution 26" rescinded!

On Friday, June 17, Tenney called me on the phone: "Mr. Fagan," said he, *"we need help. The Reds have ganged up in Sacramento to kill all the anti-Communist Bills and to prevent the rescinding of Resolution 26."*

Within eight hours we (CEG) sent out *two thousand* telegrams and letters by air-mail and special-delivery to our members here and in the San Francisco-Oakland area, in which we gave them a clear and concise picture of the entire situation, and urged them to *wire and telephone* their Assemblymen and State Senators and demand their support of the anti-Red Bills and "Resolution 36" to rescind "Resolution 26." And all our members fully carried out our request—thousands of telegrams and special delivery letters poured into Sacramento during the next three days. So, if your Senator or Assemblyman will tell you that he did not know the importance of the Tenney Bills, or the significance of "Resolution 26," you can tell him he lies. As further proof that each and every one of them *knew* all the facts *in advance*, I will cite, in part, two statements made in the Assembly Room by Assemblyman Don Levering and in the Senate Chamber by State Senator Donnelly.

Mr. Levering was speaking on behalf of the Tenney Bills; after Sammy Yorty had *decreed their death* by sending them to the Rules Committee — Yorty's Press-quoted words were: *"I am sending them to the Rules Committee to be killed . . . without a further hearing."* Sam Yorty should have paraphrased Marc Antony with *"Friends, Fellow-Americans, Countrymen, I am here today not to praise anti-Communism but to bury it."* At least, it would have sounded less hypocritical!

Yorty smashed to smithereens all Assembly rules of procedure with that act. In an eloquent plea, Levering made that all very clear on that day especially in his concluding statement:

In conclusion, he said: *"Let me point out that the name of every member of the House is under a shadow because of our failure to stand up and be counted on this subject. We are being called traitors and cowards because of the honest mistake we have made. You can, and should, correct this mistake by withdrawing these bills from the Rules Committee and placing them before this House for further consideration."*

Despite that plea the Tenney Bills remained killed! ! !

Now, as to "Resolution 26": On March 24, the Assembly . . . *whipped into line by Artie Samish* . . . passed it unanimously 68 to 0. On March 31 it came up before the Senate. As proof that every individual in the Senate Chamber was made fully aware of the treason in that Resolution *on that day* I quote — in part —

from Senator Donnelly's plea for its defeat:

"This resolution would apply to the California delegation in Washington to ratify United States entry into a world government that would take away United States' sovereignty and permit a world army to exist stronger than the army of the United States. This resolution would take away from the United States its sovereign right to maintain an army, navy or air force. . . . How do we know that the power we entrust to this world court (Federal World Government) will not be used against us? . . . There are worse things than war. Slavery is worse. We are speaking for the people of California. I urge you to turn this resolution down."

Despite this eloquent plea — *and knowing what this treason-loaded "Resolution" meant* — the vote was 23 FOR the "RESOLUTION" to give our Country away, 9 AGAINST it. Following are the 9 gallant and true Americans: Senators Abshire, Crittenden, Desmond, Donnelly, Hatfield, Hulse, Mayo, Rich and Sutton.

Following are the 23 Weasel Americans who favor giving up our Sovereignty, our Flag and our Country: Senators Breed, Brown, Hugh Burns, Busch, Coombs, Cunningham, Dillinger, Dorbish, Gibson, Johnson, Judah, Keating, Miller, O'Gara, Parkman, Powers, Regan, Salsman, Swing, Ward, Watson, Weybret and Williams.

On April 6 there was another debate in the Senate to reconsider "Resolution 26," at which time Senator Donnelly again appealed to the patriotism of his Colleagues:

"I'm not foolish enough to believe the legislature in Sacramento can give up our sovereignty. . . . But Article 5 of the Constitution of the United States gives us the power to call a constitutional convention. Do you know that the purpose here is to call a convention to give up our sovereignty?"

He then *emphasized* the fact that this movement to *surrender* all our rights and powers *is Moscow inspired and directed!*

"I can remember the time when nobody would have dared to offer a resolution of this kind. . . . The reason our foes would have us give up our sovereign powers is — we've got the Atom Bomb. I'm glad we have it. It would be better a thousand times that the bomb destroy the world than that we be bound in chains by giving up our liberty and our sovereignty. . . . If we give up our sovereignty, we give up our right to defend ourselves. Already the Communists control not only all the land and peoples behind the Iron Curtain, but almost control France, Italy and many other nations. Would you favor turning over our sovereignty to them? . . . You will say this resolution merely calls for a convention. I'm fearful if you start here, you'll end by giving up our sovereignty to other nations!"

On this occasion Senators Brown, Hugh M. Burns, Dilworth,

Jespersion and Williams joined the original gallant 9. But 22 of our other *great* American State Senators again voted to give our Country away.

Note:—In order to reserve space for our further prima facie evidence of JFK's first marriage and divorce, we will conclude the re-print of the 1949 "News-Bulletin" in our next issue.

MORE ABOUT JFK'S FIRST MARRIAGE

Publication in our "News-Bulletin No. 90" of the item in "The Blauvelt Family Geneology," which revealed John F. Kennedy's (first) marriage to Durie (Kerr) Malcolm, apparently hit the entire nation like a typhoon. From all parts of the country a wide variety of reactions have constantly been pouring in on us. Many persons, while expressing amazement, accept the revelation without question — only asking for dates and places of the marriage and the divorce; others express doubts due to the lack of dates and places; some refuse to believe the entire story — the more naive ones even insisting that the "Geneology" was written after Kennedy was elected, merely to "smear" him. That latter contention is, of course, stupid: Louis Blauvelt, the author of record, spent 30 years on his research and compilation. He began in 1926 and completed the job in 1956. It was registered and copyrighted in 1957, and bears the U. S. Library of Congress Catalog No. 56-10936. All that was long before John F. Kennedy was even remotely a candidate for the Presidency of the United States.

As further concrete evidence that there was no ulterior motive for that item, one of Louis Blauvelt's collaborators recalls that Durie's background was compiled in 1943, at which time young Kennedy had no distinctions of his own, that was why he was "identified" merely as a son of Joseph P. Kennedy, U. S. Ambassador to Great Britain . . . and now for even more concrete confirmation of the marriage:

We received a number of letters from old friends of the Kennedy family in Massachusetts and Cape Cod. Several of the letters distinctly verified the marriage, all of them stating that it made Rose (Jack's mother) very unhappy. However, she (Rose) looked upon the marriage as just "one of Jack's youthful escapades," which she was sure "wouldn't last long" — and it didn't.

From Illinois (*the Chicago area*), where Durie was born and lived through her teen years, came more confirmation. It was there that she married her first husband, F. John Bersbach, then President of the Manz Engraving Company. That marriage was a very brief one—from April 1937 to July 1938. Several months later, on January 2, 1939, she married Firmin Desloge IV, a St. Louis resident. That marriage was dissolved one year later—in January 1940. There is some confusion about the date of this divorce—some say it was January 24, 1947, but it has been fully established that the year was 1940. Moreover, Durie was back in her Chicago haunts — *alone* — in February 1940. As added proof, in conversation with a close friend, John Bersbach, Durie's first husband, now living in Winnetka, Illinois, expressed full knowledge of her marriage with Kennedy — but could not recall the actual *dates* of the marriage or of the divorce.

Even more interesting — *and confirming* — are statements made by various of Durie's intimate friends of those years. Pieced together, get the following story:

Durie was born and grew to young womanhood in Lake Forest, Illinois, a Chicago suburb. She worked as a hostess in the Ambassador West Hotel, also in the Drake Hotel, both in Chicago, where she found opportunities to mingle with the Cafe Society and the playboys of the Windy City. She "*went over big*" with the playboys and quickly became a well-known figure at all the Chicago gay night spots. Durie was a very ambitious gal — it was no secret that she was after "*big game*." Whether she decided that her first two husbands weren't "*big*" enough, or broke with them for other reasons is not important. When she married Jack Kennedy, he was just an inconsequential 22 year-old wild-Irish playboy, but he was a son of the fabulously wealthy Joe Kennedy, owner of the Chicago Merchandise Mart. That made him "*big game*." The date of the marriage is vague. Some say it was March 1940, some say it was a later month in that year, but most concur that the knot was tied by a Justice of the Peace. After the break-up with Kennedy, Durie married Tom Shevlin, her present husband, and moved to Long Island, N. Y. . . . we will skip the next few years.

As we know, Joe Kennedy's chief driving ambition was to transform the Presidency of the United States into a Kennedy dynasty. He had centered all his hopes for that objective on Joe, Jr. But young Joe was killed in the early years of World War II. That placed Jack next in line. It was 1946 before he (Jack) took his first step toward the White House; via the House of Representatives. Then came the Senate. And that was when his "*youthful escapades*" with Durie became a grave problem. It was a foregone

conclusion that if that ever came out it would spell FINIS for all of the Kennedy political ambitions. Once Catholics would know that Jack Kennedy is NOT the good Catholic he pretends to be, *that he pulled the wool over the eyes of his Church*, the entire Catholic community would vote for anyone who was running against him. *Yes, sir, that "youthful escapade" had to be erased.* True, quite a few Chicagoans knew about it, but by the time Jack was a candidate for the Senate it was a pretty much forgotten incident. The one great danger was Durie: if she *"talked"* the fat would be in the fire. They had to find a way to keep her silent . . . *the "way" was found.*

One bright and sunny day West Palm Beach cafe society acquired three new members: Tom and Durie Shevlin and Durie's daughter. And where do you think the Shevlins made their home? In a lovely house right on Joe Kennedy's opulent estate . . . indeed, cheek-by-jowl with Kennedy's own lush mansion.

Now, all that happened before the "Blauvelt Family Genealogy" came off the press early in 1957. At \$40.00 per copy, this thousand-plus page book was hardly a candidate for the "best-seller" lists. Actually, it (*ostensibly*) had no interest for anybody other than a Blauvelt descendant. Thus the Kennedys didn't even know of its existence — until they heard the vague rumor that it contained an item revealing his marriage to Durie. And that rumor didn't really begin to gain ground until after Kennedy won the nomination. The dismayed Kennedys promptly went into frantic action. They canvassed every important book store in the nation — *such as would carry a \$40.00 book of this type* — and bought every copy they could locate. All records and documents of the marriage and the divorce they were able to locate were destroyed. The compilers of the book were silenced. Ditto the publishers. Nobody was permitted to bring up the question at any of the Kennedy press conferences. According to Congressman H. R. Gross: *"Richard Nixon knew of this divorce before the campaign, but refused to use it."* Other Congressmen made similar statements. Then it became rumored that some newspapers and other publications, including the *"Saturday Evening Post"* were about to publish the story. None of the Kennedys issued any statements, but Pete Salinger, the White House press agent, did. First of all, he warned:

"This is for guidance, but not for publication. The listing of Durie Malcolm's husbands is in incorrect order."

He concluded his warning with an arrogant and angry threat that *he* would promptly enter a million dollar suit against any publication that would print even one word about the story . . .

How stupid can Salinger be? Even amateur-lawyer Bobby Kennedy can tell him that only the principals, either JFK or Durie, could file a suit.

Then came their next step: Even if all the copies of the "*Blauvelt Family Geneology*" were destroyed, the file copy in the Library of Congress was bound (by law) to be available for anyone who would want to see the item. Well, according to one publication, on or about May 22 of this year, Bobby Kennedy ordered FBI agents to the Library of Congress with instructions to remove that copy from its files. That would have been a criminal act, whether committed by the order of the U. S. Attorney General or even the President. Therefore, we investigated — and found the story to be somewhat in error . . . the Kennedys had "*rigged*" the files of the Library, so as to make it appear that the book was no longer available, to wit:

Originally, the book was on file in the "*Library of Congress — Annex, Room 5009-A, Geneology Division.*" Therefore, one would expect to find the book indexed under B in that room. But after searching through not only all the Blauvelts, but the Hendricksons and Coopers (*other direct ancestors*), and not finding it, she was about to give up the search, when she was "*tipped off*" and directed to the Index Box marked "*from DR - DZ*", and there she found an Index Card marked CS71. B6476 . . . 1957. "*Durie Family and Blauvelt Family Geneology*".

The clerk at the desk, when our investigator made her request for the book, was astounded — and momentarily speechless. She finally produced the book, but would not permit it to be taken out of the room — nor would she permit any photos or photostats of any parts of the book . . . *obviously, she had been "INSTRUCTED!"*

DURIE EVADES ALL QUESTIONS

Durie has been contacted numerous times by phone by reporters and other researchers. She refused to admit or deny the marriage and divorce story. That, of course, is also the case with all the Kennedys. They apparently feel that if they can maintain silence, along with the White House enforced press control, the entire story will eventually die out.

However, I discovered a more effective approach to the lady: I found that she and her present husband have friends in the theatrical profession — particularly Hollywood Stars, Bob Mitchum

among them. I suggested to two or three such individuals that when in Palm Beach they visit with Durie and see what they could learn. Well, as one of them expressed it, she responds to all such questions with "a Mona Lisa" smile — then murmurs that famous line from the old song: "She wouldn't say 'Yes' and she couldn't say 'No'."

However, the pressure evidently became a little too much for her — she finally decided to take a vacation in Switzerland from all requests for interviews about the matter. *She will be in Switzerland for an indefinite period of time.*

And now I will submit a significant thought for the skeptics to ponder: if that item in the "Genealogy" is false, one doesn't have to be the President of the U. S. to be able to legally force the compilers of the book to retract — ditto the publishers. Just one joint official statement by JFK and Durie would do it — IF the item is false! Why haven't they done so? Instead they are employing threats and intimidations to suppress the story. WHY!

I will conclude with just one remark with which nobody can take issue — and that is: there is far too much smoke in all this without there being a lot of fire. Sooner or later, the full truth, including the times and places of both the marriage and the divorce will come out.

P.S. Is it true that Joe Kennedy's stroke was brought on by the revelation of that secret marriage and divorce? . . . Both the revelation and the stroke came virtually simultaneously.

1962 Tract No. 8 1962

KENNEDY'S DEATH TRAP FOR U. S.!!!

"END OF USA! . . . This morning the United States was formally inducted as a Province in the United Nations One World Government . . . and by order of the UN the old name was stricken and replaced by 'People's Republic of No. America'."

How would you like to see that front-paged in your newspaper? . . . Well, that is what you WILL see someday between now and 1970 — if John F. Kennedy achieves his "DISARMAMENT" plot as described in the "U. S. State Department PUBLICATION 7277," issued in September 1961:

They described that "PUBLICATION" as "FREEDOM FROM WAR" . . . But, actually, it is JOHN F. KENNEDY'S "blueprint" for the total disarmament of the United States — for the transference of ALL of our Armed Forces to the "United Nations" — for placing the U. S. into the "protective custody" of the UN . . . FOR TRANSFORMING THE U. S. INTO A UNIT OF THE INTERNATIONAL-COMMUNIST UN ONE-WORLD GOVERNMENT! !

"PUBLICATION 7277," is a blueprint of rank TREASON . . . only IMPEACHMENT OF KENNEDY will save our Country!

As described in "PUBLICATION 7277," the delivery of the U. S. to the UN is to be accomplished within nine years — in "three stages" of three-years each.

STAGE NO. 1 will be devoted to setting up a new "United Nations" Agency, to be known as the "International Disarmament Organization" (IDO). The chief functions of the IDO will be . . . A) Set up the preliminary machineries for the "Disarmament" program . . . B) Ditto for the gradual in-

100-30788-1A103

THE "UWF" PLOT

ductions of all UN members into the IDO . . . C) Blueprint the steps for gradual transference to the UN of all Nuclear armaments and all the secret processes for producing such weapons . . . D) Develop arrangements for establishment of a "UN PEACE FORCE," under the sole and absolute control of the UN. . . . E) Set up quotas of manpower each nation is to provide;

STAGE NO. 2: Provide IDO with UNLIMITED POWER 1) To ENFORCE reductions of the armaments and manpower of all (national) military forces . . . 2) To ENFORCE restrictions on production of armaments . . . 3) To ENFORCE transfer of all armaments (including Nuclear) already in existence to depots under the sole control of the UN's IDO . . .

STAGE NO. 3: Increase the "UN PEACE FORCE" to such overwhelming strength that no individual nation will have the military power to challenge UN orders and/or demands. States (nations) would retain only such armed force (police) needed to maintain internal order—all other manpower subject to conscription for "UN PEACE FORCE" only.

NOTE: Our "News-Bulletin," No. 91, entitled "WHY WE MUST IMPEACH KENNEDY," contains a complete (Verbatim) reprint of "PUBLICATION 7277." Ed.)

This TREASON plot is far more heinous than that which made BENEDICT ARNOLD a byword of infamy in American history . . . it is more heinous than the treason for which Pierre Laval and Quisling were executed . . . it is TREASON which DEMANDS Impeachments and Trials of KENNEDY and of all of his collaborators!

Bear in mind, this Treason Plot is not new — it was launched long, long ago. In 1918-19, the Master Plotters set up the "League of Nations" to be the "housing" for their "One-World" trap. It failed — because one great American patriot kept the U. S. out of the "League." The Plotters waited for World War II and in 1945 they set up the "United Nations" for that very same purpose! Here is the PROOF !!!

Early in 1947 the Master Plotters, Council On Foreign Relations (CFR), set up the "UNITED WORLD FEDERALISTS" (UWF), officered and directed by REDS and Fellow-Travellers. The "job" set for the UWF was to coerce, seduce and bribe the Legislatures of 32 States to pass "Resolutions" memorializing Congress to transform the U. S. into a unit of a Federated (UN) One-World Government. It was all to be done very hush-hush. They chose California for their first "test." In March, 1949, the California Legislature SECRETLY passed the UWF "Resolution." Within four months, 25 additional States passed similar "Resolutions" . . . all they needed was 6 more States . . . and not one Newspaper, not one Radio news-caster mentioned one word about it !!!

But in July (1949) we (C.E.G.) launched a furious campaign that exposed the plot — and FORCED the Legislature to publicly review the (UWF) "Resolution." At the conclusion of that review, the UWF was denounced as a traitorous Cabal — and the "RESOLUTION" was promptly rescinded! Within 60 days 24 other State Legislatures followed suit. That killed the UWF traitorous plot !!!

Now: except for slight variations, the verbiage in KENNEDY'S "PUBLICATION 7277" is identical with that in the rescinded UWF "Resolutions" — it is identically the same TREASON, the "variations" in verbiage being intended to (clumsily) camouflage the crux of the plot . . . But, wait you ain't heard nothin' yet!

THE UN "INVASION" MAP

As it became obvious that the UWF plot was doomed, the UN decided to set up their own techniques and machinery for the "take-over" of the U. S. As their first step, they issued what they called: "United Nations Order No. 1." It ordered a number of small cities in California, Texas and New York (Names are available) to be "captured" and

"taken-over" by our own troops — in the name and authority of the United Nations !!! This was done without the knowledge of our President (Truman)— so he said . . . of our Chiefs of Staff — so they said . . . of the Governors of the three States. Upon being questioned, the head of the Security Council of the UN said it was "Simply a Dress Rehearsal." A Dress Rehearsal for what? He refused further explanation — and Washington hushed it all up !!!

THEY NEVER GIVE UP!

With their UWF plot and "Dress Rehearsal" torpedoed, the Master Plotters had to formulate new plans. They set up what they called "The World Association of Parliamentarians For World Government," and held a "Conference" in London in 1952. That "Conference" decided that the ruling body ("World Parliament") of the One-World Government would consist only of appointed members. There would be a World Director, 8 zone directors and 51 regional directors. None of them would ever serve in their own countries. So aliens would command alien troops stationed in the U. S. to enforce World Government law — and thus prevent American troops from "sheltering behind national allegiance."

That last precaution was inspired by what happened during that UN "Dress Rehearsal": many of our troops and Commanders indignantly refused to obey that "UNITED NATIONS ORDER NO. 1" That was why the "Conference" decided that each of the world zones would be "policed" by alien troops. The map they adopted for that purpose shows that Mongolian troops (the same kind that Khrushchev rushed into Budapest in 1956) are to be stationed in Canada, Mexico and the Northern half of the U. S., with Russian and Red Chinese troops in the Southern half . . . The Map also shows that American troops, conscripted by the UN, would be transported to "police" various other nations . . . But wait — you (still) ain't heard nothin' yet !!!

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", **don't you believe it**—because the pro-Communist record of every individual named in this list is **documented** in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS

To save America from the
Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT
OF YOUR (TV)
LIVING ROOMS —
OUT OF RADIO —
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. The Hollywood Moguls frantically denied everything. That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their pocketbook! — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — even the Charlie Chaplin pictures are on the Screens again! — and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are brainwashing and poisoning your children right under your very eyes ! ! . . .

YOU can stop all that!—by shunning the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once—you can do it again!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed. Sullivan Show, in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see,

Here is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . Hit the pocketbooks of the Sponsor ! ! ! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

KENNEDY'S DEATH TRAP FOR U. S.!!!

"END OF USA! . . . This morning the United States was formally inducted as a Province in the United Nations One World Government . . . and by order of the UN the old name was stricken and replaced by 'People's Republic of No. America'."

How would you like to see that front-paged in your newspaper? . . . Well, that is what you WILL see someday between now and 1970 — if John F. Kennedy achieves his "DISARMAMENT" plot as described in the "U. S. State Department PUBLICATION 7277," issued in September 1961:

They described that "PUBLICATION" as "FREEDOM FROM WAR" . . . But, actually, it is JOHN F. KENNEDY'S "blueprint" for the total disarmament of the United States — for the transference of ALL of our Armed Forces to the "United Nations" — for placing the U. S. into the "protective custody" of the UN . . . FOR TRANSFORMING THE U. S. INTO A UNIT OF THE INTERNATIONALIST-COMMUNIST UN ONE-WORLD GOVERNMENT! !

"PUBLICATION 7277," is a blueprint of rank TREASON . . . only IMPEACHMENT OF KENNEDY will save our Country!

As described in "PUBLICATION 7277," the delivery of the U. S. to the UN is to be accomplished within nine years — in "three stages" of three years each.

STAGE NO. 1 will be devoted to setting up a new "United Nations" Agency, to be known as the "International Disarmament Organization" (IDO). The chief functions of the IDO will be . . . A) Set up the preliminary machineries for the "Disarmament" program . . . B) Ditto for the gradual in-

ductions of all UN members into the IDO . . . C) Blueprint the steps for gradual transference to the UN of all Nuclear armaments and all the secret processes for producing such weapons . . . D) Develop arrangements for establishment of a "UN PEACE FORCE," under the sole and absolute control of the UN. . . . E) Set up quotas of manpower each nation is to provide;

STAGE NO. 2: Provide IDO with UNLIMITED POWER . . . 1) To ENFORCE reductions of the armaments and manpower of all (national) military forces . . . 2) To ENFORCE restrictions on production of armaments . . . 3) To ENFORCE transfer of all armaments (including Nuclear) already in existence to depots under the sole control of the UN's IDO . . .

STAGE NO. 3: Increase the "UN PEACE FORCE" to such overwhelming strength that no individual nation will have the military power to challenge UN orders and/or demands. States (nations) would retain only such armed force (police) needed to maintain internal order—all other manpower subject to conscription for "UN PEACE FORCE" only.

NOTE: Our "News-Bulletin," No. 91, entitled "WHY WE MUST IMPEACH KENNEDY," contains a complete (verbatim) reprint of "PUBLICATION 7277." Ed.)

This TREASON plot is far more heinous than that which made BENEDICT ARNOLD a byword of infamy in American history . . . it is more heinous than the treason for which Pierre Laval and Quisling were executed . . . it is TREASON which DEMANDS Impeachments and Trials of KENNEDY and of all of his collaborators!

Bear in mind, this Treason Plot is not new — it was launched long, long ago. In 1918-19, the Master Plotters set up the "League of Nations" to be the "housing" for their "One-World" trap. It failed — because one great American patriot kept the U. S. out of the "League." The Plotters waited for World War II and in 1945 they set up the "United Nations" for that very same purpose! Here is the PROOF !!!

THE "UWF" PLOT

Early in 1947 the Master Plotters, Council On Foreign Relations (CFR), set up the "UNITED WORLD FEDERALISTS" (UWF), officered and directed by REDS and Fellow-Travelers. The "job" set for the UWF was to coerce, seduce and bribe the Legislatures of 32 States to pass "Resolutions" memorializing Congress to transform the U. S. into a unit of a Federated (UN) One-World Government. It was all to be done very hush-hush. They chose California for their first "test." In March, 1949, the California Legislature SECRETLY passed the UWF "Resolution." Within four months, 25 additional States passed similar "Resolutions" . . . all they needed was 6 more States . . . and not one Newspaper, not one Radio news-caster mentioned one word about it !!!

But in July (1949) we (C.E.G.) launched a furious campaign that exposed the plot — and FORCED the Legislature to publicly review the (UWF) "Resolution." At the conclusion of that review, the UWF was denounced as a traitorous Cabal — and the "RESOLUTION" was promptly rescinded! Within 60 days 24 other State Legislatures followed suit. That killed the UWF traitorous plot !!!

Now: except for slight variations, the verbiage in KENNEDY'S "PUBLICATION 7277" is identical with that in the rescinded UWF "Resolutions" — it is identically the same TREASON, the "variations" in verbiage being intended to (clumsily) camouflage the crux of the plot! But wait — you ain't heard nothin' yet!

THE UN "INVASION"

As it became obvious that the UWF plot was doomed, the UN decided to set up their own techniques and machinery for the "take-over" of the U. S. As their first step, they issued what they called: "United Nations Order No. 1." It ordered a number of small cities in California, Texas and New York (Names are available) to be "captured" and

"taken-over" by our own troops — in the name and authority of the United Nations !!! This was done without the knowledge of our President (Truman) — so he said . . . of our Chiefs of Staff — so they said . . . of the Governors of the three States. Upon being questioned, the head of the Security Council of the UN said it was "Simply a Dress Rehearsal." A Dress Rehearsal for what? He refused further explanation — and Washington hushed it all up !!!

THEY NEVER GIVE UP!

With their UWF plot and "Dress Rehearsal" torpedoed, the Master Plotters had to formulate new plans. They set up what they called "The World Association of Parliamentarians For World Government," and held a "Conference" in London in 1952. That "Conference" decided that the ruling body ("World Parliament") of the One-World Government would consist only of appointed members. There would be a World Director, 8 zone directors and 51 regional directors. None of them would ever serve in their own countries. So aliens would command alien troops stationed in the U. S. to enforce World Government law — and thus prevent American troops from "sheltering behind national allegiance."

That last precaution was inspired by what happened during that UN "Dress Rehearsal": many of our troops and Commanders indignantly refused to obey that "UNITED NATIONS ORDER NO. 1" That was why the "Conference" decided that each of the world zones would be "policed" by alien troops. The map they adopted for that purpose shows that Mongolian troops (the same kind that Khrushchev rushed into Budapest in 1956) are to be stationed in Canada, Mexico and the Northern half of the U. S., with Russian and Red Chinese troops in the Southern half . . . The map also shows that American troops, conscripted by the UN, would be transported to "police" various other nations . . . But wait — you (still) ain't heard nothin' yet !!!

AMMUNITION for OPERATION SURVIVAL of U.S.A.

Dear Fellow-American:

In this "SPECIAL BULLETIN" you will find the AMMUNITION and DIRECTIVES to achieve the two objectives which are imperative for the salvation of our nation:

- 1) Congressional action to get the U. S. out of the UN — and the UN out of the U. S. . . .
- 2) Congressional action for IMPEACHMENT and TRIAL of every traitor in high office in Washington.

Our Constitution decrees that any act of rendering aid and comfort to the ENEMY is TREASON. Any attempts to disarm America and/or to transform the United States into a unit of a One-World Government comes under the same heading.

In our News-Bulletins Nos. 87, 88, 90 and 91, we fully revealed the various plots and techniques employed by the "COUNCIL ON FOREIGN RELATIONS" (CFR) whereby this sinister Cabal has succeeded in making itself the SECRET GOVERNMENT of the United States . . .

We revealed that today, and ever since 1928, no man can be nominated and/or elected to the Presidency of the U. S. without FIRST getting the full approval of the CFR — that he must be a fully accredited member of the CFR — and that he is pledged to unquestioning obedience of the CFR . . . We revealed that every man appointed by the President to high office in our government must be chosen from the membership of the CFR and/or the ADA — or be approved by the CFR.

In short, in those "News-Bulletins" we have fully revealed that the CFR is the Masterminding Machinery of the INTERNATIONALIST-COMMUNIST CONSPIRACY to transform the United States into a unit of a (UN) ONE-WORLD GOVERNMENT. That is TREASON!!! And, by that token, every individual, from the President down, who is aiding and abetting this Conspiracy is a deliberate and witting TRAITOR!

OUR ONLY WAY FOR SALVATION

Our Constitution provided us with three distinct branches of government, all with equal power — each one completely autonomous.

- 1) The Executive Branch: Commonly known as "The Administration," with the President as the Chief Executive. The duties and obligations of this Branch are to administer all of the Foreign and Domestic affairs

of the nation — and to carry out all Legislation enacted by Congress.

- 2) The Legislative Branch (Congress) consists of the Senate and the House of Representatives. The chief duties of this Branch are to create any and all necessary new Laws — to guard the nation's finances — and to "watchdog" the acts of the Executive Branch.

- 3) The Judiciary Branch: U. S. Supreme Court. The chief duty of this Branch is to interpret our Constitutional Laws. It has absolutely no powers to create new Laws, or to transform any of the Laws by misinterpretations.

Throughout the life of our nation, until the early years of this century, all three Branches served America with scrupulous loyalty — and our Constitution was sacrosanct with all of them! But in 1912 the first of the tools of the Masterminds of The Great Conspiracy, Woodrow Wilson, entered the White House — and TREASON walked in with him. He committed his first betrayal in 1913 when he and a clique of disloyal Senators railroaded the FEDERAL RESERVE ACT into Law.

Our Constitution specifically reserved the coinage of our money to Congress. But, with the passage of the "Federal Reserve Act," Congress surrendered control of our entire money system to the men who compose the Hierarchy of the Internationalist-Communist (One-World) Conspiracy. That was quickly followed up by the Sixteenth Amendment (Income Tax Law), which robs every American citizen of from 20% to 90% of his (or her) earnings. In 1917, Wilson committed another of his great betrayals, when he hurled the U. S. into World War One. His next (attempted) betrayal came with his frenzied efforts to lure us into membership in the malodorous "League of Nations!" As we know, that plot was foiled by CONGRESS — it killed Wilson — and torpedoed the Democratic Party out of the White House for the next 12 years.

That debacle stopped the Conspiracy dead in its tracks. Without the U. S. entrapped in the "League of Nations" there could be no "One-World Government." But it did not stop the Masterminds of the Conspiracy. They simply had to find another way to trap us. And that was when and why they created "The Council on Foreign Relations," as described in "News-Bulletin No. 88."

Elihu Root, Teddy Roosevelt's famous Secretary of War, frequently characterized the enormous powers of the Presidency as a "battle-axe." Therefore it was only natural that control of the White House always has been, and always will be, the primary objective of the Con-

spirators. They had achieved complete control of the Democratic Party in 1912 with that objective in mind. But the Wilson debacle taught them a lesson — they realized that control of only one Party was like trying to fly a plane on one wing. Hence, the first job of the newly-created CFR was to get control of *both* Parties. They accomplished it in the late 1920s. Since then every one of our Presidents, regardless of Party labels, has been a chosen tool of the CFR . . . *only one thing will torpedo this CFR plot — and that is IMPEACHMENT of Kennedy!* That will tear the mask off the entire Conspiracy!

However, the CFR quickly discovered that even though the Presidency is a "*Battle-Axe*," the powers of that Branch of the Government had been so specifically circumscribed by our Constitution that no President could, *by himself*, accomplish the Quisling job of delivering the U. S. into (UN) One-World Government enslavement. They found that a loyal U. S. Supreme Court and/or a loyal Congress could stop a President dead in his tracks if he tried any overt act to advance the objectives of the Conspiracy — as the Supreme Court did when Franklin Roosevelt tried to seize control of our national Economy with his vicious NRA scheme — as Congress did when he tried to put over his "*Court-Packing*" scheme.

THE "POWER-GRAB" TECHNIQUE

Actually, the Masterminds of the Great Conspiracy had *early* recognized that as long as the President would remain bound down by Constitutional limitations their White House tools would be unable to render *effective* help for their one-world objective. Indeed, they realized that to be really effective the Presidency would have to be transformed into virtually a DICTATORSHIP. To accomplish that transformation all Constitutional limitations would have to be destroyed. In short: *The Constitution would have to be destroyed!* That job was assigned to the CFR in 1919.

As previously noted, there were two chief obstacles to that objective: The U. S. Supreme Court and Congress. The Roosevelt, Truman and Eisenhower appointments solved the Supreme Court problem. But Congress has been a far tougher problem for them — and it will continue to be their toughest problem for two specific reasons:

1) Traditionally, Congress has jealously guarded the rights and powers assigned to it by our Constitution. Throughout the years, *anyway until the turn of this century*, Congress stopped many Presidents dead in their tracks when they attempted to usurp Congressional powers. The best example of that Congressional power was evidenced by the rough (*indeed, brutal*) treatment they gave Woodrow Wilson and his "*League of Nations*" plot. On the other hand, it (*Congress*) has been guilty of many reprehensible surrenders to White House pressures — the *most* reprehensible one, and *which may yet prove fatal*, came with the enactment of the "*Federal Reserve Act*." There was a flimsy excuse for that: In 1907 we went through a *manufactured* recession and phony financial panic. Based on that, Wilson "*sold*" Congress the idea that we must set up a bulwark against all such "*panics*" in the future. It was an utter falsehood — *but it worked—and delivered our money system into the hands of the Conspirators!* There were other equally reprehensible surrenders; such as the 16th Amendment; the Volstead Act; failure to pass the Bricker Amendment, etc., etc., far too many for our present space, *but the most*

heinous betrayal by Congress was the commitment of the United States into the United Nations!"

2) Congress can be (*must be*) the supreme roadblock to the Great Conspiracy — it is virtually our only hope for the salvation of our Country: In round figures, there are five hundred and fifty individuals in both Houses of Congress. None of them owe their offices to the President — therefore they are not obligated to him or to his "*Masters*." All of them owe their offices to the PEOPLE — in particular, to their constituents who voted them into office. True, the "*Masterminds*" have been planting scores of obedient stooges in both Houses, but there are many loyal Americans in both Houses who offset the stooges. Aside from that, even the stooges hastily reverse themselves when their constituents tell them *in no uncertain language* that their political careers are at stake. Later I will cite some specific cases that conclusively prove that point — and clearly establish that Congress is our most potent weapon for the smashing of the entire Great Conspiracy . . . now let's go back to that "*power-grab*" technique.

The first principle of that technique is to do all the power-grabbing during and following a crisis. They based that on the ease with which they hoodwinked Congress into surrendering our money system following the phony 1907 "*panic*."

From the outset (*after the Wilson debacle*) the CFR had set their sights on Franklin D. Roosevelt for their first White House tool. Utterly unscrupulous, with no respect for truth, honesty, integrity, he was a perfect choice. In order to properly launch him, they had to wait for a great Crisis. That came in 1929 — *the Stock Market Crash*. It was a "*made-to-order*" Crisis. It was the kind of Crisis that Wilson told us could never happen once the "*Federal Reserve Act*" would be passed. I am not an expert economist, but, according to some of our foremost of such experts, that 1929 "*Crash*" was carefully planned during at least two years before it happened. It was to serve two purposes:

No. 1) In 1929 the CFR had not yet acquired control of the Republican Party — certainly not to the extent of their control of the Democratic Party. Therefore, it would be wiser to eliminate the still unsafe Republican Party — anyway, for the time being. Coming during a Republican Administration, that Party would be blamed for the "*Crash*" — and for the Depression that was to follow. *And so it was!* In 1932, no Republican, not even an Abraham Lincoln, could have been elected President. And during the 20 years that followed, the Republican Party was, to all intents and purposes, as dead as the extinct Dodo Bird. Which is what the CFR hoped — *and planned* — would happen. Only they hoped that the Republican Party would *never* come back to life — which would have made us a one-party nation . . . *and a one-party nation soon becomes a Dictatorship.*

No. 2) The Depression was intended to condition and soften (*starve*) the people to look to the President for relief. Under such conditions Congress would not dare to refuse any so-called "*relief measures*" the President would demand. Thus, the new President could easily use "*relief measures*" as the excuse for grabbing all kinds of powers distinctly assigned by our Constitution to Congress. You see, the crafty Roosevelt and the equally crafty CFR knew that Congress listens to — *and obeys* — the people . . . *if the people speak out loudly enough.* Consequently, during his first "*hundred days*" in the White House the new "*God-Man*" — "*Savior*" employed the "*relief measures*" camouflage to grab more Congressional

powers than all the preceding Presidents combined. And Congress, in the face of the then mood of the people, didn't dare to deny him anything he demanded. However, he finally overreached himself with his NRA scheme. All businessmen in the nation, big and little, roared against that scheme — and the PEOPLE clearly indicated objection to it . . . and, for the first time, Congress opposed the "great humanitarian" — and the Supreme Court declared the NRA scheme to be un-Constitutional. That uproar slowed down Roosevelt's power-grabbing. It didn't stop him — but the PEOPLE had spoken, and Congress was no longer "a rubber stamp." But then came another "great crisis": The Roosevelt-baited Japanese attack on Pearl Harbor . . . and Roosevelt went right back to his power-grabbing — this time under the camouflage of necessary "War Emergencies Acts" . . . among them was the "20% Withholding Tax Law." He "faithfully" promised that all such "War Emergencies" powers would be abdicated immediately after the war . . . HE LIED, OF COURSE!!!

Harry Truman tried to follow in Roosevelt's footsteps. Under our Constitution only Congress can declare a War . . . he flouted that Constitutional Law by hurling us into the Korean War under the subterfuge that it was a "United Nations Police Action" . . . Eisenhower continued the power-grab technique — more about him later.

Now we have the CFR-implanted John Kennedy in the White House — a perfect duplicate of Franklin Roosevelt.

Roosevelt was a brazenly unscrupulous would-be (*by grace of the CFR*) Dictator. He was guilty of an endless number of treasonous acts for any one of which he could have been — **SHOULD HAVE BEEN** — impeached. Three acts for which he should have been tried and executed, *exactly as were Quisling and Pierre Laval*, were: 1) Granting full recognition to Communist Russia *without consent of Congress*; 2) His baiting the Japanese to "sneak attack" Pearl Harbor . . . 3) His delivery of the Balkan States, Berlin and East Germany to Moscow — ditto China.

Kennedy is even more brazen and more unscrupulous than Roosevelt — *if that is possible!* He stopped at nothing to steal and usurp the Presidency (*see "News-Bulletin" No. 91*). And he is stopping at nothing to usurp all the powers assigned by our Constitution to Congress. Moreover, he is employing every means in his White House powers, including threats, intimidation, bribery and blackmail to bludgeon every member in both Houses of Congress into surrendering to his demands. Even James Reston reported in the New York Times (New York's uptown "Daily Worker"): "There is an uneasy feeling on the Hill that the Kennedys play a hard political game. This was dramatized during the steel price crisis by the use of FBI agents (and Income Tax boys), and in the Massachusetts senatorial election by the power play to put over Teddy Kennedy; again, in the savage fight over the Farm Bill, the Administration was offering post offices for votes and forcing contractors (such as Douglas Aircraft and all others holding and/or seeking government contracts) to pressure Congressmen from their districts to support the Administration."

Of course, he, too, hopes to become Dictator of the United States — and, later, of the UN One-World Government . . . *naturally, by grace of the CFR*. Moreover, he, *as planned by old Joe*, intends to plant Kennedys, male, female and in-laws, in all the important high offices in the government. We already have Bobby-Sox Bobby in the Attorney General post — Teddy is on his

way to the Senate (he hopes) — brother-in-law Sargent Shriver, already Peace Corps director, is secretly being readied to replace Fowler Hamilton as chief of AID, the over-all foreign-assistance agency. All of this is so obvious to Washington political circles that the Kennedy maladministration is no longer referred to as "*The New Frontier*," but as "*One Man's Family*."

NOTE: — Ironically, back in 1930, when Joe Kennedy was scheming to swallow the whole Film Industry, he used to revile all the Hollywood Moguls for their flagrant practice of nepotism. He was right — all those Moguls loaded their lots with brothers, sisters, sons, nephews, cousins, etc., but, boy, how Joe's nepotism "chicken" has come home to roost!

Our "News-Bulletins" No. 87, 88, 90 and 91 review all of JFK's acts for which he must be impeached — *if we are to survive as a free and sovereign nation!* His betrayal of the Cuban "Freedom-Fighters" invasion, *thus anchoring Castro in Cuba*, positively called for impeachment proceedings . . . Ditto his "muzzling" of Gen. Walker and other Brass in our Defense Department . . . Ditto his "gifts" of Jet Planes to Tito . . . Ditto the *secret* training of Communist Pilots by our Air Force . . . but his most heinous acts of treason, *for which Congress MUST impeach him*, are "Public Law 87-297," which he bludgeoned Congress into enacting on September 26, 1961 — and his "Department of State Publication 7277."

Briefly, "Public Law 87-297" is more commonly known as the "Arms Control and Disarmament Act," and its general objectives are described in our "Tract No. 8." This "Public Law 87-297" has been passed by Congress and signed by Kennedy. *It is the Law.* Get a copy of it from your Representative or Senator — read it — *it will horrify you!* . . . This Law is to be the legal launching-pad for the surrender of the U. S. to the UN, as brazenly outlined in "Publication 7277" — it clearly and bluntly proposes to transfer all of our Armed Forces, defensive and offensive, to the "United Nations" — and then place the U. S. into the "protective custody" of the UN . . . which means that the U. S. would then be a defenseless unit in a (UN) One-World Government — a "government" composed in the main of Communist and Afro-Asian "nations." Many of those "nations" are nothing more than tribes of savages, no larger in population and land area than San Diego, California — and many of them still are head-hunting and cannibal "nations!" . . . Both "Public Law 87-297" and "7277" must be rescinded *exactly as the UWF traitorous "RESOLUTION" was rescinded!*

Benedict Arnold is the most infamous name in American History. All he tried to do was deliver West Point to the British. Had he been apprehended he would have been hanged for treason. John F. Kennedy is deliberately planning to deliver the entire United States to a far more vicious and merciless ENEMY! . . . *The only way we can stop him is by IMPEACHMENT!!!*

CONGRESS IS OUR ONLY HOPE

The one thought all of us must keep uppermost in our minds — *especially at this time* — is this: The DESTINY of this COUNTRY — *whether it is to remain free or drift gradually into Socialism and One-World Communism* — will not be decided by Kennedy or by any other President. That decision will be made on Capitol Hill. Congress can hogtie Kennedy and everybody in his entourage . . . Congress controls the purse strings — it can STARVE the "ONE MAN'S FAMILY" phony Welfare State. Everything Kennedy requests (DEMANDS)

is subject to scrutiny and veto by Congress . . he can propose — *but Congress has sole power to dispose . . and YOU can decide how your Representative and Senators will "dispose."* They will do what the PEOPLE want them to do . . because the PEOPLE elect them to do THEIR bidding, not the bidding of the CFR stooges in the White House . . and every Senator and Representative is extremely sensitive to the reactions of his constituents . . he *MUST* be, if he hopes to hold his office!!! All Congressmen will do what their VOTERS tell them to do — *but they must be told in no uncertain language!* For concrete proof of that statement, I will cite several well-remembered incidents:

1) During Roosevelt's first months in the White House Congress "*rubber-stamped*" his every demand — because the PEOPLE made it clear that this was what they wanted . . but when he tried to put over his NRA plot and Court-Packing scheme the PEOPLE loudly shouted NO! — *and Congress obeyed!*

2) In March 1949 the infamous "UNITED WORLD FEDERALISTS," a CFR FRONT, coerced and bribed the California Legislature into SECRETLY approving and passing their traitorous "RESOLUTION" to memorialize Congress to transform the United States into a unit of a (UN) One-World Government. They poured "*tons of money*" (Sen. Tenney's expression) into Sacramento to accomplish it — *and not one newspaper, not one Radio reporter mentioned a single word about it!* But, in July (1949) we (CEG) discovered the plot. We promptly launched a (News-Bulletin and Tract) campaign to alert the PEOPLE of California. Immediately they began to pour signed "*Tracts*" and letters to their Assemblymen and Senators. Again, the UWF frantically poured "*tons of money*" to their paymaster (Artie Samish) in Sacramento — but the VOICE OF THE PEOPLE prevailed. In March 1950, despite frantic opposition of various Samish-controlled Senators and Assemblymen, that "RESOLUTION" was hauled out for "*review*" . . it was denounced as TREASON — and rescinded . . and the UWF was proclaimed subversive and traitorous. Within three months, the same procedure was followed by 24 other states whose Legislatures had been similarly seduced . . and in November of that year, *many of the unregenerate Legislators who fought against the rescission were torpedoed out of public life — by their constituents!*

NOTE: That UWF "RESOLUTION," except for slight variations in verbiage, was identically the same plot to surrender the U. S. to the UN that Kennedy proposes in his "Department of State Publication 7277," as published verbatim in "News-Bulletin" No. 91.

3) When Eisenhower was elected to the Presidency, virtually ALL loyal Americans heaved a sigh of relief, and said: "*Now we don't have to do any more fighting — the great MILITARY GENIUS will solve all our problems.*" His phony grin and counterfeit geniality had mesmerized them. But, as we now know, he was a fraud, a sham and a delusion — he was exactly the same kind of a CFR stooge as was Roosevelt. But for a long time Congress "*rubber-stamped*" for him the same as it had for Roosevelt — *because the PEOPLE wanted it that way.* But, in 1959, he completely unmasked himself with a perfervid plea to the Senate to repeal the "*Connally Amendment*" . . and, by using "*Federal Patronage*" as a club, he seduced a majority of the Senators to pledge themselves to vote for the repeal. We (CEG) immediately launched the same kind of "*crusade*" that had torpedoed the UWF's treasonous "RESOLUTION." With-

in weeks, thousands of our "*World Court*" Tracts, properly signed, poured into the office of every Senator in Washington. Many of them were accompanied by irate letters — some of those VOTERS' letters warned . . "*if you will vote for the repeal you'd better not come back here!*" A couple of days before the Bill was to have been submitted for the vote, the panic-stricken (*pledged*) Senators stampeded into Fulbright's office (*and the White House*) and warned that they would vote AGAINST the repeal . . The Bill was promptly withdrawn!

Do you need any more proof that Congress will listen to YOU — if you speak loudly enough?

OUR IMMEDIATE "MUST" JOBS

Our first most important MUST job is to "*clean house*" in both Houses of Congress. We MUST accomplish that in time for the next November election. We must make our next Congress our Rock of Gibraltar — *because, at this time, Congress is our only hope for the salvation of our Nation!*

Mind you, we have many loyal Americans in both Houses, such as, to name just a few, Senators Mundt, Thurmond, Russell, Goldwater, Eastland, Hickenlooper, etc., and Representatives Utt, Lipscomb, Rousselot, Hiestand, Halleck, Alger, Dorn, etc. They are the STALWARTS we can count on without any urgings — *but they must be INFORMED of our most pressing objectives.*

There are a number of men in both Houses who are so far to the Left that from them we can expect only betrayals — among them are such as Jake Javitz, Wayne Morse, Hubert Humphrey, Fulbright, Emmanuel Celler, James Roosevelt, etc. . . *but they, too, should be TOLD of the action they are to expect.*

Now, in between those two categories, we have many Senators and Representatives who have been voting "*the easiest way.*" Some have been succumbing to threats, others to "*Federal Patronage*" bribes, etc., etc. The reason they vote that "*easiest way*" is because they assume that their constituents (*voters*) will never know about it. Well, they won't have that "*protection*" any longer — on the last page of this publication you will find their voting records. All of these men must now be told — *in no uncertain language* — that their political careers will be the price for such votings in the future . . *exactly as it was the price paid by those California Legislators who persisted in supporting the UWF's treasonous "RESOLUTION" in 1950! Tell it to them in personal letters enclosed with your signed "TRACTS" for impeachments and for withdrawal of the U. S. from the UN — and DEMAND an answer NOW — before you vote in November!*

Following are the most vital objectives for which we MUST have action by Congress — *beginning right now!*

No. 1) The UN is the crux of the entire GREAT CONSPIRACY. It is the HOUSING for the One-World Government. Congress can torpedo the entire Conspiracy by a thorough investigation of the UN — exactly as we (CEG) forced the California Legislature to "*Review*" the UWF "RESOLUTION" in 1950 . . For that purpose, send signed copies of our UN Tract No. 1 and UN Tract No. 2 to your Senators and your Representatives. UN Tract No. 1 reveals, *with documentary proof*, the

entire UN plot — how they betrayed us *and murdered our boys* in the Korean War . . . UN Tract No. 2 verifies it — and quotes *verbatim* from Trygvie Lee's book the proof of the secret agreement between Alger Hiss and Molotov whereby a RUSSIAN RED would *always* be the Chief of the UN Military Secretariat. These two "Tracts" should be sent as a unit. In addition, DEMAND that they support Congressman James B. Utt's Bill H. R. 9567, which requires Congress to rescind and revoke membership of the U. S. in the UN and the Specialized Agencies thereof and to repeal the Immunities Act relative thereto . . . *and please send copies of the Tracts and letters to Mr. Utt, so that he will know of your support.*

No. 2) We MUST have the House of Representatives initiate impeachment proceedings against John F. Kennedy, to be tried by the Senate. For that objective, we have issued "Tract No. 8". Send signed copies to your Senators and Representative — *and STRESS in your accompanying letter that this DEMAND is in accordance with the right and privilege granted to the PEOPLE by our Constitution!*

No. 3) UNESCO is the most horrifying plot of *all!* It is designed to get complete control of our Educational system — and thus brainwash our YOUTH. That entire plot is fully revealed in our "News-Bulletin No. 86" — and in a companion "Tract." Although UNESCO is a direct Agency of the UN, the Conspirators have plans to get TREATY status for it, and thus keep it alive even if we pull the U. S. out of the UN. Send *signed* copies of the UNESCO "Tract" to your Senators, to your Representative, and to Mr. Utt . . . You might also STRESS that on July 16 of this year, at their annual meeting in Paris, UNESCO secretly admitted RED CHINA to full UNESCO membership — thus opening the door to recognition and membership in the UN!

No. 4) We MUST restore the dignity, the respect and the INTEGRITY of the U. S. Supreme Court. There is only one way to accomplish that: We must launch a new, *massive* campaign for Congressional action to impeach Warren and all the other Justices who participated in all the brazenly traitorous pro-Communist "Decisions." We must flood all members of both Houses with "Tract" SCJ No. 1 ("WANTED — EARL WARREN — FOR IMPEACHMENT"). This "Tract" tells the full story of his treason — it can't be disputed! . . . *Signed "Tracts"* from *their constituents* will force Congress to take action.

No. 5) In 1960 we torpedoed the Eisenhower-Nixon plot to force repeal of the "Connally Amendment." But the danger remains — *Kennedy is pledged to try it again!* We must flood every Senator with signed "World Court" Tracts — *to warn them of that grave danger!*

No. 6) We must issue the same warning about any Kennedy attempts to railroad the UN's vicious "GENOCIDE" plot into TREATY status . . . use our "GENOCIDE TREATY PLOT" Tracts for this objective.

NOTE: — Letters to Senators must be addressed to: "Senate Office Building, Washington, D. C." . . . to Representatives: "House Office Building, Washington, D. C."

WE NEED MORE "SOLDIERS"

Fellow-American, the success of *any one* of the above objectives can — *and will* — lead to the smashing of the entire Conspiracy. Do you think that is worth fighting for? *Of course you do!*

Well, what we need, *must have*, is more *fighting-members* in EVERY community in order to "*get the story to the people.*" So, I now appeal to you to get us (CEG) as many new members as you can — *in your community!* Twenty, even ten, such additional members will fully alert your entire community — and start the kind of an avalanche of letters that will FORCE Congress to take the kind of action that will smash the entire Conspiracy. Just the start of impeachment proceedings against Kennedy and/or Warren will do it — it will smash the CFR — it will torpedo the UN . . . We must start the action IMMEDIATELY! Between now and November all the members of Congress will come to their constituents and plead for re-election. Well, we must tell them NOW on what conditions we will vote for them!

VITAL! Please help us to get this message into circulation throughout the nation — *and get the campaign under way!* Also get your friends and neighbors to send to us for "News-Bulletins" Nos. 87, 88, 90 and 91. I am positive that any loyal American who will read those "News-Bulletins" will immediately jump into the fight.

ANOTHER WAY YOU CAN HELP

To get this project into QUICK action we must contact all the patriots throughout the nation (including non-members of CEG) who co-operated with some of our other projects. That means approximately 30,000 individuals, plus heads of all patriotic groups, American Legion and VFW Posts, DAR Chapters, etc. We are mailing this "Special Bulletin" to 15,000 of these carefully picked patriots, but we do not have the finances to cover the other 15,000. If you approve of our objective, please finance a few such letters for us. One dollar will finance 8 letters — ten dollars will finance 80 letters — one hundred dollars will finance 800 letters. Also, you may have friends and neighbors you'd like to "alert," but can't spare the time to do it — or you may prefer to be anonymous — send us the list and the financing and we will be very glad to do it for you.

PLEASE SEND US YOUR 1962 DUES

As I have always told you, we depend upon our membership dues to defray all of our operational activities. We get no financial help from Foundations — we are too patriotic for them. Now we have this tremendous, *and tremendously vital*, job to do. It will require an enormous amount of printing, labor, postage — but I am sure you agree that it is a MUST job. So I now repeat my previous request: Please endeavor to enlist some of your friends to become CEG members. The dues are only \$12.00 a year — surely, the salvation of our glorious country is worth \$12.00 to all loyal Americans . . . also, if you have not yet sent in your dues for 1962, please do it now — TODAY . . . we need it NOW to cover the tremendous mailing to launch this project to smash the CONSPIRACY — every extra dollar we will receive will enable us to do just that much more. PLEASE DO IT TODAY!

Yours for God and Country,

Myron E. Fagan

All our "News-Bulletins" are 50 cents per copy — 25 cents to CEG members . . . our Tracts are \$2.00 for 100 copies.

Additional copies of this "Special Bulletin" can be had for 15c a single copy — or 10c per copy in quantities. This "Special Bulletin" can help you to interest your friends in our objective.

JUDGE THEM BY THEIR DEEDS

Following are the voting records, percentage-wise, of all members of both Houses of Congress. The records are based on how they voted for or against the most import-

ant Bills submitted during the 1961 - 62 sessions. In compiling these records, we concentrated on the Bills that were intended to serve the ADA - CFR objectives . . . We are not interested in Party Labels, Democratic or Republican — only how they voted!

KEY to SYMBOLS for HOUSE and SENATE votes.
PLUS (+) indicates votes AGAINST CFR - ADA
"Liberal" policies . . . MINUS (—) indicates FOR
CFR - ADA "Liberal" policies.

The number preceding Representative's name indicates his District — AL indicates the Representative has no specific District but was elected "at large".

GOVERNMENT**

No. 90

"CFR" IS OUR INVISIBLE GOVERNMENT

In this issue we pick up where we left off in our "News-Bulletin," No. 88, issued in February, 1962.

In that issue we provided a comprehensive picture of the background of the "Council on Foreign Relations." We clearly established that this sinister outfit is the special Cabal set up by the Masterminds of the Internationalists-Communist Conspiracy to manipulate the political machinery that operates the "Invisible Government." We depicted the methods the CFR employ to control the nominations, *by both Parties*, of all the candidates for the Presidency and Vice Presidency — how they appoint all members of the Cabinets, the Secretaries, Assistant Secretaries, Under Secretaries, heads of all of our Federal Agencies — and how they infiltrate their tools into both Houses of Congress.

One of the amazing features about this Machiavellian Cabal is that although it has been functioning since World War One the vast majority of the American people have been totally unaware of its existence. Even today, despite all of the recent publicity, very few people are *consciously* aware of its existence — and most of those few are only vaguely aware of its objectives.

But perhaps the most amazing feature of the CFR's methods is that they are so incredibly simple, yet, so frighteningly successful, that all important decisions of the White House, the State Department, the CIA, the Pentagon, *all* Federal Agencies are DICTATED by the CFR — equally amazing is the fact that only a few, *a very few*, of even our most astute political analysts are aware of it.

All that is due to just one thing: *the rigid self-effacement the outfit has successfully maintained through all the years!* It was set up to do just one job: create a pool of the "tools" necessary to man the "Invisible Government" — to "condition" every individual in that "pool" into a complete acceptance of "*ours not to reason why, ours but to do or die*" as his creed . . . and to accomplish that so quietly that nobody outside of the Hierarchy would be aware of it. They (the CFR) developed a perfect technique to accomplish it; to wit:

As established in "News-Bulletin" No. 88, when the CFR was organized it was, *to all outward appearances*, nothing more nor less than an exclusive "Club," with a limited membership of 1,000 carefully selected men. Five hundred of that original thousand were so-called "resident members," meaning that they were "officially," *(but not necessarily)* "resident" within 50 miles of the CFR headquarters in New York. The other 500 were those whose professions

and businesses required them to live in other parts of the country—and *they* were known as “non-resident members.” During the years that followed they (the CFR) found it necessary, or desirable, to increase the membership to 1,500, their present full membership. But, significantly, the percentages of “resident” and “non-resident” members have always been kept the same: half “resident” — half “non-resident.” Following is the reason for it:

The original block of 500 “resident” members was composed of the Top Brass of the “*Internationalists-Communist (One-World) Conspiracy*” (ICC), such as Baruch, Lehman, the Warburgs, Schiffs, Rockefellers, etc., and their most-trusted Lieutenants. In other words, the principal “resident” members are the “*Hierarchy*” of both CFR and ICC, plus their working staffs — *they* formulate all strategies and make all the decisions. Also, all individuals proposed for “non-resident” membership must be approved and passed by the Executives (*the Hierarchy*) in the “Resident” group.

The 500 “non-resident” (now approximately 750) members have no voice in the deliberations of the “resident” group — they have no voice in the decisions. Actually, in the main, they compose the “pool” from which the “Masterminds” (*Hierarchy*) choose their “tools” for the various high offices in their “invisible government” in Washington. But, pending such assignments, the “non-resident” members perform another very vital chore for the CFR, to wit:

• Every year there are newcomers in the political fields all over the country. It is vitally important for the CFR to know all about such newcomers. The “non-resident” members, strategically located in all communities, serve as the observers, or “talent scouts” for the CFR. They compile dossiers on all political newcomers in their communities — particularly on those who show promise of becoming Presidential timber, or who exhibit talents for various official spots in Federal Government Agencies. Every dossier scrupulously lists the strengths and weaknesses, the ambitions and the susceptibilities of the “newcomer” it covers. After careful appraisal by the CFR membership committee (*the Hierarchy*), the most promising of the newcomers are “invited” to “non-resident” membership — but the “invitation” always carries with it an “or else” ultimatum . . . the “or else” meaning: “yours not to reason why, yours but to obey or die.” . . . the “die” meaning political oblivion. We have seen how it worked with Richard Nixon.

Now, one may well wonder how such a small group of men can intimidate and enslave men of great political stature . . . one also may wonder how this small group can control the thinking of the vast majority of the American people to such a degree that CFR

displeasure can mean political death for topmost political figures — as it did (*to all intents and purposes*) for Bob Taft, for Bill Jenner, for Joe McCarthy, for Bill Knowland, for Martin Dies, for many others. Well, just a glance at the names of the CFR members quickly reveals the sources of its powers.

✓ small newspapers and magazines in California, and publisher of Trade magazines . . . Arthur Hayes Sulzberger, Publisher, New York Times . . . C. L. Sulzberger (Syndicated), Editorial Writer, New York Times . . .

There are many more CFR members and stooges in our Mass Communications Media, such as the Eric Sevareids, the Alsops, Howard K. Smiths, Herbert Matthews, Chet Huntleys, Brinkleys, etc., etc. — far too many to be named in our limited space. However, it is important to mention that insofar as the Press is concerned every one of our Wire Services (*AP, UPI, etc.*) is LOADED with CFR members and stooges. As for "*Hollywood*," I stressed on many occasions that every Major Lot and Distributing organization in the Film Industry is *absolutely* controlled by the Lehman-Warburg-Goldman-Sachs clique of Internationalist Bankers (*the Hierarchy of the ICC-CFR*)—also that ALL National TV and Radio Networks are similarly controlled by this same clique.

Thus you can readily understand how and why the American people have been (*and are being*) deceived, deluded and brainwashed ever since CFR came into being . . . you can see why every political opportunist, ranging from the FDRs, Eisenhowers, Kennedys, Nixons, down to the precinct levels, zealously fulfills the dictates of the Masterminds (CFR) of the Great Conspiracy. Thus you can see that our only hope for the salvation of our Country lies in our Congress — but it MUST be a Congress that is LOYAL to the American people and our Constitution — a Congress that will not hesitate to put on trial, *via impeachment proceedings*, all the top betrayers, whether they be Eisenhowers, Earl Warrens, or Kennedys . . . *but we will only get such a Congress if a fully AWAKENED American people will rigidly SCREEN every man they send to Washington!*

And now, for the benefit of the still doubting ones, I must again STRESS that (*anyway, until now*) virtually 99 percent of the American people are not even aware of the existence of the "*Council on Foreign Relations*." Even more important, insofar as the infinitesimal fraction of the people who are aware of its existence are concerned, the CFR is a non-partisan, non-political, public-spirited organization (*Club*), set up to render a public service for the American people — and to advise and guide our government in its Foreign Relations policies. In short, *on the surface*, it is a purely benevolent outfit. And, until now, it has successfully kept its true nature completely camouflaged.

But, of course, there was (*and is*) a lot of educational (*dirty*) work to be done to "*condition*" the American people to accept the CFR's "*benevolent guidance*" in our Foreign affairs . . . ditto to "*educate*"

the people to accept the "UNITED NATIONS" (*the housing for the One-World Government*) as the world's only hope for everlasting PEACE . . . ditto to "brainwash" all American parents into accepting UNESCO as the overlord of our Educational Systems. There were (*and still are*) many similar "educational" processes necessary to delude and lure the American people into accepting the planned "One-World" enslavement. The CFR could not *directly* engage in any of those processes without a grave risk of losing its "hush-hush" umbrella. Therefore, the "Masterminds" set up separate and distinct "Fronts" for each of the various "educational processes." All the "Fronts" are, *on the surface*, completely independent of each other. And, of course, the CFR blandly denies all connections and/or affiliations with any of them. Thus the Masterminds hoped (*still hope*) that when and if any one of the "Fronts" is unmasked, *as, for example, UNESCO has been unmasked*, the dirty work of that "Front" could not be traced to the CFR.

Thus, the unmasking of the "Council on Foreign Relations" would not be complete without a thorough exploration of its various "Fronts."

"FRONTS" ARE THE HEADS OF THE "HYDRA"

Perhaps the most vicious and dangerous of these "Fronts" is the one that operates under the name of "THE FOREIGN POLICY ASSOCIATION" (FPA), formerly known as the "League of Free Nations Association."

As a matter of record, the FPA was founded in 1921, and incorporated under the laws of the State of New York in November, 1928. But, actually, it stems from a meeting of writers and educators at Columbia University, New York City, in April, 1918.

The chief key figures at that meeting, to name just a few, were Heywood Brown, Walter Lippman, Quentin Reynolds, Jack London, Nicholas Murray Butler, then head of Columbia, Dr. George Counts and John Dewey. The *proclaimed* reason for the meeting was to determine what role the United States would play in world affairs after World War One. But the real objective was an organized campaign to replace "*readin' and writin' and rithmetic*" in our schools with the "*progressive education*" scheme — which was to be the springboard for the UNESCO take-over of our educational systems.

NOTE: The entire horrifying UNESCO plot is revealed in our "News-Bulletin," No. 86, entitled: "UNESCO: NO. 1 ENEMY of AMERICAN YOUTH." Ed.

Of course, that "Progressive Education — UNESCO" scheme was predicated on the expectation of a successful launching of the "League of Nations" — which, at the time of that first (1918) meeting, was considered "in the bag." But when the American people repudiated the "League," the Masterminds of the Conspiracy found they'd have to revise the entire plot — start from scratch all over again, as it were.

Their first step was the setting up of the "Council on Foreign Relations," which, to all intents and purposes, has since become the active "INVISIBLE GOVERNMENT" of the United States . . . the second step was the "Foreign Policy Association."

As we know, the *on the surface* function of the CFR was to "advise and guide" our government in its Foreign Relations policies. The function of the FPA was to organize and operate the "brain-washing" machinery that was to keep the American people unaware of the plottings that were to gradually transform the United States into an enslaved unit of an Internationalist-Communist One-World Government.

Unlike the CFR, the FPA never attempted to operate as a "hush-hush" organization. On the theory that a daring offense makes a perfect defense, the FPA boldly proclaimed its (*supposed*) objective, to wit: The FPA came into existence more than 40 years ago, at a time when we had no radio or TV to serve as mass communications media, and when (*so FPA contended*) our Press paid very little attention to world affairs. Hence, the founders of FPA proclaimed that there was need for an organization which would specialize in the study of world affairs and American foreign policy, and which would make the "carefully analyzed" information available to the American people through lectures and printed publications.

According to its brochures, the FPA is a non-profit organization (*financed by various FOUNDATIONS*) set up to carry on research and educational activities to aid in the understanding and constructive development of American foreign policy. Its By-Laws more specifically "explain" the purposes of the organization, to wit:

"To promote community organizations for world education . . . to provide assistance to local organizations through a national serv-

"ice center . . . to advance public understanding of foreign policy problems through national programs and publications of a non-partisan character, based upon the principles of freedom, justice — and DEMOCRACY." The By-Laws further specifically stipulate that the organization would merely assemble and disseminate FACTS, while remaining neutral in matters of controversial nature — and would at all times carefully refrain from operating as a "pressure group" in any way.

So far, all that sounds very good . . . but a more careful analysis reveals that the main purpose of the FPA is to "prevent 'imperialism' and 'nationalism' from sweeping America and the world" . . . and that tells the REAL story !!!

Immediately after FPA became a "going concern" it launched its "GREAT DECISIONS" so-called "educational" project . . . the "education" in the "GREAT DECISIONS" subtly advocates Internationalism, One-Worldism, and all that goes with that philosophy.

Simultaneously, they began to set up FPA branches in various cities and communities throughout the nation. As far back as 1954 they had set up 600 College International Relations Clubs. This, in addition to FPA chapters, or Branches, in more than 1,000 communities.

In the mid-1950s the FPA enlarged and transformed many of the "branches" in the larger communities into what they called "World Affairs Centers." The enlargements were accomplished through mergers of the FPA "branches" with other groups working in the same direction on matters of foreign policy, research and promotion, the FPA providing the "research" material and lectures, and generally serving as the "brains" of the new organizations.

Among the groups that thus became closely affiliated with the "World Affairs Centers" were the "American Association For The United Nations," the "United World Federalists," UNESCO, "SANE" and similar groups working toward ultimate One-World government through the UNITED NATIONS! Thus today, with the FPA masterminding their activities, the "World Affairs Centers" are actively promoting such treasonous projects as, "United Nations Week," UNICEF greeting (Christmas) card sales and Halloween "Trick or Treat" collections, etc., etc. They also function as pressure groups for "Foreign Aid," Summit Meetings, Cultural Exchange, "Ban The Nuclear Tests" and Desegregation campaigns, etc., etc. They also serve as the "welcoming committees" and hosts for the visiting Kremlin "dignitaries" such as Mikoyan, Koslov, Khrushchev, etc. All of us can surely remember how they rolled out the red carpets for all those Red Butchers.

One of the FPA's most important activities is the setting-up of their "GREAT DECISIONS" programs on TV and otherwise, under the auspices of the various "World Affairs Centers," also local "GREAT DECISIONS workshops" and "group discussions," "World Affairs" luncheons and Church "study groups," as well as "study groups" in P-TAs, Women's Clubs and other civic organizations. In addition, they sponsor adult "evening classes" for foreign study and/or "family evenings" which include "suppers," entertainment, and dances for fund raising purposes, etc., despite the fact that they get all the financing they need from the tax-free Foundations.

Here I wish to *stress* one point: There are many well-meaning, *but naive*, civic and religious groups and good-intentioned individuals joining in the activities of the FPA and "World Affairs Centers." For the most part these groups and individuals are not aware of the past records of the leaders, nor of the authors of text books and published material prescribed for the "GREAT DECISIONS" programs, but are deluded into lending their names to all those organizations by assurances that all of the objectives are "humanitarian." That is the technique all Red Fronts have always employed to provide their organizations with "respectability." Tragically for our country, that technique is quite successful, and there are many otherwise loyal Americans actively participating in these treasonous activities — or, at least, lending their names to them.

In the past that has brought considerable unhappiness for such collaborators, both the unwitting and the witting ones. When the "Front" becomes exposed, the collaborators become branded by the same expose. They immediately scream to high Heaven that they were "innocent dupes" — *that was the alibi of all the Hollywood Reds after they were caught in the "dragnet."* But careful checking revealed that the percentage of truly "innocent dupes" in the Hollywood Red Fronts was almost nil. However, the percentages of duped ones in such organizations as "American Assn. for the United Nations," the UWF, the "Christian and Jewish Brotherhood" are considerable. But they have nobody but themselves to blame — all loyal Americans should carefully check the nature of the organizations they are solicited to support.

Now let's go to the FPA official publications. The FPA issues three basic publications. They are titled: "Intercom" . . . "Headline Series" . . . "Foreign Policy Bulletin." The "Intercom" is a monthly pamphlet, published nine times per year and serves basically as a so-called information service on world affairs, materials, speakers, programs, etc. The "Headline Series" is issued six times a year and is a booklet on key foreign policy issues and subjects. The "Foreign Policy Bulletin" is published semi-monthly and "analyzes" foreign

affairs and current issues in the news. Of the three publications, none is more viciously potent than the "*Foreign Policy Bulletin*" in anesthetizing the public conscience and consciousness to the evil and danger of Communism . . . it constantly "*brainwashes*" the American people into accepting *Recognition of Red China* — and *One-World Government through the UNITED NATIONS!*

Now let's take a look at the guiding genius of the FPA's "*research department*," the source of all the material in the "GREAT DECISIONS" and all the propaganda spewed by the "*World Affairs Centers*" and their affiliated "*Fronts*."

Her name is Vera Micheles Dean. She is Russian-born, and she has been the "*guiding genius*" of the FPA ever since 1928. Employing a lot of complicated pseudo-intellectual phraseology, she has done a great deal of writing and has also given innumerable "*lectures*." Frequently, *alerted* Americans in her audience break into her lectures with vehement protests against her insertions of sly pro-Communist propaganda in solid chunks of otherwise palatable and non-objectionable statements . . . the same thing has happened in her lectures before University students.

Nevertheless, this Dean female is a fiendishly clever woman. She has a truly remarkable technique for putting her "*messages*" across. It is best described by one magazine editor, who is on the FPA mailing list:

"This woman sugar-coats all her '*messages*' very neatly," said this Editor. "Every Soviet atrocity, every Communist act of utterly indefensible aggression, subversion, or terror is neatly played down, philosophized away in double talk, and finally equated with non-analogous alleged moral lapses on the part of the United States in the past, even if she has to go back a hundred years to find a matching example."

An article in the November, 1946, issue of "*Plain Talk*" summed up her baleful influence as follows:

"Under the present leadership of Vera Micheles Dean, the FPA's Research Department is a factory for propaganda to appease the Soviet Union and to apologize and provide valid reasons for its expansion in all directions. The Department's output reveals the double standard of political judgment that is the mark of fellow travelism at its most effective level."

In her latest book, "*Building of Emerging Nations*," she cites Castro, Khrushchev, Mao Tse-tung, Tito, Kwame Nkruma, Nasser, Nehru and Sukarno as the greatest and most humane of all the "*builders*." She lavished lyrical praise upon Tito, emphasizing that he "*played a major role*" in building the so-called "*third force* of

uncommitted nations" . . . but nowhere does that book report Tito's support of all major foreign policies of the Soviet bloc, including votes in the "United Nations" for Castro . . . All that only scratches the surface of the Dean woman's crafty propaganda for Communism and One-Worldism.

In the "Foreign Policy Bulletin," La Dean shrilly and continuously spouts an FPA policy that hews closely to the Moscow line, to wit: Russia is the moral and ethical equal of the United States; Russia has surpassed the United States in military power and can destroy us; salvation of the world depends on increased U. S. foreign aid, which (naturally) MUST be funnelled through the UNITED NATIONS; Communism is merely a phase of the 20th Century 'industrial evolution' and is bound to disappear; West Germany must be disarmed; anti-Communist dictators must be deposed; Red China must be admitted to the UNITED NATIONS and recognized by the U. S., etc., etc. By contrast, the FPA publications seldom mention any of the Communist atrocities — but when they do, they provide some form of pious justification for them.

The editorial staffs and regular contributors of the FPA publications are composed of such notorious pro-Communists and One-Worlders as Arthur Schlesinger, Chester Bowles, James P. Warburg, Joseph Harsch, Herbert Matthews, Edwin Reischauer (*now Ambassador to Japan*), Henry Steel Commager, Ernest Gross, John K. Fairbank, Cyrus Eaton, etc., etc.

This phase of our story would not be complete without a few words about the Dean woman's background. As previously noted, she is Russian-born. She denies that she is, or ever was, a member of the Communist Party — *as if that in itself is important*, because by all her words and deeds she is as dedicated to Communism as Castro. The "House Committee on Un-American Activities" (HUAC) has documented her long record of subversive affiliations and activities, and the Communist Fronts to which she belonged are posted on the U. S. Attorney General's lists. Also, she was one of the guiding spirits in the setting up of "The Congress of American Women," a Communist Front so rampant that HUAC devoted a 114-page book to it . . . *and this is the woman who is the Editorial mastermind of all the FPA publications !!!*

AMERICAN ASS'N. FOR THE UNITED NATIONS

For a number of years, from early in 1945 to 1950, this outfit (AAUN) was unquestionably the most dangerous and most ef-

fective of all the CFR-FPA "Fronts." During those years it also had an aura of respectability never achieved by any other of the "Fronts." It sucked in, as members and financial supporters, MANY of our finest people. Of course, that was the period in which the UN was generally accepted as a Holy of Holies.

The AAUN came into being simultaneously with the ill-omened birth of the UN itself. The founder, and still head, was one Clark Eichelberger, one of the CFR's most highly prized members (*natch!*) and a smooth and sanctimonious One-World "humanitarian."

Employing the technique that served the FPA so well, the AAUN immediately launched a campaign to set up AAUN branches, or chapters, all over the country. Within a year there was a flourishing AAUN chapter in every community, large and small, in the United States. And, still employing the same technique, they set up "Study Groups" in Women's Clubs, P-TAs, Civic groups of all types — they held Seminars — they provided Speakers for all occasions, etc., etc.

Naturally, they had the full co-operation of all the FPA and other CFR Fronts. In many cases, the Directorates of the FPA Branches and the AAUN Chapters were interlocked. Also naturally, the AAUN co-operated with all the other CFR "Fronts" — and that was what finally unmasked them, to wit:

In 1949, we (CEG) launched a campaign to force the California Legislature to rescind the "United World Federalists" (UWF) treasonous "Resolution" (*more about this later*). The UWF fought back frenziedly — they launched viciously vituperative attacks on me, on CEG, on then Senator Jack B. Tenney, on everybody who worked for the rescission. All of the various CFR and FPA "Fronts" came rushing to the support of the UWF — but none so frantically as the AAUN. The Los Angeles "Chapter" led all the others. I promptly began a research of the backgrounds of the officers of that "Chapter." That research developed that the President of the Los Angeles Chapter, Mary Workman, and various officers, were members of the Communist Party and/or various Hollywood Red Fronts. I confronted them with my (*documentary*) evidence at one of their Seminars (*on behalf of UWF*) at the Santa Monica Women's Club.

Naturally, it startled the audience. It stunned the charged AAUN officers — they had no defense. Within twenty-four hours those officers "resigned" — and the Chapter elected a new set of officers. That story spread to all parts of the nation. It definitely established the pro-Communist complexion of the AAUN.

Before I conclude this phase, I wish to alert you to one other crafty "gimmick" (the POLL racket) the CFR has been employing with amazing effectiveness to delude the people:

During the past 30 odd years the American people have been "conditioned" to accept the "Gallup Poll" as an infallible barometer of all moods and trends in our nation. During national election campaigns, the Gallup Poll "informs" us which candidate is in greatest favor with the voters — frequently, it functions similarly on behalf of CFR-favored gubernatorial and Congressional aspirants. After the UN was exposed as our betrayer in the Korean War, the Gallup Poll rushed to the rescue (of the UN) with a "poll" which "informed" us that the vast majority of the American people just LOVE the UN — when the UN's Katanga atrocities were unmasked, a Gallup Poll "informed" us that a vast percentage of our people have supreme faith in the UN as the *only* instrument to maintain PEACE in the world . . . during the Eisenhower Administration, after every one of his disastrous (so-called) "mistakes," a Gallup Poll came forth to "inform" us of the vast popularity of that phony "Military Genius" . . . today, despite the murderous (and deliberate) betrayal of the Cuban invaders; despite his vicious arrogance in the Steel crisis; despite the naked evidence of his ruthless grabbing for powers never intended by our Constitution for any Chief Executive, the Gallup Poll constantly "informs" us of the vastly growing popularity of would-be Dictator Kennedy.

That is how the Gallup Poll "reports" on every individual and every objective favored by the CFR. But let the subject be a Joe McCarthy, a John Birch Society, a General Walker, or any loyal ("Extremist") American, and the Gallup Poll "percentages" promptly go into reverse.

A natural question arises: why? The answer is very simple — and significant: George Gallup, sole owner of the "GALLUP POLL," and President of the "National Municipal League," is one of the "Council on Foreign Relations" choicest Members ! ! !

Now, the important question is: how does the "Gallup Poll" arrive at its "percentages?" The answer is very simple.

For a national poll the Gallup "reporters" interview approximately 1,000 people across the nation. And *that* is the most ridiculous feature of the whole "Poll" game — I am sure that no clear-thinking person could believe that the "answers" of 1,000 people, even if *honestly* arrived at, could possibly be an infallible barometer of the thinking of the entire 180 million American men and women . . . But now let's go a step further: As we know, throughout the nation

there are pockets of people who consider the UNITED NATIONS a "holy of holies." Similarly, there are pockets of Kennedy supporters — ditto Eisenhower worshippers, etc., etc. Naturally, the Gallup organization is fully aware of it — they know just where those "pockets" are. Thus, when they need a "poll" to show that a great majority of the American people LOVE the UN, there is nothing to prevent the Gallup reporters from concentrating on the known UN-lovers until they have accumulated 50 or 60 percent "right" answers. In addition, among the other 40 to 50 percent "polled," there are bound to be some additional individuals who favor the UN; some who are definitely "opposed;" some who are "undecided." Thus, if the percentages released by Gallup were to run, say, 80 percent for the UN — 8 percent *opposed* — 12 percent *undecided*, the percentages would be *statistically correct* — but the methods employed to compile the statistics completely belie the true beliefs of the people as a whole. In other words: *"Figures don't lie, but liars write figures."* And, of course, they can employ the same kind of "samplings" to popularize a Kennedy or an Eisenhower, a "World Court" or "Federal Aid to Education" issue . . . and they can — *and do* — employ the same methods to downgrade a Joe McCarthy, a General Walker, a Congressional Investigating Committee.

Now we are confronted with another very logical question: *how* can the purported "*opinions*" of a mere thousand people sway the thinking of millions of people? Again, the answer is very simple: practically all of the nation's newspapers publish the "GALLUP POLL." Not one ever casts any doubt on its reliability . . . not one ever reveals the paucity of its "*samplings*" . . . not one ever reveals how the Gallup "*reporters*" seek out the "*right*" kind of people in order to get the kind of "*answers*" they want to feed to the public. Indeed, many newspapers, such as the New York Times, the Washington Post, St. Louis Post-Dispatch (*all "Liberal" papers*) assure their readers, by innuendo or otherwise, that the "Gallup Poll" is GOSPEL . . . And through the years, the vast majority of the American people have been believing what their newspapers tell them — and you can't blame them, because to this very day many of them believe they have a free press, a free Radio, a free TV.

All that, despite the fact that the "Gallup Poll" went far astray on a *number* of occasions — especially in its political polls: as, for one example, in their 1948 Presidential election polls — also in the off-years of 1942 and 1946. But they always come up with a simple excuse — said excuse being that there was a sudden shift in public opinion between the publication of the poll and the days the votes were cast . . . *even though the lapse of time was only a few days!*

Next in importance to the "Gallup Poll" is the "Roper Poll," owned and operated by Elmo Roper, that most ardent supporter of Wendell Willkie. The "Roper Poll" usually runs parallel with the "Gallup Poll."

MR. ROPER IS A HIGHLY PRIZED MEMBER OF THE COUNCIL ON FOREIGN RELATIONS !!!

Now let's go on to see how the Kennedy Boys fit into this general scheme.

WHY KENNEDY WAS "ELECTED"

Kennedy's "election" to the Presidency was no happenstance. It was *ordained* by the C.F.R. With Nixon the "Republican" candidate and Kennedy the "Democrat" candidate, as far as the CFR was concerned, it was a case of "*Heads we win and Tails you lose.*" However, they left no trick undone to make sure that the Kennedy boy would "*win.*" The fact that three precinct workers in Chicago went to prison for tampering with the vote counts is just one indication of it.

The CFR made Kennedy their first choice, not because Nixon would have been a less-willing tool, but because Kennedy's ego, his arrogance, his ruthlessness, his greed for personal power indicated that he would be a more perfect one. However, they took no chances with our would-be Caesar — *the Kennedy Cabinet and the vast majority in the important posts in Washington are members or hirelings of the CFR!*

PREFACE TO KENNEDY PROFILES.

Through the years, psychologists have been telling us that environment alone does not mold the man. Broken homes; parental neglect; disregard of morals by one parent or the other, thus leading to a feeling of insecurity; parental failure to guide their children's choices of companionship — all such things contribute heavily to *juvenile delinquency*. But there is a more potent influence in the make-up of a man (or a woman) — an influence that usually is not visible, an influence that can best be described by the word HERITAGE. We often hear such expressions as: "*Like Father, like son*" — or "*he comes by it honestly,*" the "it" being an addiction to

crime, to dishonesty, to immorality, etc., etc. Which means that every one of us is born with a "*heritage*" for good or for evil, for honesty or for dishonesty — a heritage of family traits and characteristics which can be traced back into ancestry. Biographers of Alexander the Great, of Julius Ceasar, of Abraham Lincoln, probe the family (*ancestral*) backgrounds of their subjects — and establish that ancestral traits come down through generations, to show up in the actions and in the ambitions of almost every individual . . . all of Shakespeare's great heroes and villains were *characterized* by the family traits of their forebears.

Now, with some, the "*heritage*" may lie dormant throughout their spans of life — or may be conquered by the individual . . . with others, the "*heritage*" takes possession virtually at birth — and continues as the ruling influence to the end of life.

The history of the Rothschild family provides concrete proof to support my thesis that a "*heritage*" of principles is handed down from generation to generation — and frequently functions as the ruling influence in a man's career. It was the first of the Rothschilds who, 200 or more years ago, proclaimed that if he could get control of the money system of a nation, it would not matter who was the ruler of that nation, he (*Rothschild*) would be its master. That "*heritage*" has ruled the lives and careers of all the Rothschilds to this very day. Another notable, and concrete, example is the first John D. Rockefeller — he handed down his "*heritage*" of greed for wealth and power to his son and to his son's sons. Another, and even more significant, example is the one that can best be described as a "*Racial*" Heritage. I refer to that ancient (*mythological*) tale that Almighty God had "*chosen*" the Hebrews to inherit and rule the World. Those ancient Hebrews passed that "*promise*" on to their descendants as their "*RACIAL heritage*" — a "*heritage*," which said descendants, legitimate and illegitimate, have ever since been endeavoring to "*collect*" and thus kept the entire world in bloody turmoil throughout all the centuries clear back into antiquity. In the 18th and 19th centuries these "*collectors*" went under the name of "*ILLUMINATI*" — today their "*collection agency*" is better known as "*The Internationalists-Communist Conspiracy*" actively, but surreptitiously, operated in America by the "*COUNCIL ON FOREIGN RELATIONS*," with counterpart organizations in Britain and all other nations throughout the world.

~ A thorough appraisal of the men who compose the Hierarchy of the ICC and the CFR clearly reveals why they are governed by that ancient "*Racial Heritage*." As with the Rothschilds, a number of the present Hierarchy are lineal descendants of the most fanatical "*ILLUMINATES*" of the 18th and 19th centuries.

However, the general (1,500) membership of the "Council on Foreign Relations" is a different story — one that undoubtedly baffles those who are only surface-aware of the nature of the CFR. For many of the "resident" and "non-resident" members are men who, by reason of ancestry, are not subject to the influences of that ancient "*Heritage*" — indeed, they should be unalterably opposed to it — yet, they knowingly and willingly render full service and fealty to it. Why? The answer is very simple: these men are opportunists in whom avarice for wealth and power rises above all principles of honor, of decency, of integrity . . . *and that brings us to the Kennedys!*

THE KENNEDY "HERITAGE"

The Kennedy with whom we are chiefly concerned is John F., the Chief Executive of our nation — *God help us!*

I say "*God help us.*" because, with the possible exception of Franklin Roosevelt, John Kennedy is the most deadly menace to our Freedoms and to the SOVEREIGNTY of our nation that we have ever had in the White House.

For concrete evidence that I am not alone in that belief, on May 9 of this year, all the Front-pages in our nation blazed with this warning by none other than Dwight Eisenhower: "JFK POWER GRAB PERILS LIBERTY!" . . . In the body of his statement, Eisenhower elucidated that headline with a grim and clear warning that John F. Kennedy is a MENACE to the American people and our nation.

Now, a defender of Kennedy might well retort: "*Look who's talking!*" And he'd be perfectly right. Eisenhower killed the Bricker Amendment in order to safeguard HIS grabs for power . . . he frantically tried to force repeal of the Connally Amendment . . . he constantly advocated the transfer of all power, including Nuclear, to the "United Nations" — and that, *quite aside from his delivery of Berlin and the Balkans to Moscow*, only scratches the surface of Eisenhower's efforts to aid and abet the Conspiracy to destroy the sovereignty of our nation. Nevertheless, his warning that Kennedy is our great menace is absolutely sound. And that may bring up one of two questions with various readers: . . . 1) Were my reviews of Eisenhower's collaborations overdrawn? . . . 2) Has he "*seen the light*" — is his warning prompted by remorse?

My answer to both questions is: NO!

Ike was motivated to issue that warning by the same emotion that impelled Trygve Lie to flatly confirm the Hiss-Molotov secret agreement in his book *"In The Cause Of Peace,"* i.e.: Beginning with the production of *"Thieves' Paradise"* in 1947, we endeavored to alert the nation to the existence of that Hiss-Molotov agreement. But 1947 was too early — the UN still was a *"holy of holies,"* and the *"righteously indignant"* denials by the State Department and the Pentagon nullified our charge. But in 1952, our revival of the play, supported by several *"News-Bulletins"* in which we revealed all of the UN betrayals in the Korean War, including the fact that Moscow's Gen. Vasiliev, *on leave of absence from the UN*, was the actual Commander-in-Chief of the North Koreans and Red Chinese, created such repercussions as to frighten the Masterminds of the One-World Conspiracy. Once again the State Department and the Pentagon issued indignant denials — but this time their denials had become *"suspect"* — a growing demand to *"Get the U. S. out of the U.N."* began to sweep the nation. The *"Masterminds"* decided that a flat denial by Trygve Lie was vitally necessary — but Lie refused to commit such an outright falsehood. *That was "curtains" for him!* After he was ousted from his lush job with the UN, Lie, finding himself a (*deliberately*) *"forgotten man,"* decided to write *"In The Cause Of Peace."* And, whether motivated by desire for revenge, or by a troubled conscience, he flatly confirmed the Hiss-Molotov agreement in that book.

Now, it wasn't long after Eisenhower moved out of the White House that he found himself almost as much a *"forgotten man"* as Trygve Lie. With this difference: At best, ex-officios are a dime a dozen, so to speak. Under *any* circumstances, EX-Secretary-General Lie would have been a *"forgotten man"* — the *"Masterminds"* have no time to waste on useless *"retired old gentlemen."* Still, they might occasionally have *"invited"* him to make an appearance at semi-important functions in the innocuous role of *"elderly statesman."* But when he refused to lie for them he committed a *"cardinal sin"* — and became a forgotten pariah . . . *does anyone hear of Trygve Lie today?*

Now, of course, that isn't the case with Eisenhower. That *"Military Genius"* never disobeyed. During his years as Commander-in-Chief of the Allied Armies he faithfully carried out all the orders of the *"Masterminds"* . . . Ditto when he was head of NATO . . . ditto during his eight years in the White House. During all those years he was a tremendous value to the *"Masterminds"* — and they made him feel that he was the most important man on earth. But the moment he became an EX-President his values for the *"Masterminds"* became virtually nil. As far as they are con-

cerned, he now is just another "retired old gentleman" puttering away on the golf courses. In other words, he is a case of "*The King is dead, long live the King.*" They have no time to waste on the "dead King" — all their interest now is in the new "King."

For a brief period, Eisenhower enjoyed his "retirement." But, as we know, he is a very vain man. For eight years he had been the Mr. BIG in Washington — for eight years the whole world kow-towed to him. He was the great Star in the greatest "Show" in the world. All of a sudden he is no longer the Star — he is just an innocuous "Elderly Statesman" — all the cheers and plaudits of the "audience" are for the new Star. The loss of the "limelight" began to irk him. He began to burn more and more as he saw the "young upstart" in the White House seize all the powers he (Eisenhower) had preserved for himself by killing the Bricker Amendment — and grabbing for more and more power! What particularly "burns" Ike is that he has always viewed Kennedy as a brash, half-baked young political opportunist — and he finally blurted his "burn" in that startling May 9 headline.

Now, undoubtedly, there are many among us who believe that Eisenhower's warning was prompted by loyalty to country . . . others, who have a better understanding of the man, may feel that his conscience had something to do with it . . . but quite a few others, myself among them, know he has no conscience, and that his warning was an outcry of deeply wounded vanity. However, whatever it was that prompted him, his charge that Kennedy is a menace to our nation is positively sound and accurate . . . and now let's go back to Kennedy.

To get a clear image of this Kennedy man — to see what makes him (and his whole family) tick, we must uncover his particular "Heritage" that feeds his GREED for powers not granted to him by our Constitution — powers which the American people never intended to give him. In the following, you will see why I am fully qualified to uncover his "Heritage."

Early in 1930 I received a hurry call from Hollywood to come to the aid of an ailing Film production. In 1930 the "talkie" was still in its infancy, and many of the Hollywood (silent) screen writers had not yet mastered the art of adapting dialogue to action. Hence, the calls from Hollywood producers for Broadway playwrights and directors were frequent in those days. The Film I was called to "doctor" was the famous "HOLIDAY" — the Producer was the Pathe Pictures Corporation — JOSEPH P. KENNEDY was the owner of PATHE!

"HOLIDAY" turned out to be the prize-winning Film of that

year. For my reward, Pathe made me a very tempting offer to take charge of the story department — and that was when and how I came to know a great deal about Joe Kennedy.

Kennedy was a very recent newcomer in the Film industry. He knew very little, if anything, about *"show business"* as a whole. Ed B. Derr, the Kennedy-appointed President of Pathe, had for many years been Kennedy's chief accountant. Charles Sullivan, Treasurer of Pathe, also was a long-time Kennedy employee. Neither of them knew very much about the Film business — *but both of them knew all about Joe Kennedy.*

By 1928 Hollywood was in the throes of transformation from *"Silents"* to *"Talkies."* That change was having a profound effect on Show Business in general, but on Vaudeville in particular. The Vaudeville Moguls did not anticipate complete death for their industry, but they did realize that the *"Talkie"* was going to become their greatest competition in the years to come. And they began to ponder ways and means to make the *"Film"* an integral, but minor (*they hoped*) feature in their theatres . . . *and that was when Joe Kennedy saw an opportunity to turn an easy dollar for himself!*

At the time that Kennedy stepped into the picture, the two giant Vaudeville chains were Keith-Albee and the Orpheum Circuit. Ed Albee was head of Keith-Albee, and Martin Beck was the head of Orpheum. Actually, however, some years earlier, Albee and Beck had pooled their booking operations in what was known as the *"UNITED BOOKING OFFICE,"* so both chains were controlled by Albee.

The proposition Kennedy submitted to Albee was ingenious — *if it had been feasible.* Kennedy not only promised to save Vaudeville, but also to transform the Keith-Albee-Orpheum Circuit into the greatest Show Business empire in the nation. What he submitted was a three-prong proposition:

No. 1.) Set up a motion picture producing company of their own — their own chains of theatres alone would assure instantaneous financial success for the Producing Corporation; even more important: their *vastly superior* Films would minimize the competition from non-vaudeville Movie Theatres . . . *and newcomer Kennedy blandly assured Albee that he had the "know-how" to produce Films that would make even Paramount and MGM look amateurish by comparison . . .* No. 2) Set up their own Distributing Organization (*Exchanges*) — not only to serve their own theatres, but to make a drive for the bookings of all independently-owned (*particularly Vaudeville*) theatres in the nation . . . No. 3) Set up a new Corporation (*or Holding Company*) and transfer ownership

of their Chains to that Corporation in return for Stock — and then FORCE all the small-chains and owners of individual Vaudeville Theatres to transfer *their* theatres to the new Corporation in return for Stock and managerial jobs.

Albee was dubious about that last feature in No. 3, but Kennedy promptly showed him the "*blackjack*" that would accomplish it; to wit: all the small chains and independents depended upon the Keith-Albee owned "*United Booking Office*" for their merchandise (*Vaudeville Acts*) — all the recalcitrant (*stubborn*) small-chain and independent theatre owners could simply be denied all the good Acts — *and that would be "death" at their box-offices!*

Of course, that was a ruthless "*surrender or die*" ultimatum — but, according to Charlie Sullivan and many other Kennedy employees and associates, "*surrender or die*" was the pet technique Joe Kennedy employed to amass his fabulous (*estimated four hundred million*) fortune . . . *one can't accumulate that kind of fortune just by hoarding hard-earned nickels and dimes* — now, can one?

Albee swallowed Kennedy's "*pie in the sky*" bait as hungrily as a trout snaps at a fly. In his mind's eye he saw himself as the future Emperor of the Vaudeville-Motion Picture world . . . *of course, he didn't even dream that foxy Joe had reserved that high spot for himself* — anyway, he gave Joe the word to go ahead.

Now, each of the various operations in the Kennedy plan required a separate corporation. Each corporation required its own Stock issue. Each Stock issue had to be "*properly*" allocated and manipulated . . . Can you guess who did all the "*manipulating*?" That's right — Joseph P. Kennedy.

Now, I'm sure THIS will surprise you: with each "*manipulation*" the holdings of Albee, Beck and the Keith heirs diminished and diminished and diminished, while the holdings of Joe Kennedy pyramided and pyramided and pyramided . . . and then one (*not so*) fine day Vaudeville breathed its last and was "*laid away to rest in peace.*" And with it was buried that glittering Vaudeville-Motion Picture (*dream*) Empire that Kennedy "*sold*" to Ed Albee. The Albees, Becks and Keiths disappeared from the Hollywood scene — *but not Joe Kennedy!* RKO and Pathe (*the producing division of the "dream"*) became Joe Kennedy Lots. But not for long. Kennedy wasn't kidding *himself* when he "*sold*" Albee his magical "*knowhow*" to produce superior Films — he knew he didn't belong in Hollywood — he quickly disposed of his Lots, picked up his "*winnings*," and departed for other fields ripe for his "*talents*" and shrewd operations.

In discussing the Kennedy "*talents*" and operations, Charlie Sullivan said: "*Take the words Greed, Ruthless, Conniving, Scheming, Unscrupulous, etc., roll all of them into one and you have Joe Kennedy.*"

But let's be fair about it, "*he came by it (that "Heritage") honestly*" — Joe's father arrived in Boston a penniless and more or less illiterate steerage immigrant. His first job was swamper in an off-Skid Row saloon — soon he was the bartender — before very long he was the owner of that saloon. Don't ask how he accomplished it. In those years the neighborhood saloon was the precinct's political "*club house*," so it wasn't long before the "*immigrant*" was wielding considerable political influence in that precinct — with a resultant finger in all "*political pies*" . . . which brought many an "*honest dollar*" into his pocket — even "*a piece*" of a neighborhood bank. Son Joe's operations were far more spectacular and far more enriching, but they had the same Kennedy touch.

This analysis of the Kennedy "*Heritage*" would not be complete without the following anecdote — particularly as it reveals the Kennedy driving greed for power which paved the way for one Kennedy into the White House and another Kennedy into the U. S. Attorney Generalship long before either of the Boys was in his teens.

John Connolly, an old friend of mine, was a teen-age pal of Joe Kennedy's. Later, they were partners in Kennedy's early real estate operations in Boston. John frequently regaled me with stories of the then young Joe's crafty operations, of his arrogance, of his grandiose ambitions — among them nothing less than the Presidency of the United States.

John was an usher at Joe Kennedy's wedding to Rosie Fitzgerald. Some years later he also was present at an anniversary celebration of that marriage. During that evening, Kennedy, by then well along the road to the vast fortune he finally amassed, boastfully announced that after he had made his "*pile*" his next objective would be the White House. That "*dream*" was rudely jolted by none other than his father-in-law, "*Honey*" Fitzgerald, whose own political career had an odor not to be confused with attar of roses. Fitzgerald bluntly warned Joe that if he ever tried to run for *any* political office he'd be a "*soft touch*" for *any* opponent—with all the skeletons that would come tumbling out of his closets he (Joe) would be a *dead* pigeon before the campaign would be a week old.

That was the end of Joe's aspirations for the White House — *for himself!* But like the Reds, the Kennedys never give up. In the early 1930s, when Joe Kennedy was fancying himself a Hollywood Mogul,

he boastfully vowed that one fine day there would be a Kennedy in the White House — and then another Kennedy and another and another. He vowed that he'd spend half of all his millions to accomplish it.

And *that* is the "HERITAGE" that Jack Kennedy brought with him into the White House — the "HERITAGE" which governs his every act and deed — the "HERITAGE" which he is determined to transform into a dictatorship of the United States.

In our next issue I will reveal the step-by-step "*manipulations*" he has been employing — and is continuing to employ — to make himself the "Philip Dru" of America — I will show how he plans to disarm the United States government and every individual and hurl us into an Internationalist-Communist One-World Government — I will show that KENNEDY MUST BE IMPEACHED if we hope to save our Country! . . . In that issue I will provide a *complete* survey of all of Kennedy's horrifying acts of *obvious* treason!

I had intended to include that survey in this issue, but I soon realized that it is far too important to be crowded into a few pages — it will require a complete "*News-Bulletin*" to provide a clear picture of his plottings.

Aside from that, I felt that I should clarify all the ramifications under which the "*Council On Foreign Relations*" is operating, as that will tend to clarify, *at a glance*, every Kennedy "*manipulation*" to transform the U. S. into an enslaved unit of the CFR's planned One-World Government.

Now, all of the above may bring the reader to wonder how Kennedy can reconcile *his* "HERITAGE" with that of the Hierarchy of the ICC-CFR — how he can achieve his "PHILIP DRU" objective and yet fulfill the ICC-CFR objective. The answer is simple: whatever else may be said of the Kennedys, we must admit they are fiendishly crafty — Machiavelli had nothing on them in their deviousness of plotting and conniving. Joe always operated on the theory: "*if you can't lick 'em, join 'em.*" He "*joined*" Ed Albee and "*took*" the Keith-Albee-Orpheum empire. Jack can't hope to "*take*" the ICC-CFR as easily as that, but serving as *their* created "*Philip Dru*" will give him a mighty good start — after all, the mighty Caesar had to serve as Consul before he achieved his complete mastery of Rome and of all of the then known world. However, if Jackie-boy thinks he can — *and will try to* — outsmart the CFR boys, he is "*asking*" for the same thing that Caesar got from Brutus.

TWO VERY ILLUMINATING INCIDENTS

If any of my readers still have any lingering beliefs that I have exaggerated and over-estimated the fiendish powers of the CFR, the following incidents should utterly dispel those doubts . . . equally important, one of the incidents will starkly reveal the corruptness in the moral fibre of the Kennedys — *of John F. Kennedy, in particular:*

No. 1) In 1944 Tom Dewey was the Republican candidate for the Presidency of the United States. In that year Franklin D. Roosevelt was at the very crest of his popularity — he still was the idol of the vast majority of the American people. Although there were some very faint whispers that the “*great humanitarian*” was not quite the “*humanitarian*” his worshippers believed him to be, the CFR, whose very loyal servant he was, quickly suppressed all those vague rumors — and thus assured another landslide victory over Dewey.

However, shortly after Dewey achieved his nomination, he was provided with fully documented and irrefutable proof that FDR had plotted and incited the Japanese to commit that horrible “*Pearl Harbor*” atrocity — *in order to enable him to hurl the U. S. into World War III!*

Had Dewey revealed that proof, it not only would have won the election for him, but it positively would have brought Roosevelt to trial for treason and murder — and surely led to his execution.

As a matter of known fact, Dewey was all set to use that story at a properly chosen time. But one of his most trusted lieutenants, a CFR stooge, hurriedly sent word about it to CFR headquarters. The CFR promptly ordered Dewey to “*shut up, OR ELSE!*” . . . And Dewey “*shut up*” — and Roosevelt went on to commit his final betrayals at Yalta.

After Dewey’s defeat it became known that he had failed to use a “*story*” that would have won victory for him — but it was explained away by a statement that General George Marshall had induced him not to reveal his story for fear that it could have spelled disaster for our War policies — and Dewey was duly eulogized for his “*patriotism.*”

JFK'S FIRST MARRIAGE AND DIVORCE

No. 2) In 1960, shortly after Nixon became the Republican candidate, he was handed the following *documented* story about John F. Kennedy. It was a photostatic copy of an item in:

"*The Blauvelt Family Genealogy*," compiled by Louis L. Blauvelt, and published by "The Association of Blauvelt Descendants." It bears the "*United States Library of Congress Catalog Card No. 56-10936*." The following item was photostated from page 884 of the book:

"(12,427) DURIE, (Kerr), MALCOM, (Isabel O. Cooper, 11,304). We have no birth date. She was born Kerr, but took the name of her stepfather. She first married Firmin Desloge, IV. They were divorced. Durie then married F. John Bersbach. They were divorced, and she married, third, John F. Kennedy, son of Joseph P. Kennedy, one time ambassador to England. There were no children of the second or third marriages."

This reveals that this man who poses as a devout Catholic, this *pious* man, who, *ostentatiously* never misses a Mass, has through the years been making a mockery of his Church—has *secretly* smashed the most sacred canon of his Church.

Unquestionably, if Nixon had used that item in his campaign he not only would have won the election, but it would have torpedoed Jack (*and all the Kennedys*) out of the political world forever. Actually, Nixon did plan to use it — but word of his intention reached the CFR. They took the same action with him that they had taken with Dewey in 1944: they ordered him to "*Shut up — OR ELSE!*" And Nixon "*shut up*" . . . and Jack Kennedy went on his merry way to destroy the SOVEREIGNTY of the United States — and the Freedoms and Liberty of the American people!

There is only one thing that will stop him: IMPEACHMENT !!

Impeachment of Kennedy will automatically lead to Congressional investigations of the CFR — of our State Department — of all Federal Agencies — of UNESCO — and, finally, of the UNITED NATIONS !!!

Believe me: THAT is our only SALVATION . . . You will clearly see why in our next issue.

A "CASTRO" IN THE WHITE HOUSE?

In our January, 1961, "Year-End Report" I stated that Jack Kennedy "slithered his way into the White House on a raft of brazen falsehoods and false promises." In that same "Report", I warned that his entire career in the White House would be dominated by two objectives: 1) A grab for personal power such as even Franklin Roosevelt had not dared attempt. 2) A determination to fulfill the objective of his masters (Council On Foreign Relations) to transform the United States into a unit of their planned (UN) "One World Government".

I will now add that his every act and deed since he stepped into the Presidency starkly indicate that John Kennedy fully intends to make himself the Fidel Castro of the United States and nothing but **IMPEACHMENT** will stop him !!!

Now, some who will read this, particularly the hard-core Kennedy supporters, may challenge me to reconcile my charge that Kennedy is a CFR tool, placed in his high office to further the Great Conspiracy, with my added charge that he is plotting and planning to achieve a Castro-like dictatorship. Well, such a challenge poses no problem at all; to wit:

On the surface, Castro is the all-powerful Dictator of Cuba. But the real control is in the hands of a clique of Communists (the Havana Presidium) who take their orders direct from Moscow. Castro is the "voice" of that Presidium — *just as Kennedy is the "voice" of the CFR!* Castro does all the ranting and the raving on orders from the clique — *Kennedy does all of his rantings on orders from the CFR!* Castro seized and expropriated (stole) American-owned industries and property in Cuba, with the full approval of his Communist masters in Havana — Kennedy has blackjacked American industry, notably "Steel", with the full approval of his CFR masters . . . he would have emulated Castro's "expropriations" had he dared. Castro transformed Cuba into a Communist Police State: he appointed his little brother, Raul, to head his "Gestapo," to terrorize the people with middle-of-the-night arrests, with jailings, with beatings and tortures, with firing squads Jack Kennedy appointed his little brother, Bobby, to head his embryonic "Gestapo"; he placed the FBI under little brother's control, and, suddenly, this Agency, which through all the years had carefully avoided any semblance of a State Police, has, on direct orders from our juvenile U. S. Attorney General, resorted to the

terrifying middle-of-the-night door poundings — similarly, the Income Tax boys are under instructions to harass and terrorize all who incur Kennedy displeasure; one such victim was a financial columnist who published a critical review of the Kennedy shenanigans; promptly an Income Tax man arrived to “investigate” the columnist’s tax returns — of course, the “investigator” assured the columnist that it was “just routine,” but he sure put him “through the wringer.”

Another stark example was Kennedy’s *ukase* to the Hearst Syndicate to: “STOP WINCHELL OR DROP HIM,” which I fully described in our June “Special Bulletin.”

However, it gives me great pleasure to report that both that financial columnist and Winchell have not stopped blasting the “Damnistration,” as Winchell has dubbed it.

Anyway, those are just two examples to prove that the Kennedy boys, like the Castros, are employing all possible methods, as far as they dare, to harass and terrorize all critics into silence — and they will continue to use those methods until Kennedy and his CFR masters will have as complete a dictatorship over the United States as Castro and his Communist masters have over Cuba . . . and, I urgently repeat: **nothing but IMPEACHMENT will stop him !!!**

Of course, the “Liberals,” the One-Worlders, The ADA and the ICC-CFR will stutter and splutter with indignation and rage at the mere suggestion of impeachment proceedings — ditto those who “admire” Kennedy for his “charm,” for his so-called (*aping Roosevelt*) “oratory,” etc., etc. No doubt, even many naive and more or less neutral men and women will express disapproval of such drastic action as impeachment. But in the following pages I will submit at least three major acts of deliberately contemplated treason, plus numerous minor ones, which call for the most drastic kind of action. I will also establish with *prima facie* evidence that John Kennedy is not a *lawfully* elected President — that he is a rank imposter who slithered into the office not only on rafts of falsehoods and false promises, but by means of brazen theft of votes in many states . . . that alone is more than enough for **IMPEACHMENT !!!**

As a preface to all that, I hardly need stress that this brash young upstart in the White House has already brought the economy of our nation into a dangerous near-panic. Our Stock market is teetering and heading toward another 1929 Crash — and **DEPRESSION** . . . and if that should happen — and the **CFR GANG CAN make it happen** — it will be the first giant step toward hurtling our country into a Communist (UN) One-World Government !!!

THE KENNEDY MORAL FIBER

In our previous "News-Bulletin" (No. 90) I explored the Kennedy "Heritage" to show what makes John tick the way he does. Now, to remove all doubts about the Evil inherent in that "Heritage," I will cite a few, *just a few*, of the Family Traits the younger Kennedys have inherited from their forebears — "traits" which still govern them! True, those "traits," of themselves, provide no grounds or direct reasons for impeachment proceedings, but they clearly evidence the dire menace to our nation of a Kennedy in the White House — a Kennedy employing an inherent bent for deceit and hypocrisy to transform the Presidency into a Dictatorship.

First, let's see how Joe Kennedy prepared his kids for the high places he planned for them.

From time immemorial it has been the custom of all the nouveau riche to endeavor to pry open the gates to upper society for their offspring. Their first step is to send their youngsters to the highest schools of learning — the idea being that they would thus acquire the "spit and polish" that would transform them into "ladies" and "gentlemen." That works in some cases, but, more often, such acquired polish and counterfeit gentility are never more than skin-deep — the ill-breeding breaks through with the slightest provocation.

Naturally, all the Kennedy kids were provided with all the benefits of such "spit and polish" education that money could buy. And when I say "that money could buy" I mean just that. Not one of the Kennedy kids ever attended a public school. The boys were sent to parochial and/or private schools, then to Harvard. The girls received their education in Roman Catholic schools. None of them emerged with high scholastic honors. Jack never got an average of more than 55 in Latin — he graduated Number 64 in a class of 112. Nor did he ever get an A, or a B, or even a C, for effort. His teachers generally considered him both a lazy student and (*as one expressed it*) a "dumb cluck." All of which hardly places him in the human UNIVAC (*magic brain*) category.

The same description, more or less, fits little brother Bobby. Although he managed to pass his Bar examinations, his legal knowledge is highly questionable. As a matter of fact he has had practically no legal experience. Traditionally, the Postmaster Generalship, not the Attorney Generalship, is the reward of the political wheel of an Administration. Thus, when big brother Jack handed the At-

torney Generalship to little brother Bobby, the legal fraternity in Boston (and Washington) roared with raucous laughter — as one prominent Boston attorney, who knows Bobby's limitations, expressed it: *"Bobby will have to depend upon his office boys for all of his legal decisions."* Actually, that was how all his work was done for him when he "functioned" as "Counsel" on the McCarthy and McClellan Committees — his "efforts" in those posts were publicized way out of proportion to the results obtained. In addition, all those who know him intimately say he is vindictive, vengeful and highly emotional. Such characteristics, coupled with his lack of legal lore, hardly qualify him as a dispenser of justice.

As for Ted, youngest of the Kennedy Klan, who is now an aspirant to fill Jack's old shoes in the Senate, he can be dismissed entirely — *he was kicked out of Harvard for CHEATING!*

In short, the chief *educational* achievement of the Kennedy boys is a Hah'vahd accent . . . now let's see how much "polish" they and their sisters acquired from their colleges and finishing schools:

Like the Greeks, the Irish "have a word" for everything — their word for a rowdy, or ruffian, is spalpeen. It is also applicable among the Irish to anybody suspected of dishonesty, or untruthfulness, of any kind of charlatanry and rascality. Of course, that word also can be used in jest — but, the wise Irishman always smiles when he (supposedly) uses it in jest.

Throughout his career as swamper — bouncer — bartender — saloon keeper — politician, Pat Kennedy, Jack's grandfather, was commonly referred to as "The Spalpeen" — and NOT in jest! However, that soubriquet never ruffled old Pat — with a perverted sense of humor, he always retorted: *"To the Shpalpeens go all the shpoils."* But the amusing — and significant — point is that he always referred to his grandchildren as "the young shpalpeens."

And he was so right! Everybody who ever knew the Joe Kennedy household described it as a bedlam and a never-ending Donnybrook. From the time the Kennedy kids were old enough to swing their fists, and gouge and kick, they fought with their playmates, with their schoolmates, with each other, as savagely as young hoodlums. From one such fight with Joe, Jr., Jack Kennedy emerged with twenty-eight stitches in his head.

Of course, now that Jack is the President of the U. S., he wants the public to "forget" that "wild-Irish" family trait of the Kennedys. From the moment he stepped into the White House he began to strive to create for himself (and for the Kennedy family) an image of gentility, respectability, *Dignity*. He would like to convince us that

that old song "*Kind hearts and gentle people*" was written to describe the Kennedys — that all the Kennedys faithfully subscribe to the "*soft answer that turneth away wrath*" tenet. But, on the slightest provocation, that "*old debbil*" wild-Irish temper breaks through and smashes that Image, one particular instance being when the Steel industry "*dared*" to challenge his ultimatum and he flared forth with his father's luridly descriptive, "*All businessmen are sons-of-bitches!*"

I can cite an even more positive case that establishes that to this very day all the Kennedys go on the theory that the only way to settle an argument is with a shillelagh or with fists. This case has to do with a recent incident involving Ted Kennedy, the youngest of the Kennedy boys, who is now reaching for a Senatorial toga.

Dave Hackett, a friend of the Kennedys, describes rowing ashore with Teddy in a dinghy at Northeast Harbor, Maine, during a cruise. As they passed a large luxury yacht where a cocktail party was in progress, a man leaned over the rail and suggested he row faster. Teddy referred to the man's birth in his father's language, and told him to mind his own business. The man yelled: "*Come back here and say that again!*" . . . I will now repeat that story in Hackett's words:

"Teddy swung the dinghy around so fast I almost fell out. The next thing I knew, Teddy was on the yacht and the man was being thrown overboard, and all the women were screaming and running below to hide in the cabins. Their husbands were running with them to see that they were safely tucked in, I guess. By this time, I'm on the yacht with Teddy. The men start to come up the deck to deal with us, but it's a narrow hatchway and they have to come up through it one at a time. As each appears, I grab him and spin him to Teddy and Teddy throws him overboard. In no time, all of the men, there were about eight of them, were in the water. I never saw anything like it."

In short, all the Kennedy kids were born rowdy wild-Irish. That this is indeed a Kennedy "*family trait*", handed down from one generation to another, was emphasized by no less an authority than Jacqueline Kennedy: in a conversation with a friend she described the "*goings-on*" at the Kennedy family shindigs — "*the five-year olds,*" said Jackie, "*maul the four-year olds, the four-year olds maul the three-year olds and the three-year olds maul the two-year olds.*"

Thus, during their adolescent years all the Kennedy kids were rowdy wild-Irish, virtually young hoodlums. They emerged from their colleges and finishing schools still wild-Irish, still rowdies. Their family gatherings, with their "*touch-football*" games, continue to be Donnybrooks in the full "*wild-Irish*" tradition. All of them are

avid night-clubbers — or were until Jack entered the White House. All of them prefer raffish companionships. As a startling example of that predilection, on the night that Jack achieved his nomination, he, and others of the Kennedy Klan, joined the notorious Hollywood "Rat Pack" in what was described as a wild, no-holds-barred "victory binge," wild even for Hollywood. Frank Sinatra is the Chief Rat of the Pack. Peter Lawford, Jack's brother-in-law is the next most important Rat in the Pack. Among the other Rats at that "binge" were Tony Curtis, Dean Martin, Shirley McLaine, the one-eyed Negro, Sammy Davis, Jr., etc., etc. . . . unquestionably, the most raffish of all the Hollywood riff-raff.

Apparently, it was at that "binge" that Jack and Bobbie were inducted into their Rat Pack membership, because shortly after the inauguration, at a similar "celebration binge" in Florida, Sinatra gloatingly proclaimed: "I now have a Junior Rat in the White House and another Junior Rat in the Attorney Generalship!"

Frantic White House efforts kept that uncouth boast out of the press generally, but not before it appeared in some of the Florida (and other) gossip columns. Word-of-mouth quickly spread it — particularly in politically-minded circles. To some, especially those who know the real Kennedys, it was highly amusing — to others it was shocking. But Jack saw nothing funny about it — indeed, Sinatra's boast irked him no end. As I previously stressed, from the moment he stepped into the White House he began to strive to create for himself and for his family an "image" of great dignity and high respectability — not a very easy thing to achieve for one with his (and his family's) rowdy and highly dubious background. Sinatra's boast not only made a laughing stock of him (Jack) on Capitol Hill, it also tarnished and ridiculed that greatly desired "IMAGE" *That's what the antics of the Kennedy boys did to that "Image"*.

Nor have the Kennedy Girls (and in-laws) brought lustre to the Kennedy name and "Image." I can cite a number of incidents in which they were involved which would have brought a blush of shame to the collective faces of any self-respecting family. but in the interest of conserving space I will mention just two.

During his brief career as a "Hollywood Mogul", Joe Kennedy acquired a strong dislike (actually hatred) for actors. That dislike did not extend to the fair sex. Oh, no! Just the men. Anyway, he frequently said: "If there's anything I'd hate as a son-in-law, it's an actor — and if there is anything I'd hate worse than an actor, it's an English actor."

Apparently Joe's daughter Patricia (Pat) did not share her father's

antipathy, for, many years later, she married English actor, Peter Lawford. Of all the English actors who through the years invaded Hollywood, I consider Petah the least admirable. Actually, in his case, "actor" is a misnomer — Hedda Hopper expressed it aptly when she stated "absolutely non-talented, he can't sing and dances with two left feet. Charm boy? I certainly fail to see how he could be." His father was a baronet, Sir Sidney Lawford — his mother is a distinguished and charming Lady, but Petah must be a throwback to one of their less worthy ancestors. To express it mildly, Petah is the kind of an "English gentleman" that even a mother can't love. Moreover, Lady Lawford has made no secret of that fact — nor is it a secret that she loathes the Kennedys, Joe in particular.

As previously stated, Petah is the No. 2 Rat in the Pack. Naturally, the Rat Pack automatically became Pat Kennedy Lawford's social circle. One of the most important Rats, the one-eyed Negro Sammy Davis, Jr., is unquestionably the most obnoxious of all the Negroes in show business. Everything about him is instantaneously detestable. As an indication of how he affects people, during one of his performances at the Paladium in London, the audience began to chant: "Go back to the trees, Sammy, go back to the trees." His chief obsession is white women. He finally found a Swedish female, May Britt, willing to marry him. Well, on the day of the wedding, all of his brother and sister Rats, among them Pat (Kennedy) Lawford, assembled on the sidewalk in front of the building where the weird ceremony was taking place. Naturally, the event was being covered by the press. As the Negro and his white wife emerged, Pat, *our President's sister*, screamed: "Hi, chickie baby", and dashed into his arms for a hug and a kiss.

That incident hit the Los Angeles press and Radio within an hour. It quickly spread. It shocked and horrified all decent people — it stunned even the Rat Pack. The telephone wires between the White House and the Lawford home *sizzled* — for all the good it did JFK *Pat is a Kennedy, too*, you know.

The second incident occurred during a hilarious swimming-pool party at the swank home of the Bobby Kennedys. Ethel (*Mrs. Bobby*) had balanced a table on a plank over one end of the pool and invited a group of guests, Astronaut Glenn and the newly appointed U. S. Supreme Court Justice Whizzer White among them, to sit at the table with her. Then, after all of them were comfortably seated, Ethel tipped the table and, kerplunk, she, Arthur Schlesinger and a Mrs. Spencer Davis landed in the pool. Shrieking with laughter, Ethel climbed out of the pool, shook herself, and went into a "Twist" dance with *Harry Belafonte, the Negro singer!* Oh, it was indeed a

"glamorous" party! But if you think it was an unusual "party," and the dunking just a happenstance, perish the thought. Our "highly dignified" Attorney General and his lively wife just love to stage such parties — *always replete with Harry Belafontes, Sammy Davis, Jr., other Rats of the Pack, etc.* At one such party, Teddy Kennedy, who also fancies himself to be an heir-apparent to the throne in the White House, got dunked in the same pool, then, dripping like a wet collie dog, proceeded to chase all the women to dance with him. Such are the Kennedys — *arbiters of the destiny of our nation!*

THE KENNEDY POLITICAL "INTEGRITY"

The Kennedy boys inherited their political ambitions from their grandfathers, saloon-keeper Pat Kennedy and John ("Honey") Fitzgerald. It is only natural that with those ambitions they also "inherited" all of the trickeries, chicaneries and political crookednesses of both men. During his Hollywood days, Joe Kennedy loved to reminisce about his father's political maneuverings. One of his first memories of those maneuverings was of two henchmen coming to the Kennedy home and saying to his father: "*Pat, we voted one hundred and twenty-eight times today.*" Another of his most nostalgic recollections was the trick old Pat employed to block an opponent for a seat in The Massachusetts Legislation: he blocked off and barricaded all the streets leading into his district, so as to prevent his opponent's delegates from arriving in time to vote. In addition, he dispatched gangs of his hoodlum-henchmen to pick fights with the delegates, thus bringing in the police to arrest the fighters and haul all of them off to the hoosegow.

The maternal grandfather of the Kennedys, John ("Honey") Fitzgerald, was even more devious. Twice elected Mayor of Boston, by employing every crooked trick in the political game, he then tried twice for the governorship, also the Senate. Defeated in each attempt, he finally tried for the House of Representatives — and (supposedly) won. An official U. S. Government publication, the "*Biographical Directory of the American Congress, 1774-1949,*" states that John F. Fitzgerald "*presented credentials as Democratic member-elect and served from March 4, 1919 until October 23, 1919 when he was succeeded by Peter F. Tague, who contested his election.*"

Mr. Tague submitted overwhelming evidence that Fitzgerald had achieved his "election" by large-scale fraud — that his "political organization" had manipulated false registrations of thousands of non-resident "repeat" voters in many of the precincts — and that

"every permanent resident of every cemetery in the district voted for Fitzgerald again and again and again." Fitzgerald was ousted from his seat — and was never permitted to run for public office again. Indeed, he just barely escaped a term in prison.

Thus, it is obvious that political crookedness is inherent — *and a matter of instinct with the Kennedys*. As a matter of fact, in his very first foray into the political world, Jack Kennedy broke the law, to wit: To enter a candidate for the primary in the state of Massachusetts, it is necessary to certify the names of 250 Party members. On April 2, 1946, when such a list was submitted on Jack's behalf to the Office of the Registrars of Voters and Election Commissioners of the State, it was found that Jack himself was not an enrolled Democrat. As a citizen of Massachusetts, he had cast only absentee ballots from various Navy Posts.

That law was clear, concise and, supposed to be rigid. A serviceman could register as a voter by mail, but he had to appear in person to enroll as a member of the party of his choice. Thus, Jack Kennedy was not only ineligible as a candidate, he could not even vote.

April 30 was the last filing day for a candidate and the law required a candidate to be a *certified* party member for not less than 30 days prior to that date. Jack's oversight was discovered on April 2. On April 3, twenty-seven days before the election, he slipped into the City Hall and registered as a Democrat. He did this although the law allows no leniency and no exceptions . . . *but he got away with it!*

THE FRAUDULENT 1960 "ELECTION"

I could cite many of JFK's political chicaneries during his 16 years in politics, but I will confine myself to the most heinous one — his *"election"* to the Presidency. That was the most reprehensible act of political crookedness in the entire history of the United States.

As we know, he was *"elected"* by a margin of, in round figures, 112,000 votes. But a proper recount would show that his gang stole perhaps ten times that many votes. They employed all of the John Fitzgerald techniques, plus many others. And, of course, many of the permanent *"residents"* of many of the cemeteries in various parts of the country were among the Kennedy voters — particularly in Illinois, Missouri, So. Carolina and Texas.

In Illinois, where Kennedy *"won"* by 8,000 votes, Mrs. Wayland

C. Brooks, Republican National Committeewoman for Illinois, issued a statement, following a Republican investigation, which claimed: *"We are sure, after five weeks of fighting every step of the way, that we really carried Illinois by more than 50,000 votes."*

Even more significant is an *official record* that on April 14, 1961, a DEMOCRAT, Morris Wexler, special investigator and prosecutor of vote frauds in Illinois, submitted to County Judge Thaddeus V. Adesko a list of 662 precinct judges and party workers involved in four classes of vote frauds. These were: 1) misconduct in reporting election returns in precincts where voting machines were used; 2) misconduct in precincts where paper ballots were used; 3) charges involving voting by unqualified voters; and 4) charges of exercising improper influence at the polls. All of which more than confirms Mrs. Brooks' claim.

In Texas, Nixon was nearly 80,000 ahead on the final count of the voting machines, but along the border areas, long notorious for unrestricted political shenanigans, and where there were few if any Republican poll watchers, the vote shifted the balance for Kennedy. St. Louis, where the Republicans had no poll watchers in more than 335 precincts, swung Missouri, which, at that, went to Kennedy by less than 10,000 votes.

Quite a number of newspapers, even some of the Left-wing, asserted that the vote stealing was coupled with heavy cash bribes by Joe Kennedy. Arthur F. Hermans of the Gannett News Service reported of the Kennedy pre-convention organization: *"Kennedy's well-oiled political machine had everything except a fund-raising section. Not one appeal ever was issued to raise primary money for Kennedy. Yet the report is that multi-millionaire Joseph P. Kennedy spent SEVEN MILLION dollars on this phase of the campaign alone."*

Even COPE, Labor's press voice, which certainly is in Kennedy's corner, stated that a change of just a few thousand votes in two or three of the above mentioned states would have spelled defeat for him.

Now, all of the above statements are not hearsay, or rumors. They are authenticated facts, all of them supported by OFFICIAL findings. John F. ("Honey") Fitzgerald was thrown out of the House of Representatives because his election opponent fought the vote steal. But, unlike Mr. Tague, in 1919, Dick Nixon, *undoubtedly* on orders from CFR, refused to challenge the election results.

That establishes beyond any doubt that John F. Kennedy is not the lawful President of the United States . . . that he is a brazen

usurper of that office . . . that it is the most brazen theft of high office ever perpetrated in the history of our nation!

That alone demands that Congress haul him up for IMPEACHMENT proceedings — and trial for fraud!

HIS CAMPAIGN SHENANIGANS

Any attempt to chronologically record all of John Kennedy's political shenanigans and his deliberately false promises during his campaign for the Presidency would require several volumes of white space. However, I will cite one outstanding incident to serve as prima facie evidence of his utter disregard of truth, honor and decency.

As we know, in Boston, compared with the Cabots and the Lodges and the Saltonstalls, the Kennedys were considered political, as well as social, riff-raff. Realizing that in order to advance his political ambitions he would have to create an "IMAGE" for himself, Jack Kennedy began to make speeches all over the state of Massachusetts. Ordinary speeches, he felt, would not do much for his desired "IMAGE," so he seized upon every form of sensationalism for his subjects. In 1947 some of the truths about Franklin Roosevelt's political treacheries began to emerge. So, in a speech he delivered in Salem, Massachusetts, during that year, Jack Kennedy really played Roosevelt. In so many words, he denounced Roosevelt as a political crook — and particularly assailed his secret dealings (*betrayals*) with Stalin at Yalta. He also stressed that during his last years Roosevelt was a senile old idiot. He topped it off with some slighting remarks about Eleanor.

However, all that boomeranged against him in 1956, when he angled for the Vice Presidential candidacy. It was Eleanor and her gang (ADA) of Left-wing Democrats who balked him. He realized that if he dared hope for the Presidential nomination in 1960 he would have to fix his fences with that gang. He began to pander to Arthur Schlesinger and his faction of so-called intellectuals. They arranged a dinner engagement for Jack and Eleanor. Jack ate plenty of crow that night — and faithfully promised to make amends for his 1947 "*faux pas*." So'o'o, during his campaign he constantly eulogized "*Saint Franklin*", extolled his "*virtues*", his great "*humanitarianism*," his great administrative "*wisdom*," and pledged himself to "*take up where (the Pearl Harbor — Yalta) betrayer left off*."

With that very pledge, he told the American people that he would carry on the conspiracy to destroy the sovereignty of the nation which he was later to take an oath to preserve!

MORE GROUNDS FOR IMPEACHMENTS

No. 1) Throughout the campaign Kennedy kept charging that during the Eisenhower Administration American prestige throughout the world had plummeted to an all-time low. He cited many specific causes for that deterioration, but stressed Eisenhower's inept bungling of the Cuban situation. The horrifying debacle of the Cuban invasion is still too fresh in our minds to need reviewing in these pages. That debacle was a deliberate betrayal — it anchored a Communist menace right on our doorstep — it was treason in every meaning of that word. To emphasize that charge, I quote the following from *READER'S DIGEST*, issue of March 1962: "*Richard Nixon has said, 'If I had been responsible for failing to make a critical decision on the Cuban business which would have brought victory, I would have been impeached.'*"

Well, why not Kennedy? Why not the traitors in the State Department and in the Pentagon who wittingly and deliberately engineered that debacle? No. 2) Several months after the "*coronation*" of King John (*that is his conception of the inauguration*) our nation was rocked by the stunning revelation that the Kennedy Administration was delivering (*virtually GRATIS*) hundreds of our Jet Bombers to Yugoslavia. Kennedy pooh-poohed that "*tempest in a teapot*" and asserted that those planes were obsolete and we had to get rid of them. To his dismay — *and rage* — a Pentagon official denied it, and stated that all the Bombers delivered to Tito were exactly the same type as those in our own Air Force. Then came the further horrifying revelation that, *on orders from the White House*, our own U. S. Air Force was secretly training Yugoslav (*and other Red nations*) pilots how to operate those Bombers. The entire nation erupted with fury and indignation. It frightened Joe Kennedy's boy. But it also enraged him. He savagely denounced all those who voiced their anger — he branded them as "*dangerous Extremists*." In so many words "*... how did they dare to criticize or question His Majesty's orders?*" ... and promptly little brother Bobby ordered the Income Tax boys to descend on the most demonstrative objectors and "*examine*" their income-tax Reports.

That entire incident was an act of **RANK TREASON**, as defined by our Constitution under the "*rendering aid and comfort to the Enemy*" section — and **DEMANDS** impeachment proceeding!

No. 3) Under the Eisenhower Administration there was at least a partial ban on admission via our postal service of Communist propo-

ganda published and printed by Moscow, Prague and other Communist nations. Kennedy had hardly been inaugurated, when he ordered the lifting of all such bans and provided *free* delivery of same by our post-offices. As if they were waiting for that signal, Moscow began to pour their publications into our country by the *millions of tons*. That propoganda is deliberately intended to brainwash the American people — *especially our Youth* — into acceptance of Marxism. That is RANK TREASON !!! In addition, it tremendously increased the cost of operating our Post Office Department —and then, to meet that increased cost, Kennedy *brazenly* demanded that Congress increase all of our postal rates! *The taxpayers were to pay the costs of brainwashing our people!* How do you like that?

Now, this issue is devoted entirely to the features that DEMAND the impeachment of John F. Kennedy. There is a great deal to be said about the internal (domestic) havoc he has been creating from the very day he stepped into office. This can be charged to the mismanagement of an utterly ignorant, untrained, immature mind. I will review all of it in a later issue to be titled: "THE STATE DEPARTMENT AND OUR INVISIBLE GOVERNMENT." However, because, at the time of the Steel fiasco, one prominent Senator summed up the entire Kennedy mishmash in one sentence, I believe a repeat of his summation is apropos at this point.

As we all can recall, Kennedy erupted with wild rage at the time — he denounced all businessmen who opposed him as "*Sons of Bitches*". Simultaneously, little brother Bobby ordered the FBI and the Internal Revenue boys to harass and persecute various critics of the Administration. At the same time, the Salingers, Sorensons, Schlesingers, and others of the "*Irish Mafia*," spread the "*warning*" that King John is a very nice, generous and genial "*monarch*," but God help those who oppose or criticize him — and more words to that effect. And they also stressed: "*Look out, Little Bobby is watching you!*" Indeed, with those warnings, Jack acquired a new nickname: "*Tiger Kennedy*," no less. That was when the aforementioned Senator said: "*Our hapless country has fallen into the hands of a couple of ill-mannered, ill-bred, ill-tempered brats, who scream with rage when they can't have their way . . . here is a man (Jack) who never had to meet a payroll, who never had to live within a budget, who never has had to even earn the dollars to pay for his food and for his orgies—yet he insists on running the Economy of our nation—how long, oh, Lord, how long!*"

This is a true and most ironic picture of the assumption of "*royalty*" by the ill-bred Kennedy "*brats*," but it contains a highly tragic consequence for our country and for the American people unless

we quickly take the necessary action to strip them of their usurped powers. With all their arrogance, we know that they are captives of the Masterminds of the Great Conspiracy to transform our nation into a unit of a Communist (UN) One-World Government. For those who still cannot completely accept the Cuban Debacle; the delivery of our Jet Bombers — and secret training of Red Pilots; of the "open door" to Communist propaganda, as grounds for impeachment, I submit the "Department of State Publication 7277." This is a verbatim reprint of a plot to achieve the complete delivery of the U. S. to enslavement to the UN. I urge you to read it slowly — to pierce through the thin and obvious camouflaging of the plot. It is exactly the same plot that was embodied in the brazen "RESOLUTION" of the "United World Federalists," which was fully exposed in 1949 and rescinded in 1950, when it was proclaimed to be "an outright treason plot" — and the UWF denounced as "a cabal of traitors."

KENNEDY'S "DISARMAMENT" PLOT

"Department of State Publication 7277 . . . Disarmament Series 5. Released September 1961 . . . Office of Public Services . . . BUREAU OF PUBLIC SERVICES."

"Introduction:—

"The revolutionary development of modern weapons within a world divided by serious ideological differences has produced a crisis in human history. In order to overcome the danger of nuclear war now confronting mankind, the United States has introduced at the Sixteenth General Assembly of the United Nations a Program for General and Complete Disarmament in a Peaceful World.

"This new program provides for the progressive reduction of the war-making capabilities of nations and the simultaneous strengthening of international institutions to settle disputes and maintain the peace. It sets forth a series of comprehensive measures which can and should be taken in order to bring about a world in which there will be freedom from war and security for all states. It is based on three principles deemed essential to the achievement of practical progress in the disarmament field:

"First, there must be immediate disarmament action:—

"A strenuous and uninterrupted effort must be made toward the goal of general and complete disarmament; at the same time, it is important that specific measures be put into effect as soon as possible.

"Second, all disarmament obligations must be subject to effective international controls:—

"The control organization must have the manpower, facilities, and effectiveness to assure that limitations or reductions take place as agreed. It must also be able to certify to all states that retained forces and armaments do not exceed those permitted at any stage of the disarmament process.

"Third, adequate peace-keeping machinery must be established:—

"There is an inseparable relationship between the scaling down of national armaments on the one hand and the building up of international peace-keeping machinery and institutions on the other. Nations are unlikely to shed their means of self-protection in the absence of alternative ways to safeguard their legitimate interests. This can only be achieved through the progressive strengthening of international institutions under the United Nations and by creating a United Nations Peace Force to enforce the peace as the disarmament process proceeds.

"There follows a summary of the principal provisions of the United States Program for General and Complete Disarmament in a Peaceful World. The full text of the program is contained in an appendix to this pamphlet."

"FREEDOM FROM WAR

"The United States Program for General and Complete Disarmament in a Peaceful World

"Summary:— Disarmament Goal and Objectives

"The over-all goal of the United States is a free, secure, and peaceful world of independent states adhering to common standards of justice and international conduct and subjecting the use of force to the rule of law; a world which has achieved general and complete disarmament under effective international control; and a world in which adjustment to change takes place in accordance with the principles of the United Nations.

"In order to make possible the achievement of that goal, the program sets forth the following specific objectives toward which nations should direct their efforts:

"The disbanding of all national armed forces and the prohibition of their reestablishment in any form whatsoever other than those required to preserve internal order and for contributions to a United Nations Peace Force;

"The elimination from national arsenals of all armaments,, including all weapons of mass destruction and the means for their delivery, other than those required for a United Nations Peace Force and for maintaining internal order;

"The institution of effective means for the enforcement of international agreements, for the settlement of disputes, and for the maintenance of peace in accordance with the principles of the United Nations;

"The establishment and effective operation of an International Disarmament Organization within the framework of the United Nations to insure compliance at all times with all disarmament obligations.

"Task of Negotiating States:—

"The negotiating states are called upon to develop the program into a detailed plan for general and complete disarmament and to continue their efforts without interruption until the whole program has been achieved. To this end, they are to seek the widest possible area of agreement at the earliest possible date. At the same time, and without prejudice to progress on the disarmament program, they are to seek agreement on those immediate measures that would contribute to the common security of nations and that could facilitate and form part of the total program.

Governing Principles:—

"The program sets forth a series of general principles to guide the negotiating states in their work. These make clear that:

"As states relinquish their arms, the United Nations must be progressively strengthened in order to improve its capacity to assure international security and the peaceful settlement of disputes;

"Disarmament must proceed as rapidly as possible, until it is completed, in stages containing balanced, phased, and safeguarded measures;

"Each measure and stage should be carried out in an agreed period of time, with transition from one stage to the next to take place as soon as all measures in the preceding stage have been carried out and verified and as soon as necessary arrangements for verification of the next stage have been made;

"Inspection and verification must establish both that nations carry out scheduled limitations or reductions and that they do not retain armed forces and armaments in excess of those permitted at any stage of the disarmament process; and

"Disarmament must take place in a manner that will not affect adversely the security of any state.

"Disarmament Stages:—

"The program provides for progressive disarmament steps to take place in three stages and for the simultaneous strengthening of international institutions.

"First Stage:—

"The first stage contains measures which would significantly reduce the capabilities of nations to wage aggressive war. Implementation of this stage would mean that:—

"The nuclear threat would be reduced:

"All states would have adhered to a treaty effectively prohibiting the testing of nuclear weapons.

"The production of fissionable materials for use in weapons would be stopped and quantities of such materials from past production would be converted to non-weapons uses.

"States owning nuclear weapons would not relinquish control of such weapons to any nation not owning them and would not transmit to any such nation information or material necessary for their manufacture.

"States not owning nuclear weapons would not manufacture them or attempt to obtain control of such weapons belonging to other states.

"A Commission of Experts would be established to report on the feasibility and means for the verified reduction and eventual elimination of nuclear weapons stockpiles.

"Strategic delivery vehicles would be reduced:—

"Strategic nuclear weapons delivery vehicles of specified categories and weapons designed to counter such vehicles would be reduced to agreed levels by equitable and balanced steps; their production would be discontinued or limited; their testing would be limited or halted.

"Arms and armed forces would be reduced:—

"The armed forces of the United States and the Soviet Union would be limited to 2.1 million men each (with appropriate levels not exceeding that amount for other militarily significant states); levels of armaments would be correspondingly reduced and their production would be limited.

"An Experts Commission would be established to examine and report on the feasibility and means of accomplishing verifiable re-

duction and eventual elimination of all chemical, biological and radiological weapons.

"Peaceful use of outer space would be promoted:—

"The placing in orbit or stationing in outer space of weapons capable of producing mass destruction would be prohibited States would give advance notification of space vehicle and missile launchings.

"U. N. peace-keeping powers would be strengthened:—

"Measures would be taken to develop and strengthen United Nations arrangements for arbitration, for the development of international law, and for the establishment in Stage II of a permanent U.N. Peace Force.

"An International Disarmament Organization would be established for effective verification of the disarmament program:—

"Its functions would be expanded progressively as disarmament proceeds.

"It would certify to all states that agreed reductions have taken place and that retained forces and armaments do not exceed permitted levels.

"It would determine the transition from one stage to the next.

"States would be committed to other measures to reduce international tension and to protect against the chance of war by accident, miscalculation, or surprise attack:

"States would be committed to refrain from the threat or use of any type of armed force contrary to the principles of the U.N. Charter and to refrain from indirect aggression and subversion against any country.

"A U.N. peace observation group would be available to investigate any situation which might constitute a threat to or breach of the peace.

"States would be committed to give advance notice of major military movements which might cause alarm; observation posts would be established to report on concentrations and movements of military forces.

"Second Stage:—

"The second stage contains a series of measures which would bring within sight a world in which there would be freedom from war. Implementation of all measures in the second stage would mean:

"Further substantial reductions in the armed forces, armaments,

and military establishments of states, including strategic nuclear weapons delivery vehicles and countering weapons;

"Further development of methods for the peaceful settlement of disputes under the United Nations;

"Establishment of a permanent international peace force within the United Nations;

"Depending on the findings of an Experts Commission, a halt in the production of chemical, bacteriological, and radiological weapons and a reduction of existing stocks or their conversion to peaceful uses;

"On the basis of the findings of an Experts Commission, a reduction of stocks of nuclear weapons;

"The dismantling or the conversion to peaceful uses of certain military bases and facilities wherever located; and

"The strengthening and enlargement of the International Disarmament Organizations to enable it to verify the steps taken in Stage II and to determine the transition to Stage III.

"Third Stage:

"During the third stage of the program, the states of the world, building on the experience and confidence gained in successfully implementing the measures of the first two stages, would take final steps toward the goal of a world in which:

"States would retain only those forces, non-nuclear armaments, and establishments required for the purpose of maintaining internal order; they would also support and provide agreed manpower for a U.N. Peace Force.

"The U.N. Peace Force, equipped with agreed types and quantities of armaments, would be fully functioning.

"The manufacture of armaments would be prohibited except for those of agreed types and quantities to be used by the U.N. Peace Force and those required to maintain internal order. All other armaments would be destroyed or converted to peaceful purposes.

"The peace-keeping capabilities of the United Nations would be sufficiently strong and the obligations of all states under such arrangements sufficiently far-reaching as to assure peace and the just settlement of differences in a disarmed world.

"DECLARATION ON DISARMAMENT

**"The United States Program for General and Complete
Disarmament in a Peaceful World**

"The Nations of the world,

"Conscious of the crisis in human history produced by the revolutionary development of modern weapons within a world divided by serious ideological differences;

"Determined to save present and succeeding generations from the scourge of war and the dangers and burdens of the arms race and to create conditions in which all peoples can strive freely and peacefully to fulfill their basic aspirations;

"Declare their goal to be: A free, secure, and peaceful world of independent states adhering to common standards of justice and international conduct and subjecting the use of force to the rule of law; a world where adjustment to change takes place in accordance with the principles of the United Nations; a world where there shall be a permanent state of general and complete disarmament under effective international control and where the resources of nations shall be devoted to man's material, cultural, and spiritual advance;

"Set forth as the objectives of a program of general and complete disarmament in a peaceful world:

"(a) The disbanding of all national armed forces and the prohibition of their reestablishment in any form whatsoever other than those required to preserve internal order and for contributions to a United Nations Peace Force;

"(b) The elimination from national arsenals of all armaments, including all weapons of mass destruction and the means for their delivery, other than those required for a United Nations Peace Force and for maintaining internal order;

"(c) The establishment and effective operation of an International Disarmament Organization within the framework of the United Nations to ensure compliance at all times with all disarmament obligations;

"(d) The institution of effective means for the enforcement of international agreements, for the settlement of disputes, and for the maintenance of peace in accordance with the principles of the United Nations.

"Call on the negotiating states:— (a) To develop the outline program set forth below into an agreed plan for general and complete disarmament and to continue their efforts without interruption until the whole program has been achieved;

"(b) To this end to seek to attain the widest possible area of agreement at the earliest possible date;

"(c) Also to seek—without prejudice to progress on the disarmament program—agreement on those immediate measures that would contribute to the common security of nations and that could facilitate and form a part of that program.

"Affirm that disarmament negotiations should be guided by the following principles:

"(a) Disarmament shall take place as rapidly as possible until it is completed in stages containing balanced, phased and safeguarded measures, with each measure and stage to be carried out in an agreed period of time.

"(b) Compliance with all disarmament obligations shall be effectively verified from their entry into force. Verification arrangements shall be instituted progressively and in such a manner as to verify not only that agreed limitations or reductions take place but also that retained armed forces and armaments do not exceed agreed levels at any stage.

"(c) Disarmament shall take place in a manner that will not affect adversely the security of any state, whether or not a party to an international agreement or treaty.

"(d) As states relinquish their arms, the United Nations shall be progressively strengthened in order to improve its capacity to assure international security and the peaceful settlement of differences as well as to facilitate the development of international cooperation in common tasks for the benefit of mankind.

"(e) Transition from one stage of disarmament to the next shall take place as soon as all the measures in the preceding stage have been carried out and effective verification is continuing and as soon as the arrangements that have been agreed to be necessary for the next stage have been instituted.

"Agree upon the following outline program for achieving general and complete disarmament:

."Stage I

"A. To Establish an International Disarmament Organization:

"(a) An International Disarmament Organization (IDO) shall be established

within the framework of the United Nations upon entry into force of the agreement. Its functions shall be expanded progressively as required for the effective verification of the disarmament program.

"(b) The IDO shall have: (1) a General Conference of all the parties; (2) a Commission consisting of representatives of all the major powers as permanent members and certain other states on a rotating basis; and (3) an Administrator who will administer the Organization subject to the direction of the Commission and who will have the authority, staff, and finances adequate to assure effective impartial implementation of the functions of the Organization.

"(c) The IDO shall: (1) ensure compliance with the obligations undertaken by verifying the execution of measures agreed upon; (2) assist the states in developing the details of agreed further verification and disarmament measures; (3) provide for the establishment of such bodies as may be necessary for working out the details of further measures provided for in the program and for such other expert study groups as may be required to give continuous study to the problems of disarmament; (4) receive reports on the progress of disarmament and verification arrangements and determine the transition from one stage to the next.

"B. To Reduce Armed Forces and Armaments:

"(a) Force levels shall be limited to 2.1 million each for the U. S. and U.S.S.R. and to appropriate levels not exceeding 2.1 million each for all other militarily significant states. Reductions to the agreed levels will proceed by equitable, proportionate, and verified steps.

"(b) Levels of armaments of prescribed types shall be reduced by equitable and balanced steps. The reductions shall be accomplished by transfers of armaments to depots supervised by the IDO. When, at specific periods during the Stage 1 reduction process, the states party to the agreement have agreed that the armaments and armed forces are at prescribed levels, the armaments in depots shall be destroyed or converted to peaceful uses.

"(c) The production of agreed types of armaments shall be limited.

"(d) A Chemical, Biological, Radiological (CBR) Experts Commission shall be established within the IDO for the purpose of examining and reporting on the feasibility and means for accomplishing the verifiable reduction and eventual elimination of CBR weapons stockpiles and the halting of their production.

"C. To Contain and Reduce the Nuclear Threat:

"(a) States that have not acceded to a treaty effectively prohibiting the testing of nuclear weapons shall do so.

"(b) The production of fissionable materials for use in weapons shall be stopped.

"(c) Upon the cessation of production of fissionable materials for use in weapons, agreed initial quantities of fissionable materials from past production shall be transferred to non-weapons purposes.

"(d) Any fissionable materials transferred between countries for peaceful uses of nuclear energy shall be subject to appropriate safeguards to be developed in agreement with the IAEA.

"(e) States owning nuclear weapons shall not relinquish control of such weapons to any nation not owning them and shall not transmit to any such nation information or material necessary for their manufacture. States not owning nuclear weapons shall not manufacture such weapons, attempt to obtain control of such weapons belonging to other states, or seek or receive information or materials necessary for their manufacture.

"(f) A Nuclear Experts Commission consisting of representatives of the nuclear states shall be established within the IDO for the purpose of examining and reporting on the feasibility and means for accomplishing the verified reduction and eventual elimination of nuclear weapons stockpiles.

"D. To Reduce Strategic Nuclear Weapons Delivery Vehicles:

(a) Strategic nuclear weapons delivery vehicles in specified categories and agreed types of weapons designed to counter such vehicles shall be reduced to agreed levels by equitable and balanced steps. The reduction shall be accomplished in each step by transfers to depots supervised by the IDO of vehicles that are in excess of levels agreed upon for each step. At specified periods during the Stage 1 reduction process, the vehicles that have been placed under supervision of the IDO shall be destroyed or converted to peaceful uses.

"(b) Production of agreed categories of strategic nuclear weapons delivery vehicles and agreed types of weapons designed to counter such vehicles shall be discontinued or limited.

"(c) Testing of agreed categories of strategic nuclear weapons delivery vehicles and agreed types of weapons designed to counter such vehicles shall be limited or halted.

"E. To Promote the Peaceful Use of Outer Space:

"(a) The placing into orbit or stationing in outer space of weapons capable of producing mass destruction shall be prohibited.

"(b) States shall give advance notification to participating states and to the IDO of launchings of space vehicles and missiles, together with the track of the vehicle.

"F. To Reduce the Risks of War by Accident, Miscalculation, and Surprise Attack:

"(a) States shall give advance notification to the participating states and to the IDO of major military movements and maneuvers, on a scale as may be agreed, which might give rise to misinterpretation or cause alarm and induce countermeasures. The notification shall include the geographic areas to be used and the nature, scale and time span of the event.

"(b) There shall be established observation posts at such locations as major ports, railway centers, motor highways, and air bases to report on concentrations and movements of military forces.

"(c) There shall also be established such additional inspection arrangements to reduce the danger of surprise attack as may be agreed.

"(d) An international commission shall be established immediately within the IDO to examine and make recommendations on the possibility of further measures to reduce the risks of nuclear war by accident, miscalculation, or failure of communication.

"G. To Keep the Peace:

"(a) States shall reaffirm their obligations under the U.N. Charter to refrain from the threat or use of any type of armed force—including nuclear, conventional, or CBR—contrary to the principles of the U.N. Charter.

"(b) States shall agree to refrain from indirect aggression and subversion against any country.

"(c) States shall use all appropriate processes for the peaceful settlement of disputes and shall seek within the United Nations further arrangements for the peaceful settlement of international disputes and for the codification and progressive development of international law.

"(d) States shall develop arrangements in Stage I for the establishment in Stage II of a U.N. Peace Force.

"(e) A U.N. peace observation group shall be staffed with a standing cadre of observers who could be despatched to investigate any situation which might constitute a threat to or breach of the peace.

"STAGE II

"A. International Disarmament Organization:

"The powers and responsibilities of the IDO shall be progressively enlarged in order to give it the capabilities to verify the measures undertaken in Stage II.

B. To Further Reduce Armed Forces and Armaments:

"(a) Levels of forces for the U.S., U.S.S.R., and other militarily significant states shall be further reduced by substantial amounts to agreed levels in equitable and balanced steps.

"(b) Levels of armaments of prescribed types shall be further reduced

by equitable and balanced steps. The reduction shall be accomplished by transfers of armaments to depots supervised by the IDO. When, at specified periods during the Stage II reduction process, the parties have agreed that the armaments and armed forces are at prescribed levels, the armaments in depots shall be destroyed or converted to peaceful uses.

"(c) There shall be further agreed restrictions on the production of armaments.

"(d) Agreed military bases and facilities wherever they are located shall be dismantled or converted to peaceful uses.

"(e) Depending upon the findings of the Experts Commission on CBR weapons, the production of CBR weapons shall be halted, existing stocks progressively reduced, and the resulting excess quantities destroyed or converted to peaceful uses.

"C. To Further Reduce the Nuclear Threat:

"Stocks of nuclear weapons shall be progressively reduced to the minimum levels which can be agreed upon as a result of the findings of the Nuclear Experts Commission; the resulting excess of fissionable material shall be transferred to peaceful purposes.

"D. To Further Reduce Strategic Nuclear Weapons Delivery Vehicles:

"Further reductions in the stocks of strategic nuclear weapons delivery vehicles and agreed types of weapons designed to counter such vehicles shall be carried out in accordance with the procedure outlined in Stage I.

"E. To Keep the Peace:

"During Stage II, states shall develop further the peace-keeping processes of the United Nations, to the end that the United Nations can effectively in Stage III deter or suppress any threat or use of force in violation of the purposes and principles of the United Nations:

"(a) States shall agree upon strengthening the structure, authority, and operation of the United Nations so as to assure that the United Nations will be able effectively to protect states against threats to or breaches of the peace.

"(b) The U.N. Peace Force shall be established and progressively strengthened.

"(c) States shall also agree upon further improvements and developments in rules of international conduct and in processes for peaceful settlement of disputes and differences.

STAGE III

"By the time Stage II has been completed, the confidence produced through a verified disarmament program, the acceptance of rules of peaceful international behavior, and the development of strengthened international peace-keeping processes within the framework of the U.N. should

have reached a point where the states of the world can move forward to Stage III. In Stage III progressive controlled disarmament and continuously developing principles and procedures of international law would proceed to a point where no state would have the military power to challenge the progressively strengthened U.N. Peace Force and all international disputes would be settled according to the agreed principles of international conduct.

"The progressive steps to be taken during the final phase of the disarmament program would be directed toward the attainment of a world in which:

"(a) States would retain only those forces, non-nuclear armaments, and establishments required for the purpose of maintaining internal order; they would also support and provide agreed man-power for a U.N. Peace Force.

"(b) The U.N. Peace Force, equipped with agreed types and quantities of armaments, would be fully functioning.

"(c) The manufacture of armaments would be prohibited except for those of agreed types and quantities to be used by the U.N. Peace Force and those required to maintain internal order. All other armaments would be destroyed or converted to peaceful purposes.

"(d) The peace-keeping capabilities of the United Nations would be sufficiently strong and the obligations of all states under such arrangements sufficiently far-reaching as to assure peace and the just settlement of differences in a disarmed world."

And the U. S. A. would no longer be a sovereign state, but a unit in the Communist UN One-World Government !!!

IMPORTANT ADDENDUMS.

Our "Tract No. 8" contains a report of the UN "*invasion*" and "*capture*" of a number of small cities in California, Texas and New York. Limitation of space prevented naming the cities. In response to many requests, following are some of the names: Compton, South Gate, Anaheim, Inglewood, Santa Ana, Downey, Paramount, all in California; Manassus, Texas; Watertown, New York. The uproar caused by those "*invasions*" forced the UN to hastily abandon plans for similar "*invasions*" of other communities.

Our research of JFK's first marriage and divorce is developing considerable further information, plus documented proof. It will be published in our next issue.

HELP GET U. S. OUT OF UN !!!

One of our most important objectives since 1946 has been to get the U. S. out of the UN — and the UN out of the U. S. To achieve that objective all we really need is an exhaustive Congressional investigation of the UN. Such an investigation will unmask the entire Internationalists' Conspiracy to transform that monstrosity (UN) into a Communist One-World Government in which our nation would be engulfed and transformed into an enslaved unit — exactly as Hungary is an enslaved Satellite of Moscow.

Well, at long last we have a CHAMPION in the House of Representatives who has dedicated himself to accomplish that objective. His name is Hon. James B. Utt (Cal.), Old House Office Building, Washington D. C. He is endeavoring to line up the necessary additional Representatives to get the movement under way. Every loyal American must go all-out to help him! You can do it by sending signed copies of our UN Tract No. 1, or UN Tract No. 2, or any of our Tracts bearing on the UN, to your Representative and Senators, together with a personal letter. At the same time, be sure to send signed Tracts to Mr. Utt and assure him of your support.

If James B. Utt will never do anything else but accomplish a full Congressional investigation of the UN he will go down in our history as the savior of our Country . . . because such an investigation will do a repeat of what happened in 1949-50 when the California Legislature reviewed the UWF traitorous "RESOLUTION" — and rescinded it!

That UN "Dress Rehearsal" revealed another very serious problem for the "Master Plotters," to wit: During the "invasions" many infuriated townspeople (civilians) rushed into their homes and emerged with various types of guns (pistols, rifles, shotguns) ready and willing to mow down the "invaders." Now, the "Plotters" know that MANY millions of Americans are equipped with such weapons — they realize that what happened in Budapest and the Congo would be light skirmishes compared to what would take place when and if they would try to move any kind of alien troops into this country. They decided that there is only one sure way to make the American people helpless to prevent the final BIG Take-Over: take away ALL their weapons — completely disarm them — IN ADVANCE! . . . So'o in January 1961, simultaneously with the inauguration of Kennedy as President, Congressman Victor L. Anfuso (Dem. N. Y.) introduced a Bill (HR 613) before the House, which, when and if passed, will require all American citizens to register ALL their guns with the FBI!

Do you realize what that means? It means that when the UN will be ready to launch the "take-over" of the U. S., on order by JFK, the CFR's stooge in the White House, the FBI will be FORCED to confiscate every privately-owned weapon in the nation . . . we will be disarmed IN ADVANCE — we won't be able to fire one shot to prevent the enslavement of our Country within a Communist UN One-World Government!

(NOTE:—Don't dismiss this WARNING as alarmist conjecture. In our "News-Bulletins," Nos. 87 and 88, entitled "OUR INVISIBLE GOVERNMENT MADE VISIBLE," Parts 1 and 2, we establish, with prima facie evidence, that the CFR is already in full control of our Federal Government . . . our "News-Bulletins" Nos. 90 and 91 reveal how the CFR plant their stooges in the White House, the State Department and in all Federal Agencies. Every one of those "News-Bulletins" will startle you — shock you — ENRAGE you . . . make you FIGHTING mad — and determined to smash this plot! You can

get them from the "Cinema Educational Guild, Inc." for 50 cents per copy.)

Now you know why YOU, why ALL loyal Americans, must get off the sidelines and join in the fight for the survival of our nation—this is the most desperate battle for the preservation of our Freedom and Liberty since the Revolutionary War . . . Read full instructions in "News-Bulletin" No. 91 and join in the fight at once!

Meanwhile, for the love of God and our Country, send signed copies of this "Tract" to your Representative and both Senators . . . and get all their constituents in your community to do likewise — do it TODAY! The salvation of our nation depends on it!

Gentlemen of Both Houses of Congress: — Each and every one of you has a SWORN obligation to protect and defend the United States and our Constitution — and to safeguard all of the American people.

I, the undersigned, a citizen of the United States, hereby urgently request my Representative to join with other members in the House of Representatives and initiate the necessary Constitutional first steps for the impeachment of John F. Kennedy, President of the United States . . . I further request and urge both Senators of my State to carry out the final steps for the trial of Mr. Kennedy, as provided by our Constitution.

KENNEDY'S DEATH TRAP FOR U. S.!!!

"END OF USA! . . . This morning the United States was formally inducted as a Province in the United Nations One World Government . . . and by order of the UN the old name was stricken and replaced by 'People's Republic of No. America'."

How would you like to see that front-paged in your newspaper? . . . Well, that is what you WILL see someday between now and 1970 — if John F. Kennedy achieves his "DISARMAMENT" plot as described in the "U. S. State Department PUBLICATION 7277," issued in September 1961:

They described that "PUBLICATION" as "FREEDOM FROM WAR" . . . But, actually, it is JOHN F. KENNEDY'S "blueprint" for the total disarmament of the United States — for the transference of ALL of our Armed Forces to the "United Nations" — for placing the U. S. into the "protective custody" of the UN . . . FOR TRANSFORMING THE U. S. INTO A UNIT OF THE INTERNATIONALIST-COMMUNIST UN ONE-WORLD GOVERNMENT! !

"PUBLICATION 7277," is a blueprint of rank TREASON . . . only IMPEACHMENT OF KENNEDY will save our Country!

As described in "PUBLICATION 7277," the delivery of the U. S. to the UN is to be accomplished within nine years — in "three stages" of three years each.

STAGE NO. 1 will be devoted to setting up a new "United Nations" Agency, to be known as the "International Disarmament Organization" (IDO). The chief functions of the IDO will be . . . A) Set up the preliminary machineries for the "Disarmament" program . . . B) Ditto for the gradual in-

ductions of all UN members into the IDO . . . C) Blueprint the steps for gradual transference to the UN of all Nuclear armaments and all the secret processes for producing such weapons . . . D) Develop arrangements for establishment of a "UN PEACE FORCE," under the sole and absolute control of the UN. . . E) Set up quotas of manpower each nation is to provide;

STAGE NO. 2: Provide IDO with UNLIMITED POWER . . . 1) To ENFORCE reductions of the armaments and manpower of all (national) military forces . . . 2) To ENFORCE restrictions on production of armaments . . . 3) To ENFORCE transfer of all armaments (including Nuclear) already in existence to depots under the sole control of the UN's IDO . . .

STAGE NO. 3: Increase the "UN PEACE FORCE" to such overwhelming strength that no individual nation will have the military power to challenge UN orders and/or demands. States (nations) would retain only such armed force (police) needed to maintain internal order—all other manpower subject to conscription for "UN PEACE FORCE" only.

NOTE: Our "News-Bulletin," No. 91, entitled "WHY WE MUST IMPEACH KENNEDY," contains a complete (verbatim) reprint of "PUBLICATION 7277." Ed.)

This TREASON plot is far more heinous than that which made BENEDICT ARNOLD a byword of infamy in American history . . . it is more heinous than the treason for which Pierre Laval and Quisling were executed . . . it is TREASON which DEMANDS Impeachments and Trials of KENNEDY and of all of his collaborators!

Bear in mind, this Treason Plot is not new — it was launched long, long ago. In 1918-19, the Master Plotters set up the "League of Nations" to be the "housing" for their "One-World" trap. It failed — because one great American patriot kept the U. S. out of the "League." The Plotters waited for World War II and in 1945 they set up the "United Nations" for that very same purpose! Here is the PROOF!!!

THE "UWF" PLOT

Early in 1947 the Master Plotters, Council On Foreign Relations (CFR), set up the "UNITED WORLD FEDERALISTS" (UWF), officered and directed by REDS and Fellow-Travellers. The "job" set for the UWF was to coerce, seduce and bribe the Legislatures of 32 States to pass "Resolutions" memorializing Congress to transform the U. S. into a unit of a Federated (UN) One-World Government. It was all to be done very hush-hush. They chose California for their first "test." In March, 1949, the California Legislature SECRETLY passed the UWF "Resolution." Within four months, 25 additional States passed similar "Resolutions" . . . all they needed was 6 more States . . . and not one Newspaper, not one Radio news-caster mentioned one word about it!!!

But in July (1949) we (C.E.G.) launched a furious campaign that exposed the plot — and FORCED the Legislature to publicly review the (UWF) "Resolution." At the conclusion of that review, the UWF was denounced as a traitorous Cabal — and the "RESOLUTION" was promptly rescinded! Within 60 days 24 other State Legislatures followed suit. That killed the UWF traitorous plot!!!

Now: except for slight variations, the verbiage in KENNEDY'S "PUBLICATION 7277" is identical with that in the rescinded UWF "Resolutions" — it is identically the same TREASON, the "variations" in verbiage, being intended to (clumsily) camouflage the crux of the plot! But, wait you ain't heard nothin' yet!

THE UN "INVASION"

As it became obvious that the UWF plot was doomed, the UN decided to set up their own techniques and machinery for the "take-over" of the U. S. As their first step, they issued what they called: "United Nations Order No. 1." It ordered a number of small cities in California, Texas and New York (Names are available) to be "captured" and

"taken-over" by our own troops — in the name and authority of the United Nations!!! This was done without the knowledge of our President (Truman)—so he said . . . of our Chiefs of Staff — so they said . . . of the Governors of the three States. Upon being questioned, the head of the Security Council of the UN said it was "Simply a Dress Rehearsal." A Dress Rehearsal for what? He refused further explanation — and Washington hushed it all up!!!

THEY NEVER GIVE UP!

With their UWF plot and "Dress Rehearsal" torpedoed, the Master Plotters had to formulate new plans. They set up what they called "The World Association of Parliamentarians For World Government," and held a "Conference" in London in 1952. That "Conference" decided that the ruling body ("World Parliament") of the One-World Government would consist only of appointed members. There would be a World Director, 8 zone directors and 51 regional directors. None of them would ever serve in their own countries. So aliens would command alien troops stationed in the U. S. to enforce World Government law — and thus prevent American troops from "sheltering behind national allegiance."

That last precaution was inspired by what happened during that UN "Dress Rehearsal": many of our troops and Commanders indignantly refused to obey that "UNITED NATIONS ORDER NO. 1" That was why the "Conference" decided that each of the world zones would be "policed" by alien troops. The map they adopted for that purpose shows that Mongolian troops (the same kind that Khrushchev rushed into Budapest in 1956) are to be stationed in Canada, Mexico and the Northern half of the U. S., with Russian and Red Chinese troops in the Southern half . . . The map also shows that American troops, conscripted by the UN, would be transported to "police" various other nations . . . But wait — you (still) ain't heard nothin' yet!!!

SPECIAL - June, 1962 - BULLETIN

A VITAL WARNING !!

In this "SPECIAL BULLETIN" you will find revealed the most startling, most frightening, most sinister —

TREASON PLOT

— in the known history of the world a plot directly aimed to deliver the United States to the Internationalist-Communist (UN) One-World Government . . . a plot to destroy the Liberty and the Freedoms of the American people . . . a plot to so completely disarm the entire nation that we'd be forced to surrender without firing a shot! I will reveal this step-by-step plot so clearly that even a school boy can see through it.

Therefore, if you love our STILL FREE America, please DIGEST every word in this Bulletin The salvation of our Country, AND THE FUTURES OF YOUR CHILDREN, depends upon how you will read it — and upon what you do after you have read it.

Dear Fellow-American:

Immediately after Nixon and Kennedy were nominated in 1960, we issued a Special Bulletin in which I stressed that regardless which man would be elected we would be in for four years of deceit, of chicaneries, of treasonous maneuverings to push us deeper and deeper into the clutches of the "United Nations." I based that prediction on the fact that both men were pledged stooges (members) of the "Council On Foreign Relations" (CFR) — and on the fact that the UN was set up by the "Internationalist-Communist Conspiracy" (ICC) to be the housing for their planned "One-World Government."

(Note: The CFR is the chief apparatus of the ICC for the control of our Government. Limitation of space in this Bulletin does not permit a detailed account of the Machiavellian machinations of this diabolical Cabal, but it (CFR) is completely unmasked in our "News-Bulletins," Nos. 87 and 88, entitled "OUR INVISIBLE GOVERNMENT MADE VISIBLE," Parts 1 and 2. All "News-Bulletins" are 50 cents per copy. MCF)

Then, in our January, 1961, "Year-End Report," after Kennedy was elected, I stated that Jack Kennedy had "slithered his way into the White House on a raft of brazen falsehoods and false promises." In that same "Report," I warned that his entire career in the White House would be dominated by two objectives: . . . 1) A grab for personal power, such as even Franklin Roosevelt had not dared to attempt; . . . 2) A determination to fulfill the objective of his masters, the CFR, to transform the United States into a unit of their planned (UN) One-World Government.

I wish — oh, how I wish — I could say that those early forebodings were unfounded fears of a too vivid imagination. But Kennedy has fully confirmed all those forebodings — his every act and deed, since he stepped into the Presidency, starkly indicates that (with CFR approval, of

course) he fully intends to make himself the FIDEL CASTRO of the United States . . . and nothing but IMPEACHMENT will stop him !!!

Kennedy has committed, literally, SCORES of acts and deeds which warrant "impeachment" action against him, but in this Special Bulletin I shall confine my charges to just one act, which, for the SALVATION of our Country, DEMANDS his removal from office — and trial by the Senate on charges of rank treason . . . the act I mean is his "DISARMAMENT" proposal of April 18, 1962 which requires:

Complete Disarmament of the United States — and transference of all our Armed Forces (Army-Navy-Air Force — all Nuclear weapons) to the "United Nations." All to be accomplished in three stages during the next nine years . . . the various "stages" of this horrifying, treasonous DELIVERY of the United States to the UN are fully described in "Department of State Publication 7277," entitled "FREEDOM FROM WAR," issued in September, 1961.

(Note: At this point, in order to save space, I suggest you pause and read the accompanying "Tract, No. 8." Please read it thoroughly — DIGEST it. It contains the "THREE STAGES" set forth in "PUBLICATION 7277" for the gradual delivery of the U. S. to the UN. All "THREE STAGES" are condensed to fit into the limited space of the "Tract," but otherwise they are virtually verbatim reprints. In addition, the "Tract" contains the horrifying companion — plots that are to render the American people utterly defenseless in order to facilitate the transformation of the U. S. into a unit of the UN One-World Government . . . "News-Bulletin," No. 91 contains the complete text of "PUBLICATION 7277. Ed.)

Now, my Fellow-American, if you have DIGESTED the "Tract," you can see that we are in the most desperate fight for the preservation of our Freedoms and our Liberty since the Revolutionary War. There is only one way for us to win this fight, and that is by IMPEACHING KENNEDY. . . . You have your choice: a KENNEDY DICTATORSHIP that will drive us into a Communist One-World Government — or salvation of our Country by impeaching the would-be Dictator !!!

For those who feel shocked by the thought of impeaching a PRESIDENT (or a Warren) there is just one question: what is more important — condoning Kennedy's activities to destroy the sovereignty of our Country — or the salvation of our Nation?

And those who doubt that such an "exalted" personage CAN be placed on trial should bear in mind that in 1868 a PRESIDENT of the United States (Andrew Johnson) was impeached by the House of Representatives — and escaped CONVICTION by the Senate BY JUST ONE VOTE! Moreover, when the "Teapot Dome" scandal broke, President Harding committed suicide in San Francisco when he was informed that on his arrival in Washington he would face

100-30788-62 105

impeachment proceedings. By comparison with the Estes scandal, the "Teapot Dome" looting was picayune — it was picayune compared to the delivery of Cuba to Fidel Castro — it was picayune compared to the murderous betrayal of the Cuban Freedom Fighters — it was microcosmic and infinitesimal compared to Kennedy's plot to disarm the U. S. and deliver our Country to the UN. Nevertheless, Harding committed suicide because he was told that he would be impeached by the House of Representatives — and, *very likely*, convicted by the Senate.

Now, I am not going to use up any of the limited space in this "Special Bulletin" to recite the many foul and reprehensible deeds committed by Kennedy and his gang — *you will find all that in our forthcoming "News-Bulletin, No. 91."* I will use *this* document to provide the *remedies* to safeguard our nation from the Kennedys in Washington.

Bear the following important point in mind as you keep reading: the salvation of our nation lies in the hands of our Congress. Our Constitution provided us with three independent branches of Government: Congress to make our Laws — the Executive branch to execute them — the Supreme Court to interpret them.

Of course, we know how the Supreme Court has for years been selling us out to the Communist Conspiracy . . . we know that *for many years* the White House has been playing the game of (OUR INVISIBLE GOVERNMENT) the Masterminds of the Great Conspiracy. But now, what about our Congress? The men in our Congress are the direct representatives of the people — they are (*supposed to be*) loyal to the people — they are (Constitutionally) independent and free of control by the Executive branch. What's become of their independence and of their loyalty? . . .

For the past 30 years and more, the vast majority of them have been surrendering both their independence and their loyalty to the man in the White House — *in return for Federal Patronage . . .* and through all those years they have been helping the man in the White House to grab more and more power — so that *they* can get more and more of that "Federal Patronage."

We know that all of the vicious Bills that have been destroying, bit by bit, the Freedoms guaranteed to us by our Constitution have been drafted by the Brain Trusters and "Intellectuals," such as the Arthur Schlesingers and the Ted Sorensens, on orders from the CFR. Every one of *such* Bills was sent to Congress with a "MUST" attached to it — and many such Bills were passed by Congress without consideration, without debate, and in most cases, without even being read by 90 percent of the members of both Houses. That is a very harsh charge — to some, it even may sound utterly unbelievable. Well, here is my proof for it:

In March 1950 we forced the California Legislature to haul out the treasonous UWF "RESOLUTION" for (public) review. That "review" clearly — *and shockingly* — revealed that that "RESOLUTION" called for the transformation of the United States into a unit of a "Federated (UN) One-World Government" — it called for surrender of our Sovereignty — for the outlawing of our Constitution, of our Bill of Rights, of our Declaration of Independence — for degrading our glorious Flag into a mere State emblem.

Now, after that "Resolution" was denounced as a document of Treason, and rescinded, I, personally, asked SCORES of the (State) Senators and Assemblymen why they had signed passage of such a vicious "Resolution" . . . the answer invariably was that they had not read it — that it had been submitted with a MUST PASS order from

the then Governor, Earl Warren, and Artie Samish, the man who then called himself the Dictator of the California Legislature. This same Samish was the most corrupt Lobbyist in Sacramento — he also was the ADL's "hatchet man," and chief "under cover" representative for CFR in Sacramento.

Now, you may still wonder how the men we elect to represent us in Congress and in our State Legislature DARE to do such things — and how they get away with it. Well, I'll give you the answer:

"DON'T TELL THE PEOPLE!"

Through time immemorial that has been the cry of the crooked politician — and the Dictator. The one thing that all such men, from Ceasar to Kennedy, dread is the wrath of an alerted people. *Always*, their first step was to seize and control all mass communications media. And that was the first step of the Masterminds of the GREAT CONSPIRACY in America . . . in "News-Bulletins" Nos. 87 and 88, Parts 1 and 2 of "OUR INVISIBLE GOVERNMENT MADE VISIBLE" I reveal the CFR's ABSOLUTE control of all of our Mass Communications Media!

WINCHELL MUZZLED - QUITTING HEARST PAPERS!!

To confirm that "DON'T TELL THE PEOPLE" statement, on June 20, 1962, Walter Winchell broadcast that he is forced to give up his column in the Hearst papers, due to CENSORSHIP — he stated that many of his criticisms of Communism AND THE KENNEDY ADMINISTRATION have steadily been deleted — ON ORDERS FROM THE WHITE HOUSE to "STOP OR DROP WINCHELL!"

THEY DEPEND ON "SHORT MEMORIES"

At this point, I wish to stress one vital factor in the "DON'T TELL THE PEOPLE" technique. The "Masterminds" have long known that the "memories" of the American people — "of all peoples" are extremely short. Most people are very busy earning their livings. Thus, what they read in today's newspaper is quickly forgotten — unless they get constant reminders. Thus, when the people are aroused by some particular expose, the "Masterminds" wait a month, two months, or even years, until the people have "forgotten" — and then they launch the plot all over again. One prime example is the "United Nations!" In 1920 the "League of Nations" was unmasked as a would-be "One-World" trap. The "Masterminds" waited twenty-five years before they launched the same trap under the name of "United Nations" — and, sure enough, the people had "forgotten" — and our nation walked into the trap.

But I will cite an even more amazing case — more amazing because when it happened, in 1949 - 50, it was almost as sensational (*anyway, in California*) as the Pearl Harbor sneak attack. I am referring to the exposition (*and rescission*) of the UWF "Resolution" treason plot. The man who "masterminded" that entire plot was one Alan Cranston, then the California Chairman of UWF. Cranston was the "pay-off" man who "financed" the railroading of the UWF "Resolution" . . . he was the man who "coached" the local UWF Chairmen to forge the names of prominent citizens in their communities to send telegrams to their Senators and Assemblymen to prevent the rescission of the "Resolution" . . . he was the man who brazenly admitted that the

UWF was created and organized by 42 notorious Reds and Fellow-Travelers. All that, *and much more*, was stressed at the Hearings for the rescission. In addition, in our then current "*News-Bulletin*," we published Cranston's pro-Communist background — a background that required many pages. After the rescission, Cranston disappeared from public view — and he remained hidden in oblivion for seven years. Then, in 1958 he emerged as a (*Democratic*) candidate for the office of Comptroller of California. Not one newspaper, not one Radio or TV newscaster, mentioned one word about his attempted UWF treason activities, or about his pro-Communist background — and this individual, whose name in 1950 was anathema with all the people in California, was elected — *the people had FORGOTTEN!* I am positive that if they had been "*reminded*," they would have hurled him back into the oblivion where he had been lurking since April 1950. Now Cranston, *the man who (had) frenziedly tried to transform our Country into an enslaved unit of a Communist One-World Government*, is running for re-election — and, unless the people in California will be properly *reminded*, he will be re-elected!

I cite the Cranston case for one specific reason: to show you that the CFR's iron-fisted control of our Press, Radio and TV is our greatest menace — and our chief problem. If you still doubt it — if you still think we have **FREE-DOM OF THE PRESS**, *just stop and think how Walter Winchell has been muzzled!!!*

Now, I hold no brief for Winchell. Throughout all his years he had zealously played the ADL game — the FDR game — the Eisenhower game. In short, he was a "*Liberal*." But, suddenly, like a conscience-stricken Louis Budenz, or a Chambers, he realized that the life of his Country is in grave danger — that Kennedy is a dedicated CFR tool, scheming to deliver our Country to a Communist One-World Government. He began to criticize Kennedy — the Communist Conspiracy — the UN . . . *you know the rest!*

CONGRESS IS OUR ONLY HOPE

I don't have to *stress* the grave danger hovering over our beloved Country. Obviously, we can't look to the White House to avert that danger . . . or to the State Department . . . or to the U. S. Supreme Court . . . or to *any* Federal Agencies. With few, *if any*, exceptions, every top official in the Kennedy Administration is a member of the CFR, or the ADA — and therefore dedicated to advance the treasonous "*One-World*" plot; every one of them was *appointed* to his high office by Kennedy — therefore they operate on the theory that they are not under the control of *the People*, or answerable to *the People*; every one of them feels safe in his treasonous activities because he is sure of Kennedy's "*Executive Privilege*" protection — such as shielded McNamara's brazen defiance of a Senate Committee during the controversy over his "*muzzling*" of Army and Navy top Brass.

But there is one branch of our government that IS answerable to "*the People*" — that CAN be controlled by "*the People*" — that branch is CONGRESS. The members of Congress are the direct representatives of "*the People*." We, the people, send them to Washington to safeguard our interests. They owe fealty and obligation **ONLY** to the people. Every two years all the Representatives and one-third of all the Senators come back to us to tell us *how* they have represented us — and, on the strength of those accountings, request us to send them back to Washington. Which means that we, *the people*, have the power to **MAKE** Congress obey us.

Now, Congress has the power to investigate the activities of every one of our Federal Departments and Agencies — it has the power to haul in the "*United Nations*," UNESCO, and all other UN Agencies, for thorough investigation — it has the power to publicly review the UN Charter, *exactly as the California Legislature reviewed the UWF "Resolution"* — it has the power to "*get the U. S. out of the UN and hurl the UN out of the U. S.*" — it has the power to impeach a traitorous Supreme Court Justice, or a President. *In short, it has the power to SAVE our Country!*

But now let's face a deplorable fact: Congress won't save our country **UNLESS** we, the people, **FORCE** them to do it! Because many of the men we send to Washington to guard our interests and our nation are not worthy of the trust. Many of them are political opportunists and charlatons — many quickly succumb to temptations (*bribes*) of the Lobbyists — some go there determined to be honest and honorable, but surrender to intimidations, threats, and White House blackmail (*no Federal Patronage*) — still others like to be "*nice guys*" and "*go along with the gang*."

During the past half-century the men we have been sending to Washington have betrayed us many, many times. They betrayed us when (*bulldozed by Eisenhower*) they rejected the Bricker Amendment — they betrayed us when they "*suckered*" the U. S. into the UN — they betrayed us when they delivered our money system (*Federal Reserve Act*) to the Internationalist Bankers gang — they betrayed us when they enacted the (*16th Amendment*) Federal Income Tax Law, etc., etc.

Shall I tell you why all those men have been betraying us? Because they know that our Press, Radio and TV are controlled and muzzled — they know all about that CFR ukase: "**DON'T TELL THE PEOPLE**" — and they use that ukase as *their "cover-up"* for *their* betrayals. Every two years they come to us with their blandishments, their assurances, their "*faithful*" promises — and because the vast majority of their constituents (*voters*) are unaware of their political chicaneries, they are re-elected to go back to Washington to blithely and **BRAZENLY** continue their betrayals . . . on the theory that what we won't know won't hurt *them!* . . . That's what we must stop! *And I assure you we CAN stop it!* We can stop it exactly as we (CEG) stopped that UWF "**RESOLUTION**" plot . . . let me show you how we did *that* job:

It was in March, 1949, that the California Legislature approved and passed that treasonous "**RESOLUTION**." It was accomplished with *unlazing secrecy* — *not one newspaper, not one Radio newscaster mentioned a word about it!*

We (CEG) learned about it three months later. We promptly demanded a hearing by the California Senate Judicial Committee. It was granted — *after strong pressure*. At that hearing we demanded a public review of the **RESOLUTION** — *and its rescission*. The demand was *contemptuously* rejected. Thereupon we decided to "*get the story to the people*." We issued a Special "**NEWS-BULLETIN**" in which we revealed the entire plot. Simultaneously, we appealed to all of our (CEG) members in the state to not only circulate that "*News-Bulletin*" in their various communities, but to enlist some of their friends to join CEG as *active members* and thus help us in what we knew would be a very tough battle.

The reason I wanted **MEMBERS** was based on the theory that any person who could become that "*sold*" on us (CEG) and on our objective would be a zealous "*Paul Revere*" in his (*or her*) community — I felt that they would zealously "*spread the word*" and carry out all our directives . . . and *I was right!*

All of our members responded to that appeal, God love 'em! They brought in many new FIGHTING members — all of them ready and willing and EAGER to carry out all our directives Our directives were very simple 1) Get our "News-Bulletins" and "Tracts" into every home in their communities 2) Get every loyal American to write, wire, phone their Assemblyman and Senators and tell them in no uncertain language that they MUST haul out that UWF "Resolution" for public review — OR ELSE!

Soon, the letters, wires and phones began to pour in — within a month there was a daily avalanche such as Sacramento had never experienced — before or since. In February, 1950, the Legislature capitulated — the Hearings were held in March — *and that was the end of the UWF plot!*

Fellow-American, what we did in Sacramento we can do in Washington. We have all the "ammunition" we need for the job. I won't attempt to describe it in this limited space, but I assure you that at the proper moment you will get the kind of "ammunition" that will enable you and all our co-workers to do a perfect job.

WE NEED MORE "SOLDIERS"

Now what we need, *must have*, is more *fighting-members* in EVERY community in order to "get the story to the people." So, I now appeal to you to get us (CEG) as many new members as you can — *in your community!* Twenty, even ten, such additional members will fully alert your entire community — and start the kind of an avalanche of letters that will FORCE Congress to take the kind of action that will smash the entire Conspiracy. Just the start of impeachment proceedings against Kennedy and/or Warren will do it — it will smash the CFR — it will torpedo the UN.

Friend, we must start the action IMMEDIATELY! Between now and November all the members of Congress will come to their constituents and plead for re-election. Well, we must tell them NOW on what conditions we will vote for them — *we will provide you with the CONDITIONS and the AMMUNITION!* Just write us TODAY and tell us that you are with us — *to win this final battle!*

VITAL! Please help us to get the enclosed "Tract" into circulation throughout the nation — instruct all your friends and neighbors to *sign* copies and send them, together with a personal letter, to your Representative and Senators. Do that NOW — *and get the campaign under way!* Also get them to send to us for "News-Bulletins" Nos. 87, 88, 90 and 91. I am positive that any loyal American who will read those "News-Bulletins" will immediately jump into the fight.

ANOTHER WAY YOU CAN HELP

To get this project into QUICK action we must contact all the patriots throughout the nation (*including non-members of CEG*) who co-operated with some of our other projects. That means approximately 30,000 individuals, plus heads of all patriotic groups, American Legion and VFW Posts, DAR Chapters, etc. We are mailing this "Special Bulletin" to 15,000 of these carefully picked patriots, but we do not have the finances to cover the other 15,000. If you approve of our objective, please finance a few letters for us. One dollar will finance 8 letters — ten dollars will finance 80 letters — one hundred dollars will finance 800 letters. Also, you may have friends and neighbors you'd like to "alert," but can't spare the time to do it — or you may prefer to be anonymous — send us the list and the financing and we will be very glad to do it for you.

PLEASE SEND US YOUR 1962 DUES

As I have always told you, we depend upon our membership dues to defray all of our operational activities. We get no financial help from Foundations — we are too patriotic for them. Now we have this tremendous, *and tremendously vital*, job to do. It will require an enormous amount of printing, labor, postage — but I am sure you agree that it is a MUST job. So I now repeat my previous request: please endeavor to enlist some of your friends to become CEG members. The dues are only \$12.00 a year — surely, the salvation of our glorious country is worth \$12.00 to all loyal Americans also, if you have not yet sent in your dues for 1962, please do it now — TODAY . . . we need it NOW to cover the tremendous mailing to launch this project to smash the CONSPIRACY — every extra dollar we will receive will enable us to do just that much more. PLEASE DO IT TODAY!

Yours for God and Country,

Myron C. Fagan

All our "News-Bulletins" are 50 cents per copy — 25 cents to CEG members . . . our Tracts are \$2.00 for 100 copies.

Additional copies of this "Special Bulletin" can be had for 15c a single copy — or 10c per copy in quantities. This "Special Bulletin" can help you to interest your friends in our objective.

Here you have the names of more than 200 of the most rabid REDS and Fellow-Travelers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

Fagan . . . this book will startle you—shock you—ENRAGE you . . . and make you FIGHTING mad! You can get this **sensational** book by sending \$2.00 to Cinema Educational Guild, Inc."

"RED STARS"—TRACT
THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . To save America
from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

Keep Them OUT of Your (TV) Living Rooms - Out of Radio - Off the Screen

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and other wise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-ISM . . . and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. The Hollywood Moguls frantically denied everything. That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the

industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their pocketbook! — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—RACIAL DISSENSIONS!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — even the infamous "HOLLYWOOD TEN" are back again! — and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are brainwashing and poisoning your children right under your very eyes! . . .

YOU can stop all that!—by shunning the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once—you can do it again!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America!!!

Among the worst offending Sponsors are FORD MOTORS; Kraft Foods; General Electric; Chrysler; U. S. Steel; Texaco, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows (and the Ed Sullivan Show in particular) are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see.

Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPON-

SOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE.

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", don't you believe it—because the pro-Communist record of every individual named in this list is **documented** in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

AMERICANS

**To save America from the
Communist Conspiracy —**

DON'T PATRONIZE REDS!!!

**KEEP THEM OUT
OF YOUR (TV)

OUT OF RADIO —
OFF THE SCREEN**

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway—and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to create a world of hate and a world of hate.

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious **"Hollywood Ten"** to jail. That **ROCKED** the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed **THOUSANDS** of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** — that **"never again would they produce RED-propaganda films"** and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify **MARXISM—ONE-WORLDISM—DESEGREGATION!**

In short, **TODAY** the REDS are back in Hollywood stronger and more brazen than ever — **even the Charlie Chaplin pictures are on the Screens again!** — and all the honors, including the **"Oscar"**, have been restored to them . . . all because the people have **forgotten!**

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — **by the Hollywood Reds!** **RIGHT NOW** all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set**, they are being piped into your Living Room—and are **brainwashing and poisoning your children right under your very eyes!** . . .

YOU can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again **FORGET** that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room **VIA YOUR TV SET** you will be helping Moscow and the **INTERNATIONALISTS** to destroy America!!!

Among the worst offending Sponsors are **FORD MOTORS** (Ed Sullivan Show in particular); **Kraft Foods**; **General Electric**; **Chrysler**; **U. S. No. 88

BENEDICT ARNOLD, VINTAGE 1913

In our last issue, "*News-Bulletin*" No. 87, I traced the progress of the GREAT CONSPIRACY from 1867, when Jacob H. Schiff arrived in the United States, to 1913, when they finally landed Woodrow Wilson in the White House.

Actually, that was the second stage of the Conspiracy in America. As I pointed out in the previous issue, the "ILLUMINATI" had begun to infiltrate into the Colonies even before our Revolutionary War — and they continued their machinations right through the Civil War. The outcome of that war virtually wiped out all their bridgeheads. So, when Schiff arrived here to "*take over*," he practically had to start from scratch.

During his first thirty years Schiff's progress was very slow. He had to lay new foundations for his House of Treason — he had to acquire Lieutenants and create an "*organization*," etc., etc. In short, those were the formative years of the second stage of the Conspiracy. But in the years following the turn of the century their momentum increased in leaps and bounds — as described in "*News-Bulletin*" No. 87. By 1914, with stooge Wilson, the first of their Benedict Arnolds in the White House, all set to carry out all their directives, they prepared to launch their third and (*they hoped*) final stage of the Conspiracy . . . *the first step of that third stage was World War One!*

I won't stop to deal with how they accomplished that first step. History records that that War was precipitated by a trivial incident — the assassination of an Austrian Archduke. We will go on to the next step.

"THE YANKS ARE COMIN' "

By 1917 the Great Conspiracy had achieved its primary objective: Europe was in a state of devastation — and all the peoples were war-weary and crying for peace. And the outcome, too, was all set by then, to wit: as soon as the United States would be hurled in on the side of the Allies — *and that was all set to "happen" immediately after Wilson's re-election* — there could be only one outcome: complete victory for the Allies.

NOTE:—To fully confirm that statement that long before 1917 it was "all set" to hurl the United States into that war, I will cite an incident: When Wilson was campaigning for re-election in 1916, his chief appeal was: "Elect the man who will keep your sons out of the war." But during that same campaign a number of Congressmen and Senators, who also were campaigning for re-election, publicly charged that Wilson had long committed himself to throw the U. S. into the war — that if he would be defeated he would accomplish that act during his few remaining months in office, but if re-elected he would hold off until after the inauguration. Wilson was re-elected — and, as per schedule, hurled us into the war in April 1917 . . . Roosevelt followed the same technique in 1940 when that charlatan was campaigning for his third term — his cry was: "I'll say it again and again and again — I will never send American boys to fight on foreign soil." MCF.

RUSSIA THE BIG PROBLEM

Victory for the Allies would eliminate all the monarchs of the defeated countries and leave all their peoples leaderless, confused, bewildered — perfectly conditioned for the One-World Government the Great Conspiracy intended. But there still would be an obstacle — the same obstacle that balked Rothschild at that "*Congress in Vienna*" peace gathering in 1815.

Russia would be on the winning side this time, as it was in 1815. Therefore, the Czar would still be securely on his throne. As pointed out in our previous "*News-Bulletin*," Russia, under the Czarist regime, had been the one country in which the "ILLUMINATI" had never made any headway — nor had Rothschild ever been able to infiltrate any of *his* termites. A winning Czar would be more difficult than ever to deal with. Even if he were enticed into a so-called "*League of Nations*" he would never, *but never*, go for a One-World Government. Obviously, as that early Rothschild had vowed, the Czar and all his heirs would have to be eliminated — *liquidated* — and it would have to be done *before* the close of the war!

TROTSKY AND LENIN THEIR BOYS

Actually, the "*Masterminds*" had been formulating their plans for the "*elimination*" of the Czar and his regime (*and the whole Roman-*

off family) long before the outbreak of World War One — the Bolsheviki were to be their instrument!

During those early years the chiefs of the Bolsheviki were Nicolai Lenin and a man named Bronstein, later better known as Leon Trotsky. Prior to the outbreak of the war Lenin headquartered in Paris; after the outbreak Switzerland became his haven. Trotsky's headquarters were on the lower East Side of New York.

Both were similarly bewhiskered and unkempt — in those days that apparently was the badge of Bolshevism. Both lived well, yet neither had a regular occupation. Neither had any visible means of support, yet both always had plenty of money. All those mysteries were solved in 1917.

During the late months in 1916 and the early months of 1917 Lenin entertained strange visitors in his Switzerland hideaway — men of the very highest places in the world. One of those visitors was Edward M. House — the mysterious Colonel House who was Woodrow Wilson's mentor and palsy-walsy, and also Jacob H. Schiff's special messenger boy. Another of the visitors was the Warburg (*of the Warburg Banking clan*) whom Kaiser Wilhelm had made his Chief of Secret Police.

In addition, there were the Rothschilds of London and Paris . . . and here it must be reminded that England and France were then long in war with Germany, and that on February 3, 1917, Wilson had broken off all diplomatic relations with Germany; therefore Warburg and all those others, including House, were "*enemies*" — but, of course, Switzerland was neutral ground, where, presumably, "*enemies*" could be "*friends*" — especially if they had some schemes in common.

Concurrent with those visits, a sinister gang of characters streamed into Lenin's "*headquarters*." There was Litvinov from London; Kaganovitch; Stalin (*the Jesse James of the Urals*), etc., etc. . . . *something big was in the wind!*

At the same time similar strange and mysterious goings-on were taking place in New York. Night after night the unkempt Trotsky darted furtively in and out of Jacob Schiff's palatial mansion. And in the dead of those same nights there were gatherings of hard-faced denizens of New York's lower East-Side at Trotsky's "*headquarters*." But it all remained shrouded in mystery — nobody "*talked*." Then, suddenly, Trotsky vanished. So did several hundred of the previously mentioned hard-faced characters — the better word is thugs. All were on the high seas on a Schiff-chartered ship — bound for a rendezvous with Lenin and *his* gang. And on that ship there was

twenty million dollars in gold — *the twenty million dollars Schiff provided to finance the Bolsheviki (Communist) take-over of Russia!*

At one point this voyage came very near to ending in disaster — the Schiff-chartered ship was intercepted and taken into custody by a British warship. But Mister Schiff quickly rushed Colonel House off to Washington with *orders* to Wilson to order the British to permit his gang of thugs to go on their way. Wilson obeyed; he warned the British that if they refused to release the ship *intact* the U. S. would not enter the war in April — *as he had promised*. The British heeded the warning — and Trotsky joined Lenin.

But they still faced what would ordinarily have been an insurmountable obstacle, viz: how to get the Lenin-Trotsky-Schiff band of terrorists across the border into Russia. That was where brother Warburg came in: he loaded all those thugs into sealed freight cars and made all the necessary arrangements for their secret entry into Russia.

The rest is history and needs no repetition in these pages. My chief objective is to establish beyond the shadow of a doubt that Communism is an integral part of the Great Conspiracy of the INTERNATIONALISTS for the enslavement of the entire world — and that the conquest of Russia was in great part organized right in our own city of New York. A most fantastic story? Yes, I imagine some will even say it is *utterly incredible*. Well, for the benefit of any Thomas who doubts, I will *document* it with a reminder that just a few years ago Cholly Knickerbocker, columnist on the Hearst newspapers, published an interview with John Schiff, grandson of Jacob, in which young Schiff confirmed the entire story and *named the figure old Jacob contributed* — TWENTY MILLION DOLLARS!

If anyone still has even a remote doubt that the entire menace of Communism was created by the Masterminds of the Great Conspiracy right here in our own New York city, I cite the following: the records show that Lenin and Trotsky operated as heads of the Bolsheviki Party when they “*captured*” Russia. Now, Bolshevism is a purely Russian word. The “*Masterminds*” realized that it could never be “*sold*” as an “*ideology*” to any but the Russian people. Therefore, in April 1918, Jacob Schiff dispatched Colonel House to Moscow with *orders* to Lenin to change the name of his regime to the “*Communist Party*” — and to adopt the Karl Marx Manifesto as the “*Constitution*” of the Communist Party. Lenin obeyed — and that was when the Communist Party — *and the MENACE of Communism* — came into being.

ONE MAN WRECKED THEIR SCHEME

Until November 11, 1918, the entire plan of the Conspirators worked perfectly. All the great nations, *including the United States*, were war-weary, devastated, mourning their dead. Peace was the one great universal desire. Thus, when it was proposed to set up a "*League of Nations*" to "*insure Peace*" all the great nations jumped on that bandwagon without even stopping to read the fine print in that "*insurance policy*." That is, all but one — the very one the Conspirators least expected to balk . . . *and that was their one fatal mistake.*

When they planted Woodrow Wilson in the White House the Conspirators assumed that they had the United States in the proverbial bag. Woodrow Wilson, "*the champion of the little people*" — the great "*humanitarian!*" There was every reason for the Conspirators to have believed that he would easily hornswoggle Congress into "*buying*" the "*League of Nations*" sight unseen — *as the Congress of 1945 "bought" the "United Nations" sight unseen!* But there was one man in the Senate in 1918 who saw through the scheme. He was a man of great political stature — even greater than Bob Taft at his peak — and more astute. He was highly respected and trusted by every member of both Houses of Congress — and by the American people. He unmasked Wilson—*and kept the United States out of the "League of Nations."* That great American patriot was Senator Henry Cabot Lodge, the *grandfather* of the man who calls himself Henry Cabot Lodge, Jr. I say "*calls himself,*" because he certainly has no right to the "*junior,*" and, according to the late Radio Commentator, Bill Cunningham, he was not even christened Henry Cabot — he latched on to the "*Henry Cabot*" and the "*JR.,*" to enhance his own political ambitions . . . *and thereby tarnished an illustrious name.*

WHY WILSON FAILED

The one thing that defeated Wilson's efforts to lure the United States into the "*League of Nations*" was the solidarity of the American people. Despite his solidly established (*but phony*) reputation as a great "*humanitarian,*" when Wilson "*went to the people*" to overcome Lodge's expose, he found himself faced by a solidly united

people whose only ideology was *Americanism* and the *American* way of life. At that time there were no "*Minority Group*" problems, no Negro problems, no so-called "*Anti-Semitic*" problem, to sway minds. There were no "*Lefts*" and there were no "*Rights*" — no "*prejudices*" for crafty exploitation. Thus, Wilson's "*League of Nations*" appeals "*to the people*" fell on deaf ears. That was the end of Woodrow Wilson, the great "*humanitarian*" — he died an imbecile shortly after that . . . and that was the end of the "*League of Nations*" as a corridor into "*One-World Government*." But it was not the end of the Great Conspiracy!

Indeed, while Wilson's flop torpedoed all chances of transforming the "*League of Nations*" into their hoped-for "*One-World Government*," the Conspirators were not even discouraged. As I have repeatedly stated, *this ENEMY never quits!* In our previous issue (*News-Bulletin*, No. 87) I traced this Conspiracy clear back to mid-18th Century — *and beyond*. The Wilson flop merely brought the second stage of their Conspiracy (*in America*) to a disappointing (*for them*) close. Which only meant that they would have to launch *a third stage* — a third stage which, like the second one, would have to be climaxed by another World War — a war that would be more horrible and even more devastating than the first World War. But this third stage, *and the aftermath of the next war*, would have to be more carefully planned — so that there would be no escape for the United States from the new One-World trap ("*League of Nations*") that would emerge from that war — *the trap we now know as the "UNITED NATIONS"* . . . and they hit upon a perfect strategy to insure that "*no escape*;" to wit: in 1943, they prepared the framework for the "*United Nations*" — then they handed it over to our State Department to be "*fleshed*" and "*birthed*" by Alger Hiss, thus making the whole scheme a U. S. "*baby*." Then, to FIX our "*parenthood*" in the collective mind of the American people, they transformed New York into a "*nursery*" for the monstrosity. After that we could hardly "*walk out*" on OUR "*baby*"—now, could we? Cute, eh, what? Anyway, that's how the "*Masterminds*" figured it would work — *and, so far, it has!*

Before going further, however, it is well to note that that "*second stage*" of the Great Conspiracy was by no means a total flop. 1) The "*Federal Reserve*" plot gave them complete control of our money system . . . 2) The 16th Amendment, with its "*Income Tax*" trap, gave them virtual control of the earnings of all the American people . . . 3) The conquest and transformation of Russia into a Communist MENACE provided them with a terrific instrument to keep the entire world in constant turmoil.

They gained other benefits from that "*second stage*," but, far more

important (*to them*), it gave them the "*education*" and the "*know-how*" to plan a perfect "*third stage*."

THEY START ALL OVER AGAIN

To successfully fight an Enemy you must KNOW that Enemy. . . . you must know his strengths and his weaknesses . . . you must know his techniques — and the strategies behind his techniques.

In my early studies of the operations of the Great Conspiracy I found that they were amazingly similar to the military operations in both World Wars.

To be specific: World War II was fought in a number of different sectors; such as North Africa — Italy — France — Belgium — Holland, Yugoslavia, etc., etc. Individual armies, each under its own commanding General, operated in each of those sectors. Each of those armies was equipped with its own espionage and counter-espionage operatives — each with its own diversionary skirmish groups to harass and confuse the enemy, while the main army marched on to its chief objective.

Now, while all those different armies operated more or less independently, they were all under the over-all control and direction of the General Field Headquarters under General Eisenhower. In turn, Eisenhower was subservient to the British Imperial Staff, who blueprinted the entire strategy of the War.

Amazingly, following the Wilson debacle, the Masterminds of the Great Conspiracy operated exactly the same way. They divided our nation into various "*sectors*." But their "*sectors*" were the various groupings in all of our American society; Labor was one such sector; the Legal profession another; Hollywood and the World of Entertainment another; the Mass Communications Media, collectively, another; each "*Minority Group*" another. In short, every phase of our society was set up as a "*sector*" by the "*Masterminds*." And within each "*sector*" they set up an individual "*army*," to operate under its own "*General*" — each sector was equipped with its own diversionary "*Red Fronts*," posing as "*patriotic*" and/or "*humanitarian*" organizations. But like the British Imperial Staff, in World War II, the (*secret*) Hierarchy of the Conspiracy is the over-all Command — the Hierarchy provides all the strategies and issues all directives.

But there is a vast difference between the national (*professional*)

armies and the "armies" of the Internationalist-Communist Conspiracy.

The national armies are professional, *legitimate* soldiers . . . the "armies" of the Conspiracy are composed of the deluded, intimidated, conscripted members of the "Minority Groups" — of captive members of Communist-controlled Unions, such as the Harry Bridges, James Carey, Walter Reuther Unions — of Actors Guilds and Unions — of Newspaper Guilds and Unions, etc., etc.

In the same way, the Conspiracy's "diversionary" groups are totally different from the Skirmish Groups of the regular armies. The Skirmish Groups of the World War armies were fighting soldiers who were employed to harass the enemy, to confuse them, to mask the operation of the main armies; those "skirmish groups" used swords, guns, bullets and all the generally known fighting weapons. The "Skirmish Groups" of the Conspiracy are, in the main, "Red Fronts" posing as "patriotic" and/or "humanitarian" organizations, their "bullets" are the votes of their deluded followers and hapless "captives," with which they elect "our leaders," who, in the words of Khrushchev, are "to feed us small doses of socialism until we will suddenly find we have Communism."

Of all the Machiavellion strategics concocted by the Conspirators the "Red Front" was the most vicious. Always set up as a "do-good," humanitarian organization, it made a fiendish mockery of all those innate instincts in their *innocent* victims — the *decent* men and women who were duped into lending their names to the Directorates, thus providing respectability and public credence to the Fronts, and contributing money for *ostensibly* charitable objectives.

Now, the real job of the "Red Front" is to propagandize for "Liberal" objectives; to delude and confuse the bulk of the American people — to create strife and dissension — to set Whites and Blacks against each other — to create hatreds between Christians and Jews, etc., but, most important, to distract attention from the Conspiracy. It also is intended to serve as an "alibi" for the Reds who are the officers and directors of the Front — and who mastermind its propaganda activities. I will cite one case to serve as an image for all:

Our original listing of the Reds in Hollywood contained the names of Frederic March and his wife, Florence Eldridge. Their anguished screams of denial rent the air. When we named more than a score of the "Red Fronts" they had officered and directed, they indignantly, and with great piety, proclaimed that they had contri-

buted their names and their money to those "*Fronts*" because they had been "*deluded*" into believing them to be "*charitable and humanitarian organizations*" . . . a few months later, lo and behold, an FBI document revealed that the same Frederic March had long been a registered member of the Communist Party under the name of Frederick Bickel — *his true name* . . . Freddie and Florence promptly went into deep silence. That happened with Edward G. Robinson and quite a number of others listed in our "*Red Stars*" Tract.

Now, as we know, the "*Front*" emerged as one of the chief, and most effective, weapons of the "Masterminds" in the early 1920s. Between then and now there have been, *literally*, thousands of various kinds of "*Fronts*." Many hundreds of them have been unmasked and destroyed — mostly since 1946 when the "*Russia is our ally*" alibis of the Reds and Liberals began to boomerang.

Under those circumstances you'd think that the "Masterminds" would long have abandoned the "*Red Front*" technique. But they didn't — because the "*Red Front*" continues to be their most effective camouflage for their overall Conspiracy. Thus, as each "*Front*" was unmasked and torpedoed, they promptly set up two other "*Fronts*" in its place. That is their ruling stratagem.

Now let me show you why it has been — and still is — such a perfect strategy: The Hydra of Greek Mythology serves as the perfect description of it — it is quite likely that the "Masterminds" adapted their "*Front*" technique from that anecdote.

The Hydra, according to Greek Mythology, was a serpent or monster slain by Hercules. It had nine heads, any of which, when cut off, was promptly succeeded by two others — *unless the wound was immediately cauterized*. After Hercules had chopped off the original nine heads he found himself confronted by eighteen new hissing heads — and he realized that the only way to destroy the monster was by finding its seat of life — *the heart*. The moment he found that seat of life and plunged his sword into it he achieved complete victory.

Actually, General MacArthur employed that same Herculean tactic in the war in the Pacific. The Japanese had fortified all the islands between Australia and the Philippines. Thus those fortified islands functioned as the "*heads*" between MacArthur and Manila, which was the "*seat of life*" of the Japanese Hydra. The Japanese theorized that if they could keep MacArthur busy chopping off all those "*heads*" (*fortified islands*) he would never get to their "*heart*" (Manila) — because for every fortified island MacArthur would

destroy they'd promptly fortify two or three other islands. But MacArthur fooled them — he by-passed and hopped over all those fortified islands. Thus, when he slashed into the Philippines, all those island "heads" of the Japanese Hydra died on the vine.

But for a more perfect example of how the "Masterminds" operate that "Hydra" technique, let's take Hollywood. The "heart" of the "Hydra" in this sector was (*and is*) the Motion Picture Industry (*and TV, of course*). To camouflage this "heart," and to divert all attention from it, the Hollywood Commissars set up numerous "Fronts." As each "Front" was unmasked, they promptly set up two or three others to replace it — thus to keep us busy fighting *them*.

But, in 1947, that entire "strategy" became obvious to me. Thereupon, I took my cue from Hercules and MacArthur — I by-passed the "Fronts" and launched my attack on the Industry, *the heart of the "Hydra."* I did that with a curtain speech on the opening night of "Thieves' Paradise" in Hollywood, in which I unmasked the entire Conspiracy in Hollywood — and publicly named 100 of the top Reds in the industry. That led to the creation of CEG — and to the Congressional investigations which confirmed all our charges.

True, we have not slain the monster, as did Hercules. But we have no desire to destroy either the Film industry or TV — we merely want to destroy their potentials as instruments of the Masterminds of the Great Conspiracy. In that respect we have made giant strides — we have provided the American people with the "sword" with which they can keep slashing into the "heart" of that "hydra," to wit: by boycotting the theatres that harbor Films exploiting Reds and Red propaganda — by boycotting the products of TV Sponsors whose shows employ Reds and/or Red propaganda, we can (*and did to a great degree*) cleanse those twin industries of the Reds who are in them to advance the Internationalist-Communist Conspiracy . . . I will now endeavor to clarify the entire picture.

THEIR FIRST STEP

As previously pointed out, Wilson's failure to lure the United States into the "League of Nations" was due to the then solidarity of the American people. That brought the "Masterminds" to the realization that they never would be able to suck us into any form of "One-World Government," or even into any other form of a "League of Nations," as long as that solidarity continued to exist. Right then and there they decided that their first and most pressing

job was to destroy that solidarity.

The "*Anti-Defamation League*," whose Machiavellion methods I fully described in various of our previous "*News-Bulletins*," was handed the job of masterminding the various "*Minority Groups*," such as the NAACP, the "*American Jewish Committee*," the URBAN LEAGUE, CORE, etc., etc., through which to sow the seeds of Race, Color and Creed dissensions and hatreds — and, as I previously stated, in the years that followed the "*Masterminds*" set up hundreds of "*Red Fronts*," "*Clubs*" and "*One-World for Peace*" groups to create further confusions, bewilderments, suspicions, strife . . . They developed and nurtured a new breed of scurrilous Columnists and Radio and TV Commentators, such as the Alsops, Walter Lippman, Drew Pearson, Eric Severeid, Herbert Matthews, Chet Huntley, Edward R. Murrow, etc., etc., who call themselves "*Liberals*," and who proclaim that Americanism is Isolationism — that Isolationism is Warmongerism — that Anti-Communism is Anti-Semitism . . . and they finally succeeded in breaking us up into a nation of quarreling, wrangling, squabbling, hating factions!

Wilson's flop wrought another disaster for the "*Masterminds*" which threatened even greater danger for their Conspiracy than the "*League of Nations*" debacle; to wit: Lodge's exposition of the betrayals and chicaneries of the Wilson Administration landed the Democratic Party in the proverbial (*political*) doghouse — and thus destroyed the "*Masterminds*" control of the White House. Loss of the White House meant loss of control of the State Department, the Treasury Department, the Pentagon — of ALL the Federal Departments and Agencies that formulate and control our Foreign Relations Policies. And *that* spelled the greatest danger of all to their entire Conspiracy — because our Foreign Relations Policy is the key to the success of their entire plot, as you will see from the following:

HOW THEY USE OUR FOREIGN POLICY

To the vast majority of the American people our Foreign Policy is a complete enigma. Most of us simply cannot understand why this great nation is floundering so (*seemingly*) helplessly in the art of diplomacy. We cannot understand why our leaders are (*seemingly*) so confused and bewildered in all their dealings with Moscow. We always hear them proclaiming that in view of our overwhelming economic and military superiority we must always "*lead*

from strength." Yet, in all the Summit Meetings and Conferences they cringe and stammer and stutter — and, so to speak, come out with their tails between their hind legs. We cannot understand the "Foreign aid" to Tito, an avowed Enemy — to Poland, an avowed Enemy — to all the avowed Communist nations. We cannot understand why the expenditure of SCORES of billions of dollars has failed to slow down, *let alone stop*, the march of Communism. We are perplexed by the (*seeming*) ineptness of the State Department — of the CIA — of the USIA — of All our Federal Agencies . . . again and again and again we have been startled, shocked, horrified by their "*mistakes*" in Berlin, in Korea, in Laos, in Viet Nam, in KATANGA, in CUBA . . . "*mistakes*" that ALWAYS favor the Enemy — NEVER the United States!

Under the law of averages, they should have made at least one or two "*mistakes*" in OUR favor — but they never did . . . WHAT's THE ANSWER?

The "*answer*" is that no one can really understand our Foreign Relations until he knows the parts played by such "*organizations*" as the "Council on Foreign Relations" (CFR), the "Foreign Policy Association" (FPA), the "World Affairs Councils" (WAC), the notorious "Americans For Democratic Action" and similar "*organizations*."

At this point I will, for the moment, vault over into another era, in order to provide concrete examples of how the "*Masterminds*" have been (*and are*) using our Foreign Relations Policies to advance their plot:

In an earlier page I established with *prima facie* evidence how the "*Masterminds*" (*Schiff, et al*) financed the take-over of Russia and fashioned its Communist regime into becoming their chief instrument to keep the world in turmoil — and to finally terrorize all of us into seeking PEACE in a One-World Government!

However, the "*Masterminds*" knew that Moscow could not become such an instrument until and unless the whole world would accept that Communist regime as the legitimate (*de jure*) government of Russia. Only one thing could accomplish that: *Recognition by the United States* . . . the world would follow our lead.

Throughout the three Republican Administrations that followed Wilson the "*Masterminds*" pulled every trick in their bag to induce Harding, Coolidge and Hoover to grant that Recognition, but to no avail. As a result, beginning in the mid-1920s, the Stalin regime was in dire straits. Despite all the purges and secret police controls the Russian people were growing more and more restive. It is a matter of record, *admitted by Litvinov*, that during 1931 and 1932 Stalin

and his whole gang were always "*packed*" and ready for instant flight.

Then, in November 1932, the "*Masterminds*" achieved their greatest coup: they landed Franklin D. Roosevelt in the White House. Crafty, unscrupulous, utterly without conscience, he turned the trick for them: without even asking consent of Congress, he, *unlawfully*, proclaimed "*Recognition*" for the Stalin regime. *That did it!* Automatically, the whole world *did* follow our lead — automatically, that squelched the previously growing resistance movement of the Russian people . . . **automatically, that launched the greatest menace the civilized world has ever known!**

The rest is too well known to need repeating. We know how FDR and his corrupt State Department kept building up the Communist menace right here in our own country — and, *thus*, throughout the world . . . we know how his Black Widow of Hyde Park maneuvered our Immigration authorities to admit known Communist spies and saboteurs, such as the Eislers — we know how she provided her "*First Lady*" prestige to every vicious, traitorous "*Red Front*" during her years in the White House — that she even allowed her protege, Joe Lash, to use the White House for his "*Young Communists*" activities . . . we also know how that charlatan (FDR) perpetrated that Pearl Harbor atrocity to hurl us into World War II — *to once again save Stalin and Communism!* We know all that — and we also know how he (*with the aid. of Eisenhower*) delivered the Balkans and Berlin to Moscow — and last, *but not least*, that he not only dragged us into that new corridor (*the "United Nations"*) to a "*One-World Government*," but actually schemed all the arrangements to plant it within our country.

And from the day their second Benedict Arnold (FDR) stepped into the White House the "*Masterminds*" came into full control of our Foreign Policy — and, believe you me, they've made (*and are making*) frightening progress with it. The betrayal of Chiang Kai Chek and delivery of China to the Reds was accomplished in the name of "*Foreign Relations Policy*" . . . ditto the murder of Mihailovitch and delivery of Yugoslavia to Tito . . . ditto Hungary, Cuba, Katanga . . . ditto "*The Marshall Plan*" ("*Foreign Aid*" Plot), which is draining us of all our wealth and resources — **to build up Communist nations!**

If I were to attempt to enumerate *all* of the betrayals in the name of "*Foreign Relations*" I'd require several volumes — so now let's go back to the beginning and see how the "*Masterminds*" achieved their grip on our Foreign Relations machinery.

A LA THE CAPONE "SYNDICATE"

The Wilson debacle brought the "*Masterminds*" to the realization that control of just the Democratic Party was not enough. True, they could create a "*crisis*" during a Republican Administration (as they did in 1929 with their (Federal Reserve) manufactured Crash and Depression) which would bring a Democratic "*stooge*" back into the White House. But the four or eight years of disruption in their control of our Foreign Relations policies would play havoc with the progress of the Conspiracy — it could even break up their entire "*strategy*." (As it almost did before Roosevelt saved it with his "*Recognition*" of the Stalin regime.) Thereupon, immediately after that Wilson debacle, they began to formulate plans to achieve control of BOTH of our National Political Parties.

That brought up another problem: MANPOWER (*stooges*) in the Republican Party — also added manpower in the Democratic Party. Because control of just the man in the White House would not be enough. They'd have to provide that "*man*" with trained "*stooges*" for his entire Cabinet — men to head the State Department, the Treasury Department, the Pentagon, the CIA, the USIA, etc., etc.

In short, every member of the *various* Cabinets would have to be a chosen tool of the "*Masterminds*." Ditto all Under-Secretaries and Assistant-Secretaries. That would give the "*Masterminds*" absolute control of all our Policies — both Domestic and (*most important*) Foreign!

That course of action would require a reserve corps (*pool*) of trained stooges instantaneously ready for Administration changes — and for all other exigencies. All such stooges would of necessity have to be men of national reputation — high in the esteem of the people. Naturally, they would have to be men without honor, without scruple, without conscience. Therefore, the first step was to "*invite*" a thousand or more of such carefully selected unscrupulous opportunists to "*membership*" in a select and highly exclusive "*Club*." — to be known as:

THE COUNCIL ON FOREIGN RELATIONS (CFR)

First, let me stress that this (CFR) "*Council On Foreign Relations*" was scheduled to be the most important and vital cog in the

entire "wheel" of the Great Conspiracy. It can best be described as the "State Department" (plus CIA) of the Conspiracy. ALL authority in the organization is vested in the "Executive Committee" — and all members of the "Executive Committee" are chosen from the "Hierarchy" of the (ICC) Internationalist-Communist Conspiracy. By that token, the "Hierarchy" of the ICC is the "Hierarchy" of the CFR.

The "invited" members (1,500 at this time) have no voice in the formulation of policies — or in arriving at decisions. In short, they are merely "tools" of the "Hierarchy," to be used as the "Hierarchy" sees fit . . . in other words: "theirs is not to reason why, theirs is but to do — or DIE."

Col. House was the chief founder and architect of this sinister organization. Some years earlier he had written the (now suppressed) book: "Philip Dru; Administrator," in which he blueprinted how to create and operate a (Socialist) One-World Dictatorship. Obviously, the "Masterminds" considered him the best possible organizer of the new "Club." His chief assistant was Bernard Baruch, who was in charge of the selection and screening of the men to be "invited" to the membership of the "Club." Among the other organizers we find the names of Robert Lansing, Wilson's Secretary of State, and his two nephews, John and Allen Dulles; Jacob and Mortimer Schiff; Paul and James Warburg; Otto H. Kahn, of Kuhn-Loeb; Robert Gordon Sproul; James D. Zellerbach; James Conant; Winthrop Aldrich; Myron C. Taylor; Thomas Lamont; Sidney Hillman, Herbert Lehman; the Rockefellers, John D. Jr., Nelson, David and John D. 3rd; U. S. Supreme Court Justice Brandeis and his nephew, Felix Frankfurter; Supreme Court Justices Roberts and Douglas — and last, but by no means least, Harry Dexter White, Moscow's most valuable spy in the U. S. Treasury Department.

At the outset, the CFR was limited to the membership of 1,000. Five hundred of that original thousand were so-called "resident members," meaning they lived within 50 miles of the City Hall of New York City. The other 500 were those whose businesses and/or professions required them to live in other parts of the country — and they were known as "non-resident members." But a few years later they found it necessary, or desirable, to increase the membership to 1,200 — then to between 1,400 and 1,500, their present full membership. But, for reasons known only to the "Masterminds," the percentages of "resident" and "non-resident" members were always kept the same: half "resident" — half "non-resident."

Now, you may well wonder how such a small group of men can

control the thinking of the vast majority of the American people. Well, perhaps you will stop wondering when you find that William Benton, who controls the publication of the Encyclopedia Britannica, is one of the highly prized members of CFR . . . So is Eric Johnston, Czar of the Motion Picture industry, plus other Hollywood Moguls . . . Other chief figures in the Mass Communications Media, who are "higher-ups" in the CFR, are Arthur Sulzberger, publisher of the New York Times; as was the late Eugene Meyer, owner of the Washington Post and News-Week; Henry Luce of Life and Time Magazines; John and Gardner Cowles of Cowles Publications; Erwin Canham and Joe C. Harsch of the "Christian Science Monitor" — *and that only scratches the surface in the Press*. In addition, the Sarnoffs, the Paleys, the heads of ALL the TV and Radio networks are loyal members of CFR.

In short, virtually all of the important newspapers, wire services and national magazines are thus controlled by CFR, and, of course, by ICC . . . ditto Radio and Television . . . ditto Hollywood. Is it any wonder that the vast majority of the American people are unaware of the overall Great Conspiracy? What information and "alerting" they get comes to them through the small and medium-sized community newspapers owned and/or controlled by loyal Americans — and through publications issued by the various patriotic organizations.

NOTE:—At this point, it is important to establish that the CFR never OPENLY wielded those powers. They always kept themselves in the background — all their operations very hush-hush. The idea behind that policy was an all-out effort to keep the American people totally unaware of the existence of this organization. However, the "Masterminds" knew that complete anonymity could not last forever — and they prepared for it, by making sure that *when* the CFR would be stripped of that anonymity it would emerge as a benevolent and public-spirited guardian of the interests of the American people — exactly as Nixon's "Staff Assistant, Lichenstein," tried to portray it in his letter. In short, right from the outset, they took every possible precaution to make sure that none of their chicaneries could be traced to them. There was only one way to accomplish that: all the "dirty work" would have to be done by "FRONTS," which, on the surface, had absolutely no relationship with the CFR — and, of course, with the ICC.

Note: The story of the CFR FRONTS is far too important to be crowded into the limited space left in this issue . . . in addition, they have a great

bearing on some of the Kennedy Administration activities, therefore we shall include that story in our forthcoming issue, "News-Bulletin, No. 89," titled: "THE KENNEDYS AND OUR INVISIBLE GOVERNMENT." Ed.

Now let's go back to the main thread of our story. As we know, the CFR was created to achieve one objective: control of the man in the White House — and his Cabinet. *And that job was accomplished!* Thus, both of our national political Parties (*Republican and Democratic*) go through all the motions of Conventions to nominate their candidates. BUT the choice is made in advance — and all the "voting" and "roll calls" are just well-staged "shows." All potential candidates must first be approved by CFR — *all candidates must be members in good standing of CFR*. Thus, since the early 1920s, all candidates for the Presidency were members of CFR, including John W. Davis, Al Smith, Herbert Hoover, Wendell Wilkie, Franklin D. Roosevelt, Harry Truman, Henry A. Wallace, Thomas E. Dewey, Dwight D. Eisenhower, Adlai Stevenson, Richard Nixon and John F. Kennedy . . . *all our Presidents since 1932 have been controlled members of the CFR . . . ditto the defeated candidates.*

NIXON'S "PLEDGE OF ALLEGIANCE"

The following incidents clearly establish the CFR's absolute control of both Parties — and that both Parties name their candidates only *after* the men had been cleared and fully approved by CFR.

When Richard Nixon's name came into discussion as a prospective Republican Party candidate in 1960, he was "*invited*" to present himself at a special meeting of the Hierarchy of the CFR in Hot Springs, Virginia.

Now, there are no public records available to show just when Nixon became a member of the CFR. He has frequently denied such a membership. But it is fair to assume that he was inducted before he was nominated for the Vice Presidency in 1952 — he **MUST** have been, because, as Vice President, he would be only a heart beat away from the Presidency, and it is hardly likely that the "*Masterminds*" would have endorsed an unpledged Nixon for such a vital office. Therefore, there was a puzzling note in that "*summons*" to appear before the CFR Hierarchy in May, 1960. But there is an explanation for it: Nixon has a well-earned reputation for trickery — the Hierarchy wanted to make sure that, if elected to

the Presidency, he would not deviate from CFR directives and discipline.

Apparently Nixon came through that "*hearing*" with flying colors — he was given the green light. But, following that meeting he began to voice political opinions that evidently created an unease in the minds of the "*Masterminds*." And we all can recall that on the very eve of the Convention Nixon hurriedly hied himself to New York to a *behind-closed-doors* "*conference*" with Nelson Rockefeller, one of the top Brass of the CFR. He came out of that "*conference*" a changed man — he reversed himself on all of his previous political viewpoints — and, in so many words, proclaimed that he would "*go along*" with the "*platform*" laid down by Rockefeller. To all intents and purposes, it was a public demonstration to the CFR of his "*pledge of allegiance*."

Nevertheless, the "*Masterminds*" still did not altogether trust him — or they trusted Jack Kennedy more. Of course, there had to be a "*contest*" — and one that would appear to be on the up-and-up — but word went out to those who counted votes in Illinois and other "*crucial*" States that a miscount in favor of Kennedy would not be "*reprehensible*."

NO MORE ALIBIS FOR NIXON

And now let's deviate for a moment and nail down the matter of Nixon's membership in the "*Council on Foreign Relations*." I previously stated that he had frequently denied such membership— *just as he has frequently denied that he was one of a group of Congressmen who, in 1949, endorsed the "United World Federalists" traitorous "RESOLUTION" and the "Atlantic Union" One-World plot.* During his campaigning for the Republican candidacy for Governor of California he may again try to deny his membership in the CFR — well, the following letter, *written on "RICHARD NIXON" stationery*, and officially signed by "*Charles M. Lichenstein, Staff Assistant*" should settle the matter once and for all.

"RICHARD NIXON

November 10, 1961

"Dear

"On behalf of Mr. Nixon, I wish to acknowledge and thank you for your

entire "wheel" of the Great Conspiracy. It can best be described as the "State Department" (plus CIA) of the Conspiracy. ALL authority in the organization is vested in the "Executive Committee" — and all members of the "Executive Committee" are chosen from the "Hierarchy" of the (ICC) Internationalist-Communist Conspiracy. By that token, the "Hierarchy" of the ICC is the "Hierarchy" of the CFR.

The "invited" members (1,500 at this time) have no voice in the formulation of policies — or in arriving at decisions. In short, they are merely "tools" of the "Hierarchy," to be used as the "Hierarchy" sees fit . . . in other words: "theirs is not to reason why, theirs is but to do — or DIE."

Col. House was the chief founder and architect of this sinister organization. Some years earlier he had written the (now suppressed) book: "Philip Dru; Administrator," in which he blueprinted how to create and operate a (Socialist) One-World Dictatorship. Obviously, the "Masterminds" considered him the best possible organizer of the new "Club." His chief assistant was Bernard Baruch, who was in charge of the selection and screening of the men to be "invited" to the membership of the "Club." Among the other organizers we find the names of Robert Lansing, Wilson's Secretary of State, and his two nephews, John and Allen Dulles; Jacob and Mortimer Schiff; Paul and James Warburg; Otto H. Kahn, of Kuhn-Loeb; Robert Gordon Sproul; James D. Zellerbach; James Conant; Winthrop Aldrich; Myron C. Taylor; Thomas Lamont; Sidney Hillman, Herbert Lehman; the Rockefellers, John D. Jr., Nelson, David and John D. 3rd; U. S. Supreme Court Justice Brandeis and his nephew, Felix Frankfurter; Supreme Court Justices Roberts and Douglas — and last, but by no means least, Harry Dexter White, Moscow's most valuable spy in the U. S. Treasury Department.

At the outset, the CFR was limited to the membership of 1,000. Five hundred of that original thousand were so-called "resident members," meaning they lived within 50 miles of the City Hall of New York City. The other 500 were those whose businesses and/or professions required them to live in other parts of the country — and they were known as "non-resident members." But a few years later they found it necessary, or desirable, to increase the membership to 1,200 — then to between 1,400 and 1,500, their present full membership. But, for reasons known only to the "Masterminds," the percentages of "resident" and "non-resident" members were always kept the same: half "resident" — half "non-resident."

Now, you may well wonder how such a small group of men can

control the thinking of the vast majority of the American people. Well, perhaps you will stop wondering when you find that William Benton, who controls the publication of the Encyclopedia Britannica, is one of the highly prized members of CFR . . . So is Eric Johnston, Czar of the Motion Picture industry, plus other Hollywood Moguls . . . Other chief figures in the Mass Communications Media, who are "higher-ups" in the CFR, are Arthur Sulzberger, publisher of the New York Times; as was the late Eugene Meyer, owner of the Washington Post and News-Week; Henry Luce of Life and Time Magazines; John and Gardner Cowles of Cowles Publications; Erwin Canham and Joe C. Harsch of the "Christian Science Monitor" — *and that only scratches the surface in the Press.* In addition, the Sarnoffs, the Paleys, the heads of ALL the TV and Radio networks are loyal members of CFR.

In short, virtually all of the important newspapers, wire services and national magazines are thus controlled by CFR, and, of course, by ICC . . . ditto Radio and Television . . . ditto Hollywood. Is it any wonder that the vast majority of the American people are unaware of the overall Great Conspiracy? What information and "alerting" they get comes to them through the small and medium-sized community newspapers owned and/or controlled by loyal Americans — and through publications issued by the various patriotic organizations.

NOTE:—At this point, it is important to establish that the CFR never OPENLY wielded those powers. They always kept themselves in the background — all their operations very hush-hush. The idea behind that policy was an all-out effort to keep the American people totally unaware of the existence of this organization. However, the "Masterminds" knew that complete anonymity could not last forever — and they prepared for it, by making sure that *when* the CFR would be stripped of that anonymity it would emerge as a benevolent and public-spirited guardian of the interests of the American people — exactly as Nixon's "Staff Assistant, Lichenstein," tried to portray it in his letter. In short, right from the outset, they took every possible precaution to make sure that none of their chicaneries could be traced to them. There was only one way to accomplish that: all the "dirty work" would have to be done by "FRONTS," which, on the surface, had absolutely no relationship with the CFR — and, of course, with the ICC.

Note: The story of the CFR FRONTS is far too important to be crowded into the limited space left in this issue . . . in addition, they have a great

letter of November 3 concerning the Council on Foreign Relations.

"To clarify several basic points at the outset, let me say that the Council, of which Mr. Nixon is a so-called "non-resident" member (which means that he lives outside the New York City area in which the Council has its headquarters) is a private organization which sponsors and then publishes research studies in the broad area of foreign affairs and U. S. foreign policy. It is in no way connected with the Foreign Policy Association, although the two groups are often confused.

"It is, of course, ultimately responsible for selecting worthwhile research projects and competent scholars — but it does not, as an organization, necessarily agree with all the views expressed in its publications. It takes the same position with respect to its distinguished quarterly journal, *Foreign Affairs*: general responsibility, but with specific decisions on content left to the Board of Editors.

"The Council itself is a group of some 1,500 men, active in business, the professions, and the academic world, all of whom share an interest in world affairs. General Eisenhower has long been a member, as has former-President Hoover, and the late Secretary Dulles was very active during the whole course of his career.

"The members find both information and stimulation in their association, and in turn they attempt to provide the American reading public with solid works of scholarship, toward the basic goal of encouraging well-informed debate and discussion.

"I hope this brief description answers the questions that have arisen in your mind and clarifies the real nature and purposes of this organization.

"I know Mr. Nixon would want me to extend his best wishes to you.

"Sincerely,

"Charles M. Lichenstein

"Staff Assistant"

Thus, you can see how impossible it was for Bob Taft or Douglas Mac Arthur to have achieved the nomination in 1952. *I was there* — I saw the CFR in action . . . I was there when Winthrop Aldrich arrived in Chicago with two large suitcases full of thousand dollar bills for pay-offs to *Taft-pledged* delegates . . . *I SAW the \$15,000 pay-offs in the hands of several of the BOUGHT delegates!* That also shows how impossible it will be to nominate a truly loyal American in 1964 — unless the American people become sufficiently alerted by then — and take ACTION to smash the entire Conspiracy. Furthermore, no member of CFR, PAST OR PRESENT, should EVER be permitted in the White House, in Congress, or in ANY governmental office in the Land !!!

CFR MEMBERS IN THE CABINETS

Contrary to general belief that every President-elect has sole control of all appointments to his cabinet, the records show that the CFR has for many years been dictating all such appointments. As a matter of fact, even before the CFR came into being, the choice of men for the Cabinets was controlled by the heads of the Parties. I provide prima facie evidence for that statement in my latest "DOCUMENTATIONS" book — on page 5 there is a verbatim reprint of a telegram sent to me by James B. Reynolds, then Secretary of the Republican National Committee, in which he urged me to take charge of "*Public Relations*" for the Herbert Hoover campaign; my reward, in the event of victory, to have been my choice of "*either Generalship*" — meaning Postmaster General or U. S. Attorney General. That telegram was dated December 30, 1927 — *six months before the candidate (Hoover) was nominated, and almost a full year before the election.*

Following are some of the CFR members who served as Secretaries of State, of Treasury, of Labor, etc. . . . John Foster Dulles, Christian Herter, Henry L. Stimson, Sumner Welles, Robert Lansing, Edward Stettinius, (Gen.) George C. Marshall, Averill Harriman, Henry Morgenthau, Harry Dexter White, William McAdoo, Robert A. Lovett, C. Douglas Dillon, Robert McNamara, Chester Bowles, Sinclair Weeks, Luther Hodges, Arthur Goldberg, William Benton, Dean Acheson, who, while Assistant Secretary of State, served as attorney for Moscow in securing U. S. Recognition for the Soviet Union — and who, when Secretary of State, was the chief figure in the delivery of China to the Communists; he was ably assisted in that act of treason by George C. Marshall. Dean Rusk, present Secretary of State is another high ranking member of the CFR — this is the Rusk who was the head of the Rockefeller Foundation which financed that treason-packed "*Institute of Pacific Relations*" (IPR), which was set up to do all the spade work for the delivery of China to the Reds. Under the circumstances, it wasn't strange that he (Rusk) was a dominating figure in that slimy outfit. Then, later, after Dean Acheson rewarded him with the post of Assistant Secretary of State for Far Eastern Affairs, it was this same Rusk who engineered the firing of General MacArthur — *in order to prevent his (MacArthur's) winning the Korean War . . . and this is the man who is our present Secretary of State . . . the man who is carrying on the "negotiations" to prevent the spread of Communism — God help us ! !*

There were (*and still are, of course*) many other CFR boys planted in posts where they can sabotage our Country — far too many to be named in our limited space, but a few of the most notorious and most vicious were Harry (the Hop) Hopkins, David K. Niles, Benjamin V. Cohen, Archibald MacLeish, Adolph Berle, Charles E. (Chip) Bohlen, Owen Lattimore, Philip Jessup, John Carter Vincent, John Stewart Service, Lauchlin Currie, Harold Stassen, ALGER HISS, etc., etc., — all with records of treasonous activities which place them in the Quisling category — all striving frantically for the complete destruction of our national sovereignty. For one example: Stassen, for whom, at the request of the CFR, Eisenhower created the post of "*Special Assistant to the President for Disarmament*," was quoted in an AP interview as suggesting the formation of a "*United Nations*" Legion, "*later to be transformed into a UN World Police Force.*"

In our "*News-Bulletin*" issued at that time, we outlined how such a "*UN One-World Police Force*" would "*police*" the world: Americans would "*police*" Europe; Russians would "*police*" Africa; South Americans would "*police*" India; Indians would "*police*" So. America; the Chinese would "*police*" all of Asia — *and Mongolians, Africans and Russkies would "police" the United States!* . . . A NICE ARRANGEMENT FOR THE AMERICAN PEOPLE, eh what?

CFR "BOYS" IN AEC

The Atomic Energy Commission also has been loaded with CFR members — *right from the outset!* Among them were Lewis L. Strauss, David Lilienthal, Robert J. Oppenheimer, the notorious Communist collaborator — *and Bernard Baruch, who, as the U. S. representative on the UN Atomic Energy Commission, plotted for the treasonous transfer of all our Nuclear Secrets to UN authority !!!*

CFR "BOYS" IN THE PENTAGON

Right now there is a hot Senate investigation into the reasons for the muzzling of Major General Edwin M. Walker and various other top figures in our military services. The three most important questions in the investigation are: 1) Who ordered the "*censoring*" of the speeches of all those Generals and Admirals? . . . 2) Who

were the Censors? . . . 3) *Why did they delete all criticism of Communism from all the speeches?*

Now, we know that Secretary of Defense McNamara, a CFR "boy," ordered all of his subordinates summoned by the Senate Committee to refuse all questions — and when McNamara stood in danger of a contempt of Senate citation, Kennedy, another CFR "boy," rushed to his rescue with his "*Executive Privilege*" . . . which brings us right back to: "*Who promoted Peress?*"

All that makes the following highly significant: some of the most highly prized members in the CFR are Generals Lucius D. Clay; Alfred M. Gruenther; Maxwell D. Taylor; James A. Gavin; Matthew B. Ridgway, who succeeded General MacArthur in the "*UN Police Action*" in Korea. Another CFR member is Gen. Lyman Lemnitzer, present Chief of Staff. This same Lemnitzer was in charge of the Office of Foreign Military Assistance during the years immediately preceding the Korean War. Congress had voted a Ten Million dollar appropriation to provide South Korea with arms and munitions. Lemnitzer made a "mistake" (*that's what he called it during a Congressional hearing*) and sent 200 or 300 dollars worth of barbed wire instead of the Ten Million dollars worth of munitions. The North Korean Reds would not have attacked a properly armed South Korea — *and the South Koreans would have been properly armed if Lemnitzer had not made that "mistake"* . . . that "*mistake*" enabled the North Korean Reds to swarm into South Korea . . . that "*mistake*" was responsible for the loss of many thousands of lives, both South Korean and American!

How much did the "*Council On Foreign Relations*" have to do with that "*mistake?*" — and with all the "*mistakes*" in Laos, Viet Nam, Berlin, Katanga, CUBA, etc., etc.? . . . Those are very interesting questions — the security of our nation requires Congress to get the answers !!!

CFR "BOYS" IN THE SENATE

But don't fall for any naive ideas that the CFR has overlooked the need of "*stooges*" in *both* Houses of Congress. Among their most zealous boys in the Senate (*past and present*) we find such names as Herbert Lehman, Flanders, Hubert Humphrey, Wiley, "*Sanctimonious Stu*" Symington, Jake Javits, Clifford Case, Fulbright, etc., etc. When Secretary of the Army Robert Stevens (CFR boy) was being revealed in the Army — McCarthy hearings as the patron saint of the Fort Monmouth spies, it was Senator (CFR)

Ralph Flanders who launched the Senate Resolution calling for the censure of McCarthy — *and thus stopped the entire investigation!* . . . And don't forget that it was "*Half-Bright*" Fulbright who engineered the plot to muzzle General Walker — and to censor the speeches of all other Military figures. This is the same "*Half-Bright*" Rhodes Scholar and Fabian Socialist who proclaimed that our Constitution is out-dated and out-moded, and, *in so many words*, that what we need (MUST HAVE) is a One-World Government.

There is only one sure-cure for that "*disease*" in our Congress: as we approach the primaries we must scan the backgrounds of *every* political aspirant — and run all CFR members out of the political fields.

Note:— In the foregoing, I have frequently alluded to the "Hierarchy" of the CFR, and, in other paragraphs, to the "Hierarchy" of the ICC. To prevent confusion, I will now clarify: The "Hierarchy" of the ICC is the Supreme Command of the entire Conspiracy. Individual members of this top "Hierarchy," in order to provide prestige and proper direction, have served as Founders, Officers and/or Directors of various "FRONTS" and "ONE-WORLD" organizations. But very few of the "FRONTS" have been "graced" with more than a sprinkling of ICC Hierarchs in their Directorates. The "ONE-WORLD" outfits, particularly the "United World Federalists" and "Atlantic Union," are more heavily loaded with Hierarchs. But none of them contained the entire Hierarchy. In that respect, the CFR differs from all their other "FRONTS" and organizations — from the very beginning, the CFR was set up to be the so-called "State Department" of the ICC, its ALTER EGO. Thus, while most of the members of CFR are merely "tools" in reserve for jobs to be assigned to them in the various Administrations, the TOP BRASS is composed of the ICC Hierarchy. Thus the two Hierarchies are synonymous.

CFR AND THE "UNITED NATIONS"

Now, as we know, the "UNITED NATIONS" is the crux of the ICC plot — the intended housing for their "*One-World Government*." It is commonly accepted that the architects of the UN Charter were Alger Hiss, Leo Posvolsky and Molotov — all three dedicated agents of the Great Conspiracy. But, actually, they only filled in the verbiage of a blueprint prepared for them by the "*Hierarchy*."

The CFR operate their "*surface*" activities out of their lush offices in a handsome building on the southwest corner of Park

Avenue and 68th Street in New York — *right across the street from the building occupied by the Soviet Embassy to the UN* — but nobody knows when and where the "*Hierarchy*" hold their *secret* conclaves. Once it may be in Hot Springs, Virginia — another time it may be in Nelson Rockefeller's New York apartment — or at Bernard Baruch's lush Hobcaw estate in South Carolina — or at the Morgan-owned Jekyll Island Hunt Club. But have you any idea where their special staff of architects labored on the blueprints for the UN plot? *Right in the White House, in Washington !!!*

Early in 1942, on direct order from Roosevelt, a large suite of rooms on the top floor of the White House was set aside for "*top secret conferences*." That suite contained living quarters as well as offices — *and it was declared strictly "out of bounds" for all staff members and servants employed in the White House.*

That "*Living quarters*" bit played an amazing role in that entire web of treason, as we shall see.

A strange group of men had access to those mysterious quarters; specifically: Alger Hiss; Leo Posvolsky; Harry Dexter White; Dean Acheson; FDR, of course; Herbert Lehman; Bernard Baruch; *the Russian Ambassador*, and a man who called himself "Brown," who furtively sneaked in and out through the servants entrance of the White House. Each of the men had his own key to that "*Top Secret Conference*" suite — *and the "keeper of the keys" was none other than Harry (the Hop) Hopkins . . .* And that was the workshop in which the "*United Nations*" was constructed.

The final draught of the "Charter" was completed in the very late months of 1943, almost two years after they began work on it. That may seem like a long time, but they were playing around with a very tricky document — they had to find ways to camouflage all the traps in it, such as the "*World Court*" plot — they had to include provisions which would later enable them to lure us into "*Treaties*," such as "GENOCIDE" — "UNESCO" — "WHO" (*World Health Organization*) — the reprehensible "GATT," which would outlaw our Tariff laws, etc., etc., each one of which would nullify some particular provision in our Constitution, until, gradually, we'd have no Constitution left — and the Laws of the UN would become the Laws of the U. S. . . . From that, the step into One-World Government would be a quick and easy transit.

Even today, it is generally understood that the UN Charter was in its entirety the work of Alger Hiss, Posvolsky and Molotov. But, as I earlier pointed out, that is not quite true. Those three did the actual writing, but every feature in it had to undergo the scrutiny

of (*and revisions by*) the entire Hierarchy of the ICC — CFR. After that, it still had to be submitted to Stalin and his gang. That was done at the TOP SECRET meetings at Yalta.

The entire UN project was cut and dried long before the organizational conference in San Francisco in 1945. But, while that conference was attended by delegates from many nations, it was quite obvious to the naked eye of anyone even slightly "*in the know*" that the whole thing was a CFR "*convention*." Approximately fifty members of that outfit poured into San Francisco and "*took over*" the entire operation. Among those fifty were Alger Hiss, who served as acting Secretary General of the Conference, Secretary of State Stettinius, Leo Posvolsky, Adlai Stevenson, Bernard Baruch, the Warburgs, Clark Eichelberger, Nelson Rockefeller, Ralph Bunche, Philip Jessup, James T. Shotwell, John Foster Dulles, Dr. Walter Van Kirk of the National Council of Churches, Harry Hopkins, etc., etc.

"BIRD OF EVIL OMEN:" HARRY HOPKINS

Before I conclude this issue I wish to cite one or two *documented* incidents that will remove all doubts from the minds of even the most naive that throughout World War II — *indeed throughout its occupancy by FDR* — the White House was a nest of treason . . . *with Harry Hopkins serving as FDR's (and the CFR's) chief "carrier" of the treason* — as Col. House was Wilson's "*Bird of Evil Omen*."

First, it may be of interest to submit a brief profile of this man, whom the late Sen. Pat McCarran dubbed "*The Bird of Evil Omen*."

Hopkins' early manhood years were spent in dire poverty. He had no income, no profession, no real means of self-support. He made his "*home*" in various of New York's YMCAs and cheap men's (*so-called*) hotels. He earned his meager "*eating money*" by addressing envelopes for mail-order merchants.

Somehow or other, he came under the observation of the crafty Anna Rosenberg, who even then was Franklin Roosevelt's political mentor. She saw values in Hopkins. Throughout those early years he had blamed "*the people*" for all his "*bad luck*" . . . he became convinced that there was a conspiracy to prevent his "*success*." When Annie met him he was a very embittered man, with a deep and abiding hatred (*and contempt*) for the American people — the American people were his "*enemy*." Annie recognized that he would stop at

nothing to achieve "revenge" against that "enemy." In short, she knew that he would make a perfect tool for the then aspirant (FDR) for the Governorship of New York — that he would carry out any chicaneries that would be assigned to him . . . *and that he would be cunning enough to carry them out successfully!*

From the moment Annie brought him to Roosevelt, Harry Hopkins was *on his way*. At first he served more as a court jester for Franklin and Eleanor, but before long both Roosevelts recognized those qualities in him that had attracted Annie. Both were delighted with his contemptuous "*the American people are dumb*." And it was this same Hopkins who, after Roosevelt entered the White House, coined the slogan: "*Tax and tax and tax, spend and spend and spend*" — and assured Roosevelt that: "*the American people are too dumb to ever sense what we are doing to them.*"

Even before Roosevelt was elected to the Presidency, Hopkins had become his alter ego — exactly as House had been Wilson's alter ego. It was no secret in Washington political circles that Hopkins, the erstwhile envelope addresser, was the behind-the-scenes architect of the "*New Deal*." The attempted Court-Packing scheme was evolved by Hopkins, as was revealed by Louis Howe, Roosevelt's previous chief political advisor.

But it was during World War II that Hopkins rose to the pinnacle of his career. He became Roosevelt's courier in all his (*and the CFRs*) dealings with Stalin. It was Harry Hopkins who carried to Stalin the original *gift* of Lend-Lease, giving all (*eleven Billions*) and asking for nothing in return. And it is a matter of record — *because he himself revealed it* — that he said to Stalin: "*The world is yours for the asking — just ask for what you want and the United States (the dumb American people) will give it to you.*"

And Stalin asked and asked and asked — and the United States, *vide Hopkins and Roosevelt*, gave and gave and gave!

It was Hopkins who gave the green light to Harry Dexter White to provide Moscow with our money plates and the right ink and paper to enable the Russkies to print billions of dollars of American money — it was Harry Hopkins who gave the idea to White to submit to Eisenhower (*actually, it was an order*) the plot to let the Russians loot Germany of all her industrial plants and equipment — *and thus transform Germany into a helpless agricultural nation!*

In short, although it never became *publicly* known, Harry Hopkins was the real Machiavelli who brewed all the betrayals and chicaneries perpetrated by Roosevelt. Harry Dexter White, Dean Acheson, Alger Hiss, Eisenhower, etc., were more in the limelight, but it was

Harry Hopkins, Roosevelt's alter ego, who gave all the orders. But the others did not resent it — because they, faithful CFR members (*tools*), were all after the same objectives. So, they all brought their schemes to "The Hop" — *because Harry had FDR's ear like nobody else.*

Moreover, it was Hopkins who manipulated all the strings at the Yalta meetings. We know that Roosevelt was a dying man when he attended those Yalta meetings. He was verging on complete senility. With no mind of his own, he did what he was told to do — *and Harry Hopkins was doing the telling*, either directly, or through the Hisses, the Whites and the Bohlens.

DELIVERED "A" BOMB TO STALIN

For those who still may have lingering doubts about all the treason perpetrated in the White House (*and by Eisenhower*) during World War II, I will cite an incident — which has already been revealed in the "*Major Racey Jordan Diaries.*"

Great Falls, Montana, was the transfer point for all of the Lend Lease material we gave to Russia during World War II. Major George Racey Jordan was the U. S. Commander of that transfer point. Not very long after the transfer point was placed in operation, Major Jordan began to have growing suspicions about the cargoes in some of the Russian planes — his suspicions were heightened by the refusal of the Russian Commander to permit inspections. Finally his suspicions reached a point which caused him to *insist* on a personal inspection. The infuriated Russian Commander threatened to use force to prevent it. The threat didn't work — Jordan brushed him aside and climbed into the plane. What he found was suitcases containing Blueprints and Diagrams, Heavy Water, Uranium, and other ingredients for the manufacture of our newly invented "A" Bomb.

Now, bear in mind, that happened a short time after we had been sucked into the war. Major Jordan had never heard anything about our new nuclear weapon — so he wondered how "*heavy water*" and "*uranium*" could serve as war munitions. He also wondered about all those "A" Bomb blueprints and diagrams. Indeed, only a very few of the "*top brass*" in our government knew anything about it at that time. Completely mystified, Jordan decided to impound the plane and its contents until he could contact the Pentagon and get "*the answers.*"

Meanwhile, the Russian Commander had rushed back to his office and put in a long-distance call to a "*Mr. Brown in the White House in Washington.*" He reported the incident to this Mister Brown — *in Russian!*

When Major Jordan returned to his office he found a long-distance call awaiting him — *from Harry Hopkins.* Hopkins sternly ordered the Major to immediately release the plane, *with its cargo intact* — and to make no further inspections of the Russian planes.

NOTE: If you want the complete story of that horrendous act of treason, plus similar acts, send \$2.00 to "The Book-Mailer, Inc., Box 101, Murray Hill Station, New York 16, N. Y.," for a copy of "FROM MAJOR JORDAN'S DIARIES." M.C.F.

Out of that incident came a startling discovery: the Mr. Brown, who made his home in the "*Living Quarters*" in that "*Top Secret Conferences*" Suite in the White House was none other than Moscow's "*Iron-Pants*" Molotov. . . *thus, we had Moscow actually operating out of our White House !!!*

Now a question: was all that treason any less reprehensible than the treason for which Julius and Ethel Rosenberg were executed? . . . *It was all committed when we were at war!*

CFR AND STALIN REWARD HOPKINS

During all of his war-time peregrinations Hopkins found time to fall in love with and marry (Broadway Producer) Guthrie McClintic's secretary. The Hierarchy of the CFR tendered a lavish banquet, hosted by Bernard Baruch, in the newly-weds' honor . . . At that banquet the bride proudly displayed a \$250,000 Emerald necklace which came from Stalin as "*a slight token of appreciation of the INVALUABLE service Harry Hopkins had rendered Russia.*"

Stalin presented Dwight D. Eisenhower with a gem-encrusted medal of similar value — *for the same reason* . . . yet Richard Nixon piously denounces Robert Welch for his statement that Eisenhower was more than just a *little bit* friendly to Communist Russia !!!

(Captioned) The Truth About Soviet Involvement in
the Korean War: (marked "TOP SECRET")

"In the interest of throwing further light on the
facts of Soviet participation in the Korean war, and
on the Chinese record in Korea, the Department of
Defense has released two special studies on these
subjects . . . these studies establish beyond any
reasonable doubt the true nature of Communist
aggression against the Republic of Korea, the Soviet
and Chinese Communist support of, and participa-
tion in that aggression, and the BLUNT TRUTH about
the internal and external manifestations of Commu-
nist control in North Korea Many Russian
'advisors' were attached to the North Korean Army
advance headquarters established in June, 1950.
They wore civilian clothing, and it was forbidden
to address them by rank. They were introduced as
'newspaper reporters', but they had supreme au-
thority. They took the lead in commanding and
manipulating troops. They treated the North Korean
officers, who were nominally their chiefs, like their
servants, or children. A North Korean Major identi-
fied two of these Russian 'advisors' as GENERAL
A. Ph. VASILIEV and Colonel Dolgin. VASILIEV, he
said, was in charge of all movements across the
38th parallel."

MacArthur's Top Aide Confirms - as follows:

"Someone told them (the Red Chinese) that even
if the Red Chinese swarmed across the Yalu into No.
Korea in overwhelming hordes, even if they
slaughtered UN soldiers by the thousands on the
battlefield and in the prisoner of war camps the
U.S. Government would not retaliate. And the Reds'
staging and supply area in Manchuria would remain
a sanctuary!" . . . The U.S., BY ORDER OF THE UN,
did not retaliate - Manchuria remained a Red's
sanctuary throughout the war - and 145,000 Ameri-
can boys were maimed and MURDERED in Korea !!!

Do We Need Any More Proof?

By their silence the UN admits GUILT! It is now
up to Congress to act! But Congress won't act unless
the people FORCE them to act. Senator Jenner said:
"Our problem is to get the story to the people" . . .
the people, only the people can FORCE Congress to
act.

YOU can solve that problem - with this Tract!

You owe it to America - and to your own chil-
dren - to SPREAD this Tract far and wide. Buy what
you can afford and give them to Veterans Organi-
zations - Civic Organizations - Clubs. Give them
out where you work - give them to your Pastor
for distribution - enclose a copy in every letter you
write.

It is up to YOU and every loyal American to DE-
MAND that Congress put the UN on open trial be-
fore both Houses!

Send signed copies of this Tract to your Congress-
man and Senators - tell them if they won't do it,
you will VOTE for other men who will TELL THEM
YOU MEAN IT !!!

DEATH-TRAP FOR U. S.

RITA ("Thieves' Paradise") . . . "All the American
Boys who were killed in Korea were really murder-
ed by the UN."

On Sunday evening, May 20, 1956, Myron C.
Fagan's play "Thieves' Paradise" opened at the
Shubert Theatre in Washington, D.C.

The play was written for just one purpose - to
warn the American people that the YALTA plotters
created the UN to destroy the U.S. and transform
our country into an enslaved unit of a Communist
One World Government . . . it was produced in
Washington so as to put the UN on open trial before
all the Members of Both Houses of Congress - from
now on there can be no "I didn't know" alibi!

"Thieves' Paradise" revealed all the different
phases of the diabolical plot - how the UN was a
"Trojan Horse" sneaked into the U.S. to serve as a
Sanctuary for Red Spies, Saboteurs and American
traitors . . . how it was to destroy our Freedoms
through "Treaties," such as "GENOCIDE" . . . to
brainwash our Youth through UNESCO . . . to drain
us of our wealth through UNRRRA "Marshall Plan"

and Foreign Aid give-aways . . . and to finally transform the U.S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force. But there were men like Syngman Rhee and Chiang Kai Shek who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . so Alger Hiss and Molotov entered into that secret agreement — with Trygve Lie in on the secret!

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and movements of the UN forces!?

"STEFAN:— Exactly! That's what happened in

Korea. General MacArthur was Commander-in-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . .

"RITA:— (Startled - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Vasiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . "If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"

The UN did not file a libel suit . . . they didn't dare . . . because their own records show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post continuously from 1945 to 1951 . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary. The same UN records show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him sole command of all UN military affairs! ! !

Confirmed by U.S. State Dep't.

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) "Special agreements under article 43 of the United Nations Charter" (marked "TOP SECRET"), reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygve Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations . . . These Armed Forces shall be made available from the best trained and equipped units of Member Nations of the United Nations . . . and (under UN Regulations) "all of the Armed Forces thus to be provided shall be deployed as directed by the Chairman of the Military Staff Committee of the United Nations" . . . Special **EMERGENCY** Bulletin

PLEASE READ IT SLOWLY — DIGEST IT YOUR FREEDOM, YOUR VERY LIFE, MAY DEPEND UPON HOW YOU READ IT — AND UPON WHAT YOU DO AFTER YOU HAVE READ IT.

In order to leave nothing, *absolutely nothing*, to imagination about the urgency of the above warning, we have enclosed our latest "Tract", entitled:

THE UNITED NATIONS' "GENOCIDE" PLOT!

Read it carefully — ANALYZE it— for in this "Tract" you will find all the PROOF you need to clearly show you that if ever the U. S. Senate will sign the so-called "Genocide Treaty", *thus making it a "Law of the Land"*, it will mean imprisonment, *or even death*, for every White Christian American who will dare to so much as protest against the transformation of the United States into an enslaved unit of the planned UN ONE-WORLD GOVERNMENT . . . PROOF that cannot be denied (*or explained away*) by the UN — by our State Department — by the White House . . . PROOF that any individual in high office, whether it be the President, the Vice President, the Attorney General, or any Senator, who would advocate the signing of the "Genocide Treaty", *or the repeal of the Connally Amendment*, in whole or in part, is as guilty of stark treason as Benedict Arnold, as Quisling, as Pierre Laval — *as Julius and Ethel Rosenberg!*

UN IS DEATH-TRAP FOR U. S.

In our fight for the salvation of our Country there are two vital facts which we must never, *never*, NEVER forget!

No. 1) That there is an Internationalist-Communist Conspiracy (*quite apart and distinct from the generally known Moscow Communist Conspiracy*) to destroy the sovereignty of our nation — and to transform the United States into a unit of their One World Government . . . and, *even more important*, we must always bear in mind that the seat of this Internationalist-Communist Conspiracy is not in Moscow, but within our own United States — that the Master-plotters of this Conspiracy are not the hoodlums in the Kremlin, but the Internationalist (gangsters) Bankers in New York *and their puppets in Washington*;

No. 2) That the "UNITED NATIONS" is the crux (*the heart*) of that Conspiracy — the trap in which our nation is to be stripped of sovereignty and of all our Freedoms — the trap in which the United States is to be absorbed and enslaved, by a so-called UN One-World Government, *exactly as Latvia and Esthonia and HUNGARY have been absorbed and enslaved by Moscow.*

Unfortunately, *and tragically*, to a great majority of the American people the above statements are fantastic and utterly unbelievable. During the past half-century, *but especially since 1945*, our people have been steadily brain-washed by a *completely controlled* Press, Radio, TV, Hollywood (*all mass communications media*) into the belief that our only mortal Enemy is Communist Moscow. Now, it would be folly and sheer stupidity to pretend that Communism, per se, is not our greatest menace. But, it is even more important to clearly understand the *true* menace of it — to fully realize that the real menace of it is not *without*, but *WITHIN* the United States — that it was created and

fostered by the Masterminds of the above mentioned *Internationalist-Communist Conspiracy* to serve as a camouflage for, and distraction from, *their* infinitely more sinister and far more dangerous Conspiracy *within* our Land. To nail down that charge, let me remind that it was Jacob H. Schiff (Kuhn-Loeb & Co.), the American Hierarch of the Great Conspiracy, who masterminded the Lenin-Trotsky takeover of Russia — that it was Schiff who financed the training of Trotsky's several hundred New York gangsters for that takeover — that it was Schiff who provided the ship, plus 20 millions in gold, for the juncture with Lenin and *his* gang — that it was a Warburg, Schiff's Lieutenant in Germany, who provided the sealed freight cars to sneak the Lenin-Trotsky Bolshevik "army" into Russia — that it was Schiff who (in 1918) sent Col. House to Moscow with orders to Lenin to change the name of his regime from Bolshevik to Communist, and to adopt the Marx Manifesto as his "Constitution". To further nail it down, bear in mind that it was Franklin D. Roosevelt, *the Great Conspiracy's tool in the White House*, who saved the Stalin regime in 1933 with his illegal "Recognition" — that it was Roosevelt who opened the doors of the White House, the State and Treasury Departments, the Pentagon, to an influx of Communists — that it was Roosevelt who, at YALTA, arranged the deal to deliver Poland, the Balkans and all of Eastern Europe to Stalin — that it was "Military Genius" (Faugh!) Eisenhower, Baruch's picked tool, who carried out that deal by his manipulations of our armies . . . *and bear in mind that it was Roosevelt and Alger Hiss and Harry Dexter White who concocted the "UNITED NATIONS" and planted it within the United States to become the "Housing" for the Great Conspiracy's One-World Government!*

And, remember this: It was Herbert Lehman, *Internationalist Banker*, who *clinched* Moscow's enslavement of the Balkans — *with the help of the UN!* How? With the approval of our State Department, the UN appointed Mister Lehman to be the chief of UNRRA. He promptly appointed *Moscow-approved Communists* throughout the Balkans to serve as UNRRA distributors of all the food, clothing, medicines, etc., *provided by the United States*, for the relief of the starving and sick Balkan peoples . . . all those shipments were marked "Made in USA" — but on orders from Lehman all those markings were changed to "Made in USSR". Lehman was caught red-handed in that act — his alibi was that he did that in order to make the Balkan peoples believe that Moscow was their great friend and benefactor — and thus cement "*friendship and PEACE between the Russian and Balkan peoples*".

Do we need any more proof that Communism was created to be the horrendous "right" arm of the Internationalists' Great Conspiracy? . . . or that the UN is an integral part of that Conspiracy?

Believe me, the ENEMY WITHIN, the Internationalists' Conspiracy, *with its traitorous tools in Washington*, is by far a greater menace to the sovereignty of the United States and the Freedom of the American people than *all* the Enemies *without!*

But there is one sure-fire solution for that entire prob-

tire Great Conspiracy our nation and every individual one of us will always be in danger of losing our sovereignty and our freedoms . . . they just do not see that the UN is the heart of that Conspiracy — and that until it is completely unmasked by a Congressional hearing, that Monstrosity will continue to plot and scheme and connive until it achieves, *with the help of the traitors WITHIN our Land*, its objective of transforming the U. S. into an enslaved unit of its One-World Government.

That is why we MUST have an open-to-the-public Congressional investigation of the UN! . . . *We must find out why the UN, a group of foreign and Communist agents of foreign and Communist nations, are so determined to get this (GENOCIDE) life and death power over all of the American people . . . We must find out why the UN is so determined to get COMPULSORY jurisdiction over our country for its World Court, composed of foreign and Communist Judges . . .*

We must find out why those men in Washington, to whom we entrusted the destiny of our nation, have been, AND STILL ARE, desperately trying to give all those horrifying powers to the UN — why our State Department sponsors and finances UNESCO, UNICEF and other UN schemes and anti-American objectives.

Note: *Limited space prevents a complete outline of the UN's various schemes, but our next "News-Bulletin" (No. 77), will be: "DOCUMENTATIONS of UN PLOTS FOR TAKE-OVER OF U. S." The title speaks for itself. I urge all readers to place orders NOW — it will scare the daylights out of you, but it will wipe all doubts and hesitations out of your mind. Price is 50c per copy.*

"IMPEACHMENTS" A VITAL NEED.

The chief objective of this "Special Bulletin" is to get the full *frightening* story of the UN plot to the American people. Therefore, I shall avoid bringing into it any other subjects that might distract from it. However, with a Kennedy or a Nixon in the White House our need to set up an "Impeachment" precedent is fully as urgent as the fight to prevent repeal of the Connally Amendment — *both Kennedy and Nixon are determined upon the repeal!*

To *fully* understand how vital it is, I earnestly urge the reader to get a copy of our May-June, 1960, "News-Bulletin" (No. 76), entitled: "ONLY IMPEACHMENTS WILL SAVE OUR COUNTRY" (50c per copy). Anyone who will read it will never stop pressing Congress until we achieve it.

Our three most important objectives, in the order of their most immediate urgencies, are: —1) Prevent repeal of the Connally Amendment, *in whole, or piecemeal*; . . . 2) A Congressional investigation of the "United Nations"; . . . 3) Impeachments of the men who launched the plot to repeal the Connally Amendment — and of Earl Warren and the U. S. Supreme Court Justices who have rendered "Decisions" to protect Communists and to aid and abet the Great Conspiracy.

1) Our "World Court" Tract stopped the plot to repeal the Connally Amendment — but already they are trying to accomplish it piecemeal — we must pour signed copies of that "Tract" to all members of Congress as a warning that *the people* are watching them;

2) We must force a Congressional "hearing" of the UN; our "UN Tract No. 1" reveals the entire plot and the UN Korean War betrayals . . . the "UN Tract No. 2" confirms the plot and contains Trygve Lie's confirmation of the *secret agreement between Hiss and Molotov* . . . we must use the two "Tracts" as a unit — and keep *pouring* signed copies to every member of Congress until the "hearing" is ordered;

3) Our "SCJ No. 1" Tract calls for the impeachment of Earl Warren and his Associate Justices — it contains the proof of their treason. *That impeachment alone can blow the whole Conspiracy wide open!* We came very near achieving it with the Jenner Bill, which was defeated by one vote — *because the people stopped demanding it!* This time we must keep *pouring* in our demands (*signed Tracts*) until we achieve it.

But our "GENOCIDE PLOT" Tract is our *A Bomb!* They can deny Tract No. 1 — they can cast doubts on Tract No. 2 — they can even try to alibi the "World Court" Tract — but they cannot squirm out of the "GENOCIDE PLOT" Tract. We must make every White American — *man, woman and teenager* — read that "Tract". It will scare the living daylights out of them, but it will make them realize that this is *their* fight, not only for the salvation of our nation, but for their own lives and freedoms.

If just a few million Americans will join in this fight Congress will obey our demands. But we must use *all* the weapons we have. Please, *for the love of God and Country*, — urge all your relatives, friends and neighbors to sign all the "Tracts" and send them to their Senators and Representatives with an "or else" ultimatum . . . and tell them to urge all *their* relatives, friends and neighbors to do likewise — *it means our salvation!*

One more point: we must launch this new Crusade on the theory that all our past "Tract" campaigns are down the drain — *they're not actually* — all of them are well planted — they are a collective foundation for *this* Crusade — they will serve as a reminder . . . but politicians (*Senators and Congressmen*) have to be reminded — and reminded . . . the greater the volume of demands for action we pour in to them, the sooner will they realize that their constituents mean BUSINESS!

(Note: *Until November all Congressmen will be politicking at home. This is when they will be most vulnerable. Send your letters and "Tracts" to their homes — you can get the home addresses from your Post-office; or local Federal office; or from local Party headquarters. MCF.*)

ANOTHER WAY YOU CAN HELP.

As I said, we must launch this Crusade as if from scratch. That means we must once again contact all patriots throughout the nation who co-worked with us in the past — approximately 25,000 individuals. We are sending this "Special Bulletin" and Tract to 10,000 of these carefully picked patriots, but we do not have the finances to cover the other 15,000. Please finance a few letters for us. One dollar will finance 8 letters — \$10.00 will finance 80 letters — \$100.00 will finance 800 . . . also, you may have a group of friends and neighbors whom you'd like to "alert" but can't spare the time — *or prefer to remain anonymous* — send us the list and the financing and we will be *very* glad to do it for you.

Please RUSH your orders for the various "Tracts": UN No. 1 . . . UN No. 2 . . . SCJ No. 1 — to force impeachment of Warren . . . the "World Court" Tract to prevent repeal of the Connally Amendment . . . and, of Course, the "GENOCIDE PLOT" Tract. (Also, to get the full stories, "News-Bulletins" Nos. 76 and 77). Please order NOW — TODAY — tomorrow you may forget. All our "Tracts" are \$2.00 for 100 copies . . . Our Country is at stake — *"praise the Lord and pass the ammunition!"*

Yours for God and Country,

Myron Taggart

P.S. Additional copies of this "Special Bulletin" (including "GENOCIDE" Tract) can be had for 10c (1 to 10) per copy — or 8c per copy in greater quantities.

Here you have the names of more than 200 of the most rabid REDS and Fellow-Travelers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

NOTE:—A more complete list, with their **officially DOCUMENTED** backgrounds of pro-Communist activities, their RED FRONTS, the techniques they employed through the years to retain their holds on both Hollywood and TV, and other invaluable information can be found in "DOCUMENTATIONS of the RED STARS and FELLOW-TRAVELLERS in HOLLYWOOD and TV", by Myron C. "RED STARS"—TRACT

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . To save America

from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

**Keep Them OUT of Your (TV) Living
Rooms - Out of Radio - Off the Screen**

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and other wise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-ISM . . . and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. The Hollywood Moguls frantically denied everything. That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the charges against the

industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their pocketbook! — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—RACIAL DISSENSIONS!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — even the infamous "HOLLYWOOD TEN" are back again! — and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are brainwashing and poisoning your children right under your very eyes ! ! . . .

YOU can stop all that!—by shunning the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once—you can do it again!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS; Kraft Foods; General Electric; Chrysler; U. S. Steel; Texaco, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows (and the Ed Sullivan Show in particular) are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see.

Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPON-

SOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE.

THAT is the only way we will drive the REDS out of Hollywood — Radio — Television . . . Hit the pocketbooks of the Sponsor ! ! ! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

"THIS IS THE MOST GRIPPING BOOK I EVER READ. NO AMERICAN HOME SHOULD BE WITHOUT IT. IT IS A STORY OF INTRIGUE IN HOLLYWOOD AND THE TELEVISION STUDIOS THAT WILL PARTICULARLY FASCINATE THE YOUTH OF AMERICA. NEITHER DUMAS, NOR VICTOR HUGO, NOR JULES VERNE EVER WROTE A MORE ENTRANING STORY OF INTRIGUE, OF PLOT AND COUNTER PLOT"... George E. Stratemeyer, Lt. Gen. USAF (Ret.)

That is what Gen. Douglas MacArthur's famous chief of the Air Force in the Korean War said about "DOCUMENTATIONS of the REDS and FELLOW-TRAVELLERS in HOLLYWOOD and TV"—and following are his reasons for that observation:

Today there is a tremendous surge to conservatism in the political climate in America. The people are rapidly realizing that "Liberalism" is the sure road to Communism. Nowhere is this more apparent than in the Youth of America—on the College Campuses and even in the High Schools.

The people are becoming aware and alarmed by the infiltration of "Liberalism" and Communism in all segments of American life... but the greatest resentment is against those in Hollywood—the Stars, Writers, Directors, Producers who have transformed our Motion Pictures and TV shows into the most effective and most frightening of all the Communist propaganda machines to brainwash the American People. The real awakening came in 1959 when the American Legion, at their National and various State Conventions, released strongly worded "Resolutions" denouncing the Red treason being perpetrated on the Hollywood Lots and in the TV studios. They named a few of the offending Films and Stars, Directors, Writers and Producers, but only a few. And their "Resolutions" lacked the story behind the treason of those men and women. This book tells ALL!

In the entire history of American Literature there has never been a more startlingly revelatory book than this one. In addition to its fascinating story, it names and charges several hundred of the most famous men and women in the World of Entertainment with deliberate and witting collaboration with the Communist Conspiracy. More important, the book leaves nothing to imagination about the guilt of the individuals it names, as it DOCUMENTS all of their pro-Communist activities... all the DOCUMENTATIONS are derived from the official records of the "House Committee on Un-American Activities," the "California State Senate

Fact-Finding Committee," and even the FBI... There can be no denials of, or alibis for, the citations by those official Agencies as recited in this book.

This book is a priceless reference handbook for all Americans who would keep their TV sets clean of the subtle Communist propaganda and debasing filth that has been brainwashing their children... it is INVALUABLE for the SPONSOR of TV Shows who would avoid offending his potential customers—and losing their patronage—by bringing Reds and Fellow-Travellers into their Living-Rooms.

In addition to the documentations it contains, this book, authored by a famous master of the written word, tells the complete story of the Communist conquest of Hollywood and the entire World of Entertainment... it starts with the inception of the Conspiracy in 1917 and reveals all of the Machiavellian techniques the Reds employed to achieve their conquest—techniques they have been employing ever since to retain that conquest—techniques they are employing in these very days of 1961... and it unmasks all of their collaborators in high places in our Government in Washington.

For \$2.00 the reader will get a PRICELESS story. Once you will start to read this book, you won't lay it down until you have read its final word. It will fascinate and entrance you... it will also horrify you... it will shock you, startle you, scare the very daylights out of you, but it will also make you fighting mad and goad you into doing what this book tells all loyal Americans to do to smash the Red Conspiracy that has the whole World of Entertainment in its grip.

This book also contains a list of between 300 and 400 LOYAL Stars, Writers and Directors.

Gen. Stratemeyer concluded his statement with: "This book will be a prize item in every book store in America."

WHAT IS THE TRUTH ABOUT HOLLYWOOD and TV?

LUCILLE BALL

By their deeds shall they be known—not merely by their words.

In this book I have told the FACTS about the RED STARS and FELLOW-TRAVELLERS in Hollywood and TELEVISION, but I make no decisions . . . the PEOPLE shall be the Judge and Jury.

It is not for *me* to say whether a Gregory Peck, a Kirk Douglas, or a Frank Sinatra is Guilty or Innocent . . . that is for the AMERICAN PEOPLE to say.

WHY IMPEACHMENTS MEAN OUR SALVATION

In the following pages there will be statements and revelations that will startle even the alerted Americans who are regular readers of this News-Bulletin. Those Americans who still are more or less somnolent will be more or less skeptical. The brainwashed, especially the Eisenhower worshippers, will scoff and sputter angrily—but even they will see, *if they will stop and analyze the indisputable facts that will follow*, how the men (*particularly the God-Men*) to whom we have been entrusting the destiny of our nation have been *deliberately* betraying us *they will see WHY only impeachments will save our Constitution—and our nation!*

THREE THINGS TO REMEMBER

1) Even the most indoctrinated skeptics are aware that there is a deliberate conspiracy to destroy the present—or, I should say, the original—structure of our government, *and, primarily, our Constitution*. The unalerted have been “sold” that the conspiracy is entirely Communist, with the seat of it in Moscow. Yet, just a little bit of constructive analyzing quickly establishes that the actual conspiracy goes way beyond Communism—that Communism is the “*good right arm*” of the Internationalist conspirators who for many decades, indeed for many generations if not centuries, have been plotting to engulf and enslave the whole world in a so-called One-World Government. If there is even a remote doubt about that in anyone’s mind, just stop and think: who masterminded *and financed* the Lenin and Trotsky take-over of Russia? *Jacob H. Schiff*, the New York hierarch of the Internationalist Cabal who ordered Lenin (in 1918) to change the name of that new regime in Moscow from Bolshevik to Communist—and to adopt the Marx (Communist) Manifesto as its “Constitution”? *Jacob H. Schiff!* Do we need any more evidence than that to establish that Communism was created to be a tool of the Internationalists’ overall plot?

2) The most important subsidiary in this One-World plot is the “housing” for the One-World Government. Such a housing must, of necessity, have great attractiveness for the various peoples that are to be lured into the trap. Therefore, it must be camou-

flagged with saintliness and great humanitarianism—and it must be endowed with irresistible bait. Well, what could be more irresistible (*to a war-weary world*) than an assurance of everlasting PEACE? . . . what could be more irresistible bait for the youth of the world than a promise that *they* never would be called upon to die on the battlefields? Of course, such bait could have no enticement for a world at peace—such as followed the Napoleonic Wars. It would be bait only after a devastating war in which all the great nations of the world were involved—the more devastating the war, the more irresistible the bait. So, in 1914 the plotters plunged the world into the most horrible (*up to that time*) war in history . . . and don't ever let anybody tell you that that war wasn't the fiendish work of the Internationalist Cabal! . . . and in the final days of that war they (the plotters) came forth with their "League of Nations". That trap was a flop from the outset—but only for one reason: despite all the frenzied efforts of Woodrow Wilson, *the first of the Great Conspiracy's White House tools*, they were not able to suck the United States into it . . . and as long as the United States continues to be a free sovereign nation, they will never be able to spring their One-World trap!

The plotters quickly recognized the futility of their "League of Nations". They let it flounder along for a few years, but made no real efforts to keep it alive. They knew they'd have to create a new "housing" for their "One-World Government"—find new ways and means, and a more effective (than Wilson) Pied Piper, to suck the U.S. into that new "housing". Moreover, they knew they would have to inject far more enticement—*especially for the American people*—into their PEACE bait. Only one thing could do that—another, and even more devastating, World War! . . . a war that would make PEACE worth any price—even the surrender of sovereignty and all personal freedoms.

Well, all of us can remember what happened during the twenty years between World War One and World War Two—and those of us who are not blind can see how "crisis" after "crisis" was *manufactured* to finally bring about that second World War. We can well remember the (seeming) fumbling and bumbling of the "statesmen" of those years, the Chamberlains, the Deladriers, the Lavals—all their (Appeasement) Summit Meetings with Hitler—then the Hitler-Stalin Pact, etc., etc. Everybody knew that they were all steps leading to World War Two—everybody was talking about it, but, as Mark Twain said about the weather, nobody was doing anything about it. We know the rest—how the whole world was plunged into a war that made the first world war look like a skirmish . . . and out of that came the "UNITED NATIONS"—and

a world that was weakened and softened and ready for the plucking by the Internationalist-Communist Conspiracy..

But before going any further, let's get this entire picture clarified—and place the blame for the present plight of the world where it belongs:

The plot behind World War Two was to divide the world into two so-called Camps—EAST against the WEST. Both to keep constantly at each other's throat—both to be a constant threat of utter (Nuclear) annihilation of the whole world. Thus, all of the peoples of the whole world would be in a constant state of fright and panic, all frenziedly crying out for some solution, *any solution*, that will insure the PEACE of the Universe. And that's where the "UNITED NATIONS" was to step into the picture—to be transformed into a One-World Government that would insure that PEACE.

Naturally, Communist Russia was to be the EAST. But Russia alone could never have been made into a menace to the whole world (*Remember, all this was before the Nuclear Bombs had been developed*). Indeed, Russia alone could not have been a real menace even to just a free and undivided Europe. Therefore, it was imperative that Europe (*and especially Germany*) be divided—and virtually half of it (*the Balkans, and all of Eastern Europe, including Berlin*) be delivered to Moscow. But even that was not enough—Asia, with its centuries-old hatred of Russia, posed a bit of a problem. Moscow could hardly threaten even a weakened Europe, let alone the United States, with a hostile Asia ready and waiting to pour her hordes across Siberia right into the heart of Russia. Well, as we know, they solved that problem—when China was delivered to Moscow.

3) Now, the important point of that entire plot, of the deliveries of the Balkans and Eastern Europe and China to Moscow is that it could not have been accomplished without the treason of the men (*primarily Franklin D. Roosevelt*) whom we placed in the highest offices in our Land. Roosevelt made the "deals" at Teheran and YALTA—Eisenhower carried them out in Europe—George Catlett Marshall carried them out in China *and that same kind of treason is being perpetrated today!*

That's why I stress emphatically — **only impeachments can save our Constitution and our Country ! ! !**

And now, so as to leave nothing to imagination, and to remove all doubts from the minds of those who don't want to believe,

I will review some of the most obvious acts of treason by the men to whom we have been entrusting the destiny of our nation—and, *I repeat*, show why impeachments are our only sure-fire salvation.

"WE PLANNED IT THAT WAY" — FDR

When Roosevelt felt especially kittenish and pleased over the way things were going he would smugly say: "*We planned it that way*".

That remark always created an awkward silence; because the hearers knew that they were in the presence of an unsolved mystery. Nobody, except perhaps a Harry Hopkins, or an Alger Hiss, knew for sure who was meant by the "We".

He made that remark after he granted "recognition" to the Moscow banditti in 1933 he made that remark after "Pearl Harbor" he made that remark after Teheran—and again after YALTA he made that same mysterious remark, chuckling with a deep inner elation, when he announced the impending birth of the "United Nations". Metaphorically, that chuckle was a proclamation that he had finally achieved his one great ambition—it is commonly known that even though he was already in the first stages of senility, he still expected to be the President (*actually Dictator*) of the UN One-World Government. But what he didn't know was that the powers-that-be of the Great Conspiracy never intended to have an arrogant Roosevelt or an uncouth and uncontrollable Stalin heading up their One-World Government—the "head" was to be a non-entity like Trygvie Lie, or the present Dag, who would be the head (Secretary-General) in name, but an office boy in fact Trygvie Lie makes that quite apparent in his book, "IN THE CAUSE OF PEACE"—especially to those who can read between-the-lines of that book.

That dismaying information—*dismaying to the God-Man*—reached Roosevelt shortly after he came to Warm Springs for, as it turned out, his last stay. Roosevelt promptly jumped to the conclusion that "good old Uncle Joe" was at the bottom of that "decision"—he just could not believe that his friends, the Masterminds of the Great Conspiracy, whom he had served so well, would have done that to him of their own volition. He expressed that opinion when, for the first time, he deplored his past faith in Stalin. Anyway, *according to a very reliable source*, that "decision" was more than Roosevelt, in his already senile state, could take—he committed

suicide by blowing out his brains. And that was the reason his body was returned to Hyde Park in a tightly sealed casket. The whole nation was shocked when it was announced that he would be buried without the lying-in-state honors usually accorded to important personages. Nobody—well, *almost* nobody—could understand why Franklin D. Roosevelt, the God-Man of the American people, who died in office, was so hurriedly buried, without anybody being permitted to see his body or his face. The answer, according to that same very reliable source, is very simple: His self-inflicted shot had so shattered his head that even a plastic surgeon could not have concealed the cause of his (Roosevelt's) death.

However, at this time we are not concerned with the mystery surrounding Roosevelt's death—our concern is with his acts of treason during that period of his life in the White House.

ROOSEVELT JUST A SUPER TOOL

Throughout his career Franklin Roosevelt was considered a master politician. Actually, he was a master of deceit, treachery, chicanery, and the art of double-crossing. He deliberately knifed New York's Mayor, Jimmy Walker—without whose aid he never could have become the Governor of New York . . . he double-crossed Al Smith, who had been his political patron . . . he ruthlessly purged Jim Farley, whose skillful manipulation of political strings landed Roosevelt in the White House. In short, Roosevelt stopped at nothing, *not even the deliberate betrayal of his own country*, to achieve his objectives. Yet, beyond the shadow of a doubt, he was not his own master. He broke with his best friends on the slightest provocation—yet, he never failed to obey the wishes (*actually orders*) of Bernard Baruch, Herbert Lehman, Felix Frankfurter, or Morgenthau—and, before them, of Colonel Mandel House, the then BIG BRAINS of the Internationalist Cabal . . . *and therein we have the answer to the puzzle!*

It will be tragic folly if we continue to believe that our present abysmal plight is the result of natural happenstances. Our problems have been created by our own men in high offices—*at the behest of the Internationalist conspirators*. A master plan for the destruction (*conquest may be the more proper word*) of America has long been in process. The tragedy of it all is that even in this late day, when so much of treason and treachery have been revealed, some of our most astute citizens find it difficult to believe

that such a conspiracy exists. The very magnitude of the plot makes it fantastic and unbelievable. When the average American becomes aware of the facts, he is at first startled and bewildered; then disgusted with himself for having been so easily duped by what he was wont to call the "*Rooseveltian charm*"—just as we have been and are now being duped by the so-called "*Eisenhower charm*". That was—and is—usually followed by an inward sense of outrage. Millions of one-time "*Roosevelt worshippers*" now realize that the NEW DEAL objective was a Leftist Revolution—and that the Eisenhower Administration is a continuation of it. But many still do not realize that that did not just happen—that "**WE PLANNED IT THAT WAY**" — that it was a program fashioned according to a blueprint that was carefully prepared long before Roosevelt was chosen to carry it out.

ROOSEVELT SAVIOR OF COMMUNISM

From its very outset, the Communist regime in Russia was always in deep financial trouble. But in the late 1920s they really were skating on thin ice. They were operating by methods which can properly be likened to check-kiting. It was commonly known that by 1933 Stalin and his entire gang were living with bags always ready-packed for hasty flight out of Russia—if *they could get away*. The only thing that could save them was Recognition by the United States. *And that is no exaggeration*—the whole world knew it. And the whole world was expecting that Communist regime to explode any day—and *that would have been the end of all Communist threat to the world!* The thought of U.S. Recognition never entered anybody's mind—because from the very day of the Lenin-Trotsky take-over of Russia every U.S. Administration had adamantly refused to recognize the Kremlin gang as a legitimate government of Russia.

But Roosevelt hardly waited to be sworn into office when he proclaimed to a stunned world his Recognition of the Communist Regime. That Recognition saved Stalin and his gang. It tremendously increased their prestige and credit, at home and with all other nations. *More important for them*, it silenced and threw into despair the Russian Underground leaders who were then on the very verge of liquidating their Communist enslavers!

Thus, it was Roosevelt, *and only Roosevelt*, who kept Communism alive — it was Roosevelt who fanned into full flame the

present Communist threat to the whole world. And if ever the world is destroyed by that threat, the real destroyer will be the man named Franklin Delano Roosevelt. *Surely, today, even those who are most steeped in Roosevelt worship must recognize that horrifying fact!*

Roosevelt granted that Recognition without, *as required by our Constitution*, submitting the matter to the Senate for advice and approval.

Right then and there Congress should have impeached that charlatan! That would automatically have rescinded that Recognition — and it would have torpedoed the Communist threat for all time. And of equal, *if not greater*, importance, impeachment of Roosevelt would have stood as a dire warning to all others in high office . . . and it certainly would have stopped all further attempts to destroy, or even by-pass, our Constitution.

However, that was not the only act for which Roosevelt should have been impeached — *and that whole Roosevelt clan driven from public life, to-wit:*

Having anchored Communism in Russia, Roosevelt turned his attention toward anchoring that pestilence *within the United States!* At that time Communism was a minor influence in our country. Of course, long before Roosevelt came into the picture, a so-called political Communist Party had been set up in the United States — and they had been slowly infiltrating into various phases of American life, such as Unions, the Legitimate Theater (Broadway), Hollywood, etc. But they were timid infiltrations. Even the Hollywood Moguls, *who were dedicated to the advancement of Communism*, moved very cautiously in that direction. *And they (the Reds) had not as yet acquired any beachheads in Washington!*

It was not lack of money that retarded the Reds, because even in the early 1920s it was known that Otto H. Kahn (Kuhn-Loeb & Co.) and Sidney Hillman were financing the Reds' invasion of Broadway; that Lehman Brothers, Goldman-Sachs and other Internationalist Bankers were (secretly) acquiring control of Radio, of Hollywood, of the Press. Nevertheless, so great was the contempt of the American people for anything that smacked of Communism that throughout the 1920s the Reds made very little progress. Someone of greater stature and authority than the Internationalist Bankers and Hollywood Moguls would have to break down the barriers. Well, in 1933 Franklin Roosevelt entered the White House — *and that gave him the stature and the authority.*

It would require volumes of many thousands of pages to review all of the acts of treason committed by Franklin Roosevelt and the poisonous female of that species. So we will touch only on the most vicious ones.

His first act was, of course, the *unconstitutional* Recognition of the Kremlin gang. Then, within his first year in the White House, he opened the doors of the State Department, the Treasury Department, Labor, the Armed Forces, Defense Plants, the White House — in short, *every Government Department and Agency in Washington* — to an *influx* of Reds. Merely as a reminder, I will mention just a few names: Alger Hiss, William Remington, Harry Dexter White, Harry Hopkins, Sumner Welles, Lauchlin Currie, Jessup, Service, etc., etc. And *that* was when Harold Ware, with the full knowledge and approval of both Roosevelts, set up his Communist cell in Washington — to direct the *willing traitors* — and to blackmail all the homo-sexuals in sensitive jobs, who otherwise might never have served the Red “Cause”. Before the end of Roosevelt’s first term in the White House, there was a whispered — *and it was a loud whisper* — slogan circulating in Washington to the effect that: “*if you want a good Federal job, you must join the Communist Party.*”

Then, to enable the Reds to *openly* engulf all of Broadway and Hollywood, Roosevelt set up the “Federal Theatre Project” — *ostensibly to help starving actors and the dying Theatre*. He appointed one Hallie Flanagan, a pal of Eleanor’s and a flaming Red, to head and administer this “Project”. Red Hallie promptly appointed known Communists to be the heads of all the regional offices of the “Project”. Within the year word was spread throughout the Entertainment World: “*If you want a job you must join the Communist Party.*”

At the same time the “God-Man” was setting up other “Humanitarian” projects — *to Socialize and Communize the nation* — the WPA, PWA, etc., etc., — projects to give Union Bosses of the John L. Lewis, Dave Beck, Jimmy Hoffa, Walter Reuther stripe Communist dictatorship of Labor — projects to transform all of our industries into a huge monopoly (*via NRA*) under rigid Federal government control — projects to confiscate all the Rights delegated by the Constitution to the various States.

All of his “projects” were, to a lesser or greater degree, in conflict with the Constitution, but when reminded of it, his arrogant retort was: “*To Hell with the Constitution!*”

I could go on and on with reminders of his innumerable acts of

treason, but do I need to? Surely, even those of us who were in their teens in those days can remember how time after time he arrogantly defied Congress, the Supreme Court, the Constitution with his NRA, his Court-packing scheme, all of his various "New Deal" machinations — we can remember his snarled threat, when his NRA scheme was declared unconstitutional and outlawed, that he would "*. . . tear that — — — old Constitution to shreds before (he) was through with it!*" We can all recall with horror his unconscionable, dastardly "Pearl Harbor" ambush in order to drag us into World War Two . . . and does anybody have to be reminded of his treacheries and betrayals and outright treason at his "Summit Meetings" in Teheran and Yalta? — *especially YALTA* — where, *with the collaboration of Dwight D. Eisenhower*, he delivered all of Eastern Europe to Communist enslavement — and out of which came the new Internationalist-Communist trap for the enslavement of the whole world: *the UNITED NATIONS ! ! !*

Now, all of that sums up to the one vital point I wish to stress and implant into the collective consciousness of the American people — and that is, that if Congress had impeached Roosevelt for his unconstitutional Recognition of the Kremlin gang, or for any other of his traitorous malfeasances in office during his first term, it would have been the salvation of our Country and of the whole world from the present dread Communist threat . . . it would have stood as a dire warning for all time to other Presidents, and to all men in high offices who would be tempted to play fast and loose with the powers of those high offices . . . it would have terrified all the Internationalist conspirators and sent them scurrying into their rat holes . . . it would have smashed the entire Great Conspiracy!

And that's why I say: *ONLY IMPEACHMENTS (of an Eisenhower, a Nixon, a Warren, a Frankfurter) WILL SAVE OUR CONSTITUTION AND OUR COUNTRY ! ! !*

Note: — We will skip Harry Truman. Of course, there were several specific acts committed by Truman that richly warranted impeachment. But he was just a village idiot-boy serving as a stop-gap between the two Conspiracy-chosen Pied Pipers and there is no need to waste space on him in this review — so we will go right to Dwight D. Eisenhower.

THE TWIN PIED PIPERS

A quick appraisal will show why the Masterminds chose two such *seemingly* entirely different personalities as Roosevelt and Eisenhower to be their Pied Pipers.

Outwardly, they were as different as the Patrician and the Plebeian of ancient Greece. Roosevelt was an Aristocrat, with an arrogance to the manner born, together with the Patrician's scorn for the populace — which he covered up with a phony geniality. Eisenhower is obviously the coarse fibre of the earthy, sturdy plebeian, always gravely concerned (*on the surface*) for the welfare of the "common people".

But insofar as concerns the requirements of the Masterminds for their chosen Pied Pipers, both were as alike as two peas in a pod. Both were endowed with "charm" that could entice the birds out of the trees . . . both posed — *and convinced the naive* — that they were great "humanitarians" . . . both were "Princes of Peace" . . . both were born hypocrites, with absolutely no regard for honor, for decency, for truth.

In one of our earlier issues covering Eisenhower's career, I related an incident in his first year in military service: He had been assigned to duty in San Antonio, Texas. He had just married Mamie, and, like all young officers, was finding it hard to make both ends meet. Suddenly he learned that the job of football coach on a local Catholic College was open. But there was a catch to it — the job was open only to a Catholic. But there was no "catch" for Ike — he promptly began to attend Mass every morning. Now, Ike had been born of "Jehovah's Witnesses" parentage. Throughout his years at West Point nobody knew of his attending religious services of any kind — but, all-of-a-sudden, he was a pious Catholic. Apparently he made it look very real — he landed the \$50 a month Coaching job. Some months later he was transferred to duty in Pennsylvania. Ike never attended Mass again — and, until approximately 1952, nobody ever saw him attend any other kind of religious service.

Now, that story is not hearsay, or idle gossip. It was published in a book entitled "Biography of San Antonio", written before Ike was elected to the Presidency — and it is documented in the records of that Catholic University *how do you like that for utter hypocrisy?*

But, wait — you ain't heard nothin' yet! In 1952, when Eisenhower came back to the United States for his try for the Presidency, he suddenly — *and ostentatiously* — began to attend Church services . . . after thirty or more years during which he never put foot in a church, he suddenly became a pious church goer — this time a Presbyterian!

To land a \$50 a month coaching job he became a Catholic — to land in the White House he became a Presbyterian!

At this point, I wish to stress that in citing the above I am not motivated by a mischievous desire to rattle an ugly skeleton in Eisenhower's closet — my one and only purpose is to *establish* that this man never stopped at anything to achieve his objectives, *even such a petty objective as a \$50.00 a month coaching job . . .* now let's go on to his far more heinous acts during World War Two — acts of deliberate betrayals of America and of the World — acts of deliberate collaboration with the Internationalist-Communist Conspiracy.

In 1939 General MacArthur notified Washington that he was about to ship Major Eisenhower back to the United States.

Now, long before that — in 1934, to be exact — Eisenhower had caught the attention of Bernard Baruch, the self-styled mentor of various Presidents of the United States — and Top Brass of the Internationalists Cabal. Baruch saw in Eisenhower the makings of a very obedient stooge for that Cabal. Thus, when the report of Eisenhower's impending return reached Washington, the Pentagon, on orders from the White House, at the behest of Baruch, hastily promoted Major Eisenhower to a Lieutenant Colonelcy.

Approximately one year later the Roosevelt-manuevered "Pearl Harbor" atrocity hurled us into World War Two — and promptly the White House ordered that Major (lately promoted Lt. Col.) Eisenhower be jumped over several hundred Colonels and Generals and given supreme command of all Allied Armies.

Now, get *this*: Eisenhower had never had any battlefield experience — he had never been in command of a Company on a battlefield, let alone a regiment, or an army. Yet, he was jumped over many GENERALS (let alone Colonels) with great war experience, and placed in supreme command of vast armies of millions of men! . . . *What is the answer?*

The answer can be found, at least in part, in the techniques employed by the Kremlin to make sure of the loyalty of the Generals

in command of the Russian armies: The Kremlin always attached a semi-civilian Commissar to every one of their armies. By semi-civilian, I mean a one-time Army officer of medium rank, such as a Captain, or a Major, who had been moved over into the MVD, or other secret police activities. Very few of them had any battle-field experience, or any military leadership capabilities — they were strictly there to guard the interests of the Kremlin gang. But, to all intents and purposes, the General in command was subservient to the Commissar. That Commissar even had the power to relieve the General of his command and have him court-martialed if there was the slightest suspicion that he might be disloyal to the Kremlin gang.

Well, in "The Eisenhower Myth" I established beyond even a remote doubt that "Supreme Commander" Eisenhower was to all intents and purposes nothing more nor less than a supreme Commissar — placed in "command", so as to make sure that the *real* Generals, such as Patton, Bradley, Mark Clark, etc., would fight the war along lines laid down in Moscow and approved in Washington. In that same "Eisenhower Myth", I established that Eisenhower was constantly in radio and/or telephonic contact with Stalin — *and carried out Stalin's orders on how to maneuver the Allied Armies!*

That was why, *time after time*, Eisenhower stopped our armies all along the Western Front — *in order to give the Russians enough time and opportunity to "capture" the Balkan states, Eastern Europe and Berlin.* General Patton could have swept through the Balkans and taken Berlin weeks, if not months, before the Russians could even have arrived at all those points. Moreover, all of those peoples, including the German Commander in Berlin, terrified by the very thought of "conquest" by the Russians, pleaded with the Americans to accept their surrender — *and that would have brought the war to an end!* But, no! Our great Supreme Commander would have none of that — he preferred to have the Russians "capture" Berlin! Later, his alibi was that he wanted to save American lives! Bear in mind, the German High Command had offered to surrender . . . *what American lives would have been lost in such a surrender?*

I could cite many incidents that establish beyond a shadow of a doubt that Ike's job in World War II was not to win that war for the Free World, but to carry out the blueprint of the Masterminds of the Great Conspiracy—to create Communist Russia into such a terrifying menace to the PEACE of the whole world as to force all nations into a One-World (UN) Government.

However, the chief objective of this document is to set forth Eisenhower's acts during his Presidency of the United States which

cry out for his impeachment. Undoubtedly, he should have been court-martialed, *and executed*, for many of his deliberate acts during the war — one, in particular, was when he withheld General Patton's gasoline supplies which left the Patton army exposed to utter annihilation by the Nazis, had they learned of it in time. But, as I said, at this time, we are concerned with his acts that call for his impeachment, and none of his World War II betrayals can be construed into grounds for impeachment proceedings.

Nevertheless, in order to completely disillusion those who still see Eisenhower as a God-Man, as a "Military Genius" and a great American patriot — who worship him for his great humanitarianism — I will cite two incidents that should explode all those "virtues".

1) From the time that he was made head of NATO, and to this very day, Eisenhower has contended that he could not co-exist harmoniously with, or trust, Moscow, until Russia would release her Satellite nations and agree to a free unification of Germany. *What sheer and brazen hypocrisy!* It was Eisenhower who delivered those Satellite states to Stalin — it was Eisenhower who gave East Berlin to Moscow — it was Eisenhower who forged the Communist chains that enslave all those hapless peoples. NOW he sheds tears for them — well, a crocodile sheds tears, too!

2) From the time he emerged as a candidate for the Presidency, he has posed as a great humanitarian, his heart bleeding for the "poor negroes" who have been denied integration and equality by the Whites, etc., etc. Well, right after the Germans surrendered and the war was over, this great "humanitarian" rounded up several hundred thousand (*some say it was millions*) White Russians, Hungarians, Czechs, German war prisoners, etc., etc., and delivered them to Moscow's stone walls and Siberian slave-labor Camps . . . *he delivered them in American trucks and conveyances, all guarded by American bayonets!*

And those are two incidents he cannot deny, or alibi. Both of those incidents are matters of record — and will go down in history, written in the blood of his helpless victims! . . .

And now, for the benefit of the naive ones who still believe that Dwight D. Eisenhower is a saintly man of high principles and impeccable integrity, let's go on and see how ethical and honorable he was during the 1952 Republican Convention in Chicago. As we know, we were supposed to believe that he was "coaxed" into that contest against his will — that he was actually "dragged" into it by one of those Borax twenty-mule teams.

THEFT OF THE 1952 NOMINATION

At the height of that Convention, public-address trucks were circling the hotels where the various state delegations were in caucus, their loud speakers screaming "THOU SHALT NOT STEAL". That charge was hurled at Taft by the suddenly-pious, bible-quoting Eisenhower. Yet, it was commonly known that Eisenhower and his political mentors were the thieves — that Winthrop Aldrich had come to Chicago with suitcases bulging with hundred and thousand dollar bills — that scores, perhaps hundreds, of delegates were being *bought* at \$15,000 per delegate, to switch their votes from Taft to Eisenhower.

I won't go into all the details of the thievery, the bribing, the cheating, the crooked "deals" that prevailed at that Convention. Every national Convention has its "smoke-filled rooms", its "deals", its various chicaneries, but never in the entire history of politics has there been as bold and as brazen a theft of a nomination as the one at that 1952 Convention in Chicago. Even the infamous Boss Tweed never rigged an election as boldly and as brazenly as the Masterminds of the Great Conspiracy rigged that Convention. So desperate were they to land a Pied Piper into the White House who could "push" the United States into their UN One-World Government without our realizing that we were being "pushed" that they stopped at nothing — *they wouldn't have stopped at murder!*

And don't let anybody ever tell you that "military man" Eisenhower was too naive about politics to realize what was going on — *he was in on every twist and turn of that robbery!* His 1952 campaign activities amply verify that fact.

EVERY PROMISE A DELIBERATE LIE!

Throughout his campaigning, Eisenhower tore to shreds the foreign policies of the Roosevelt and Truman Administrations—especially that of Truman. He pointed harshly accusing fingers at the men in the State Department who had shaped those policies. He was just as harshly critical of the Domestic policies of those Administrations. In so many words, he told us that the affairs of our nation had been in the hands of crooks, political charlatans and, yes,

traitors! And then he piously promised that, if elected, he would throw *all* those rascals out and replace them with men who would have only the best interests for America in their hearts.

Every promise he made was a deliberate falsehood. He promised to reduce taxes — taxes have been *increased* . . . he promised to wipe out all waste in government spending — government spending has gone up, up, UP . . . he promised to drive out of all Government Departments and Agencies all crooks, all “suspects”, all traitors — etc., etc.

Well, I won't attempt to pinpoint *all* of his falsehoods — I will merely point to his record. With the one notable exception of Dean Acheson, the same “rascals” (*John Foster Dulles, Christian Herter, Chip Bohlen, of YALTA infamy, etc., etc.*) have continued to operate the State Department. . . he protected and shielded the Reds in our Armed Forces . . . the same hidden influences (“*Council on Foreign Relations*” and the UN) have continued to shape our “Foreign Policies” . . . the same kind of Left-wingers and One-Worlders (*Paul Hoffman, Tom Dewey, Brother Miltie, Sherman Adams, Herbert Brownell, Rogers, Max Rabb, etc., etc.*) have continued to shape our Domestic Policies . . . the Supreme Court Justices he appointed might well have been picked by Krushchev himself.

Now, of course, that brazen theft of the 1952 nomination cannot today serve as grounds for impeachment proceedings. Congress should have declared it null and void at that time — and driven every political charlatan involved in it, including the sanctimonious Eisenhower, out of public life. That would have been almost as effective as an impeachment would be today. It would have been a terrifying warning to every politician in the nation. It might have shattered the entire Great Conspiracy right then and there. For with a Taft or a MacArthur, or any man of equal loyalty to America, in the White House, the entire course of events in our nation would have been completely reversed. Our Foreign Policy would have been a policy for the good and the safety of the United States. Our Domestic policies would have been for the good of the American people. A Taft or a MacArthur would not have “pushed” Britain and France into surrendering the Suez Canal — and, by that token, there never would be any talk of *our* surrendering the Panama Canal . . . there never would have been a Castro — and a Communist controlled Cuba right on our doorstep.

However, there is nothing to be gained by crying over that spilt milk. We have lost eight very valuable years — because the men in our Congress of 1952 failed (*deliberately*) in their obligation to

the American people. They failed because they are politicians — and politicians see nothing wrong in political thievery and chicanery. Those are the tools of their trade — just as a gun and a horse were the tools of a Jessie James. Impeachment of any man in high office, no matter how crooked he may be, would set a precedent that would become a sword of Damocles hanging over the heads of all of them. Therefore it is quite understandable that no members of Congress, individually or collectively, would *willingly* initiate impeachment proceedings. That is why the Warrens and the Frankfurters feel so safe in their life-time jobs—that's why the Roosevelts, the Eisenhowers, the Wayne Mortons and Hubert Humphreys go on committing act after act of treason, knowing they are safe from the one drastic punishment that Congress can inflict upon them. The fear of setting that precedent has been their license to commit their acts of treason.

But there is one thing that every member of Congress fears far more than that precedent — and that is: the wrath of the people. That precedent can force them to become honest men or, at least, very cautious men, but the wrath of the people can mean political oblivion. We have a notable example of that fact in the case of former Senator William Knowland. At one time Knowland had a clear road to the Presidency of the United States. He *talked* like a good American — he *acted* like a good American. Then he fell for the Eisenhower "charm" — and began to shilly-shally. The people finally became fed up with his shilly-shallying, and they let him know it in no uncertain terms — the people of his own state (California), where once he was the most popular of all the politicians, drove him out of politics — even though it saddled them with a far more reprehensible political charlatan in Pat Brown.

That is why, I repeat — **ONLY IMPEACHMENTS** (even just one) **WILL SAVE OUR CONSTITUTION AND OUR COUNTRY!**

NEVER TOO LATE

Now, I fully realize that many people, perhaps the vast majority, will say it is too late for such action against Eisenhower, on the theory that he will be out of office in a few months and, therefore, is already virtually out of reach of Congressional action.

That is true to a degree—but *only to a degree*—he can be haled before Congress for malfeasance committed while in office even

his political charlatans had inflicted on Taft, had vowed that they would "*sit on their hands*" throughout the campaign. Ike (*and his Masters*) knew that he could not be elected without their support—so he sanctimoniously appealed to their "Party loyalty". In return for their support, he pledged himself to carry out all of Taft's policies—and to wholeheartedly support McCarthy's efforts to flush the Reds out of all Government Departments and Agencies. As we know, both Taft and McCarthy fell for his false promises—as *did the whole nation*.

Immediately after the inauguration, McCarthy returned to his dedicated task. It wasn't long before Eisenhower began to indicate disapproval. And as Joe dug deeper and deeper, Eisenhower's frown became darker and darker. Then Joe's probings began to hit nerve-centers—especially at Fort Monmouth and at the Pentagon (WHO PROMOTED PERESS). That was when Eisenhower emerged openly from behind his mask: he issued an Executive order to bar McCarthy from the FBI files—*mind you, that order was not just against McCarthy, but against a SENATE COMMITTEE investigating treason in our Armed Forces and Defense Laboratories!* . . . he ordered the Pentagon to refuse all information requested by the McCarthy Committee . . . he instructed General Zwicker to refuse to answer McCarthy's questions, and thus flout that entire Senate Committee—for *which Zwicker was promptly promoted*.

I repeat: that was done not just to Joe McCarthy, but to a Senate Committee investigating the treason being perpetrated in our Armed Forces and Defense Plants. Eisenhower used all the powers of his office to stifle and prevent that investigation . . . *THAT WAS HIGH TREASON!*

But, wait—that wasn't all: it was obvious that while the Eisenhower "Executive" orders stymied McCarthy, it would not stop him. To stop him, he had to be utterly destroyed—or so discredited with all of the American people as to make him impotent. That was when Eisenhower and his "Palace Guard" concocted the "*Censure by the Senate*" Conspiracy. And to their everlasting shame, a majority of the Senators joined Eisenhower in that treason plot to destroy one of its high officers—whose only "crime" was that he was carrying out his sworn obligation to protect and defend our Constitution and our Country.

By that act Eisenhower compounded his High Treason—and every Senator who signed that decree was equally guilty of High Treason. *All of them should have been impeached and tried for High Treason right then and there!*

THE INVASION OF LITTLE ROCK

No. 2:) We know all about the Eisenhower-Earl Warren "deal" at the 1952 Convention. Warren knifed Taft by throwing the California delegation to Eisenhower—and Eisenhower pledged himself to appoint Warren Chief Justice of the U. S. Supreme Court. But there was far more behind that "deal" than the mere exchange of political "favors". Actually, Warren was chosen for that post not by Eisenhower, but by the Master-minds of the Great Conspiracy—Eisenhower merely (*obediently*) obeyed orders when he made the appointment. Following is the reason why the Masterminds had to have Warren at the head of the U. S. Supreme Court.

The chief function of this Court is to interpret the Constitution—and to rule on the constitutionality of all Laws created by Congress and the various State Legislatures. In short, the U. S. Supreme Court is "*the last word*" on Law and order within the United States. Congress had enacted the Smith Act, and various State Legislatures had enacted their own special State Laws, expressly to deal with Communist subversion and activities. Only Supreme Court "Decisions" could invalidate those Laws. Earl Warren was a perfect choice for that job. Of course, in Frankfurter and Douglas, the Masterminds already had two dedicated tools on that Bench, but those two slimy characters had long been discredited—such "Decisions" coming from them would automatically be "suspect" and repudiated, just as was Douglas's stay of the execution of the Rosenbergs. But a "Decision" rendered by the highly respected Earl Warren, whose pro-Communist leanings were not generally known even in California, would be accepted (*they hoped*) as being in good faith.

All of the Warren "Decisions" bearing on the various phases of the Great Conspiracy were treasonous and evil, but his infamous "Desegregation Decision" was the most vicious—the most reprehensible — and, of course, distinctly unconstitutional. *That* was the "Decision" that the Masterminds had for years been most eager to achieve. The "Jencks" and "Watkins" Decisions were rendered for the protection of the Communists in the U. S. . . . but the "Desegregation Decision" was to complete the job of destroying the unity of the American people, and, *in particular*, to heighten tension between Negroes and Whites. We reviewed that entire matter in our "Tract" entitled "*WANTED! EARL WARREN For IMPEACHMENT*", so there is no need to repeat it here . . . and that brings us to Eisenhower's direct participation in *that* treason plot, to-wit:

The Masterminds knew that the South would resist that "Decision"—violence was practically sure to result. *In fact, the Master-*

minds hoped it would! In anticipation of such resistance, and on the assumption that local police and state militia in the South would be on the side of the Whites, the "military genius" in the White House issued secret orders to the Pentagon to be "on alert" and ready to rush paratroopers, tanks and artillery into various Southern cities and communities where resistance to the "Decision" could be expected. Little Rock was the test. Had the people outside of the South approved of that invasion, he was all set to rush similar military units into every Southern community that showed similar resistance to the "Desegregation Decision". But the people outside of the South did NOT approve! They were horrified by the sight (*on Front-pages and TV*) of brutal paratroopers bashing in heads of American citizens with their gun butts—they were outraged by the sight of a sixteen-year old high school girl threatened by a bayonet-wielding paratrooper. And that was the end of that *modus operandi* for the enforcement of the "Desegregation Decision"—the nation-wide out cry so scared the living daylights out of the Little Napoleon that he hurriedly ordered the Pentagon to cancel all further "invasion" plans.

And now let's analyze that Little Rock invasion: Moscow rushed an army, tanks and artillery into Budapest to put down resistance by the Hungarian Freedom Fighters—the whole world was horrified by the massacre that followed . . . Eisenhower rushed an army, tanks and artillery into Little Rock to put down resistance to the "Desegregation Decision"—by sheer good fortune there was no massacre in Little Rock.

But where is there any difference in those two incidents? What if the people of Little Rock had not held themselves in restraint? What if Governor Faubus had ordered the State militia to resist the invasion?—under our Constitution, he had that right, you know. Or what if a few hundred angry white students had resisted the paratroopers in the way the Hungarian students resisted the Russian troops? We might well have had a "Little Rock Massacre" not altogether unlike the Budapest Massacre. *But with this significant difference:* In Budapest it was Russian and Mongolian troops murdering Hungarians—in Little Rock it would have been American troops murdering Americans. It would have created the very animosities, the very strife, the very hatreds that the Masterminds have been striving to achieve during the past 50 years—it *could* have sparked another Civil War between the Federal Government and an enraged South . . . *it could have destroyed our nation!*

Both the "Desegregation Decision" and the "Little Rock Invasion" were deliberate acts of HIGH TREASON — to advance the Internationalist-Com-

munist Conspiracy to suck the United States into the enslavement of their One-World (UN) Government! . . . Both Eisenhower and Warren should have been impeached for treason right then and there!

NOTE:—*To those who still may have doubts about the foregoing statements, I again urge a close study of the DOCUMENTARIES in the "WANTED — EARL WARREN for IMPEACHMENT" Tract. Those "Documentaries" establish conclusively that (paraphrasing Roosevelt) the Masterminds "planned it that way" ever since the turn of the Century.*

No. 3:) The final one we shall deal with is his plot to repeal the Connally Amendment—and thus to place the United States and the American people under the COMPULSORY jurisdiction of an International World Court set up and controlled by the "UNITED NATIONS".

When Roosevelt granted Recognition to the Kremlin bandits, he proclaimed that Stalin had solemnly pledged that Moscow would never attempt to interfere in our Domestic affairs—we know how Moscow has kept that pledge. The UN provided a similar pledge in the 7th paragraph of Article 2 of their Charter, which states: *"Nothing contained in the present Charter shall authorize the United Nations to intervene in matters which are essentially within the domestic jurisdiction of any state or shall require the Members (meaning Nations) to submit to such settlement under the present Charter"*.

Clear enough, isn't it? It was a *written* pledge that the UN would punctiliously respect our national sovereignty—that they would NOT intrude in our domestic affairs.

But that same Charter contained two craftily camouflaged "provisions", which, *had the Senate ratified them as they were written*, would have completely nullified that "pledge"—and so chained and muzzled every American that not one of us would have dared to resist the transformation of the United States into an enslaved unit of the *planned* UN One-World Government.

Those two "provisions" were the "GENOCIDE" pact and the "INTERNATIONAL WORLD COURT". The two are twin plots—either one could have accomplished the job.

Fortunately, Senator Tom Connally saw through the "World Court" plot—and "clipped" it with his famous "Amendment".

In 1949, the Masterminds decided to achieve their objective, *and, to all intents and purposes, get around the "Connally Amendment"*, with their "Genocide" treaty. *With the blessing of President Truman*, they submitted it for ratification to the Senate Foreign

Relations Committee. But, in the nick of time, the late Senator Pat McCarran (*alerted, incidentally, by CEG*) exposed it, and prevented ratification.

Now, without "Genocide" and/or the "World Court" to paralyze all resistance by the people, the Masterminds have no way to suck the U. S. into the UN One-World Government plot. But for several years they made no obvious efforts to put either scheme into orbit. They didn't dare—not as long as the McCarrans and the Connallys, and the Tafts and the McCarthys, were around to catch them "*with their pants down*". So, they resorted to their usual technique of waiting until everybody went back into slumberland. But they couldn't wait *too* long—they knew that the next man they'd land in the White House wouldn't have Ike's "charm" to bewitch, bedevil and bewilder the people—and Congress. The attempt would have to be made while he was still in office. So, early in 1958, the Masterminds gave Ike the "go" sign.

In our January 1960 "News-Bulletin" (No. 73), entitled "*U. S. Abolished by Order Of The UN*", we reviewed how Eisenhower, aided and abetted by Nixon, Rogers, Herter, Humphrey, etc., launched the plot to repeal the Connally Amendment.

He knew that repeal of that Amendment would destroy our Constitution—he knew that it would lead to the finish of the United States as a free and sovereign nation—yet, he used every possible pressure, every influence of his high office, to effect that repeal!

Surely, that deliberate act of HIGH TREASON needs no further clarification . . . surely, it proves conclusively the existence of an internationalist-Communist conspiracy to engulf the United States in their UN One-World Government : . . surely, it PROVES conclusively that Eisenhower is and always has been a willing and deliberate tool of that Conspiracy—else why did he strive so desperately to repeal the Connally Amendment and thus place the United States under the COMPULSORY jurisdiction of a UN "WORLD COURT" composed of FOURTEEN Foreign and Communist Judges and ONE American (*very likely of the Warren ilk*) Judge?

If only for that act alone, Eisenhower MUST be impeached and tried for HIGH TREASON . . . and if we can't accomplish it while he is still in office, we must never stop until he is haled by Congress after he is out of office—if only for the reason already described.

And, believe me, we CAN accomplish it! The defeat of the plot to repeal the Connally Amendment PROVES it. It was that avalanche of letters, telegrams and signed "Tracts" that did it. It told *all* the members of Congress that we are finally awake—and it so

frightened every Senator that virtually all of them warned Fullbright *not* to submit it to a vote. That was the greatest victory "the people" ever won. We stopped the traitors! Now we must go on to a greater victory. We must achieve at least *one* impeachment—*just one impeachment of an Eisenhower, of a Warren or a Frankfurter, of a Nixon or a Humphrey, will complete a victory that will save our Country!* . . . We must heighten, *and keep heightening*, our avalanche of letters, telegrams and "Tracts" until we achieve that impeachment. That will be a dire warning to everybody in public office that we not only will not vote for them at election time, but that we now know how to hurl them out of their offices—and to *properly punish them for any acts of treason, or any kind of malfeasance, they committed while in office.*

Now I will stress why we must do this AT ONCE:

We are on the threshold of the election of a new President. Take a look at *all* of the Presidential hopefuls: Nixon, Kennedy, Johnson, "Sanctimonious Stu" Symington, Eleanor's boy, Adlai. I don't have enough space to go into their slimy backgrounds—but, do I need to? With every one of them, honesty, decency, integrity, are just obnoxious words in the dictionary. I get a queasy feeling in my stomach every time I think of *one of them* functioning as the President of the United States. Yet, except for a Goldwater miracle, which I can not envision until 1964, one of those individuals will be our next President, *God help us!* There is only one thing that will keep that man honest, like a carefully watched ex-convict on parole—and that is: if we put the fear of impeachment and quick trial for *any* malfeasance while in office. That is why I say—and *reiterate*: ONLY IMPEACHMENTS WILL SAVE OUR COUNTRY!!!

Fellow-Americans, we can do it—between now and the November election day we can FORCE Congress to give us that action.

Order NOW a supply of our Tract "SCJ No. 1", which demands the impeachment of Warren, Frankfurter, Douglas and the other Justices. Sign them and send them to your Representatives and Senators . . . get *all* your friends and neighbors to do likewise.

Order NOW, and do likewise with our "World COURT" Tract, which demands impeachment *and trial for treason* of Eisenhower, Nixon and all the others in the plot to repeal the Connally Amendment.

Remember, my fellow-Americans: we can save our Country *only* if we lift our voices loudly and strongly enough—only if we SHOW all politicians elected into office that at the first sign of disloyalty to our Country we will *destroy* them . . . via IMPEACHMENTS—and *the punishment to fit their crimes!*

KNOW the TRUTH and the TRUTH shall make you FREE

The most important thing for all of us to always remember is that the salvation of our Country depends upon getting the TRUTH of the GREAT CONSPIRACY to all of the American people. When — and if — that will be accomplished our nation will again be FREE — and SAFE. Our Press won't do it — you know why — so it is up to YOU and me to do it.

THE INCEPTION OF THE UN

Perhaps the most incredible event in the entire history of our nation took place in Washington in 1945, when Alger Hiss, later exposed as a traitor even more dastardly than Benedict Arnold, delivered the "United Nations" Charter to our Congress — and our Senate entered into a "Treaty" with that conglomeration of so-called *Agents* of other nations . . .

That "Treaty" was — and is — absolutely illegal under our Constitution, which authorizes Treaties only with other sovereign nations !!!

But, to me, what was even more incredible, was the joy with which all of the American people accepted that event — they accepted it as a sure-fire guarantee that it was to mean no more wars — that the UN was to insure PEACE forever throughout the world.

The jubilation of our people when the setting up of the UN was announced was quite understandable. We had just gone through the most horrifying war in all history — millions of mothers and fathers were mourning the loss of their sons — everybody welcomed *anything* that even promised an end to all wars. But there was even a greater reason for their acceptance of the UN as the answer to their prayers, and that was the brainwashings by the Press and all other Mass Communications Media, who hailed the UN with wild eulogies and full approval. None of them told the people that the Charter had been written by Communists and an American traitor — none even hinted that the UN in reality was intended to be a "*housing*" for a One-World Government that had been plotted not merely in this century, but ever since the middle of the 18th Century. None hinted that the UN is today's culmination of a plot that was launched back in the 1760's, when it first came into existence under the name of THE ILLUMINATI. This ILLUMINATI was organized by one Adam Weishaupt, a Catholic Priest, who defected, at the behest (*and financed*) of the Rothschilds. And every war since then, beginning with the French Revolution, and every One-World movement since then, has been promoted by the ILLUMINATI under various names and guises. After the name of THE ILLUMINATI became too notorious, the Conspirators began to operate under various other names. The "*Council on Foreign Relations*" (CFR) is nothing but the ILLUMINATI in the U.S., and there is a similar ESTABLISHMENT in England, under the name of the "British Institute of In-

ternational Affairs." There are similar *secret* organizations in France, Germany and other nations (*names not available*). They tried to set up a "*League of Nations*," to be transformed into a One World Government at the "*Congress in Vienna*" immediately after the Napoleonic wars — they tried to set up a similar "*League of Nations*" immediately after World War One — and the present "*United Nations*" was set up to be the Housing for that same old ILLUMINATI plot for a One World Government.

The great crime of our Press and other Mass Communications Media was that many of the top men in every Media was fully aware of the objective of the UN — and that it was an integral part of the ILLUMINATI plot, but they carefully avoided letting the American people know it. Moreover, there were a few fully alerted people who were fully aware of it and tried to alert the American people, but the Press has always managed to suppress the books issued by such people. One such man was William Guy Carr, a Commander in the Royal Canadian Navy. He wrote two books which completely revealed the plottings. One book was "*PAWNS IN THE GAME*," another was "*THE RED FOG OVER AMERICA*," but by orders of the American Hierarchy of the Great Conspiracy (*the CFR*), all distribution of both books was prohibited and suppressed.

The following is a quote from a statement he issued after he wrote those books —and it fully reveals the ILLUMINATI plot:

"If what I reveal," said Commander Carr, "surprises and shocks the reader, please don't develop an inferiority complex because I am frank to admit that although I have worked since 1911, trying to find out why the Human Race can't live in peace and enjoy the bounties and blessings God provides for our use and benefits in such abundance, it was 1950 before I penetrated the secret that the war and revolutions which scourge our lives, and the chaotic conditions that prevail, are nothing more nor less than the effects of the continuing Luciferian conspiracy. It started in that part of the Universe we call Heaven, when Lucifer challenged the Right of God to exercise supreme authority. The Holy Scriptures tell us how the Luciferian conspiracy was transferred to this world in the Garden of Eden. Until I realized that our struggle is not with the flesh and blood, but with the spiritual forces of darkness who control all those in high places on this earth (Eph. 6: 12) the pieces of evidence gathered all over the world just didn't fit together and make sense. (I am not ashamed to admit that the BIBLE provided the KEY which enabled me to obtain an answer to the question quoted above.)

"Very few people seem able to appreciate that Lucifer is the brightest and most intelligent of the Heavenly Host and because he is a pure spirit,

he is indestructible. The Scriptures tell us his power is such that he caused one third of the most intelligent of the Heavenly Host to defect from God, and join him, because he claimed God's plan for the rule of the Universe is weak and impractical because it is based on the premise that lesser beings can be taught to know, love, and wish to serve Him voluntarily out of respect for His own infinite perfections. The Luciferian ideology states, **MIGHT IS RIGHT**. It claims beings of proven superior intelligence have the right to rule those less gifted because the masses don't know what is best for them. This Luciferian ideology is what we call totalitarianism today.

"The old Testament is simply the history of how Satan became Prince of the world, and caused our first parents to defect from God. It relates how the synagogue of Satan was established on this earth. It tells how it has worked since to prevent God's Plan for the rule of the Universe being established on this earth. Christ came to earth when the Conspiracy reached the stage that, to use His own words, Satan controlled all those in high places. He exposed the Synagogue of Satan (Rev. 2: 9, 3: 9). He denounced those who belonged to it as sons of the devil (Lucifer), whom He castigated as the father of lies (John 3: 4) and the prince of deceit, (2 Cor. 11: 14). He was specific in His statement that those who comprised the Synagogue of Satan were those who CALLED themselves Jews, but were not, and did lie (Rev. 2: 3, 3: 9). He identified the Money-Changers (Bankers), the Scribes and the Pharisees as the Illuminati of His day. What so many people seem to forget, is the fact that Christ came on earth to release us from the bonds of Satan with which we were being bound tighter and tighter as the years rolled by. Christ gave us the solution to our problem when He told us we must go forth and teach the TRUTH regarding this Conspiracy (John 8: 31: 59;) to all the people of all nations. He promised that if we did this, knowledge of the TRUTH would set us free (MATT: 28: 19). The Luciferian Conspiracy has developed until it is in its semi-final stage (Matt. 24: 15: 34), simply because we have failed to put the mandate Christ gave us into effect."

In 1784, "*An Act of God*" placed the Bavarian government in possession of evidence which *proved* the existence of the continuing Luciferian Conspiracy, to wit: Adam Weishaupt, a Jesuit trained professor of Canon Law, defected from Christianity, and embraced the Luciferian ideology while teaching in Ingoldstadt University. In 1770 the money lenders (*the recently organized House of Rothschild*) retained him to revise and modernize the age-old "*Protocols*" designed to give the Synagogue of Satan ultimate world domination so they can impose the Luciferian ideology upon what would remain of the Human Race after the final social cataclysm, by use of Satanic despotism. Weishaupt completed his task May 1, 1776 . . . *May 1 is the great day with all Communist nations to this very day !!!*

The plan required the destruction of ALL existing governments and religions. This objective was to be reached by dividing the masses, whom he (Weishaupt) termed human cattle into opposing camps in ever increasing numbers on political, social, economic and other issues . . . *the very conditions in our country today!* The opposing sides were then to be armed and "incidents" provided which would cause them to fight and weaken themselves as they would destroy National Governments and Religious Institutions . . . *again, the very conditions in the world today!*

In 1776 Weishaupt organized the ILLUMINATI to put the plot into execution. The word "ILLUMINATI" is derived from Lucifer, and means " *HOLDERS of the Light.*" Using the lie that his objective was to bring about a One-World Government to enable mental ability to govern the world, he recruited about 2,000 followers. These included the most intelligent men in the fields of Arts and Letters; Education; the sciences; finance and industry. He then established Lodges of the Grand Orient to be their secret headquarters . . . *and as you read this, bear in mind that he was always acting under orders of the House of Rothschild, which was financing him!*

Weishaupt's revised plans required his ILLUMINATI to do the following things to help them accomplish their purposes: 1) Use monetary and SEX bribery to obtain control of men already occupying positions in high places in the various levels of ALL Governments and other fields of human endeavors. Once influential persons had fallen for the lies, deceits and temptations of the ILLUMINATI they were to be held in bondage by application of political and other forms of blackmail and threats of financial ruin, public exposure and physical harm — *even death* — to themselves and their loved ones . . . *does that sound familiar?* 2) "Illuminatis" on the faculties of colleges and universities were to recommend students possessing exceptional mental ability belonging to well-bred families with international leanings for special training in internationalism.

This training was to be provided by granting scholarships to those selected . . . *now you know what a Rhodes scholarship means!* They were to be educated (*indoctrinated*) into accepting the "idea" that only a One-World Government can put an end to recurring wars and tribulations . . . *that's how the UN was "sold" to the American people!* They were to be at first persuaded and then convinced that men of special ability and brains have the RIGHT to RULE those less gifted, because the masses don't know what is best for them physically, mentally and spiritually. Today three such special schools are located in Gordonstoun in Scotland; Salem

in Germany, and Anavryta in Greece. Prince Phillip, the husband of Queen Elizabeth, was educated at Gordonstoun at the instigation of Lord Louis Mountbatten, his Uncle (*a Rothschild relative*), who became Britain's Admiral of the Fleet after World War Two ended. 3) Influential people trapped into coming under the control of the ILLUMINATI, and students who had been specially educated and trained, were to be used as Agents and placed behind the scenes of ALL governments as "*Experts*" and "*Specialists*," so they could advise the top executives to adopt policies which would, in the long run, serve the secret plans of the "*One-Worlders*" and bring about the ultimate destruction of the governments and religion they were elected or appointed to serve . . . *do you know how many such men are in our government — such names as McNamara, Rusk, Warren, Fulbright, Hiss, etc., quickly come to mind.*

4) The ILLUMINATI (*CFR in our day*) were to obtain control of the Press and all the other Media which distribute "*information*" to the public. News and "*information*" was to be slanted so that the masses would come to believe that a One-World Government is the only SOLUTION to our many and varied problems . . . *does that sound familiar to you?*

Because Britain and France were the two greatest powers at the end of the 18th century, Weishaupt ordered the ILLUMINATI to foment the Colonial Wars to weaken the British Empire and organize the French Revolution to smash the French Empire. The latter he scheduled to start in 1789.

A German writer named Zwack put Weishaupt's revised version of the age-old Conspiracy into book form and titled it "*Einige Original Scripten*." In 1784 a copy of this book was sent to the Illuminists Weishaupt had delegated to foment the French Revolution. The courier was struck and killed by lightning as he rode through Ralisbon on his way from Frankfort to Paris. The police found the subversive documents on his body and turned them over to the proper Government authorities.

After careful study of the plot, the Bavarian Government ordered the police to raid Weishaupt's newly organized Lodges of the Grand Orient and the homes of some of his most influential associates, including the castle of Baron Bassus-in-Sandersdorf. Additional evidence thus obtained convinced the authorities the documents were genuine copies of a Conspiracy by which the ILLUMINATI planned to use wars and revolutions to bring about the establishment of one kind or another of a One-World Government, the powers of which they (*headed by the Rothschilds*) intended to

usurp as soon as it was established . . . *right in line with the objectives of the UN !!!*

In 1785, the Bavarian Government outlawed the ILLUMINATI and closed the Lodges of the Grand Orient. In 1786, they published the details of the Conspiracy. The English title is "*The Original Writings of the Order and Sect of the ILLUMINATI.*" Copies of the entire Conspiracy were sent to all the heads of Church and State, but the power of the ILLUMINATI (*and the Rothschilds*) was so great that this warning was ignored.

Nevertheless, ILLUMINATI became "*a dirty word*" and it went underground. Weishaupt instructed Illuminists to infiltrate into the Lodges of Blue Masonry and form a secret society within all secret societies.

Only Masons who proved themselves Internationalists, and those whose conduct proved they had defected from God, were initiated into the ILLUMINATI. Thus the Conspirators donned the cloak of philanthropy to conceal their revolutionary and subversive activities. In order to infiltrate into Masonic Lodges in Britain, the Illuminists invited John Robison over to Europe. Robison was a high degree Mason in the Scottish Rite. He was a Professor of natural Philosophy at Edinburgh University and Secretary of The Royal Society of Edinburgh. Robison did not fall for the lie that the objective of the One-Worlders was to create a benevolent dictatorship. He kept his reactions to himself so well, however, that he was entrusted with a copy of Weishaupt's Revised Conspiracy for study and safe keeping.

Because the heads of Church and State in France were deluded into ignoring the warnings given them, the revolution broke out in 1789. In order to alert other governments to their danger, in 1798 Robison published a book entitled "*Proof of a Conspiracy to destroy all Governments and Religions,*" but his warnings were ignored — *just as our people have been ignoring all warnings about the UN and the CFR!*

Now the following will stun and most probably enrage many readers, but there is incontrovertible (*documented*) proof that our own Thomas Jefferson and Alexander Hamilton became students of Weishaupt's. Jefferson was one of Weishaupt's strongest defenders when he was outlawed by his government. And it was Jefferson who infiltrated the ILLUMINATI into the newly organized Lodges of the Scottish Rite in New England.

Note: The following should remove all doubts (and resentment) about Jefferson's activities with the ILLUMINATI: In 1789, John Robison warned all Masonic Leaders in America that the ILLUMINATI had infiltrated into their Lodges . . . And on July 19th, 1798, David Pappen, President of Harvard University, issued the same warning to the graduating class and lectured them on the influence Illuminism was acquiring on American politics and religion . . . And to top it off, John Quincy Adams who had organized the New England Masonic Lodges, issued *his* warning. And it was for that reason that in 1800 he decided to oppose Jefferson for the Presidency. He wrote three letters to Col. Wm. L. Stone, a top Mason, in which he exposed how Jefferson was using Masonic Lodges for subversive (Illuministic) purposes. Those three letters clinched the Presidency for Adams . . . *Those letters are at this very time in Rittenburg Square Library, in Philadelphia . . .* In short, Jefferson, founder of the Democratic Party, was a member of the ILLUMINATI, which accounts for the condition of the Party at this time — and through the infiltration of the Republican Party we have EXACTLY NOTHING OF LOYAL AMERICANISM to-day.

In 1826, one Captain Wm. Morgan decided it was his duty to inform all Masons and the general public what the full TRUTH was regarding the ILLUMINATI, their secret plans and intended purposes — and who were the Masterminds of the Conspiracy. The ILLUMINATI promptly "*tried*" Morgan in absentia and convicted him. They obtained the services of one Richard Howard, an English Illuminist to carry out their sentence of "*Execution as a Traitor.*" Morgan was warned and he tried to escape to Canada, but Howard caught up with him near the border — he (Morgan) was "*executed*" near the Niagara Gorge. Research proved that one Avery Allyn made a sworn affidavit in the city of New York to the effect that he heard Howard report to a meeting of Knights Templars in St. John's Hall, New York, how he had "*executed*" Morgan. He also told how arrangements had then been made to ship Howard back to England.

Very few Masons and very few of the general public know that general disapproval over that incident caused approximately 40% of Masons belonging to the Northern Jurisdiction of the U.S. to secede . . . copies of the "*minutes*" of a meeting held to discuss this particular meeting are still in existence in "*safe*" hands.

The power of those who direct the ILLUMINATI (Luciferian) Conspiracy against God and Man can be realized by the ability of

their agents to prevent such outstanding events of history being taught in our schools!

In 1859, the ILLUMINATI held a meeting in New York which was addressed by a British Illuminist named Wright. Those in attendance were told that the ILLUMINATI intended to unite the Nihilist and Atheist groups with all other subversive organizations into an international organization to be known as COMMUNISM. This destructive force was to be used to enable the ILLUMINATI to foment future wars and revolutions. Clinton Roosevelt (a direct ancestor of F.D.R.), Horace Greeley and Charles Dana were appointed a Committee to raise funds for the new venture . . . *most of the funds were provided by the Rothschilds.* And this fund was used to finance Karl Marx and Engels when they wrote "*Das Capital*" and "*The Communist Manifesto*" in Soho, England.

Weishaupt died in 1830, and he carried the deception that the ILLUMINATI was dead to his own death-bed, where, to convince his spiritual advisers, he pretended to repent and to rejoin the Church.

According to Weishaupt's revised version of the age-old Conspiracy, the ILLUMINATI, under various aliases, was to organize, finance, direct and control ALL international organizations and groups by working their agents into executive positions AT THE TOP. Thus, it was while Karl Marx was writing the "*Communist Manifesto*" under the direction of one group of Illuminists, Professor Karl Ritter of Frankfort University (*Frankfort was the origin of the Rothschilds*) was writing the antithesis under direction of another group, so that those who direct the over-all Conspiracy AT THE TOP, could use the differences in those two "*ideologies*" to start dividing larger and larger numbers of the Human Race into opposing camps — so that they could be armed and then made to fight and destroy each other, together with their political and religious institutions. The work Ritter started was continued and completed by the German so-called philosopher, Friedrich Wilhelm Nietzsche (1844-1900), who founded Nietzscheism.

(Nietzscheism was developed into Fascism and later into Nazism and was used to enable the Agents of the Conspiracy to foment World Wars One and Two.)

In 1834 the Italian revolutionary leader Guiseppi Mazzini was selected by the ILLUMINATI to be director of their revolutionary program throughout the world . . . he served in that capacity until he died in 1872.

In 1940, (American) General Albert Pike was brought under the influence of Mazzini. Partly that was due to the fact that he became disgruntled when the American authorities ordered him to disband his auxiliary Indian troops on the grounds that they had been committing atrocities under the cloak of legitimate warfare. Pike seized upon the idea of a One-World Government and ultimately became the head of the Luciferian (Conspiracy) Priesthood. Between 1859 and 1871, he worked out the details of a military blueprint for three World Wars and various Revolutions, which he considered would further the Conspiracy to its final stage during the 20th Century . . . *bear in mind, the Conspirators are not concerned with immediate success — they operate on a long-range view!*

Pike did most of his work in his home in Little Rock, Arkansas. When the ILLUMINATI and the Lodges of the Grand Orient became suspect and repudiated because of Mazzini's revolutionary activities in Europe, Pike organized "*The New and Reformed Palladian Rite*." He set up three Supreme Councils: one in Charleston, S.C., another in Rome, Italy, and another in Berlin, Germany. He had Mazzini establish 23 subordinate Councils in strategic locations throughout the world. These have been the secret headquarters of the world revolutionary movement ever since. Long before Marconi invented Radio, the scientists who were of the ILLUMINATI had made it possible for Pike and the heads of his Councils to communicate secretly. It was the discovery of that secret that enabled intelligence officers to understand how apparently unrelated "*incidents*" took place, simultaneously, throughout the world, which aggravated a situation and developed into a war or a revolution.

Pike's plan was as simple as it has proved effective. He required that Communism, Nazism, Political Zionism and other international movements be organized and used to foment the three global wars and at least two major revolutions. The first World War was to be fought so as to enable the ILLUMINATI to overthrow the powers of the Czars in Russia and transform that country into a stronghold of Atheistic Communism. The differences stirred up by agents of the ILLUMINATI between the British and German Empires were to be used to foment this war. After the war ended, Communism was to be built up and used to destroy other governments and weaken religions.

World War Two was to be fomented by using the differences between Fascists and political Zionists. This war was to be fought so that Nazism would be destroyed and the power of political

Zionism increased so that the sovereign state of Israel could be established in Palestine. During World War Two, International Communism was to be built up until it equalled in strength that of united Christendom. At that point it was to be contained and kept in check until required for the final social cataclysm . . . Is there any doubt that ROOSEVELT and CHURCHILL *did* put this policy into effect?

World War Three is to be fomented by using the differences the agents of the ILLUMINATI (*under whatever new name*) stir up between the Political Zionists and the leaders of the Moslem World. The war is to be directed in such manner that all of Islam and political Zionism (Israel) will destroy each other, while at the same time, the remaining nations, once more divided on this issue, will be forced to fight themselves into a state of complete exhaustion, physically, mentally, spiritually and economically. *Can any thinking person deny that the intrigue now going on in the Near, Middle and Far East is designed to accomplish that Satanic purpose?*

On August 15, 1871, Pike told Mazzini that after World War Three is ended, those who aspire to undisputed world domination will provoke the greatest social cataclysm the world has ever known. To quote his own written words (taken from a letter catalogued in the British Museum Library, London, England): "*We shall unleash the Nihilists and Atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to all nations the effect of absolute atheism, origin of savagery and of most bloody turmoil. Then, everywhere, the people, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will be from that moment without direction, anxious for an ideal, but without knowing where to send its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out into public view, a manifestation which will result from a general reactionary movement which will follow the DESTRUCTION OF CHRISTIANITY and atheism, both conquered and EXTERMINATED at the same time.*"

When Mazzini died in 1872, Pike made another Italian revolutionary leader, named Adrian Lemmi his successor. Lemmi, in turn, was succeeded by Lenin and Trotsky. The revolutionary activities of all those men were financed by British, French, German and American International Bankers, *all of them dominated by the House of Rothschild!* Supposedly, the International Bankers of to-

day, like the money-changers of Christ's day, are only the tools or agents of the Great Conspiracy, but, actually, they are the Master-minds behind it all.

While the general public has been led to believe, brainwashed by all the Mass Communications Media, that Communism is a movement of the workers, Commander Carr, in his "*Pawns in the Game*" and in "*Red Fog Over America*," proves that both British and American Intelligence Officers obtained authentic documentary evidence which establishes that International CAPITALISTS, operating through their International Banking Houses had financed both sides in every war and revolution fought since 1776. Those who today comprise the Conspiracy (*the CFR in the U.S.*) direct our governments, whom they hold in usury, to fight wars and revolutions (*such as Viet Nam today*) so they favor the (Pike's) plans to bring the world to that stage of the Conspiracy when Atheistic Communism and the whole of Christendom can be forced into an all-out Third World War within each remaining nation as well as on an international scale.

The headquarters of the Great Conspiracy in the late 1700s was in Frankfurt, Germany, where the House of Rothschild had been established by Mayer Anshelm, who adopted the Rothschild name, and linked together other International financiers who had literally "*Sold their souls to the Devil*." After the Bavarian Government's exposure in 1786, the Conspirators established their headquarters in Switzerland, then in London. Since World War Two, the headquarters of the American branch has been in the Harold Pratt Building, New York. And the Rockefellers have taken over the manipulation of finances in America.

In the final phase of the Conspiracy, the One-World Government will consist of the king-despot (*head of the United Nations*), the Conspirators, and a few millionaires, economists and scientists who have proved their devotion to the Great Conspiracy. All others are to be integrated into a vast conglomeration of mongrelized humanity, by artificial insemination practiced on an international scale.

Note:—That last preceding statement may sound so utterly fantastic and unbelievable that the reader will refuse to give it even partial credence. Well, before you put it into the "crazy" category, I pray that you bear with me long enough to provide you with DOCUMENTARY evidence for it, to wit: Bertrand Russell, who has always been deep

in the ILLUMINATI Conspiracy, and has their complete confidence, made the following statement in his book, "THE IMPACT OF SCIENCE ON SOCIETY" . . .

On pages 49-51 of that book, he stated: *"Ultimately less than 30% of the female population and 5% of the male population will be used for breeding purposes. Reproduction will be strictly limited to the types and numbers required to fill the needs of the state."*

Read the book if you still doubt me . . . and bear in mind all the propaganda about "over population" in the world.

And now, because the amazing rulings of the Courts, especially those of Earl Warren, are so much in the public mind today, I will conclude this section by quoting from a lecture as delivered to the members of the Grand Orient Lodge of Paris, France, by a top executive of Pike's Palladian Rite, at the turn of the present century. He said:

"Under our influence the execution of the laws of the masses has been reduced to a minimum. The prestige of the Law has been exploded by the liberal interpretations introduced into this sphere. In the most important and fundamental affairs on questions judges decide as we dictate to them — they see matters in the light where-with we enfold them for the administration of the masses, of course through persons who are our tools though we do not appear to have anything in common with them. Even Supreme Court Justices, Senators and Higher Administration (meaning Presidents) accept our council."

Do you still wonder about the why of all of the Warren "Decisions?" . . . and THAT above speech should also explain the "Little Rock" incident which took place a half century later . . . it should also explain why Warren ruled out prayers in our schools—and all his "Decisions" that protect traitors, subversives and even sex criminals.

Now, can any thinking person refuse to believe that the Conspiracy as revised by Weishaupt in the latter 1700s, and the plans drawn up by Pike in the middle 1800s, have matured exactly as intended? The Empires of Russia and Germany have been destroyed. Those of Britain and France reduced to third class powers. The crowned heads have fallen like over-ripe fruit. The world's

population has twice been divided into opposing camps as the result of propaganda put out by the ILLUMINATI Conspirators. Two World Wars have seen Christians kill each other off efficiently by the tens of millions without any person engaged in those wars having the slightest personal animosity towards the other. Two of the major revolutions, those of Russia and China, are accomplished facts. Communism has been built up until it is equal in strength to the whole of Christendom. Intrigue now going on in the East and middle East is fomenting World War Three. After that, UNLESS STOPPED RIGHT NOW by sheer weight of public opinion, will come the final social cataclysm — then absolute physical, mental and spiritual slavery will follow.

Can any thinking person deny that Communism is being at the very least TOLERATED in the remaining so-called Free Countries? The British Special Branch of Intelligence, the Canadian R.M.P.C. and the United States FBI could arrest every Communist leader within twenty four hours of the order being given, but they are not allowed to act. WHY? The answer is very simple: Communism is being "Contained" on the national and international levels of government on the "ADVICE" of the GREAT CONSPIRACY'S agents and stooges who give a great many utterly unconvincing excuses for the present policies of Britain, Canada and the United States towards national and international Communism. Also, if the FBI or the RMPC act, then the Judges of the Supreme Courts of both Countries find "reasons" in "Law" why those arrested should be set free. Such action would be utterly ridiculous if Communism wasn't being contained for use in the FINAL SOCIAL CATAclysm!

Is it now time for Christians and all Americans to wake up to the realization of their danger? Isn't it time parents refused to allow their children to be used as cannon fodder to serve the (Luciferian) Great Conspiracy cause? Isn't it time that we become "DOERS" of the WORD OF GOD instead of "Hearers?"

My predictions of forthcoming events have always been based on my knowledge of the continuing CONSPIRACY. They have come true to such an AMAZING EXTENT that I have aroused the interest of thinking people throughout the nation — and even in other parts of the world. Please, *please*, make yourself fully acquainted with the various aspects of the Great Conspiracy, then pass on that knowledge to the others in your community. DO THIS and the power of the INFORMED PUBLIC will become the GREATEST POWER ON EARTH . . . it will FORCE Congress to take the necessary action to unmask and drive out of power

ALL the Agents of this Great Conspiracy to destroy our Country — and the World.

All of the foregoing is fully confirmed in the books written by Commander William Guy Carr ("*Pawns in the Game*" and "*Red Fog Over America.*") In those books he confirmed with DOCUMENTARY evidence all of the above *and far more*. Both books should be in every American home — they should be *required* reading in all our High Schools, Colleges and Universities. You can get copies at \$2.50 per copy from the "*Sons of Liberty*," P. O. Box 1896, Hollywood, California.

THEIR "LONG RANGE" OPERATIONS

Undoubtedly, many people who have read all of the foregoing will find it difficult to believe that a plot launched in the 18th Century could be continued.

It is generally accepted that when men enter into a conspiracy for any type of fraud or crooked deals, they expect to enjoy the fruits of that conspiracy during their own lifetimes. That is generally true, but not so in the case of the ILLUMINATI. Neither Weishaupt, nor Pike, nor Karl Marx, nor Nathan Rothschild expected to achieve their Conspiracy during their lifetimes — they played it all for the future — and expected their children and their later descendants to keep the conspiracy going into the future centuries . . . As proof, I will cite one case of their long-range views.

I know the following is somewhat repetitious, because I have frequently cited this case — but, unfortunately, people do forget — or disbelieve the warnings at the time.

During the past two decades our Negro population has been running more and more amuck, rioting, looting, murdering in all the cities in our Land — *and always protected by the "Law."* The Press, TV and Radio, as well as many bemused people excuse it all on the ground that the negroes have gradually become more and more rebellious against the "*injustices*" they have been subjected to during the past century, or centuries. But the truth is a very different story. The vast majority of the Negroes, especially in the South, were happy and contented — until they were fomented into their present reign of chaos and anarchy with the real objective being a "*Black Revolution to create a Black Republic in America.*"

Now, as I have stated, most people, brainwashed by our Mass Communications Media, accept all of this as a matter of "*instantaneous combustion*" among the dissatisfied Negroes, but, please believe me, this entire fomentation of Negro "*rebellion*" was launched more than a half-century ago by the Masterminds of the Great Conspiracy. The following is DOCUMENTARY proof for that statement:

Around 1910, one Israel Zangwill wrote a play which he called "*The Melting Pot*." The central figure in the play was a very young Jewish boy, who *ostensibly* was a violinist of wonderful talent. According to the plot of the play, certain people were eager to reveal his great talents to the world and they tried to lease the Carnegie Music Hall for a concert, but the management of the Carnegie refused, *ostensibly* because the boy was a Jew. However, very great pressures were brought to bear on the management, and they consented to the engagement. Then — *and this was still part of the play* — it was discovered that the young violinist insisted upon a young Negro pianist being his accompanist. Again the management exploded — they had a rigid rule against Negroes performing in their Music Hall. But, again tremendous pressure was brought to bear on them — and they finally surrendered.

All that was part of the play. Now, I come to the point of establishing that "*The Melting Pot*" was sheer propaganda, embodied in a good evening's entertainment. The idea in the play was that the United States should be a "*Melting Pot*" for the Minority Groups, but especially for Jews and Negroes. And that was the way the Critics viewed it — and the way the audiences accepted it. As a result of the reviews, the play was a sensational success. Nobody who saw the play recognized the propaganda in it — not even I. Well, as far back as 1910, 56 years ago, there was no reason to suspect. We all accepted what Zangwill said — that it was all a case of "*humanitarianism*" — they used that word that far back . . . Now, get the following!

George Bernard Shaw, Israel Zangwill and another English (Jewish) writer, named Israel Cohen, composed the triumverate that launched "*Fabian Socialism*" in England. And all three were zealous supporters of Marxism.

Both Shaw and Cohen came to America to attend the opening of the Zangwill play. Following the performance, Diamond Jim Brady, a famous character of those days, threw a banquet at Delmonico's for the Cast and the author — and invited many Broad-

way celebrities to attend. I was one of the invited. There, for the first time, I met Israel Cohen — I had previously known Shaw in England. During the evening, Cohen mentioned that he was writing a book, which was to be titled: "A RACIAL PROGRAM FOR THE 20th CENTURY." Cohen described it as a "humanitarian" follow-up in book form of *"The Melting Pot."*

At that time that meant nothing to me. When the book was published I did not get a copy of it — I wasn't that interested in it.

It first came to my attention shortly after Warren issued his infamous "DESEGREGATION DECISION," and it was brought to my attention by an article published by the Washington Star, in which they quoted the following passage from Cohen's "A RACIAL PROGRAM FOR THE 20th CENTURY" . . . the following is the quote:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

Following the publication of that story, Congressman Abernathy, after checking with the *"Star,"* and himself reading the book, published the same quote in the *"Congressional Record."*

That book was published in 1913 . . . the NAACP and the ADL were created almost simultaneously to carry out those directives. *That was more than a half-century ago. Can there be any doubt that that was intended to launch our present Negro upheaval for a Black Revolution?*

If that isn't enough evidence, in 1935, the Communist Party's *"Workers Library Publishers"* issued a pamphlet entitled *"THE NEGROES IN A SOVIET AMERICA."* It urged the Negroes to rise up, especially in the South, and form a Soviet State in the South, and apply for admission into the Soviet Union . . . it contained implicit assurance that the *"revolt"* would be supported by all American Reds, and on page 38 it promised that a Soviet government would confer greater benefits on Negroes than on Whites and that *"Any act of discrimination or prejudice against a Negro will become a crime under the Revolutionary law . . ."*

And that Warren "DESEGREGATION DECISION" transformed all those Communist directives into rigid law of the Land. Furthermore, *by his own admission*, Warren ignored our Constitution when he wrote that "Decision" — admitted that he based it on the "*modern scientific authority*" of one Gunnar Myrdal, a Swedish Socialist, whose book publicly proclaimed contempt for our Constitution and hatred for our form of government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . There is one sure way to find out — through impeachment proceedings!

Now, can anybody still doubt the long range views of the Great Conspiracy?

Now here is another strange, but usual, procedure of the Master-minds, when they want to confuse and delude our people:

When Abernathy published that Israel Cohen excerpt in the Congressional Record, we (CEG) promptly issued a "*News-Bulletin*" in which we published the entire story — and warned of the coming Negro uprisings. We also published it in a Tract, entitled SCJ No. 1, so as to give it nation-wide circulation.

Two years went by and nobody even tried to deny the matter, but, suddenly, after two years, during which the ADL and similar groups had ferreted out ALL copies of the book and destroyed them, they announced that the whole thing was a fraud, that there never had been such a book, or an "*Israel Cohen*" . . . Why did they wait two years? — and how could they deny the existence of a writer named Israel Cohen in the face of all the books he had written? — *copies of which I have*. More important, bear in mind that Israel Cohen had been a prime mover in all "*Fabian Socialist*" and Communist movements in England — also that I had met him in person when he actually discussed the book at that banquet.

So, I repeat: Can anybody still doubt the long-range views of The Great Conspiracy, still an integral part of the original ILLUMINATI?

PROOF THE UN IS SPAWN OF ILLUMINATI

When Hiss and his Communist collaborators wrote the UN Charter, they deliberately omitted many of their objectives so as not to show their long range plan to transform the U. S. into a unit

of their One-World Government, on the assumption that they could *sneak* them in later. Their inclusion of a "World Court" in the Charter was quickly scotched by Senator Pat McCarran. They (*the Masterminds*) didn't attempt to fight McCarran's "Amendment" — they feared that a "*debate*" might awaken the people into rejecting the entire UN. *But what is that Charter today?* . . . That question is answered so succinctly by Mr. George B. Fowler, of Holyoke, Massachusetts, that I can do no better than quote his statement in a letter he wrote, to wit:

"We are not living under the Constitution any more — it has been superseded by the AUTHORITY of the United Nations. I put it this way because even the Charter of the UN (as we have known it) no longer exists (having been nullified by thousands of Resolutions which have so amended the original Charter that — as stated — it no longer exists as an effective instrument). Furthermore, the Assembly has usurped the authority originally vested in the Security Council — with the result that every Assembly Resolution now has the full effect of binding law on all member States. This includes the United States. Our government takes its orders pursuant to Resolutions of the Assembly. Johnson takes his orders accordingly. The Decisions of the Supreme Court, the Civil Rights revolution, the social (and Socialist) revolution in the United States, international wars, the prospective Rhodesian situation, and all the things that are taking place to take over the United States and create a Soviet-Socialist World system spring from the Resolutions within the UN (and their implementation by force of law as outlined.) Our Foreign Aid is not used for purposes of health, education, welfare, and general uplifting of the people in underdeveloped or emerging nations. It is all used for the purpose of building a vast world economic system in furtherance of an ultimate World Government. All expenditures saved by virtue of a disarmament program (you will be surprised to learn) are turned over to the UN for use in accelerating the creation of the World economic Empire mentioned above."

And that letter by Mr. Fowler tells the whole story in a nutshell. From the moment the UN was set up and ratified by our Senate, it was intended to be the final and crowning achievement of the two-century old ILLUMINATI plot.

Seemingly, nobody recognized it. All of our people were deluded into accepting it as the answer to their cries for everlasting PEACE. They heeded no warnings. Even after the Korean War, when it became so obvious that the UN was a treacherous and treasonous outfit — *their methods of preventing the winning of that war by General MacArthur proved it* — the people still believed in the UN.

But, from the very outset in 1945, the objective of the UN was to engulf the U.S. They had hoped to do it by placing us under "World Law" with their "World Court" insertion in the Charter. When McCarran exploded that little maneuver the Masterminds set up the "United World Federalists" to accomplish it via State Resolutions to our Congress. When we (CEG) exploded that maneuver, the Masterminds resorted to their long-range policy, and waited ten years, when President Eisenhower, Nixon and the Attorney General, together with 73 pledged Senators, tried to repeal the Connally Amendment, which would have placed us under the "World Court" control. Again, we (CEG) exploded that plot by exposing it via a Tract which we circulated throughout the nation.

By then the CFR and the UN were becoming desperate. First they tried to get Congress to disarm all of the American people — *partly to help the Negro revolution!* Then they had our State Department issue a document known as State Department Publication #7277, titled "*Freedom From War: The United States Program for General and Complete Disarmament in a Peaceful World.*" That document was set for 3 stages, three years apart and in the third stage it called for turning over all of our Armed forces and Armaments to the UN. And this Document was secretly filed with the UN Secretary General in September 1961.

As you know, we learned about it in 1964. We promptly issued a "News-Bulletin" and a Tract in which we warned of the plot. While our warning did arouse the people — the powers-that-be in Washington managed to get the outcries hushed up, so now, in September 1967, the final act of surrendering the United States to the UN is all set — and we have just months in which to prevent it by forcing Congress to haul in both the UN and the State Department for thorough hearings.

And at this point, I am happy to say that our warnings did not altogether go unheeded. It *has* awakened and aroused people in the right places — there are other Patriotic groups who are now entering the fight — *God grant it is not too late!*

As an evidence that there is an awakening going on I submit a Resolution passed by the Hinsdale American Legion Post, No. 250, of Hinsdale, Illinois — and I am hopeful that all of the American Legion and VFW Posts will join in this following Resolution:

Resolution No. 191 approved in Convention assembled July 26 through July 31, 1966, by the Department of Illinois, The American Legion.

"WHEREAS, the United States Government, in September of 1961 did cause to have released and filed with the United Nations Secretary General, a document known as State Department Publication #7277, Titled 'Freedom From War: The United States Program for General and Complete Disarmament in a Peaceful World,' and . . . Whereas the provisions of State Department Document #7277 clearly asks for the disbanding of the armed forces of the United States of America and the transfer of the military capabilities of this country to a United Nations Peace Force, and . . . WHEREAS, such provisions, if implemented, will result in the complete disarming of the United States and at the same time create an irresistible 'international army' or monolithic world military power, and . . . WHEREAS, such an 'international army,' should it be under the control or influences of forces unfriendly to the United States could make it impossible for the United States Government to 'guarantee to every State in this Union a Republican Form of Government', to protect each State in the Union against invasion and against violence as stipulated under Section 4, Article IV of the Constitution of the United States of America, and . . . WHEREAS, any such U.N. Army has been and will be under the supervision of the U.N. Under Secretary for Political and Security Affairs, and . . . WHEREAS, the occupant of this UN Post is also the Executive Officer of the U.N. Security Council, or in effect the 'U.N. Commander-in-Chief,' and . . . WHEREAS, this Post has consistently been awarded to a Soviet Communist, and . . . WHEREAS, the implementation of the provisions outlined in State Department Document #7277 is provided for by Public Law 87-297, H.R. 9118, September 26, 1961, and . . . WHEREAS, it should seem essential that the people of this nation should have a chance to debate the question as to whether or not any agency or instrumentality of government which derives its powers from the consent of the governed can voluntarily, by treaty or otherwise, alienate the political sovereignty of a free people through the surrender of their own national defense, and . . . WHEREAS, the actions of certain agents acting on behalf of the United States have shown disregard for the limited and delegated powers enumerated in the United States Constitution which is very explicit about the authority for making war and keeping peace, and . . . WHEREAS, The American Legion, dedicated to service of God and Country, pledging itself to uphold and defend the Constitution, is morally obligated to act in such manner as to insure that all provisions of said Constitution are respected and enforced; RESOLVED, that The American Legion, Department of Illinois, in Convention assembled July 26 through July 31, 1966, does hereby call upon the Legislature of the State of Illinois to make an exhaustive investigation of the aforementioned proposals for disarmament, the United Nations Treaty agreements through which they would force and effect, and the propriety of any actions taken by Federal Agents purporting to negotiate with foreign governments as to coerce the

State of Illinois into an agreement which would surrender to foreign governments the rights and liberties assured the people of Illinois under the Constitution of the United States, would surrender the powers of government this Constitution guarantees to preserve to the people of Illinois and which would transfer citizens now serving in the armed forces of the United States into a United Nations Army in the name of 'International Peace and Security' and that the Legislature of the State of Illinois promulgate and enact appropriate statutes which will provide for the enforcement of the Constitution of the United States with regard to the United Nations organization within the boundaries of the State of Illinois."

Do you realize the full meaning and intent of the foregoing Resolution of the Hinsdale Post of The American Legion? It is a resolute rejection of the plot to transfer our Armed Forces and military powers to the UN — it openly proves the treason of our State Department.

This Resolution should be duplicated by every American Legion and VFW Post — it should be duplicated by the DAR — it should be duplicated by EVERY Patriotic organization within the United States . . . and it should be done NOW. And all of the Resolutions should be served on our Congress with a DEMAND for immediate investigations of both the UN and the State Department to completely expose the horrifying plot to deliver our Country over to the UN One World Government.

That American Legion Post is not alone in this protest against the contemplated "sell-out" treason plot. General P. A. Del Valle, President of *"Defenders of The American Constitution,"* also delivered an ALERT on the same subject on July 30, 1966. He called it ALERT NO. 31. Send for a copy to: DEFENDERS OF THE AMERICAN CONSTITUTION, INC., Ormond Beach, Florida 32074 . . . it will truly horrify and awaken you to join ALL Americans in the fight to FORCE a full Congressional investigation of the entire plot.

CONCLUSION

I had intended to include in this issue the names of the original Hierarchs of the ILLUMINATI, show their origins and to name

their descendants who are now in our Country to carry out the original Satanic One-World plot — all of them now within the "Council on Foreign Relations" and their allied organizations, but limit of space won't permit — this "News-Bulletin" is overlong as it is, therefore I will hold that feature for our next issue.

But I am sure that what you have read in this issue has given you a clear picture of our very grave danger, and I earnestly hope and pray that you will help me to get this story told in EVERY community of our Land. MCF.

ADDENDUM

A group of Illinois citizens who are appalled by actions of Federal Agents who exhibit contempt for the limited and delegated powers enumerated in the United States Constitution have formed "THE ILLINOIS COMMITTEE FOR THE CONSTITUTION, INC."

The primary goal of the committee is to insure that all provisions of the Constitution of the United States shall be respected and enforced within the boundaries and under the jurisdiction of the State of Illinois. They refer to General MacArthur who stated *"Under the new conception of No-Win Wars we are required in the midst of deadly war to soften our blows and send men into battle with neither promise nor hope of Victory."* He was exasperated by a compliant Congress which permits the commitment of America's soldier sons to international military adventures *"with neither promise nor hope of Victory."*

This committee was formulated under an Illinois charter dated June 28, 1966. The Executive Committee and Officers are Julius W. Butler, President, Oak Brook, Illinois; George Ray Hudson, Vice President, Hinsdale, Illinois; Mrs. Stanley T. Olds, Secretary, Hinsdale, Illinois; Herman Dykema, Jr., Treasurer, Lombard, Illinois; and Theodore W. Miller, General Counsel, River Forest, Illinois.

The committee has issued a statement outlining these major aims: (1) to provide a medium through which the citizens of Illinois will debate and determine the question as to whether any agency or instrumentality of government which derives its

powers from the consent of the governed can voluntarily, by treaty or otherwise, alienate the political sovereignty of a free people; (2) to determine whether the State of Illinois has and is losing any of its sovereignty; (3) to determine whether the citizens of Illinois have and are losing any of their sovereignty.

Such Committees should be organized in every State in the Union — if you wish to save your State and our Country. Write to Julius Butler, 1224 Oak Brook Road, Oak Brook, Illinois, for further information. MCF.

Dear Fellow-American:

Once upon a time an American could proudly proclaim his Americanism without fear of unhappy consequences. But in 1933 we entered upon an era in which the Minority Group came into ascendancy. The Foreign Born became the favored individual. American principles were declared obsolete in favor of Foreign Ideologies. Anybody who dared to declare for America First was declared Isolationist and Outcast by no lesser arbiters than Franklin and Eleanor Roosevelt—as witness the case of Charles Lindbergh. Any American Employer who gave job preference to Americans was branded a Fascist. By 1945 Nationalism in America was transformed into Internationalism—and the United States Treasury into a free Pork Barrel for the entire world. All this was accomplished by the few shouting the many. The Minority Groups established themselves as the "Voice of the People", while the vast Majority of Americans remained asleep to the looting and the betrayal of our country.

Today it is common knowledge that until 1948 Hollywood (the Film Industry) was the backbone of the Communist Conspiracy in America. It financed the Conspiracy . . . it produced scores of films such as "Mission to Moscow", to brainwash the American people and glorify Moscow all over the world. But until 1948 not a whisper of all that treason was allowed to reach the American people—because the Press, Radio, ALL mediums of mass Communications were tight in the grip of the Enemy! That was when a group of Los Angeles Clubwomen organized the "CINEMA EDUCATIONAL GUILD" for one chief objective: to smash the Red Conspiracy by exposing all the traitors—make them known to all

of the American people and thus make their names DEATH to the Box Office . . . empty theatres would quickly kill off pro-Red films and drive the Reds out of the industry. Of course, we knew we'd get no help from the Press or Radio. The only method left to us was books, pamphlets, tracts. But even that method was faced with what seemed to be insuperable obstacles—printers were intimidated . . . booksellers were forced to boycott our literature . . . the Press and Radio "smeared" us. Nevertheless, despite all opposition, our method was highly successful — it was made successful by the members of CEG — every one of them became a book-seller; they bought each publication in tens, twenties, hundreds; they re-sold, or sent them as gifts, to friends in all parts of the country. In turn, many of those friends joined CEG and thus multiplied the circulation of our literature.

One of our first books was "DOCUMENTATION of the RED STARS", in which we NAMED all the top Stars, Directors, Writers and Producers who were master-minding the Conspiracy in Hollywood — we DOCUMENTED their Red activities and exposed their secret organizations (RED FRONTS) and methods of operation. *That book rocked the nation!* An avalanche of angry letters poured into Washington — and that forced that famous TELEVISED Congressional investigation. Box-office receipts plunged down — down — down . . . panic swept through the entire Industry . . . Charlie Chaplin was booted out of the country . . . Eddie Cantor, Eddie Robinson, Milestone and scores of other Reds were driven off the Screen . . . *that was how the backbone of the Red Conspiracy in Hollywood was smashed!*

In 1948 the "Enemy" stealthily launched its infamous "United World Federalist" (UWF) treason plot to transform the United States into a Unit of a One-World Government — using the word PEACE as the bait. By July 1949 they had seduced 26 State Legislatures to pass Resolutions favoring the plot. In our August 1949 "News-Bulletin" we unmasked that plot and named the 42 Reds who had organized the UWF. As a result, in April 1950, the California Legislature rescinded its Resolution — 23 other States quickly

followed that example — and *that* treason plot was smashed . . . *by the members of CEG!*

Early in 1950 we learned that the "United Nations" was secretly trying to get our Senate Foreign Relations Committee to sign their vicious "GENOCIDE" treaty. In our November 1950 "News-Bulletin", *on the very eve of the signing of that "treaty"*, we completely unmasked that fiendish plot — a torrent of angry letters and telegrams poured into Washington . . . *the "Genocide Treaty" was NOT signed!*

I could mention other similar "jobs" accomplished by CEG, but this document has a far more important message for YOU and for every true American: The Hollywood Conspiracy, the UWF treason plot, the GENOCIDE scheme have been smashed — yes, but they won't stay smashed unless YOU and I and every true American *continue* to keep them smashed. Here is what I mean: This ENEMY WITHIN never quits! When exposed and smashed they merely get under cover until "the heat is off". Today, after laying low for several years, the Reds are sneaking back into Hollywood and reorganizing to use the Screen again . . . the UWF, smashed in 1950, is again brazenly out in the open propagandizing for a One-World Government . . . the UN is again pushing "GENOCIDE" and its various fiendish schemes . . . and now Earl Warren and his collaborating Justices are issuing "Decisions" that will destroy all our defenses and enable the Great Conspiracy to achieve their entire plot — *unless we stop them !!!*

Only one thing will defeat those treason plots: *an alerted American people* — we have only one way to do the alerting job: books, pamphlets, Tracts . . . but with Press, Radio, TV and all circulation channels closed to us, we have only one way to distribute AMERICAN literature: through true Americans like YOU!

The basic Fellowship fee to join C.E.G. is \$12.00 per year. But if you approve of our work and our objectives, and care to voluntarily increase that basic fee, it will be

extremely helpful, as every extra dollar enables us to do that much more. Anyway, that basic fee automatically entitles you to a free copy of each issue of our "News-Bulletin"; also as many additional copies of the "News-Bulletins" as you may require at half the list price (25 cents per copy).

Fellow-American: we have a tremendously vital job to do. I urge you to join CEG and help us to get the entire true story to all true Americans in ALL of our 50 states. Please do, it NOW — you may forget if you wait until tomorrow. Joining us means you will add your strength and co-operation to a fight for God and our Country.

Sincerely yours,

Myron C. Fagan

National Director

"RED RAINBOW" is the play that exposed all the treason in Washington . . . *and inspired the late Senator McCarthy's investigations of Communist infiltrations in the State Department, Armed Forces, Defense Plants and various Government departments — including the White House . . . "THIEVES' PARADISE"* is the play which exposes and in detail the "United Nations" plot to enslave the United States in a One-World Government — this is the play that inspired the investigations of the UN by the Senator McCarran and Representative Usher L. Burdick.

The above plays in print, each priced at \$1.00 per copy, together with the following "News-Bulletins", published by CEG, tell the entire story of the treason and the plots to destroy our Country from WITHIN!

decision in San Francisco . . . Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that I would be expedient for him to "forget" all about rights" and "terms of the Charter": Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — he also confirmed its permanency! After that, says Mr. Lie "... it would not have been politic for me to resist that (secret agreement) accord."

He then reveals what little authority he had in all such matters, even in the choice of the Russian to fill that all-important post, although, under the Charter, he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that "his was not to reason why, his was but to obey — OR GET FIRED!

WE NOW HAVE THE PROOF !!!

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—evidence that that "secret agreement" MURDERED 145,000 American boys in KOREA! — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly

investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN.

But Congress won't act unless "the people" DEMAND that they act — and the people won't DEMAND until they know what to DEMAND. Senator Jenner said: "Our problem is to get the story to the people" — so that they will KNOW what to demand.

YOU can solve that problem with this Tract! — coupled with Tract No. One!

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of these two Tracts to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will!

THE TRUTH...

ABOUT THE U. N.

as revealed

by TRYGVIE LIE

HEREIN IS UNCLASSIFIED

DATE 9/27/00 BY 39063 ELD/BCE

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

The most startling of all the charges was that **secret agreement** between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist !!! Now, under the Charter, "little wars" to prevent Communist aggression (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee! GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee !!!

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGRESSIONAL RECORD", and demanded that the UN be hauled up for a thorough (open to the public) hearing by the properly constituted Congressional Committee — and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get "the people" to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we quoted sections of "U. S. Government (TOP SECRET) Bulletins" which OFFICIALLY confirmed all those charges . . . Those TOP SECRET Bulletins confirmed that the UN gave MOSCOW'S Gen. Vasiliev a "leave of absence" from his UN job as Chairman of the UN Military Staff — TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES !!! . . . Those Bulletins PROVED that ALL

the American boys who died in Korea were MURDERED by the UN — as a result of that Hiss-Molotov secret agreement !!! . . . they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese !!!

Very quickly a half-million copies of that "Tract" were circulating through the nation — thousands upon thousands came pouring into Washington . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken — they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable — and that would mean the end of the UN !!! . . . And then the State Department came to the rescue of the Conspirators — they issued an "official statement" in which they denied our charges — and virtually proclaimed that their own original "U. S. Government (TOP SECRET) Bulletins" were falsehoods. And, promptly, the UN and ALL the UN Fronts — and the State Department — flooded the nation with that false and misleading "official statement"!

Now, get this point: in their denials, those "official statements" never once named the "charges" they denied — they operated on the theory that if they could cast a doubt on any one charge it would discredit all charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce DOCUMENTARY evidence that such an agreement had ever been made!

That strategy worked perfectly! And why not? After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS — surely they wouldn't be guilty of deliberate falsehoods! Oh, no? Anyway, "the people", confused, believed

them. The demands (Tracts) for a Congressional investigation died down to a whisper — the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them—to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov — Stettinius and Vyshinsky — and Trygve Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit — maybe to clear his conscience. Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement — the following is his (verbatim) statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Secretary Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' — he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: ". . . by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won

Here you have the names of more than 200 of the most rabid REDS and Fellow-Travelers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

NOTE:—A more complete list, with their **officially DOCUMENTED** backgrounds of pro-Communist activities, their RED FRONTS, the techniques they employed through the years (still employ) to retain their holds on both Hollywood and TV, and other invaluable information can be found in "DOCUMENTATIONS of the RED STARS and FELLOW-TRAVELLERS in HOLLYWOOD and TV", by Myron C. Fagan . . . this book will startle you—shock you—ENRAGE you . . . and make you FIGHTING mad! You can get this **sensational** book by sending \$2.00 to Cinema Educational Guild, Inc.

"RED STARS" — TRACT

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . To save America

from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

Keep Them OUT of Your (TV) Living Rooms - Out of Radio - Off the Screen

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. The Hollywood Moguls frantically denied everything. That brought the House Committee on Un-American Activities into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the

industry and all the named Stars --and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry--it chased Charlie Chaplin out of the country--it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their pocketbook!--and all their "self-righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" -- that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises--they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" -- and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM--ONE-WORLDISM--RACIAL DISSENSIONS!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever -- even the infamous "HOLLYWOOD TEN" are back again!-- and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood -- by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room--and are brainwashing and poisoning your children right under your very eyes ! ! . . .

YOU can stop all that!--by shunning the theatres that show the REDS--by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once--you can do it again!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS; Kraft Foods; General Electric; Chrysler; U. S. Steel; Shell Oil, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows (and the Ed Sullivan Show in particular) are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see.

Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPON-

SOR immediately--and WARN him that if he will bring another RED into your Living Room you will never again buy his products--and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize -- and warn them -- so they can warn the Sponsors -- also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE.

THAT is the only way we will drive the REDS out of Hollywood -- Radio -- Television . . . Hit the pocketbooks of the Sponsor ! ! ! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

the Justice Department under the 1950 Subversive Activities Control Act. It was a 5-to-4 Decision . . . the Press front-paged that Earl Warren frantically endeavored to prevent that Decision.

Under our laws, giving aid and comfort to an Enemy in time of war is TREASON. Communism is a known mortal Enemy of the United States and the American people. Call it "cold" or call it "hot," we are at total war with that Enemy. Those three "Decisions" unquestionably give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General — or a Julius Rosenberg. For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For their acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle — or that was meted out to the Rosenbergs!

NOTE:—For those who may feel shocked by the very thought of impeaching a U. S. Supreme Court Justice there is just one question: what is more important—condoning the treasonous disloyalty of an Earl Warren, or the salvation of our nation?

And those who doubt that such an "exalted" person CAN be put on trial for his disloyal acts should bear in mind that in 1868 a PRESIDENT of the United States (Andrew Johnson) was im-

peached — and escaped conviction by just one vote!

Only Congress has the power to place a Supreme Court Justice on trial — via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . I further request and urge the Senators of my State to join with other Senators to carry out the final steps to impeach all those Justices.

WANTED!

EARL WARREN

FOR IMPEACHMENT

For giving aid and comfort to the **COMMUNIST CONSPIRACY**, the mortal Enemy of the United States and the American People!

CO-DEFENDANTS

Also wanted for trial and impeachment, on the same charge, are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites — and thus mongrelize the American White Race!

Documentary proof that this "Decision" directly conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY," written by Israel Cohen, a Communist Party functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . the ADL and

NAACP were created immediately after that — to carry out that DIRECTIVE!

NOTE: The above excerpt was published by the Washington (D.C.) Evening Star in May 1957—it was entered into the Congressional Record of June 7, 1957, by Rep. Thos. G. Abernathy . . . in 1960, after every copy of the book was ferreted out and destroyed, the ADL proclaimed that no such book was ever written — and the same Evening Star blandly confirmed the ADL's proclamation . . . why did they wait three years? . . . Significant?

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA." It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites; and that — **"Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . ."**

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND !!!

Furthermore, by his own admission, Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the "modern scientific authority" of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . There is one sure way to find out — through impeachment proceedings!

No. 2) For 40 years the FBI has been the stone wall

that stood between the Communist Conspiracy and the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . it was the information in the FBI files that enabled the Congressional Committees to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — and to gain access to its files! But it (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence — if the Great Conspiracy is to succeed the FBI has to be destroyed!

So, to accomplish that, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . they freed convicted traitors . . . they muzzle our Congressional Committees . . . they nullify all our protective laws against the Communist Conspiracy . . . they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!

Those three Decisions, if allowed to stand, will completely destroy all of our defenses — they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!

Here is final proof of Warren's treason: In June (1961) the Supreme Court ruled that the Communist Party must register all its officers and members with

"Department of Defense, Office of Public Information, Washington 25, D. C., May 15, 1954. (Captioned) The Truth About Soviet Involvement in the Korean War: (marked "TOP SECRET")

"In the interest of throwing further light on the facts of Soviet participation in the Korean war, and on the Chinese record in Korea, the Department of Defense has released two special studies on these subjects . . . these studies establish beyond any reasonable doubt the true nature of Communist aggression against the Republic of Korea, the Soviet and Chinese Communist support of, and participation in that aggression, and the BLUNT TRUTH about the internal and external manifestations of Communist control in North Korea . . . Many Russian 'advisors' were attached to the North Korean Army advance headquarters established in June, 1950. They wore civilian clothing, and it was forbidden to address them by rank. They were introduced as 'newspaper reporters', but they had supreme authority. They took the lead in commanding and manipulating troops. They treated the North Korean officers, who were nominally their chiefs, like their servants, or children. A North Korean Major identified two of these Russian 'advisors' as GENERAL A. Ph. VASILIEV and Colonel Dolgin. VASILIEV, he said, was in charge of all movements across the 38th parallel."

MacArthur's Top Aide Confirms - as follows:

"Someone told them (the Red Chinese) that even if the Red Chinese swarmed across the Yalu into No. Korea in overwhelming hordes, even if they slaughtered UN soldiers by the thousands on the battlefield and in the prisoner of war camps the U.S. Government would not retaliate. And the Reds' staging and supply area in Manchuria would remain a sanctuary! . . . The U.S., BY ORDER OF THE UN, did not retaliate — Manchuria remained a Red's sanctuary throughout the war — and 145,000 American boys were maimed and MURDERED in Korea !!!

Do We Need Any More Proof?

By their silence the UN admits GUILT! It is now up to Congress to act! But Congress won't act unless the people FORCE them to act. Senator Jenner said: "Our problem is to get the story to the people" . . . the people, only the people can FORCE Congress to act.

YOU can solve that problem — with this Tract! — and with UN Tract No. 2, which documents the Hiss-Molotov secret agreement.

You owe it to America — and to your own children — to SPREAD this Tract far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose a copy in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of this Tract to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will! TELL THEM YOU MEAN IT !!!

DOCUMENTARY PROOF

that

UN is PLANNED

DEATH - TRAP FOR U. S.

RITA ("Thieves' Paradise") . . . "All the American Boys who were killed in Korea were really murdered by the UN."

On Sunday evening, May 20, 1956, Myron C. Fagan's play "Thieves' Paradise" opened at the Shubert Theatre in Washington, D.C.

The play was written for just one purpose — to warn the American people that the YALTA plotters created the UN to destroy the U.S. and transform our country into an enslaved unit of a Communist One World Government . . . it was produced in Washington so as to put the UN on open trial before all the Members of Both Houses of Congress — from now on there can be no "I didn't know" alibis!

"Thieves' Paradise" revealed all the different phases of the diabolical plot — how the UN was a "Trojan Horse" sneaked into the U. S. to serve as a Sanctuary for Red Spies, Saboteurs and American traitors . . . how it was to destroy our Freedoms through "Treaties," such as "GENOCIDE" and the "WORLD COURT" . . . to brainwash our Youth through UNESCO and UNICEF, etc. . . . to drain us of our wealth through UNRRA, "Marshall Plan" and Foreign Aid give-aways . . . and to finally

transform the U. S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force and/or phony "Liberation Revolutions", aided by our State Dep't., such as the Castro "revolution" in Cuba! But there were men like Syngman Rhee and Chiang Kai Check who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . so Alger Hiss and Molotov entered into that secret agreement — with Trygvie Lie in on the secret!

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and move-

ments of the UN forces!?

"STEFAN:— Exactly! That's what happened in Korea. General MacArthur was Commander-in-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval

"RITA:— (Startled - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Vasiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . , "If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"

The UN did not file a libel suit . . . they didn't dare . . . because their own records show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post continuously from 1945 to 1950 . . . that he was succeeded by Konstantine Zynchenko, World War II Censor of the Red Army . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary . . . and he was succeeded in 1957 by A. Dobrynin, who, in turn, was succeeded in 1960 by Georgy Arkadev — all Moscow appointed Communists. The same UN records show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him sole command of all UN military affairs! ! !

Confirmed by U.S. State Dep't.

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) "Special agreements under article 43 of the United Nations Charter" (marked "TOP SECRET"), reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygvie Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations . . . These Armed Forces shall be made available from the best trained and equipped units of Member Nations of the United Nations" . . . and (under UN Regulations) all of the Armed Forces thus to be provided shall be deployed as directed by the Chairman of the Military Staff Committee of the United Nations . . . AND RED ARMY GEN. VASILIEV WAS THE CHAIRMAN ! ! !

"Thieves' Paradise" Charges UN With Murder - U.S. Defense Department Confirms It! - as follows:

That UN "Dress Rehearsal" revealed another very serious problem for the "Master Plotters," to wit: During the "invasions" many infuriated townspeople (civilians) rushed into their homes and emerged with various types of guns (pistols, rifles, shotguns) ready and willing to mow down the "invaders." Now, the "Plotters" know that MANY millions of Americans are equipped with such weapons — they realize that what happened in Budapest and the Congo would be light skirmishes compared to what would take place when and if they would try to move any kind of alien troops into this country. They decided that there is only one sure way to make the American people helpless to prevent the final BIG Take-Over: take away ALL their weapons — completely disarm them — IN ADVANCE! So fo in January 1961, simultaneously with the inauguration of Kennedy as President, Congressman Victor L. Anfuso (Dem. N. Y.) introduced a Bill (HR 613) before the House, which, when and if passed, will require all American citizens to register ALL their guns with the FBI!

Do you realize what that means? It means that when the UN will be ready to launch the "take-over" of the U. S., on order by JFK, the CFR's stooge in the White House, the FBI will be FORCED to confiscate every privately-owned weapon in the nation . . . we will be disarmed IN ADVANCE — we won't be able to fire one shot to prevent the enslavement of our Country within a Communist UN One-World Government!

(NOTE:—Don't dismiss this WARNING as alarmist conjecture. In our "News-Bulletins," Nos. 87 and 88, entitled "OUR INVISIBLE GOVERNMENT MADE VISIBLE," Parts 1 and 2, we establish, with prima facie evidence, that the CFR is already in full control of our Federal Government . . . our "News-Bulletins" Nos. 90 and 91 reveal how the CFR plant their stooges in the White House, the State Department and in all Federal Agencies. Every one of those "News-Bulletins" will startle you — shock you — ENRAGE you . . . make you FIGHTING mad — and determined to smash this plot! You can

get them from the "Cinema Educational Guild, Inc." for 50 cents per copy.)

Now you know why YOU, why ALL loyal Americans, must get off the sidelines and join in the fight for the survival of our nation—this is the most desperate battle for the preservation of our Freedom and Liberty since the Revolutionary War . . . Read full instructions in "News-Bulletin" No. 91 and join in the fight at once!

Meanwhile, for the love of God and our Country, send signed copies of this "Tract" to your Representative and both Senators . . . and get all their constituents in your community to do likewise — do it TODAY! The salvation of our nation depends on it!

Gentlemen of Both Houses of Congress: — Each and every one of you has a SWORN obligation to protect and defend the United States and our Constitution — and to safeguard all of the American people

I, the undersigned, a citizen of the United States, hereby urgently request my Representative to join with other members in the House of Representatives and initiate the necessary Constitutional first steps for the impeachment of John F. Kennedy, President of the United States . . . I further request and urge both Senators of my State to carry out the final steps for the trial of Mr. Kennedy, as provided by our Constitution.

KENNEDY'S DEATH TRAP FOR U.S.!!!

"END OF USA! . . . This morning the United States was formally inducted as a Province in the United Nations One World Government . . . and by order of the UN the old name was stricken and replaced by 'People's Republic of No. America'."

How would you like to see that front-paged in your newspaper? . . . Well, that is what you WILL see someday between now and 1970 — if John F. Kennedy achieves his "DISARMAMENT" plot as described in the "U. S. State Department PUBLICATION 7277," issued in September 1961:

They described that "PUBLICATION" as "FREEDOM FROM WAR" . . . But, actually, it is JOHN F. KENNEDY'S "blueprint" for the total disarmament of the United States — for the transference of ALL of our Armed Forces to the "United Nations" — for placing the U. S. into the "protective custody" of the UN . . . FOR TRANSFORMING THE U. S. INTO A UNIT OF THE INTERNATIONALIST-COMMUNIST UN ONE-WORLD GOVERNMENT! I

"PUBLICATION 7277," is a blueprint of rank TREASON . . . only IMPEACHMENT OF KENNEDY will save our Country!

As described in "PUBLICATION 7277," the delivery of the U. S. to the UN is to be accomplished within nine years — in "three stages" of three years each.

STAGE NO. 1 will be devoted to setting up a new "United Nations" Agency, to be known as the "International Disarmament Organization" (IDO). The chief functions of the IDO will be . . . A) Set up the preliminary machineries for the "Disarmament" program . . . B) Ditto for the gradual in-

ductions of all UN members into the IDO . . . C) Blueprint the steps for gradual transference to the UN of all Nuclear armaments and all the secret processes for producing such weapons . . . D) Develop arrangements for establishment of a "UN PEACE FORCE," under the sole and absolute control of the UN. . . E) Set up quotas of manpower each nation is to provide;

STAGE NO. 2: Provide IDO with UNLIMITED POWER . . . 1) To ENFORCE reductions of the armaments and manpower of all (national) military forces . . . 2) To ENFORCE restrictions on production of armaments . . . 3) To ENFORCE transfer of all armaments (including Nuclear) already in existence to depots under the sole control of the UN's IDO . . .

STAGE NO. 3: Increase the "UN PEACE FORCE" to such overwhelming strength that no individual nation will have the military power to challenge UN orders and/or demands. States (nations) would retain only such armed force (police) needed to maintain internal order—all other manpower subject to conscription for "UN PEACE FORCE" only.

NOTE: Our "News-Bulletin," No. 91, entitled "WHY WE MUST IMPEACH KENNEDY," contains a complete (verbatim) reprint of "PUBLICATION 7277." Ed.)

This TREASON plot is far more heinous than that which made BENEDICT ARNOLD a byword of infamy in American history . . . it is more heinous than the treason for which Pierre Laval and Quisling were executed . . . it is TREASON which DEMANDS Impeachments and Trials of KENNEDY and of all of his collaborators!

Bear in mind, this Treason Plot is not new — it was launched long, long ago. In 1918-19, the Master Plotters set up the "League of Nations" to be the "housing" for their "One-World" trap. It failed — because one great American patriot kept the U. S. out of the "League." The Plotters waited for World War II and in 1945 they set up the "United Nations" for that very same purpose! Here is the PROOF ! ! !

THE "UWF" PLOT

Early in 1947 the Master Plotters, **Council On Foreign Relations (CFR)**, set up the "UNITED WORLD FEDERALISTS" (UWF), officered and directed by REDS and Fellow-Travelers. The "job" set for the UWF was to coerce, seduce and bribe the Legislatures of 32 States to pass "Resolutions" memorializing Congress to transform the U. S. into a unit of a Federated (UN) One-World Government. It was all to be done very hush-hush. They chose California for their first "test." In March, 1949, the California Legislature SECRETLY passed the UWF "Resolution." Within four months, 25 additional States passed similar "Resolutions" . . . all they needed was 6 more States . . . and not one Newspaper, not one Radio news-caster mentioned one word about it ! ! !

But in July (1949) we (C.E.G.) launched a furious campaign that exposed the plot — and FORCED the Legislature to publicly review the (UWF) "Resolution." At the conclusion of that review, the UWF was denounced as a traitorous Cabal — and the "RESOLUTION" was promptly rescinded! Within 60 days 24 other State Legislatures followed suit. That killed the UWF traitorous plot ! ! !

Now: except for slight variations, the verbiage in KENNEDY'S "PUBLICATION 7277" is identical with that in the rescinded UWF "Resolutions" — it is identically the same TREASON, the "variations" in verbiage being intended to (clumsily) camouflage the crux of the plot ! ! ! But, wait you ain't heard nothin' yet!

THE UN "INVASION"

As it became obvious that the UWF plot was doomed, the UN decided to set up their own techniques and machinery for the "take-over" of the U. S. As their first step, they issued what they called: "United Nations Order No. 1." It ordered a number of small cities in California, Texas and New York (Names are available) to be "captured" and

"taken-over" by our own troops — in the name and authority of the United Nations ! ! ! This was done without the knowledge of our President (Truman)—so he said . . . of our Chiefs of Staff — so they said . . . of the Governors of the three States. Upon being questioned, the head of the Security Council of the UN said it was "Simply a Dress Rehearsal." A Dress Rehearsal for what? He refused further explanation — and Washington hushed it all up ! ! !

THEY NEVER GIVE UP!

With their UWF plot and "Dress Rehearsal" torpedoed, the Master Plotters had to formulate new plans. They set up what they called "The World Association of Parliamentarians For World Government," and held a "Conference" in London in 1952. That "Conference" decided that the ruling body ("World Parliament") of the One-World Government would consist only of appointed members. There would be a World Director, 8 zone directors and 51 regional directors. None of them would ever serve in their own countries. So aliens would command alien troops stationed in the U. S. to enforce World Government law — and thus prevent American troops from "sheltering behind national allegiance."

That last precaution was inspired by what happened during that UN "Dress Rehearsal": many of our troops and Commanders indignantly refused to obey that "UNITED NATIONS ORDER NO. 1" That was why the "Conference" decided that each of the world zones would be "policed" by alien troops. The map they adopted for that purpose shows that Mongolian troops (the same kind that Khrushchev rushed into Budapest in 1956) are to be stationed in Canada, Mexico and the Northern half of the U. S., with Russian and Red Chinese troops in the Southern half . . . The Map also shows that American troops, conscripted by the UN, would be transported to "police" various other nations . . . But wait — you (still) ain't heard nothin' yet ! ! !

ing for the "better climate" — and in place of Eisenhower, Nixon, Rogers and Herter we have Kennedy, Lyndon Johnson, little brother Bobby and Rusk ready and waiting to do what that other unholy quartet tried to do.

Only one thing will kill that plot: IMPEACHMENTS and CONVICTIONS of the ringleaders, **whether they be Presidents or Senators!** Even more important, impeachment proceedings will unmask — and **torpedo** — the entire Great Conspiracy . . . and for those who doubt the existence of such a Conspiracy, there are three questions: (1) Who delivered the Balkans and Berlin to Moscow? . . . (2) Who delivered China to the Communists? . . . (3) **Who delivered Cuba to Castro?** IMPEACHMENTS will provide the answers.

And don't let anybody tell you that a President, or a Senator (or a U. S. Supreme Court Justice) cannot be impeached . . . precedent tells us otherwise, to wit: in 1868 President Andrew Johnson was impeached — he escaped conviction by one vote, but he **WAS** impeached . . . in 1917 James E. Ferguson, Governor of Texas, was impeached and **convicted!** And the Governor of a sovereign state is just as much a "royal" personage in his State as a President is in the nation.

Moreover, our Constitution states:

"The President, Vice-President and all civil officers of the United States shall be removed from office on impeachment for, and conviction of, Treason, Bribery, or other high crimes and Misdemeanors."

The Constitution defines TREASON against the United States to: . . . "consist of levying war against them (the U. S.), or in adhering to their enemies, and/or **GIVING THEM AID AND COMFORT**" . . . it also declares that . . . "Congress shall have the power to declare the punishment of Treason" . . . whether committed by a President, a Vice-President, a Senator, or a Supreme Court Justice!

Fellow American, the United States belongs to the American people, not to the men to whom WE

have given their high offices. Repeal of the Connally Amendment would be **HIGH TREASON** to the U. S. and the American people — just as the delivery of Cuba to Castro was **HIGH TREASON** to the U. S. and the American people . . . every individual guilty of either act must be tried in accordance with the rulings of our Constitution . . . and it is the sacred duty of ALL loyal Americans to our Country — and to their own children — to demand such action from their Senators and Representatives.

We must have that action NOW — not AFTER the evil deeds have been accomplished !!!

Every member in both Houses of Congress has a **SWORN** obligation to protect and defend the United States, the Constitution, the sovereignty of our nation . . . Hence, this is an urgent appeal — nay a **DEMAND** — by the American people to all members in both Houses of Congress to fulfill their oaths to summon forthwith for proper trial all those named herein who collaborated in the plot to repeal the **CONNALLY AMENDMENT!**

That will forever stand as a warning for all others who might be tempted to commit treason . . . **IT MEANS THE SALVATION OF OUR NATION !!!**

"WORLD COURT" Tract

1962

ABOLISHED

BY

DECISION

OF

UN WORLD COURT!

That is what will happen if the **CONNALLY AMENDMENT** will **EVER** be repealed !!!

The **CONNALLY AMENDMENT** is our only safeguard against the International-Communist Conspiracy's "WORLD COURT" plot to transform the United States into an enslaved province of their planned UN One-World Government !!!

To Save Our Country, we must

IMPEACH

All those who attempted — and are still plotting — to repeal the **CONNALLY AMENDMENT** . . . read — and digest — the following and you will see why it is a **MUST**.

In 1945 the **INTERNATIONAL-COMMUNIST** conspirators set up the UN ("UNITED NATIONS") to be the crux of their plot to create their **ONE WORLD GOVERNMENT** — but particularly to transform the United States into a unit of that One-World Government . . . because as long as the United States re-

mains free they can never achieve their plot ! ! !

The UN CHARTER, when it was ratified by the U. S. Senate (in July 1945), became the "TREATY" that made the U. S. a member of the UN.

That CHARTER was written by ALGER HISS and Moscow's MOLOTOV and VISHINSKY . . . nevertheless, with one or two exceptions, our Senators ratified that CHARTER without reading it! Why? . . . We don't know — but that is how it was done!

In that CHARTER the conspirators inserted several crafty provisions that were to enable the UN to transform itself into a ONE-WORLD GOVERNMENT—and to transform the U. S. into a unit of that "government" . . . without the American people knowing it, or realizing it, until it was a fait accompli — and from which we could not pull out ! ! !

Why We Could Never Pull Out!

One of those Charter "provisions" authorized the UN to set up its own "SUPREME COURT", to be known as the "International Court of Justice" (World Court). That "Court", answerable only to the UN, is comprised of one American and FOURTEEN Foreign and COMMUNIST Justices — The American Justice is none other than the notorious pro-Communist PHILIP JESSUP! — all appointed by the UN, without approval by the U. S. Ostensibly, this "Court" was to have jurisdiction only of International affairs, but analysis of the fine print in that provision establishes beyond any doubt that it could assert complete jurisdiction over our immigration laws, our tariffs, interstate commerce, the Segregation question, all "Minority Group" disputes, our control of the Panama Canal — in short, of all our Domestic affairs, as well as Foreign — and there could be no appeal from its "Decisions" ! ! !

Furthermore, any American charged with "transgression" of any "World Court" Law could be taken out of this country for trial in The Hague, or in MOSCOW, by a Tribunal designated by the "World Court" — and he could not appeal to our Con-

stitutional Laws — or be defended by an American lawyer — and the United States could do nothing about it . . . and GET THIS: the jurisdiction of the "World Court" would include . . . "the trial (under the above conditions) of individuals and private organizations accused of offenses against the UN Charter" . . . and, of course, criticism would be an "offense" ! ! !

And there you are — that's why, once we'd be engulfed, by "World Court" DECISION, in the UN One-World Government we could never pull out . . . who'd dare commit the "offense" of protesting?

"Connally Amendment" Saved Us!

Fortunately, all such "provisions" have to be individually ratified by our Senate. So, in November (1945) Sen. Wayne Morse submitted a "Resolution" whereby the Senate would authorize our Government to accept complete and COMPULSORY jurisdiction of the UN's "World Court" — and on December 17, Rep. Herter submitted a similar "Resolution" to the House . . . and again the Senators were about to ratify that "Resolution" without reading it!

But Sen. Tom Connally DID read it — and saw in it the complete surrender of the U. S. to the UN, via the future "DECISIONS" of the UN's "World Court" ! ! ! And, in the nick of time, he quietly insisted upon the addition of six little words that were to protect the United States from the "World Court" future "DECISIONS" — those "six little words" were: . . . "as determined by the United States."

And THAT is the Connally Amendment . . . it is the only thing that has kept — and is keeping — the United States from becoming an enslaved province in a United Nations "One-World Government".

Yet, Eisenhower (his last act while President) DEMANDED that it be repealed—and that the UN World Court be granted full and COMPULSORY jurisdiction over the U. S. and the American people ! ! ! The then Vice President Nixon and Senators

Morse, Humphrey, Javits, Clark and Fulbright supported that DEMAND.

Well, REMEMBER THIS WARNING : if ever the Connally Amendment will be repealed, nothing under the sun will prevent a "World Court" DECISION that will transform the UN into a "One-World Government" — and then — (ostensibly to give the UN the "POLICE FORCE" it will need to enforce PEACE) there will be more "World Court" DECISIONS that will require (polite word) the U. S. to transfer (surrender) our Armies, our Navies, our Air Force and our Nuclear weapons to the UN . . . exactly in line with Eisenhower's "Disarmament" program—and his plans to "strengthen the UN" ! ! ! . . . Thus a disarmed U. S. in the grip of an all-powerful "strengthened" UN ! ! ! . . . And that would mean the end of our Constitution, of our Bill of Rights, of our Declaration of Independence — the end of a free United States and a FREE American people!

THAT is the objective of the Masterminds of the Internationalist-Communist Conspiracy . . . that is what would have happened if Eisenhower and the other Washington tools of those Masterminds had forced the repeal of the Connally Amendment!

Only one thing stopped that act of foul TREASON: the plotters' fear of the rage of an awakening people — they knew that if they persisted with their plot, and ALL of the people became aware of it, their careers would end exactly as did the careers of Pierre Laval, of Marshal Petain, of QUISLING — so, at the very first outcry, they hastily abandoned their plot.

But let there be no delusion that the plot has been smashed — it has only been delayed — to be revived as soon as we (the people) will "forget" and go back into slumberland. Sen. Fulbright made that very clear when he reluctantly withdrew that Wayne Morse traitorous "Resolution" and said: "We must wait for a better climate." No, that plot is not only not dead, but the same Senate ringleaders (Morse, Humphrey, Javits, Clark, Fulbright), are there wait-

then, lo and behold, it leaked out that, blended in with the dancers, the troupes contained a number of Russian Secret Service Police and Intelligence (Espionage) agents. The State Department expressed "shock" — it is up to State to screen ALL the members of such troupes before issuing the necessary visas. They angrily denied the "false charge." But, to their dismay, it was confirmed by a voice of authority that they could not brush off, to wit: one Peter S. Deriabin, a former chief officer of the Soviet Secret Service (the MVD) who defected to the West in 1954, in testifying under oath before the House Committee on Un-American Activities, identified one of the Moiseyev "dancers" as Lt. Col. Aleksandr Kudriavtsep, a top officer of the Soviet Intelligence, (Espionage) Department in Moscow's Secret Service. He identified many others — and further investigation revealed more than a score of such spies in the "Moiseyev" troupe alone — fully as many in the "Bolshoi" troupe — ditto ALL the Russian troupes.

The State Department was prompt with an alibi: The Russian secret police, they said, had come along with the troupes "to prevent defections" of dancers who might wish to remain in America — Moscow had demanded that privilege... or there would be no Exchange of Troupes.

Now, our Immigration Department rigidly requires the finger-printing of all aliens as and when they enter this country. On orders from State, "Immigration" waived that requirement with all the Russians who entered this country under the "Cultural Exchange" deal! State's lame alibi for that too was that Moscow refused to permit the finger-printing of any of their nationals. So now we know that every Hurok-imported Russian troupe, every Russian delegation of every type, brings with it a flood of disguised spies — Deriabin confirmed that in his sworn testimony! . . . Remember that any time a Sol Hurok production is scheduled for your community!!

But did State and the Press tell the American people about that phase of our highly vaunted "Cultural Exchange" deal? They did not. . . For "Security Reasons," no doubt — eh, what?

But, wait! As Al Jolson used to say: you ain't heard nothin' yet! Following their New York en-

agements, Mister Hurok arranged tours for each "troupe" which brought at least one of them into every area in our country where we have a Defense Plant, a Laboratory, a Missiles Plant, etc., etc. Naturally, such distinguished "guests" in our country had to be wined, dined and shown all "the sights" — Mister Hurok saw to that. The State Department could not be less hospitable than Mister Hurok, so they arranged "specially conducted tours" for the Russian "dancers" of all our Defense Plants and Laboratories. Even such a top secret Laboratory as Fort Monmouth, which was barred to Sen. Joe McCarthy and his Senate Committee, was opened wide to the Russian "dancers."

Does that answer that frantic question of how did Moscow obtain all their information about all our secret Defense plans?

Thus Moscow's "Cultural Exchange" objective was to get a "blueprint" of our Defense structure—and, less importantly, to bolster their Red Front propaganda machine in the USA. . . And, from all indications, our State Department's chief objective in the "Cultural Exchange" deal was (and is) to facilitate Moscow's chief objective!!

Traitors in the State Department deliberately delivered Cuba to Castro and Moscow — and were promoted for it. . . State deliberately conspired with the UN to destroy pro-Western and Anti-Communist Katanga. . . State delivered China to Communism.

Only a Congressional investigation of the State Department will unmask all the traitors in that Agency. Please send signed copies of this Tract to your Representative and Senators together with personal letters . . . get all their constituents in your Community to do likewise—do it today! The salvation of our nation depends on it!

Why Congress MUST thoroughly investigate the State Department

In mid-January (1963) our (nation-wide) Press front-paged this frantic question:

"HOW DID REDS GET SECRET U.S. DEFENSE DETAILS?"

The story that followed dealt with a 618 page Russian military document titled "Military Strategy." It was prepared by Moscow's Marshal V. D. Sokolovsky and reveals that Russia is in possession of our most vital (TOP SECRET) defense plans. It contains the specific details of McNamara's plans for drastically cutting back (DESTROYING) the Strategic Air Command's Nuclear Bomber Force. . . it accurately lists (top secret) data on U. S. military satellites, their missions, and the number of launchings planned for the next 15 years. . . it also contains a veritable (collective) blueprint of all of our (supposedly) secret Defense Plants and Laboratories. Thus the question as to how Moscow got those secret Defense details is a natural and highly pertinent one. . . but the answer is very simple: our State Department opened wide all the doors of the Defense Plants and Laboratories to an influx of Russian spies and Espionage Agents disguised as dancers, singers and actors — and the key the State Department used to unlock those doors was the highly vaunted "CULTURAL EXCHANGE" hoax. . . here is how it was done:

"Cultural Exchange" is a "Council on Foreign Relations" (CFR) dream-baby, born in the early 1950s, midwived, and nurtured ever since, by the State Department. The premise on which the hoax was based was that an exchange of "cultures" would get the American people and the peoples behind the Iron Curtain to better understand each other. However, the real gimmick in the hoax was a scheme that was to sweep

away all of our immigration regulations and requirements for entry into the U. S. and open our gates to hordes of Russian spies—as we shall see.

"LIVE THEATRE" IS THE "GIMMICK."

There were many "Cultures" included in this "Exchange" deal. The entire hoax was revealed in all its details in the August 1959 (CEG) News-Bulletin (now out of print), but this "Tract" deals exclusively with the "Live Theatre" exchange, which was the "gimmick" that opened the doors of our Defense Plants to the Russian spies.

Under that "Exchange" arrangement, we were to send Russia a "Porgy And Bess" troupe, a "Deep Are The Roots" troupe, a "Death Of A Salesman" troupe, etc., etc., all villifying the U. S. and the American people. In turn, Moscow was to send us their choicest and most glamorous "Live Theatre," such as the "Bolshoi Theatre Dancers," the "Moiseyev Dancers," etc., etc., all glorifying Russia and Communism. But glorification was not Moscow's prime objective — they had two far more vital objectives. . . . 1) Finance the Communist activities in America. . . . 2) An open door for Russian spies in all our Defense Plants and Laboratories.

Two incidents that followed the arrivals of the "Moiseyev" and "Bolshoi" troupes completely unmasked both objectives. . . . Those incidents also clearly established that the "diplomats" in our State Department wittingly and deliberately paved the way for those horrifying acts of treason; to wit:

"TROUPES" FINANCE RED FRONTS

Eric Johnston, long notorious for his protection of the Reds in Hollywood, was the State Dep't. approved "Commissar" for the exchange of Films. Sol Hurok, Concert Impresario, was Johnston's counterpart in the "Live Theatre" exchange set-up.

I could describe Hurok as ghetto-bred, crude, uncouth, and ruthless opportunist, but that is not as important as the fact that he is a DOCUMENTED Red Fronter and Pro-Communist. Despite that, or perhaps because of it, he was the State Dept's approved "importer" of the Russian Troupes. When he announced the impending four-week run of the "Bolshoi Ballet" in New York's Metropolitan

Opera House, the press (and Radio and TV) gave it a front-page ballyhoo never before accorded to any theatrical event. Naturally, that made it the hottest attraction on Broadway. For hours, in a driving rain, long lines of people waited at the box-office to buy tickets — but even the first-comers were informed that there were only a few seats available, and only in the rear of the balcony and gallery. But suddenly, a number of rather weird-looking, middle-aged women burst into the usually-subdued marble lobby and started shouting at the disappointed ticket-seekers: "They've got no good tickets here — if you want good seats go to 114 East 32nd Street — go to 114 East 32nd Street," they screeched over and over again. . . . and the box-office attendants confirmed it. Many of the weary waiters promptly broke out of the line and rushed across town to the 32nd Street address.

There they found themselves in the offices of the "National Council of American-Soviet Friendship" (NCASF), the oldest and most flagrant Red Front in America. Eager clerks were handing out leaflets which stated that the NCASF did, indeed, have choice tickets available, and would be happy to fill all orders — but there was a catch to it, to wit: Seats could be had for the regular box-office price, but the NCASF "hoped" customers would add a "donation" to help the Council carry on its "important efforts to bring about better understanding between the USA and the USSR" . . . and the clerks brazenly added "the more generous the donation the better the seats."

Furthermore, although the NCASF clerks had stacks of tickets in front of them, they did not sell them directly. Instead, they took the names and addresses (and "donations") of the applicants, promising to send their tickets by mail. And in a few days the tickets did arrive — and along with them a packet of bald-faced Communist propaganda!

And thus the whole plot became clear: the Communist Conspiracy in America was capitalizing on the press-manufactured popularity of the "Bolshoi Ballet" (and the other Troupes) to raise money and spread propaganda — with the help of Sol Hurok and the State Department's "Cultural Exchange" set-up ! ! !

Now let's analyze the depth of the plot: There were 160,000 seats available for the 32 per-

formances. According to the Opera House box-office, more than 100,000 of the tickets were turned over to the NCASF and similar organizations — on orders from Sol Hurok! And those tickets were not paid for. They were turned over to those organizations "on memorandum." Thus, the NCASF got all those tickets (nearly a million dollars worth) on "tick." Why?

When questioned, Hurok admitted that most of the 160,000 tickets went to individuals and organizations on a list his office keeps. NCASF and other Red Fronts, officially documented as such by the U.S. Attorney General, are on that list. When asked why all the best seats were turned over to such notorious Red Fronts, Hurok blandly replied: "I didn't know they were on the Attorney General's list." That, from a man who is officially identified as a Red Front Sponsor ! !

That reprehensible ticket scandal was brought to the attention of the State Department. At first, State ignored it. Then, in response to angry questions from members of Congress, they "pointed out" that they "could not dictate Mister Hurok's business methods". . . And that is our "Cultural Exchange" — sponsored by our State Department!

"TROUPES" LOADED WITH SPIES

Now to answer that Front-paged frantic question: "How Did Reds Get Secret U.S. Defense Details?"

First of all, bear in mind that the cast of each of the Russian troupes contained hundreds of "artists," plus their own Russian "stage hands" and business personnel. We remember that the critics raved over the performances of all those troupes as they've never raved about any American production; ditto the general press and magazines; TV and Radio glorified them — all the dancers, singers and actors were proclaimed to be the best in the whole world. Unquestionably, there were individual artists who were comparable to some of our best — but not any more than that! On the other hand, many qualified judges of the theatre, particularly of dancing, set down many members of the "Moiseyev" and "Bolshoi" troupes as novices or hasbeens. It seemed strange that the Directors of both troupes included such obvious stumblebums in what otherwise were fine professional groups. And

memberships for Senators and/or Congressmen—and fills 15 additional seats with State or Local office holders.

THAT is how UNESCO is enabled to reach into most every major governmental body to assure that its "educational" policy of indoctrinating our YOUTH into COMMUNISM and ONE-WORLDISM is carried out.

STATE DEPT FINANCES UNESCO— UNLAWFULLY!!

The irony of this entire situation is that YOU are paying for the destruction and enslavement of your own children by financing the UNESCO plot—to wit: Your tax dollars pay for more than 30 per cent of the entire international UNESCO work . . . it pays for an additional 40 per cent for the work of "agencies" which are "subsidiaries" of UNESCO. Your tax dollars also pay ALL of the expenses of the "U.S. National Commission for UNESCO" (also known as the "U.S. Secretariat for UNESCO,") regardless of the size of the bill in any one given year.

But now get this: while all this is being done, a FEDERAL STATUTE IS BEING VIOLATED by every school in the nation, by the State Department, by NEA, by EVERYBODY who supports UNESCO, to wit:

EVERY year when the Department of State Appropriations Act is passed in Congress, a section is added which FORBIDS the teaching of one-world government. Public Law 471, House Bill 8067, 83rd Congress, second session, which provides for this section, as interpreted by Nevada's late Sen. Pat McCarran, warns:

"This provision of the Law is a specific direction against the teaching of one-world citizenship and one-world government in the schools of our country . . . Those of us who are interested in maintaining our way of life and our form of government are determined to arouse the people of this country against that which would destroy patriotism in America and lead the Youth of America to believe that the UNITED NATIONS is superior to the American Government."

Read "News-Bulletin" No. 86 for full details—read the NAMES, headed by Milton Eisenhower, of the men and

women who are collaborating with this vicious plot—"Americans" of Benedict Arnold ilk . . . only THEIR treason is even more foul, because their victims are YOUR defenseless children! Read—then don't stop fighting until every one of them is hurled out of our Educational System! . . . Read—then don't stop fighting until Congress rigidly investigates the State Department's UNLAWFUL financing of UNESCO!

OUR MOST URGENT JOB!!!

The Masterminds of the "GREAT CONSPIRACY" are frightened—terrified. Their "UNITED NATIONS" is now skating on very thin ice. The American people are awakening—FAST! Actually, their (the "Masterminds") last hope of achieving a Communist One-World Government lies in a thoroughly brainwashed AMERICAN YOUTH. They can achieve that brainwashing only through UNESCO. But when the UN will finally be torpedoed, UNESCO will go with it—unless they can meanwhile get TREATY status for it and thus make UNESCO a LAW of the LAND unto itself!

So, during the past year, several of their stooges in Congress have been craftily devising ways and means to slip it through very hush-hushedly. It is included, in fine print, in Kennedy's "Federal Aid To Education" Bill—ditto in various other of Kennedy's MUST Bills—on the theory that one of them will go through and thus provide TREATY status for UNESCO. The original title of the TREATY is "UN Declaration of Human Rights." It has now been changed to: "Convention Against Discrimination in Education"—and is therefore tied in with "Desegregation." However, it is all so camouflaged in ALL the pending Bills that only careful scrutiny by our Representatives and Senators will reveal the cunning trick.

Moreover, TIME is their most important element in this plot: with doom for the UN on the horizon, the "Masterminds" have instructed their stooges in Congress to rush the railroading of at least one of those Bills in this session of Congress—and report SUCCESS to the November 1962 meeting of the UNESCO General Assembly in Paris!

Now you know why YOU, why ALL American mothers and fathers, must get off the sidelines and get to work

in this greatest battle for Freedom and Liberty since our Revolutionary War! You MUST—if you want to save YOUR CHILDREN from Communist enslavement!

Read full instructions in "News-Bulletin No. 86 and join in the fight at once!

Meanwhile, send signed copies of this "Tract" to your Representative and Senators in Washington—to the members of your State Legislature . . . and get ALL of their CONSTITUENTS to do likewise—DO IT TODAY! The futures of YOUR children depend on it!

Every Member in both Houses of Congress has a SWORN obligation and duty to protect and defend the United States, the Constitution, the American people—and to safeguard all of AMERICAN YOUTH!

I, the undersigned, a citizen of the United States, hereby urgently request my representatives in both Houses of Congress to join with other Members of both Houses to thoroughly investigate UNESCO—and OUTLAW it and all its Agencies. I also urge that all individuals who have knowingly and deliberately aided and abetted this plot shall be tried on a charge of treason and punished accordingly.

DEADLY MENACE

TO

AMERICAN YOUTH

Time after time after time, the Masterminds of the "Internationalist-Communist Conspiracy" tried to railroad Congress into granting full "TREATY" status to various UN plots, such as "GENOCIDE," "WORLD COURT," etc. Treaty status would automatically have made any of those plots a LAW OF THE LAND . . . and that would have delivered the American people into a Communist (UN) One-World Government. Only avalanches of angry protests (signed "Tracts") from constituents (VOTERS) to their Representatives and Senators torpedoed all those plots.

However, the "Masterminds" never quit—NOW, at this very time, several of their Washington stooges are SECRETLY scheming to railroad one of several camouflaged Bills that would give UNESCO full TREATY status—and thus make UNESCO policy in our Educational System a LAW OF THE LAND . . . Here is what such a TREATY would do:

For years, Stalin and Khrushchev have been saying . . . "Give us control of one generation of AMERICAN YOUTH and we will own America."

Well, that's what "Treaty" status for UNESCO will do—it will surrender AMERICAN YOUTH to the INTERNATIONALIST-COMMUNIST CONSPIRACY!!!

URGENT WARNING

We all were horrified when Castro began to ship Cuban children to Moscow to be Communist indoctrinated . . . Well, if UNESCO is given "Treaty" status they won't have to send our American children to Moscow to be Communist indoctrinated—UNESCO will do it right here" . . . Do you want that to happen?

THE SALVATION of AMERICAN YOUTH demands that UNESCO must be DESTROYED!

To some, that may seem to be an "extremist" statement, but, as you read this "Tract," bear THIS in mind: UNESCO was created to accomplish just one job—to entrap YOUR unwary and defenseless children into Communist enslavement—and today they already are far on their way to full achievement of that job!

HOW THEY ACCOMPLISHED IT

The modus operandi to achieve that UNESCO objective was to infiltrate and finally acquire complete control of the entire American Educational System, from Kindergarten to University—in order to brainwash all AMERICAN YOUTH into contempt for patriotism and nationalism—and into complete acceptance of Communism and One-Worldism . . . and, in the process, to destroy all home and parental influences.

In order to keep the American people unaware of this finch plot, it had to be introduced gradually—and very hush-hush! Furthermore, to inspire respect and confidence, it was to be provided with a highly regarded (humanitarian) sponsorship. Thus, in November 1945, five months after the "United Nations" came into official existence, a special meeting in London gave birth to the "United Na-

tions Educational, Scientific and Cultural Organization," commonly known as UNESCO.

Bear in mind, at that particular time the UN was a "Holy of Holies," created to preserve PEACE—and to work for the GOOD of all peoples. Therefore, any UN Agency was equally a "Holy of Holies."

However, to accomplish the "brainwashing" part of the job, it was necessary to transform all of our educational processes . . . all of the tried and true text books, such as the McGuffey Reader, etc., would have to be replaced by new (UNESCO inspired) text books which would contain subtle (and not so subtle) Communist and One-World "education" . . . all the old text books that could not be eliminated would have to be revised and slanted with similar "brainwashing education."

By itself, UNESCO couldn't possibly have achieved such a brazen transformation. It had to be fully approved and supported by our "National Education Ass'n" (NEA) . . . ditto the State and City School Boards of Educations . . . ditto the "American Association of School Administrators" (AASA) . . . ditto the "National Congress of Parents and Teachers" (NCPPT), which controls all local PTAs . . . ditto the TEACHERS! They ALL had to be in on it! And they all were—right from the inception of the plot! As a matter of DOCUMENTED fact, NEA proudly claims the "distinction" of having given UNESCO its start. That was proclaimed in Boston, Mass., during their 87th Annual Meeting, July 3-8, 1949, and so recorded on pages 33 and 34 of the "Minutes" of that Meeting.

Those "recordings" establish that the NEA is dedicated towards carrying out the principles of "education" as outlined by UNESCO—to do this, UNESCO policy has been made NEA policy . . . the AASA made UNESCO its policy—its primary job is to administrate this UNESCO policy and see to it that it is carried out in the schools . . . the NCPPT also has adopted UNESCO policy as its policy—THEIR primary function is to make sure that the parents are deluded by the local PTAs into "going along" with the schools in each district—and thus MAKE SURE the Communist-dominated One-World teachings are indoctrinated into every child in America!

This is a serious charge—but true as gospel . . . it was Moscow that, at the behest of the Masterminds of the One-

World Conspiracy, originated UNESCO—Moscow helped write it . . . they censored and approved its principles and policies before they were adopted in London in 1945—and the MOSCOW REDS have been in complete control of UNESCO since its inception. . . .

HERE IS THE PROOF

The UNESCO Executive Board is the ruling body of UNESCO activities throughout the World. Its chief function is to carry out the directives issued by the Office of the Director-General . . . Now look at the Top Brass of this Executive Board—and SHUDDER!!!

1) The Director-General is France's Rene Maheu, one of France's top Reds . . . 2) Ass't Director-General of ALL UNESCO is one of Russia's most ruthless Reds, Pavel Ivanovich Erchov. He steers the course—exactly as the UN's Moscow RED First Assistant Secretary-General steers the course of the Military Secretariat in the UN . . . 3) Deputy Director in charge of the entire UNESCO Dep't of Education is Russia's No. 3 Communist, Vladimir Marimovsky . . . 4) Chief of the Division of Social Science is Russia's Georgi Skorov . . . 5) Chief of Secondary Education for UNESCO is Russia's infamous Mrs. A. Jegalova—this female of the species is the former Chief of Inspection Division of the Soviet Ministry of Education, etc. . . . 6) Director of UNESCO's Natural Science Dep't is Russia's Victor A. Kovda, another of Moscow's most vicious Reds . . . 7) M. Kuznetsov, of Russia, is chief of translations in the Documents and Publications Service Division . . . 8) Siama Tanguian, of Russia, is Program Specialist in UNESCO's Education Clearing House . . . 9) Mrs. Valery Birionov, of Russia, is chief of the Publication Liaison Division . . . 10) Mrs. T. Beliaeva, of Russia, is chief librarian in the Department of Cultural Activities . . . 11) V. Birionkov, of Russia, is program assistant, Publications Liaison Division, Dep't of Mass Communications . . . 12) H. Kovalsky, of Russia, Chief of Press Division, Dep't of Mass Communications.

These are just a few of the MOSCOW REDS in the governing body of UNESCO—we don't have enough space to name ALL of them. But, wait! In addition, there are REDS

from RED China, RED Korea, RED Viet Nam, Mongolia, East Germany, Poland, REDS from all of Moscow's Satellites in the UNESCO governing body . . . those are the people who formulate and control the policies of UNESCO—who rule upon the principles in our Educational System—who decide what OUR CHILDREN are to be taught!

NOTE: All of the above hardly even scratches the surface of this HORROR STORY. For the salvation of YOUR children, you should know ALL of it—you should know, MUST know, how UNESCO is building up to deliver ALL of our AMERICAN YOUTH to Communist enslavement—you should know the names of the AMERICAN traitors who are collaborating in this foul plot. You will find all of it in "NEWS-BULLETIN" No. 86, entitled "UNESCO: NO. 1 ENEMY of AMERICAN YOUTH," by Myron C. Fagan. Get a copy—read and DIGEST it. It will startle you—horrify you—ENRAGE you . . . and make you so FIGHTING MAD you'll never stop fighting until UNESCO is UTTERLY DESTROYED! You can get this MUST 32-page book by sending 50 cents to "Cinema Educational Guild, Inc." Ed.

Now, let's see how our (by accident of birth) American traitors have been, and still are, collaborating in this horrifying betrayal of our helpless, defenseless and innocent YOUTH.

STATE DEPT SHIELDS UNESCO!!!

When the plot was being organized, the "Masterminds" knew that to make it succeed they would have to keep the American people completely unaware that UNESCO is an integral apparatus of the over-all GREAT CONSPIRACY. To delude us, it was vital to make UNESCO appear to be "An American Idea" . . . so the U.S. State Department set up what it called: "THE UNITED STATES SECRETARIAT FOR UNESCO." It is composed of 100 members. Its headquarters is in the State Department. . . . Of this 100 membership, 60 are allocated to educators, scientists and cultural organizations—and 40 are retained by the State Department . . . the State Department, in turn, reserved 10

decision in San Francisco . . . Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that it would be expedient for him to "forget" all about "rights" and "terms of the Charter": Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — he also confirmed its permanency! After that, says Mr. Lie ". . . it would not have been politic for me to resist that (secret agreement) accord."

He then reveals what little authority he had in all such matters, even in the choice of the Russian to fill that all-important post, although, under the Charter, he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that "his was not to reason why, his was but to obey — OR GET FIRED!

WE NOW HAVE THE PROOF !!!

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—evidence that that "secret agreement" **MURDERED and MAIMED 145,000 American boys in KOREA!** — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly

investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN.

But Congress won't act unless "the people" DEMAND that they act — and the people won't DEMAND until they know what to DEMAND. Senator Jenner said: "Our problem is to get the story to the people" — so that they will KNOW what to demand.

YOU can solve that problem with this Tract! — coupled with Tract No. One!

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of these two Tracts to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will!

1963 - UN TRACT No. 2 - 1963

THE TRUTH...

ABOUT THE U. N.

as revealed

by TRYGVIE LIE

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

The most startling of all the charges was that **secret agreement** between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist ! ! ! Now, under the Charter, "little wars" to prevent Communist aggression (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee! GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee ! ! !

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGRESSIONAL RECORD", and demanded that the UN be hauled up for a thorough (open to the public) hearing by the properly constituted Congressional Committee — and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get "the people" to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we quoted sections of "U. S. Government (TOP SECRET) Bulletins" which OFFICIALLY confirmed all those charges . . . Those TOP SECRET Bulletins confirmed that the UN gave MOSCOW'S Gen. Vasiliev a "leave of absence" from his UN job as Chairman of the UN Military Staff — TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES ! ! ! . . . Those Bulletins PROVED that ALL

the American boys who died in Korea were MURDERED by the UN — as a result of that Hiss-Molotov secret agreement ! ! ! . . . they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese ! ! !

Very quickly a half-million copies of that "Tract" were circulating through the nation — thousands upon thousands came pouring into Washington . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken — they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable — and that would mean the end of the UN ! ! ! . . . And then the State Department came to the rescue of the Conspirators — they issued an "official statement" in which they denied our charges — and virtually proclaimed that their own original "U. S. Government (TOP SECRET) Bulletins" were falsehoods. And, promptly, the UN and ALL the UN Fronts — and the State Department — flooded the nation with that false and misleading "official statement"!

Now, get this point: in their denials, those "official statements" never once named the "charges" they denied. They operated on the theory that if they could cast doubt on any one charge it would discredit all charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce DOCUMENTARY evidence that such an agreement had ever been made!

That strategy worked perfectly! And why not? After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS — surely they wouldn't be guilty of deliberate falsehoods! Oh, no? Anyway, "the people", confused, believed

them. The demands (Tracts) for a Congressional investigation died down to a whisper — the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them—to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov — Stettinius and Vyshinsky — and Trygve Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit — maybe to clear his conscience. Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement — the following is his (verbatim) statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Security Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' — he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr. Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: "... by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won

could be held in London, in Paris, in Prague, or in Moscow, wherever the UN preferred. The "Judge" would be a so-called UN Tribunal. And, under the "Genocide Treaty" provisions, you could not choose an American lawyer to defend you — the UN would appoint your defense lawyer . . . nor, under that provision, could our Constitution and/or Bill of Rights protect you. That UN Tribunal could sentence you to be hanged, or shot, or imprisoned for life in a Siberian Slave Labor Camp — and the U. S. Government could do nothing to prevent it!

Thus it is clearly obvious that the real objective of the "Genocide Treaty" is to give the UN a stranglehold on every White Christian American — so as to prevent all opposition to the plot to transform the United States into a unit of a UN One-World Government. Once our Senate would ratify the "Genocide Treaty", or its twin, the "Covenant of Human Relations", the UN would find a hundred ways to twist your opposition to "One-World Government" into an "act of Genocide" — it surely would be easy for them to induce a member of a "Minority Group" into preferring charges that you have inflicted "mental anguish" on him — and how would you be able to disprove the charge when you'd be facing a UN Tribunal in Moscow or at The Hague?

Under those conditions would YOU dare to oppose the transformation of the United States into an enslaved unit of the UN One World Government?

But you can do it now — before it is too late — by sending signed copies of this document, to act as an urgent "Petition", to your Senators and Representatives;

To ALL Members of Congress, Senators and Representatives;

In this document, as also in various similar documents (Tracts), you have prima facie evidence

that in 1945 the UN did premeditatedly employ fraud, deceit and misrepresentation to delude and seduce the U. S. Senate into ratifying its Charter. It is obvious that the sole objective of the UN was, AND IS, to transform itself into a super-One World Government that would absorb the United States, destroy our sovereignty, and void and nullify our Constitution and Bill of Rights. Therefore, we, the American people, urgently request that the UN be summoned forthwith to appear before a joint session of Congress to answer all charges against it — and, if it (the UN) is proven guilty, that the Senate move promptly to rescind and revoke the original ratification, and thus GET THE U. S. OUT OF THE UN AND THROW THE UN OUT OF THE U.S.!

Gentlemen of Congress: it is your SWORN obligation to protect and defend our Constitution and the sovereignty of our nation — you got us into the UN, it is up to you to get us out of it.

THE "GENOCIDE" PLOT TRACT

Flash ... FLASH ... FLASH!!!

★ ★ ★

"U. S. Senate signs Treaty giving the UN complete compulsory jurisdiction over the Lives and Freedoms of the American people!"

How would you like to see that happen?

Would you be willing to be executed — BY ORDER OF THE UN?

Would YOU be willing for the UN to have the power to sentence YOU to life imprisonment in a Slave Labor Camp?

Well, that is what WILL happen to YOU and to me — and to every White American man, woman and child, (when and if the U. S. will sign) the UN's "GENOCIDE TREATY" per se, or under its camouflaged name, the "INTERNATIONAL COVENANT of HUMAN RELATIONS"!

And once that Treaty is signed, our Government and our Constitution will be powerless to protect or defend you — because under our Constitution a Treaty becomes the Law of the Land.

Now let's analyze this diabolical plot — and see how we were "suckered" into it:

When Alger Hiss, architect of the UN, arrived in Washington with the UN Charter he called in the

Press and Radio and triumphantly read to them the 7th paragraph of Article 2, which states:

"Nothing contained in the present Charter shall authorize the United Nations to intervene in matters which are essentially within the domestic jurisdiction of any State, or shall require the Members (Nations) to submit such settlement under the present Charter"

What magnanimity ! ! ! These alien agents of Foreign and Communist nations would permit us to administer our domestic affairs without interference ! What big-hearted generosity ! ! !

Anyway, that was the BIG LIE that "suckered" the U. S. into becoming a member of the UN. Had it not been for that "assurance" the Charter would never have been ratified. But throughout the weeks before the ratification the controlled Press and Radio repeatedly front-paged the above "assurance" — and glorified the UN as the only sure-fire guarantee of the PEACE of the World and, with just a few exceptions, the Senators virtually trampled all over each other in their stampede to ratify the Charter.

But even as they were ratifying it, Senator Connally discovered the treachery in the "World Court" provision — and emasculated that plot with his "six-little-words" Amendment.

That was a great blow. But the Great Conspiracy never quits. Having failed with their "World Court" scheme, the UN decided to achieve the same objective, and more, with their so-called "humanitarian" GENOCIDE TREATY — the objective being such a completely compulsory jurisdiction over the American people as to make them powerless to prevent the transformation of the U. S. into an enslaved unit (a la Hungary) in their One-World Government.

Thus, on December 11, 1946, the UN General Assembly passed a Resolution (No. 96) calling for what they called a **"Genocide Convention"** — the full title being: **"Convention on the Prevention**

and Punishment of the Crime of Genocide" the word "Genocide" (and its meaning) was coined by the UN.

According to the UN's proclamation, the "GENOCIDE" Law they were seeking was based on "humanitarianism" — it was to be Law, so they said, to prevent the mass murder of "minority groups" in the various nations throughout the world. They based the need for such a Law on Hitler's murder of the SIX MILLION Jews in Germany the records show that there were never more than 600,000 Jews in all of Germany — but six million sounds more impressive, so the UN insists upon six million.

Now, first of all, bear in mind that under the "GENOCIDE TREATY", when and if our Senate will ratify it, all authority to administer the "GENOCIDE" LAW would rest with the UN — all arrests would be made by UN "police" — all "trials" would be supervised and controlled by the UN in short, the U. S. would surrender ALL rights and powers in "GENOCIDE" matters to the UN. The following is the UN's definition of "GENOCIDE", taken verbatim from their proposed "Treaty":

"Any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group as such; A) Killing members of the group; B) Causing serious bodily OR MENTAL harm to members of the group; C) Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part; D) Imposing measures intended to prevent births within the group" also, 1) Direct and/or indirect public incitement to commit Genocide; 2) Attempt to commit Genocide; 3) Complicity in Genocide."

Article IV of the "Treaty" defines the punishments of those "crimes"; as follows:

"Persons charged with Genocide or any of the

other acts enumerated in Article III (including MENTAL HARM) shall be tried by a competent Tribunal (approved by UN) of the State in the territory in which the act was committed, or (at the discretion of the UN) by SUCH INTERNATIONAL PENAL TRIBUNAL AS MAY HAVE JURISDICTION WITH RESPECT TO THOSE CONTRACTING PARTIES (Nations) WHICH SHALL HAVE ACCEPTED ITS JURISDICTION."

Now, as previously stated, in all their announcements, the UN piously proclaimed that the sole objective of the "Genocide Treaty" was to prevent MASS murder of "Minority Groups", always stressing Hitler's murder of the "SIX MILLION" Jews. But, as we go through all the fine print in the Treaty, we find that you wouldn't have to participate in the mass murder of an entire "minority group" to be guilty of "Genocide" — you'd be just as guilty if you participated in the killing of just one member of such a group then, lo and behold, we discover that you wouldn't have to even go as far as killing to be guilty of "Genocide", for if you caused "physical or mental injury" to a "minority group" member you would be just as guilty of "Genocide" as if you had killed "six million" Jews or Negroes — (Jews and Negroes are the only "Minority Groups" the UN seems to be protecting — Arabs don't count).

In other words, under that provision, if you got into a fist fight with a Jew or Negro and he suffered a black eye or a bloody nose you'd be guilty of "Genocide" or, if, in an argument with a Jew or a Negro, you mentioned the word "kyke" or "nigger" you would have caused him "mental anguish", and that "anguished" minority group member could bring a charge of "Genocide" against you. Thereupon, under the "Genocide Treaty" provisions, the UN could pluck you out of your home and ship you out of the U. S. for "trial." That "trial"

A VITAL MESSAGE

TO THE MEMBERS of CEG — AND ALL LOYAL AMERICANS:

The Hollywood and TV Reds Are On The Run —
YOU Can Complete the ROUT!!!

Dear Fellow-American:

First of all, I wish to *stress* that we issue a "Special Bulletin" of this type only *when* we have a *very important message* to bring to your attention. . . . Secondly, I wish to *stress* that I am sending this "message" to a very carefully selected group of people—only to those whom I personally know to be not only tried and true loyal Americans who are fully aware of the Internationalist-Communist conspiracy for the take-over of our country, but who know what a truly dire menace the Hollywood-TV Reds are to our nation, *especially to our Youth!*

Therefore, I pray that you read this letter carefully, *also the insert*—and digest both. And you will see why we **MUST** rout all the Reds and their allies out of those extremely sensitive mass communications media—you will see how we **CAN** do it . . . *if enough loyal Americans will join us in the holy crusade!*

OUR MOST POTENT WEAPON

For more than ten years our "RED STARS" Tract, reinforced by our original "DOCUMENTATIONS" book, has been the one (*the only one*) impassable roadblock to the Reds' complete conquest of Hollywood, Radio and TV. YOU know that. But you may wish to send copies of this "message" to friends who are not as enlightened as you are, therefore I will provide a brief review of the Red conspiracy in Hollywood—and show how your friends can help us to *completely* smash that conspiracy.

In 1947 I delivered a speech in Hollywood in which I revealed the RED conspiracy and named 100 of the Stars, Writers, Directors and Producers who were the top functionaries in it. That speech created a sensation—and forced the "House Committee on Un-American Activities" (HUAC) to step into the picture. The "Hearing" that followed confirmed all my charges—it named TWO hundred Reds and Fellow-Travellers—and sent the notorious "Hollywood Ten" to prison!

That "Hearing" was front-paged all over the country. It created a panic in the Film Industry—and drove many of the unmasked Reds out of Hollywood. The Moguls pleaded for mercy, and "faithfully" promised to clean ALL the Reds out of the Industry—promises which they never fulfilled—which *they never intended to fulfill!*

Anyway, we all believed that that was the end of *that* conspiracy. Which only goes to show how naive we were in those early days—at that time we had as yet to learn that the Reds never quit—we had yet to discover the fiendish craftiness of this Enemy—and the power they possess.

Within weeks after that Congressional hearing the (*controlled*) press went completely silent about the entire matter; the Hollywood Moguls proceeded to punish the Sam Woods, the Adolphe Menjous, the Robert Taylors, ALL the "friendly witnesses" who had testified at the "Hearing," by placing them on a "secret" blacklist; and they quietly began to restore the unmasked Reds to their old, *and/or better*, jobs.

The Moguls felt very safe in all that; for this reason: When Parnell Thomas, Chairman of HUAC, launched that first "Hearing" he was warned that his political career would be destroyed—the Enemy not only carried out that warning, but they succeeded in railroading him into the penitentiary on a very flimsy charge. In view of that "horrible example" it seemed very unlikely that any Congressional Committee would ever again DARE to interfere with the Hollywood Reds. Thus, within a year the Red conspiracy in Hollywood was in high gear again—all the Reds came flocking back—and all the loyal Stars, Writers and Directors were more intimidated than ever.

That was when we (CEG) developed a new technique: we set up committees to picket the theatres showing the Reds and Red propaganda films. To provide "ammunition" for our pickets; we compiled the first of our "Red Stars" tracts, in which we named all of the more than 200 unmasked Reds . . . *and once again the Hollywood Reds were on all the Front Pages all over the country!*

However, the Masterminds quickly developed what they thought would be a perfect "antidote" for our Tract: they pointed out that the Tract was a fraud, because it provided no proof of pro-Communist activities of the individuals it "named."

But that alibi was very easy to torpedo: I wrote the book, "DOCUMENTATIONS of the RED STARS in HOLLYWOOD," in which I not only *documented* the Red backgrounds of every individual named in the "Tract," but provided a complete profile of the entire Conspiracy.

That book rocked the nation! Although not one newspaper reviewed it, and virtually all book stores refused (*under pressure*) to carry it, within one year we had more than 100,000

copies, plus more than a million "Red Stars" Tracts, circulating throughout the nation. We accomplished that by a mammoth nation-wide direct mailing campaign—with the very wonderful help of our loyal (CEG) members and their friends!

And, seemingly, all the loyal Americans who read that book (and "Tract") poured letters into Washington, demanding further Congressional action. And we GOT it—in 1951 HUAC staged another, even more sensational, Hearing . . . and once again there was a panicky "exodus" of all the Hollywood Reds!

But as I previously stated, this ENEMY never quits. As in 1948, the Press again went "silent." The Reds waited (about a year) until the people went back into slumberland—and once again they came creeping and slithering back into Hollywood . . . and by this time TV, too, was a-crawl with them.

So'o'o, once again we launched a mammoth mail-campaign—and once again our valiant (CEG) members poured their avalanches of letters into Washington—and once again (in 1953) there was a Congressional Hearing that sent the Reds into a panic flight out of Hollywood.

In our new "DOCUMENTATIONS" book I cite the various "flights" and "returns" and the other techniques the Masterminds of the Red Conspiracy employed in their efforts to achieve total conquest of Hollywood and TV, and I cite how each time we torpedoed their "invasions" with a mammoth mail-campaign exactly like this one, so I won't go into the details in this "message."

But I do wish to stress that that is how and why our "RED STARS" Tract is the ONE impassable roadblock to the Reds' total conquest of Hollywood, Radio and TV . . . and why we MUST maintain this "roadblock" until we have completely smashed the entire Conspiracy!

WHY THE BOOK IS SO VITAL

The last "invasion" by the Reds was set for late 1959. They had developed a new and very crafty technique: they would produce great "Spectacle" films, such as "EXODUS," "SPARTACUS," "ON THE BEACH," etc., which would not only contain subtle propaganda, but would also serve as "come-back vehicles" for the most notorious of the previously unmasked Reds, such as Dalton Trumbo, Lewis Milestone, Albert Maltz, Frederic March, etc.,

We promptly launched a "Special Bulletin" ("URGENT WARNING"), in which we revealed the new plot. It created such a terrific demand for the "DOCUMENTATIONS" book that it completely exhausted our stocks within a matter of weeks. Inasmuch as the "documentations" of all the Reds were available in the files of HUAC, the "California Senate Fact-Finding Committee" (CUAC), the FBI and other official Agencies, we decided there was no need for our "Documentations" book—particularly as it was obsolete by then. We inserted a statement to that effect in the "Tract." And that was when we made OUR mistake! . . .

The "Masterminds" seized our announcement that the book was no longer available as their golden opportunity to not only discredit the "Tract," but to destroy the "Cinema Educational Guild" at the same time. They would do that by charging that the "Tract" is full of "gross exaggerations" and "falsehoods"—that not only were many of the individuals listed in it NOT Reds, but actually "ARDENT Anti-Communists," etc., etc.

Now, of course, they knew that mere denials and protests by the named Reds, by Sponsors, by the Film and TV industries, would not do that job—even "smearing" by the Press wouldn't do it. Not as long as confirmation of the charges in the "Tract" remained available in the files of HUAC, CUAC and/or the other official Agencies named in the "Tract." Only one thing

could give substance to such denials and challenges, and that is if the information in all those files were sealed off from the people—as, for example, the FBI files are closed to all but OFFICIAL requirements.

And to my vast amazement, they accomplished that very thing! Even more amazing (and important) they induced and/or coerced officials of HUAC, of CUAC, of the American Legion, of various other Agencies to issue form letters and official "REPORTS" which directly, or by innuendo, challenged the authenticity of the "Tract" and gravely reflected on the integrity of the author (Myron C. Fagan) . . . some of them even proclaimed that many of the Reds named in the Tract are ARDENT ANTI-Communists. They went even further: in addition to outright "misinformation and deliberate distortions of the truth, some of the "Reports" implied, and some directly charged, that all of our "attacks" on those "good and ardent Americans" named in our "Tracts" are motivated by bigotry, by anti-semitism, by anti-negroism, etc., etc.

The "Masterminds" promptly went into frenzied action to "spread the word" throughout the nation. They induced (or coerced) newspapers in various parts of the country to publish those "Reports" and "form letters"—and to denounce the "Tract" as "trash" and "full of libelous falsehoods." Radio and TV Commentators mouthed the same kind of attacks. And TV Sponsors (and Network officials) quoted those "Reports" in their replies to protests against their employment of Reds in their shows.

In short, the "Masterminds" used those false "Reports" to mount a nation-wide "crusade" to discredit the "Tract" and destroy CEG—a "crusade" which could easily have achieved those objectives if I had not quickly forced HUAC and other Agencies to retract and/or rectify the misinformation and distortions in their "Reports" and "form letters."

We promptly published their retractions in our "News-Bulletins" (Nos. 81 to 84 inclusive), together with a complete exposition of the phony "crusade"—and the names of the "collaborators." That stopped the "crusade," but it did not undo all the damage and it did not completely eradicate the doubts and suspicions those "form letters" and "Reports" had created—for the following reasons:

In their replies to protests against Reds in their TV shows, various Sponsors continued to defend their Reds with "quotes" from the original "Reports" and "form letters" previously mentioned. Recipients of those Sponsors' replies thereupon wrote to HUAC, to CUAC, to the FBI, and requested the official citations of various individuals in our "Tract"—who had been defended by the various Sponsors.

The replies from those Agencies today, such as I have seen, are modified—they no longer contain the misinformation and distortions of the earlier ones, but they still are evasive—and all of them ignored the requests for the specific "citations." That convinced me that there is only one way to torpedo that new technique of the "Masterminds," and that is by restoring into print a revised, up-to-the-minute, edition of our "DOCUMENTATIONS" Book, which would not only contain the official documentations in the files of HUAC, CUAC, and the FBI, but which also would reveal the falsities in the "REPORTS" and "form letters." It meant an arduous and costly job of research . . . but it had to be done, if we are to maintain the "RED STARS" Tract as the one impassable Road-Block to the Reds' take-over of Hollywood, Radio and TV.

This new book came off the press in June, and, praised be the Lord, the reaction to it is exceeding my fondest hopes. We are receiving a constantly growing volume of letters from people whose confidence in the "Tract" had been shaken. (if not completely destroyed) by the false "Reports" and "form letters." Many of them had actually ceased fighting. But now, after reading the "DOCUMENTATIONS" Book, they are redoubling

their efforts—and they are urging their friends and neighbors to do likewise!

And then came a miracle: Hitherto, with a very few exceptions, no newspaper has ever reviewed any of the books or "News-Bulletins" we (CEG) issued during the past 12 years—they even rejected *paid advertisements*. Then, on September 25, I picked up a Los Angeles "Herald-Express" and, lo and behold, there was this (enclosed) amazingly favorable review of the "DOCUMENTATIONS" Book—a review which stressed that the book is a MUST for every loyal American.

The results from that one review were truly astounding: thousands of orders for the book came pouring into our offices—quickly followed by orders for the "RED STARS" Tract, with assurances from the writers that they were jumping into the fight.

Then, shortly after that, the Shreveport (La.) Journal published a letter from one of their Texas subscribers, which eulogized the "Herald-Express" review and stressed its "MUST for all Americans" statement. That brief item brought an avalanche of orders for the book and "Tracts" from that area.

Then (*wonders will never cease*) TV and Radio commentators in Los Angeles, Houston (Texas) and Chicago gave the book favorable mention—and that brought many new "soldiers" into our "Army."

All of that clearly indicated to me that a massive attack such as I will now outline, can drive ALL the Reds and Fellow-Travelers out of Hollywood, Radio and TV—and utterly smash the entire conspiracy in those industries . . . and then employ the same technique to do similar jobs in all the other mass communications media!

A SURE-FIRE OPERATION

I repeat: The "RED STARS" Tract is unquestionably our most potent weapon to drive the Reds and Fellow-Travelers out of Hollywood, Radio and TV. But, as I have revealed, without the "DOCUMENTATIONS" book its credibility was made "suspect" by the distortions and falsifications of the (CUAC, HUAC, etc.) official "collaborators" of the Masterminds. But the new "DOCUMENTATIONS" book makes the "TRACT" positively invulnerable. The undeniable and unimpeachable documentations in the book leave the "collaborators" without a defense . . . it (the book) cleared away all doubts in the minds of those who had been deluded by the "collaborators". . . it clears away all the doubts of the shocked and horrified men and women who just could not believe our "RED STARS" Tract. And it is already having a terrific impact on all the TV Sponsors who previously had been brushing off "protests" with denials and with jeering challenges for PROOF that the Reds in their shows are guilty—they depended upon the "collaborators" to make that "PROOF" unavailable! But now that our BOOK is available many of those same Sponsors are resorting to anguished (phony) alibis that they "didn't know" and that they will "take action". . . others are wailing that they have no voice in the choice of actors and/or commentators (such as Huntley) for their shows—they throw all the blame on their advertising agencies, or the TV producers and Channels, but promise to "do something about it."

In short, this BOOK is doing a more terrific job than any similar publication we ever issued. And as more and more copies will go into circulation the impact will grow and grow and GROW . . . it will bring more and more of the hitherto "sleeping" and unbelieving, but otherwise loyal, Americans into the fight.

My friend, I truly and sincerely believe that this BOOK, in combination with the "Tract" will drive every RED and FELLOW-TRAVELLER out of Hollywood, out of Radio, out of TV,

and smash the entire (Hollywood) Conspiracy—If we will get it to enough people in our entire nation. But we can't overcome that "IF" by ordinary measures, because the "Masterminds" are employing every possible pressure to keep the book out of the book stores—and to keep the press from reviewing it, and even to refuse *paid advertisements*. Hence, we are launching a SPECIAL campaign to overcome all those obstacles—via a direct mailing campaign, such as we issued when the book came off the press.

My plan is to first concentrate on professional groups. My past experiences have shown that lawyers, doctors and dentists are the most responsive to this book and to the "Tract." There is an additional great value in these professions: they place the book and "Tracts" in their reception (or waiting) rooms, and thus bring them to the attention of their clients and patients. In like measure, Ministers and their congregations are equally valuable.

Naturally, we must do this on a nation-wide scale. There is only one sure-fire process for such mailing, and that is to have our members and/or co-workers in the various cities and communities clip the lists out of their telephone (Yellow Pages) books and send them to us. I'd like to have the lists of Lawyers, Doctors, Dentists, Ministers, Advertising Agencies, Radio and TV Stations, and any other groups you may consider desirable.

There is one more very important point: I want to get out at least a MILLION such letters. It would be utterly impossible for CEG to finance such a mailing. The letter will contain an "Announcement" and the "Tract." In addition, there will be the first class postage and addressing costs. I figure the total cost per letter will be between 10 and 12 cents. I wonder if you could get some good friends and dedicated Americans in your community to "pitch in" and make up a pool to finance the letters in your lists!

Please bear this in mind as you read this letter: as I previously stressed, if (and in my mind there is no "if" about it) we successfully put this campaign over we will completely smash the Reds' control of these mass communications media and then we can employ a very similar procedure to smash their control of the Press, newspapers and magazines. Does that make your co-operation worth while?

Here is another vital suggestion: you may have some friends and neighbors you'd like to "alert," but can't spare the time, or if you prefer to remain anonymous, send us the list and the financing and we will be very glad to do it for you.

Another suggestion: get some extra copies of the Book and give them to your friends as Christmas gifts. I assure you every loyal American will consider it a very wonderful and timely Christmas gift—to help smash the conspiracy to destroy Christianity! You can get the books at the rate of three copies for five dollars, or six for ten dollars. For 25 copies or more going to one address the charge is \$1.50 per copy.

ANOTHER WAY YOU CAN HELP

As you know, we defray all our operational costs from our membership dues. We get no financial help from "Foundations"—they finance only the Communists and "One-Worlders." In short, we have no rich "angels." Even before the present high costs of printing, postage and labor, that membership dues (\$12.00 per year) barely covered our overhead—some years it doesn't do even that. But now we have this tremendous job ahead of us. It will require an enormous amount of printing, postage, labor—but I am sure you agree it is a job that MUST be done. So now I have a very vital and urgent request: If you have not yet renewed your 1962 membership, please do so NOW—and please increase (voluntarily) your dues, or contribute whatever you can afford to help us do this job. Also, please enlist some of

your friends and neighbors to become dues-paying members of CEG—we have always found that members become our most effective "Paul Reveres" in their communities. The degree of our success with this job depends upon the finances and the number of members in all communities with which to do it . . . and please bear in mind that we must do this job NOW—not "tomorrow"!!! So, PLEASE rush the lists and your dues checks, your contributions and new members now—TODAY . . . you may forget "tomorrow"—and we need it NOW to get our mailings under way.

And now let me show non-members who will read this letter why they should join CEG.

(1) Our regular "News-Bulletins" (approximately 10 yearly) contain vital up-to-the minute information! For example: "News-Bulletin" No. 80 provides the complete backgrounds of Chet Huntley and Ed Murrow . . . No. 81 reveals how officials of CUAC and HUAC collaborated with the "Masterminds" of the Hollywood Red Conspiracy . . . No. 82 reveals how American Legion officials betrayed the American people and their own organization . . . No. 83 unmasked the brazen collaborations in CUAC's 1961 Annual Report . . . No. 84 reveals how the Film Industry is transforming our Youth into juvenile delinquents via "Sex and Narcotics" films—and it provides directions how and when you can get advance information on such films now in the making.

(2) We frequently get urgent requests for certain of our back (N.B.) issues. Unfortunately, we cannot keep them in stock more than two years. We have published more than 100 monthly and special Bulletins. Naturally, we can't maintain the plates of all. By being a member of CEG you will get your "News-Bulletins" automatically.

(3) In our 1960 Year-End Report, issued in January 1961, we accurately pointed to every (deliberate) false promise made by Kennedy during his campaign . . . all our predictions came true!

Note:—That Year-End Report went out of print in August, but, due to a great demand, we reprinted it in September and still have a limited number of copies available. They can be had for 15c a single copy, 8c per copy in quantities. Ed.

(4) Our next Year-End Report will review all of the chican-

eries and treasons committed in 1961—it will show how we can force Congressional investigations (open to the public) to drive all the traitors and Homo-Sexuals out of the State Department—to unmask the Pentagon plot to muzzle our most heroic military men, such as General Walker—it will reveal the ineptness, (and the betrayals) of the Kennedy Administration—and unmask all the Left-Wingers and One-Worlders in the Administration.

Tell me, is all that worth \$12.00 a year to you? . . . is it worth \$12.00 a year to you to safeguard your children from being brainwashed and demoralized by the Reds in Hollywood and TV? . . . is the salvation and security of our beloved country worth \$12.00 a year to you? If it is, please use the membership application blank attached to this Special Bulletin . . . Please do it TODAY!!! You may forget "tomorrow."

One more VERY important point: Mr. Stan Progar, Feature Editor of the "L. A. Herald-Express" (he wrote the enclosed review), is now preparing a series of articles in which he will completely unmask and expose UNESCO, UNICEF and other UN plottings. That makes the "Herald-Express" our greatest pro-American newspaper! It might even transform the entire Hearst chain into similar pro-Americanism—if they get sufficient encouragement. YOU can provide that encouragement by becoming a Herald-Express subscriber. Those UNESCO and UNICEF articles will be of terrific interest to you. Send your note of commendation (and subscription) directly to Stan Progar and tell him to "bill" you. His address is: Los Angeles Herald-Express, 1111 So. Broadway, Los Angeles, California. And tell why you are subscribing.

Additional copies of this "Bulletin" can be had for 10 cents a single copy—or 6 cents per copy for 10 or more.

Faithfully yours,

For God and Country

Dear Fellow-American:

Once upon a time an American could proudly proclaim his Americanism without fear of unhappy consequences. But in 1933 we entered upon an era in which the Minority Group came into ascendancy. The Foreign Born became the favored individual. American principles were declared obsolete in favor of Foreign Ideologies. Anybody who dared to declare for America First was declared Isolationist and Outcast by no lesser arbiters than Franklin and Eleanor Roosevelt—as witness the case of Charles Lindbergh. Any American Employer who gave job preference to Americans was branded a Fascist. By 1945 Nationalism in America was transformed into Internationalism—and the United States Treasury into a free Pork Barrel for the entire world. All this was accomplished by the few shouting the many. The Minority Groups established themselves as the "Voice of the People", while the vast Majority of Americans remained asleep to the looting and the betrayal of our country.

Today it is common knowledge that until 1948 Hollywood (the Film Industry) was the backbone of the Communist Conspiracy in America. It financed the Conspiracy . . . it produced scores of films such as "Mission to Moscow", to brainwash the American people and glorify Moscow all over the world. But until 1948 not a whisper of all that treason was allowed to reach the American people—because the Press, Radio, ALL mediums of mass Communications were tight in the grip of the Enemy! That was when a group of Los Angeles Clubwomen organized the "CINEMA EDUCATIONAL GUILD" for one chief objective: to smash the Red Conspiracy by exposing all the traitors—make them known to all of the American people and thus make their names DEATH to the Box Office . . . empty

theatres would quickly kill off pro-Red films and drive the Reds out of the industry. Of course, we knew we'd get no help from the Press or Radio. The only method left to us was books, pamphlets, tracts. But even that method was faced with what seemed to be insuperable obstacles—printers were intimidated . . . booksellers were forced to boycott our literature . . . the Press and Radio "smeared" us. Nevertheless, despite all opposition, our method was highly successful — it was made successful by the members of CEG — every one of them became a book-seller; they bought each publication in tens, twenties, hundreds; they re-sold, or sent them as gifts, to friends in all parts of the country. In turn, many of those friends joined CEG and thus multiplied the circulation of our literature.

One of our first books was "DOCUMENTATION of the RED STARS", in which we NAMED all the top Stars, Directors, Writers and Producers who were master-minding the Conspiracy in Hollywood — we DOCUMENTED their Red Activities and exposed their secret organizations (RED FRONTS) and methods of operation. *That book rocked the nation!* An avalanche of angry letters poured into Washington — and that forced that famous TELEVISED Congressional investigation. Box-office receipts plunged down — down — down . . . panic swept through the entire Industry . . . Charlie Chaplin was booted out of the country . . . Eddie Cantor, Eddie Robinson, Milestone and scores of other Reds were driven off the Screen . . . That book was the roadblock to "glorify Moscow" and Red propaganda Films . . . *that was how the backbone of the Red Conspiracy in Hollywood was smashed!*

In 1948 the "Enemy" stealthily launched its infamous "United World Federalist" (UWF) treason plot to transform the United States into a Unit of a One-World Government — using the word PEACE as the bait. By July 1949 they had seduced 26 State Legislatures to pass Resolutions favoring the plot. In our August 1949 "News-Bulletin" we unmasked that plot and named the 42 Reds who had organized the UWF. As a result, in April 1950, the California Legislature rescinded its Resolution — 23 other States quickly followed that example — and *that* treason

plot was smashed . . . *by the members of CEG!*

Early in 1950 we learned that the "United Nations" was secretly trying to get our Senate Foreign Relations Committee to sign their vicious "GENOCIDE" treaty. In our November 1950 "News-Bulletin", *on the very eve of the signing of that "treaty"*, we completely unmasked that fiendish plot — a torrent of angry letters and telegrams poured into Washington . . . *the "Genocide Treaty" was NOT signed!*

I could mention other similar "jobs" accomplished by CEG, but this document has a far more important message for YOU and for every true American: The Hollywood Conspiracy, the UWF treason plot, the GENOCIDE scheme have been smashed—yes, but they won't stay smashed unless YOU and I and every true American *continue* to keep them smashed. Here is what I mean: This ENEMY WITHIN never quits! When exposed and smashed they merely get under cover until "the heat is off". Today, after laying low for several years, the Reds are sneaking back into Hollywood and reorganizing to use the Screen again . . . the UWF, smashed in 1950, is again brazenly out in the open propagandizing for a One-World Government . . . the UN is again *pushing* "GENOCIDE" and its various fiendish schemes . . . Earl Warren and his collaborating Justices are issuing "Decisions" that will destroy all our defenses and enable the Great Conspiracy to achieve their entire plot — *unless we stop them!!!*

Only one thing will defeat those treason plots: *an alerted American people* — we have only one way to do the alerting job: books, pamphlets, Tracts . . . but with Press, Radio, TV and all circulation channels closed to us, we have only one way to distribute AMERICAN literature: through true Americans like YOU!

The basic Fellowship fee to join C.E.G. is \$12.00 per year. But if you approve of our work and our objectives, and care to voluntarily increase that basic fee, it will be *extremely* helpful, as every extra dollar enables us to do that much more. Anyway, that basic fee automatically entitles you to a free

copy of each issue of our "News-Bulletin"; also as many additional copies of the "News-Bulletins" as you may require at half the list price (25 cents per copy).

Fellow-American: we have a tremendously vital job to do. I urge you to join CEG and help us to get the entire true story to all true Americans in ALL of our 50 states. Please do it NOW — you may forget if you wait until tomorrow. Joining us means you will add your strength and co-operation to a fight for God and our Country.

Sincerely yours,

Myron C. Fagan

National Director

Note: — DOCUMENTATIONS of the RED STARS has been unavailable since mid-1959, when our stocks were exhausted. With that book out of their way the Masterminds of the Red Conspiracy launched a new technique to bring back their Red Stars, Writers, Directors — they began making pro-Red Films ("Pork Chop Hill" . . . "Spartacus" — "Exodus" — "On The Beach") But a new up-to-the minute version of the book is now available—it contains all up-to-date "Documentations"—PLUS the complete story of all of the NEW Red activities in Hollywood and TV. This new version is \$2.00 per copy, or 3 copies \$5.00—actually its information for the salvation of our country is PRICELESS.

"RED RAINBOW" is the play that exposed all the treason in Washington . . . *and inspired the late Senator McCarthy's investigations of Communist infiltrations in the State Department, Armed Forces, Defense Plants and various Government departments — including the White House . . . "THIEVES' PARADISE"* is the play which exposes and in detail the "United Nations" plot to enslave the United States in a One-World Government — this is the play that inspired the investigations of the UN by the Senator McCarran and Representative Usher L. Burdick.

The above plays in print, each priced at \$1.00 per copy, together with the following "News-Bulletins", published by CEG, tell the entire story of the treason and the plots to destroy our Country from WITHIN!

NOV 16 1933

On the whole, leading businessmen in Dallas concluded, apparently, that from a dollars and cents point of view, a liberal Democrat in Congress would get more for them than the conservative Republican. Hence, Mr. Alger was defeated by Mr. Earle Cabell. The latter had formerly been a conservative but seeing the handwriting on the wall had become an enthusiastic supporter of the socialist program of the Johnson Administration.

We seem to have reached the deplorable state, ladies and gentlemen, where votes are being cast for the candidates who promise to ladle out the largest number of dollars from the public treasury. During the last election, word was energetically being passed around that many would lose their jobs if the Democratic Administration was not returned to power. Many other smears were applied such as Senator Goldwater's opposition to medicare and social security and his love for hurling atom bombs. These were, of course, not true but they frightened many people.

On the whole, however, it was the "more money" argument that returned Mr. Johnson to power. Many believe that he will increase wages, pensions and social security payments, that he will set up medicare and be more generous with regard to unemployment relief. One man said to me, "I don't care if he does steal a million dollars if he'll give me a thousand of it."

And so we have reached a point where elections are decided on the basis of how to get the most swag from the public purse. But can our free government exist on that basis? Will we not destroy our solvency and our country by spending ourselves into bankruptcy? The stronger pressure groups will get more from the Federal Treasury than the others but the scramble will go on until nothing is left.

There was a painting of a rising sun in the Convention Hall where the Constitution was adopted in 1787. Benjamin Franklin declared that he had difficulty in telling whether it was a rising sun or a setting sun. He decided that it was a rising sun. So it was in 1787, but what is it today?

The Dallas News was right in saying that the American people "have their backs to the wall," in their struggle to maintain their free government. Freedom cannot be maintained on the basis of a struggle to see who can get the most swill from the public trough. Unless we return to the moral law and cease coveting and stealing and learn again to tell the truth and be honorable, upright and honest in all our dealings, we shall lose more and more of our liberty, subject ourselves to heavier and heavier taxation, to greater regulation and control until we finally become the slaves of the Socialist totalitarian state.

Dope pushing is a little known but important aspect of the Cold War. It is said to be the principal source of dollar income for Communist China. Recent arrests indicate that narcotics is an important source of dollars for Castro's Cuba. Senator Kenneth Keating said recently:

"Fidel Castro's narcotic trafficking, like his ransom notes and firing squads, is a lesson in Communist methodology. The Communists will stop at nothing in their attempt to undermine and demoralize people who live in freedom. They have now joined crime in an unholy alliance with subversion to advance their diabolical aims."

Numerous arrests of Communists in possession of very large quantities of dope have been made in New York and Los Angeles recently. One batch alone was said to be sufficient to supply all the dope users in our country for a period of two months. Most of these persons are Cuban Communists, sent here for the purpose of earning dollars for Castro.

In Alameda county, California, a man with four children can draw \$232.50 per month welfare without doing a stroke of work. That amounts to \$1.52 per hour for a normal work week. When a recent spot check was made, 613 families were found to be drawing such benefits. Nevertheless when the strawberry growers of the region needed 300 workers and offered good wages and free transportation to and from work only one person accepted. Under urging from the Welfare Department 6 showed up on the third day and a few more later. Nine workers was the maximum recruited for work because it was easier to remain retired on relief than to accept the available jobs.

How many millions of America's unemployed could find work if they really wanted to do it? How many others remain without jobs because youth and inexperience makes them worth less than the minimum wages the employers must pay? Obviously the major cause of unemployment in our country is due to government intervention in the economic activities of the people.

Some years ago, the State Department planned a censorship on all speeches made by our military officers requiring them to eliminate all words, phrases and sentences that were even in slight degree critical of Communism or Communist countries. Now it seems that they are reaching for ways and means of putting the same muzzle on the rest of us.

Senator J. William Fulbright, who speaks for the Administration in the Senate, seems to believe that one of the great problems before our government is to restrain the people from expressing their anti-Communist tendencies. He apparently wants the United States to assure Castro that we will not try to unseat him and he calls for more "flexibility" toward Red China. In common language, that means recognition of Red China and her admission to U.N. Senator Humphrey's Americans For Democratic Action also advocates these same policies.

HOWARD KERSHNER'S COMMENTARY ON THE NEWS
P.O. Box 450, Radio City Station, New York
Broadcast No. 308 - December 31, 1964

THE PERSON

The recent closing of 95 military bases is a tragedy for the 63,000 human beings who earn their living in them, but the interest of the public is, of course, paramount. Jobs exist because consumers, in this case the public, are served. The only reason why anyone has a job is because others wish to buy the goods he provides or the service he renders. That which best serves the consumer in the long run creates more jobs and better wages for those who satisfy the wants of the public.

If the work now being done in these bases is not necessary, or can be done better in other bases or in private yards, then it is greatly to the interest of all concerned that these changes be made. If savings are effected, taxes will be lower and people will have more money to spend for other things which will in turn create more jobs. It is a well-defined economic principle that work should be performed wherever and by whomsoever it can be done more efficiently and at less cost. In the long run all of us will have more if we operate on that basis.

This is not to say that every effort should not be made to safeguard the welfare of the employees who are displaced. It is our understanding that the Defense Department has made and is making careful plans for so doing. Retraining and moving expenses are offered in order to ease the blow. This is as it should be. In private industry employers and employees must shift from time to time as changing conditions indicate, and there is no reason to exempt those who work for government from this necessary practice.

One of our ablest constitutional conservatives who had served as a Representative in the United States Congress for ten years, was not reelected last November. The facts regarding his defeat are worthy of study because they throw a strong light on what is happening to America.

On November 7, 1958, the Dallas Morning News which had always supported Mr. Bruce Alger, commented as follows:

"The people of this country who believe in free enterprise, in the separation of powers between states and an all-powerful Federal Government, in the traditional right to carve a future of their own devising, have their backs to the wall.

"Unless they go to work in politics to reverse the trend to socialism, the America they once knew is gone.

"Victories by Alger in Dallas and by Conservative Republican Senator Goldwater of Arizona show how this country can be saved from imminent socialism.

"The answer is personal integrity, dedication to cause and work.

"Arrayed against Alger here were formidable forces -- the brass-collar Democrats dissatisfied with Eisenhower, organized labor, minorities -- even part of Main Street.

"But he went to work. And in every congressional district in America there are sufficient numbers to win in the cause he espouses, if they will work. Alger proved it. Goldwater proved it.

"Time is short. The forces of conservatism in Washington are dwindling -- men like Harry Byrd, Goldwater, Alger. The fewer they become, the more money the other side can spend to eliminate them.

"When they are gone, we all are gone. America will have become a European-type state -- controlled, regulated, dictated to and finally enslaved."

Six years later, on October 4, 1964, the same Dallas Morning News endorsed Mr. Alger's Democratic opponent, Mr. Earle Cabell, in the following words:

"The News recommends election of Mr. Cabell on Nov. 3 because it feels he can be more effective in Washington in representing the legitimate aspirations of Dallas County and in advancing the cause of sound governmental philosophy and politics.

"The News is mindful of Mr. Alger's fidelity to political conservatism and editorially has praised him in that respect. But in recent years, his effectiveness has declined considerably..."

What explains this right-about-face of the Dallas News? Mr. Alger's effectiveness as a constitutional conservative had not declined but his ability to get money from a Democratic administration in Washington had declined because he had always opposed the extension of socialism and had upheld conservative constitutional government. A conservative Republican, it was rumored, was not the man to get the benefits from the Federal Treasury that would be available to Dallas if a new deal type of Democrat were elected to Congress. For instance, a proposed federal center for Dallas had been cancelled. The Veteran's Administration headquarters with its personnel and payroll had been moved from Dallas to Waco. Other government offices had been moved to Dallas' rival, Fort Worth. Fort Worth was being favored over Dallas in the airport squabble. Conservative Congressman, Bruce Alger, was believed to be responsible for putting an end to federal urban renewal projects.

JUST

the Justice Department under the 1950 Subversive Activities Control Act. It was a 5-to-4 Decision . . . the Press front-paged that Earl Warren frantically endeavored to prevent that Decision.

Under our laws, giving aid and comfort to an Enemy in time of war is TREASON. Communism is a known mortal Enemy of the United States and the American people. Call it "cold" or call it "hot," we are at total war with that Enemy. Those three "Decisions" unquestionably give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General — or a Julius Rosenberg. For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For their acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle — or that was meted out to the Rosenbergs!

NOTE:—For those who may feel shocked by the very thought of impeaching a U. S. Supreme Court Justice there is just one question; what is more important—condoning the treasonous disloyalty of an Earl Warren, or the salvation of our nation?

And those who doubt that such an "exalted" person CAN be put on trial for his disloyal acts should bear in mind that in 1868 a PRESIDENT of the United States (Andrew Johnson) was im-

peached — and escaped conviction by just one vote!

Only Congress has the power to place a Supreme Court Justice on trial — via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . I further request and urge the Senators of my State to join with other Senators to carry out the final steps to impeach all those Justices.

CO-DEFENDANTS

Also wanted for trial and impeachment, on the same charge, are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites — and thus mongrelize the American White Race!

Documentary proof that this "Decision" directly conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY," written by Israel Cohen, a Communist Party functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . the ADL and ADA

✓ NAACP were created immediately after that — to carry out that DIRECTIVE!

NOTE: The above excerpt was published by the Washington (D.C.) Evening Star in May 1957—it was entered into the Congressional Record of June 7, 1957, by Rep. Thos. G. Abernathy . . . in 1960, after every copy of the book was ferreted out and destroyed, the ADL proclaimed that no such book was ever written — and the same Evening Star blandly confirmed the ADL's proclamation . . . why did they wait three years? . . . Significant?

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA." It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites; and that — "Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . ."

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND ! ! !

Furthermore, by his own admission, Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the "modern scientific authority" of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . There is one sure way to find out — through impeachment proceedings!

that stood between the Communist Conspiracy and the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . it was the information in the FBI files that enabled the Congressional Committees to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — and to gain access to its files! But it (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence — if the Great Conspiracy is to succeed the FBI has to be destroyed!

So, to accomplish that, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . they freed convicted traitors . . . they muzzle our Congressional Committees . . . they nullify all our protective laws against the Communist Conspiracy . . . they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!

Those three Decisions, if allowed to stand, will completely destroy all of our defenses — they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!

Here is final proof of Warren's treason: In June (1961) the Supreme Court ruled that the Communist Party must register all its officers and members with

BURN CRIMINALS GANG OF PUNKS ATTACKS 79-YR-OLD BLIND WOMAN

A blind woman of 79 has just related the horrifying story of the way she was baited and attacked by a gang of boys.

Her account of what happened on a path near the Home for the Blind in St. Louis, Mo., has shocked even the police — who are used to seeing the worst in the best of people.

The boys — three or four of them — put old cans, branches of trees, broken pieces of glass and stones in the old woman's path.

Along the road came the blind woman of 79.

The boys laughed cruelly as she stumbled over the debris.

They tripped her and she fell on the broken glass, cutting her hands in at least a dozen places.

"It was the most terrible thing that ever happened to me," said Mrs. Mary Curry.

"These boys were laughing all around me. Which ever way I turned they put something in my way."

"Then they put a rope around my waist and tried to pull me down to the

ground after I had picked myself up, my hands and face bleeding.

"I was terrified. I couldn't feel where I was.

"It was all so bewildering and I felt so lonely there in the middle of them."

The old lady went on: "I kept crying to them to leave me alone.

"But all they did was laugh and throw pieces of wood and branches at my legs.

"Finally, they ran away. Then I had to feel my way inch by inch on hands and knees until a passing motorist stopped and helped me back to the Home."

It's an experience Mrs. Curry will never forget.

N.Y. Plan Rivals 'Great Society'

WASHINGTON — The "Great Society" has a competitor. Nobody would have suspected, after listening to the President's address last Monday night, that there are any states in the union. For they were not mentioned as partners in his plans for Utopia. In fact, the whole message ignored the contribution that 50 states can make to a "Great Society."

Now, however, Gov. Nelson Rockefeller has projected a "Great Society" for the state of New York. It is even more specific than President Johnson's plan, though it is confined to a single state, which happens to be one of the most populous and the richest in the union.

The Governor's message to a joint session of the New York State legislature on

Wednesday benefits are in almost the sun, water-pollution water supply through phase of pu

the creative power of free men to direct their own destiny in a revolutionary world of change."

One wonders, after reading Gov. Rockefeller's message, just why it was necessary for President Johnson to give a long list of federal programs to be paid for by all the nation's taxpayers, when the states themselves are fully cognizant of these same necessities and can raise the money to pay for them.

Education, for example, has long been a responsibility of the states. But just because some states have been unable to put as much money into education as the richer states — or have been reluctant to use their own funds when they thought Uncle Sam would provide the money needed — education has not received all the benefits that might be expected in a prosperous country.

But so far as a state version of the "Great Society" concerned, Gov. Rockefeller has presented the most elaborate program anyone has set forth. Incidentally, it is a change in his own policy of the past, for usually he has been in favor of a "pay as you go" administration. But now he admits that at least part of the money needed for these purposes will have to be borrowed.

Politically speaking, the program of Gov. Rockefeller is bound to help him in his aspirations for the presidency in 1968. For, by that time, it is assumed that the voters will not be so much concerned with how many times a man may have been

married but with how much government money can be poured into their respective states, and Gov. Rockefeller shows he is very sensitive indeed to public needs.

Certainly, in these days when "extremism" is synonymous with such old-fashioned things as "balanced budgets" and "fiscal responsibility," the New York Governor can readily qualify as a "moderate," which seems to be, among both Republicans and Democrats, the present-day designation of believers in "deficit spending," whereby an artificial prosperity is created and maintained — at least for a while.

Rains Bring Aid Supply

year's, the County Flood Control District explains there's been more replenishment of the important underground supply for these reasons:

1. At all 14 reservoirs maintained by the district, the rainfall total is higher, not lower, than last year's at the same date. This is explained by rainfall patterns, which are heavier in foothill areas where most of the reservoirs are located. Fuller reservoirs allow the diverting of more water to the basin's many "spreading grounds," from where it seeps through porous soil to add to the underground supply.

2. The nature of this season's rainfall has been less violent and more spread out than last season's, when two November storms, 1955 and 1956,

Charity Should Begin at Home

EDITOR:

We Americans have been told to "go to hell," either expressly or by implication a number of times in a number of different places. We've tried to buy influence and/or friends with our money, and in almost every case we have failed.

With taxes and costs what they are, I think that we ought to refute the saying . . . 'you can't take it with you', and at least try to. Why insist on leaving the money behind or sending more when we are "dead?" Let's fight the war on poverty here first, then let them come to us for help. When we insist on forcing charity onto proud people we're only asking for trouble. Do we have to break our own back to prove we are the Big Brother?

9 Negroes Arrested For Sit-in

HARRISBURG, Pa., Jan. 26 (AP) — Nine Chester, Pa., Negroes were arrested on trespassing charges last night, climaxing a seven hour sit-in demonstration in Gov. William W. Scranton's reception room.

One of the demonstrators, Barry Walley, 20, declined to leave the room voluntarily so plain-clothes state police officers carried him out in his chair.

The nine neatly dressed Negroes, members of the Chester Committee for Freedom Now, were taken before Alderman Joseph Demma, who released them on their own recognizance to obtain legal counsel. A hearing was set for Friday.

The demonstrators identified themselves as Stanley E. Branche, 31, executive director of the committee; Miss Margo Doss, 23; Wilbur Johnson, 22; Miss Nilufar Ahmed, 19; William Goldsborough, 39; Frederick Chambers, 34; William Abrams, 42; Miss Anna Strand, 18, and Walley.

No Change in GOP Policy

WASHINGTON— THE ouster of Charlie Halleck and the ascendancy to power of Gerry Ford are now billed as crushing defeats for conservative Republicans in and out of Congress.

Nothing could be further from the truth. Ideology was not an issue in the intra-party struggle which ended with Ford's election as House minority leader. Both men are conservatives whose voting records have been termed "unacceptable" by such party liberals as John Lindsay of New York.

Ford's chief lieutenant was New York Rep. Charles Goodell, a staunch conservative whose voting record has been found by the AFL-CIO Committee on Political

Education to be 93 per cent "anti-labor."

Ford was nominated in the closed-door GOP caucus by Michigan's Elford Cederberg, a GOP traditionalist whose record is 95 per cent anti-labor, according to a COPE analysis.

Ford has the backing of numerous young conservatives. Kansas' Bob Dole, a pre-convention Goldwater supporter whose COPE-tallied voting record is 96 per cent "anti-labor," was among the Ford supporters. He and other young conservatives were distressed by Halleck's inability to fight Administration schemes effectively.

★

Those directing the Administration's War on Poverty have apparently forgotten the neediest states in the nation. Official fig-

ures disclose less than 3 per cent of the anti-poverty funds thus far spent have gone to the four states that rank lowest in per capita income.

Mississippi, which ranks 50th in per capita income, has received only \$1.1 million thus far. Arkansas (49th) has received \$461,980, South Carolina (48th) \$491,726, and Alabama (47th) \$704,401.

New Jersey, whose per capita income of \$2887 is almost double that of Mississippi, has been the beneficiary of more than \$12 million in anti-poverty funds. New York, another wealthy state, has received \$20 million, or more than a sixth of the \$117 million thus far spent.

OCEAN FALLS, British Columbia—Small and remote, this coastal mill town of 3,000 persons, hacked from the northwest wilderness, is at the mercy of nature.

Situated at the head of mist-shrouded Cousins Inlet 25 miles north of urbane Vancouver, B.C., Ocean Falls is perched precariously on the side of a steep, snow-domed mountain.

The fjord town, accessible only by ship or amphibious aircraft, is one of the wettest spots in North America. It is drenched by more than 200 inches of precipitation each year.

"BEING CUT OFF from the world and getting wet are a way of life with us," is how a resident described living and working in this tree-choked wilderness.

It is the heavy precipitation, in fact, that brought about the creation, in 1906, of this frontier settlement, one of 12 paper mill towns of forested western Canada.

Abundant quantities of water are needed for the manufacture of paper.

Ocean Falls' Crown-Zellerbach Canada company plant, located beneath a man-made 14-mile-long lake, produces 200,000 tons of newsprint and kraft paper annually. These products are carried by special paper handling ships which ply between Ocean Falls and the port of Long Beach every 10 days.

* * * *

THESE SHIPS also carry supplies into the fjord, and residents out on their once-a-year leaves.

The remainder of the year

the residents, virtually all mill employees and their dependents, have only radio contact with the rest of the world, and this contact is reliable only after dark.

They live in simple frame houses, mostly duplexes, that are lined up along shelves cut from the steep side of the cliff.

There are only 17 miles of roadway, much of it built of wood because the land is too precipitous to lay concrete.

The Ocean Falls people are by necessity outdoors-minded, using off-duty hours of good weather for boating, fishing, hunting and camping.

Virtually every home has a dog, too. And nearly everybody in town belongs to some kind of club or another.

Social life in Ocean Falls revolves around a large hotel, which is the residence of single men and women employees; a tiny movie house; the company newspaper, and the Hudson Bay Co. store.

Gov. Brown's Program in Trouble

1, P-T Sacramento Bureau

SACRAMENTO — The Brown administration legislative program is in deep trouble—even before it is fully unfolded.

Best indication: the frosty reception from legislators last Tuesday when Gov. Brown read his message. Lawmakers applauded only once, contrasting markedly with the repeated congressional applause for President Johnson a day earlier.

No. 1 sore spot for legislators: tax gimmickry which puts state lawmakers on the fiscal firing line.

One administration "bare bones" budget is to be proposed, and that is just fine with lawmakers. But there also are to be a batch of other "suggestions" for programs with no accompanying budget proposal detailing specifically how to finance them.

Republicans already have served notice that they will attempt to pick off some of the morsels from an anticipated \$3.8 billion Brown Administration spending

program — ballyhooed as a "bare-bones" budget because it contains no new major state-financed programs.

At first blush, most legislators are inclined to pass some form of the stripped-down budget. But other administration programs are likely to be dumped unless Gov. Brown proposes specific

ic companion revenue-raising measures for each new program he suggests.

Thus the latest bone-rattling budget game in Sacramento is to come up with appropriate new taxes for the secondary spending ideas.

* * * *

LAWMAKERS and civil servants have all the fun on this taxing sport. But if they opened the tax brainstorming to all comers, you might match up some of these taxes for broadened spending programs. Some possibilities:

EXPANDED MENTAL HEALTH PROGRAMS — A progressive tax on brains based on the level of a taxpayer's IQ. The smarter you are, the more you are soaked.

BROADENED PRISON REHABILITATION PROGRAM — Widening the sales tax to include gross receipts of bank robbers, safe crackers and confidence men.

SPEED-UP IN COLLEGE BUILDING — A head tax on campus rioters plus a \$1,000 fee for University of Cali-

fornia demonstration permits.

CALIFORNIA WORLD'S FAIR FINANCING — A 10 per cent tax on fees of consultants who are hired to tell the fair board that there should be a world's fair.

GO-AHEAD NOW ON NEW GOVERNOR'S MANSION — To be financed by a special tax on press releases from politicians who hint they would like to be governor.

\$100,000 BILL FOR REDECORATING THE SENATE LAVISHLY — A special tax on all residents of upper houses in California.

THE \$3.8 BILLION BARE-BONES BUDGET — Obviously a reference to a bill by Assemblyman Joe Gonsalves which would allow Norwalk to ban topless swimsuits. A tax on California bare bosoms could solve all of the state's bare-bones budget problems. The Gonsalves bill could be the sleeper in the whole 1965 session.

This is the greatest season for bare bones since Halloween!

The commission could not, however, be given any powers which are the responsibilities of other county officers. It could not, for example, have responsibility for detection of crime, apprehension of criminals, enforcement of the law, prosecution of criminals, investigation and supervision of probationers or the detention, care and treatment of juveniles.

ALL THESE functions, Hollinger and Kennedy explained, are vested by statute in the sheriff, district attorney and probation officer.

Supervisors could not give the proposed crime commission power to subpoena witnesses.

Hollinger and Kennedy said their study into the problem brought forth "several pro and con statements" about the new commission and "what another citizens committee could do that cannot or is not already being done by existing departments or citizen commissions."

Unless someone "turns off the tap" during the rest of the season, the outlook is very good for finding an improved underground table level come checking time in May and June, officials said.

Death Penalty Issue Again

RETURNING, AS HE DOES perennially, to the issue of capital punishment, Gov. Pat Brown stated this week: "I believe that as people become more aware of the futility of capital punishment as a means of protecting society, the trend toward abolition will continue."

The governor speaks as if "the futility of capital punishment" were an established fact. It is not. The very least that can be said about the effectiveness of the death penalty is that it obviously prevents the criminal from repeating his crime. And the opponents of capital punishment have no substantial or conclusive facts to disprove that it deters other potential criminals.

Assemblyman George Deukmejian notes that many robberies are committed with toy guns or unloaded guns because the robbers, by their own testimony, fear committing murder and

being sentenced to death.

Opponents of the death penalty say such punishment is uncivilized and should haunt society's mind. Is it more civilized and less immoral, somehow, to give a murderer-rapist a "life sentence" and then release him after a few years to repeat his crime? Why should the punishment of a murderer rest more heavily upon society's conscience than the murderer's treatment of his victims and his potential victims?

A renewed effort is expected in this session of the Legislature to get rid of the death penalty in California. Leaders of the movement will make their usual emotional appeal. But unless they can present stronger evidence than they have offered in the past that the death penalty fails to protect society's best interests, they may expect their efforts to be rejected once again.

L.A.C. Says: Long on Ability Short on Integrity

One great, unanswered question is what the new congress and President will do about corruption in the federal government. About every other subject was covered by the President in his State of the Union speech. But nothing was said about the misuse of political power by himself and some of his close associates during his almost 30 years in Washington.

The characters that make up the Bobby Baker investigation are undoubtedly men of outstanding ability. It takes real ability to be secretary to the Democratic Senate members—as was Baker. It takes great ability to be a successful contractor to build great stadiums—as was the contractor charged with paying off to Baker for receiving a government contract. The insurance man, Don Reynolds, who says he was the go-between in these deals, must be very capable. But it is apparent they are all strong on ability—but short on integrity.

* * *

We refer to the lack of integrity in the sense that these men—and many others—are cold-blooded in their using public office and its influence to enrich themselves. In so doing, they not only raise the cost of government, but they destroy the people's confidence in government. This, in turn, is a weapon used by subversive groups to undermine the people's confidence in their government.

It is unfortunate that so many of our leaders seem to take this as a normal way of political life. The President ignores the principle that no public official should own securities or property wherein his public office can influence the value of that property. The nine-year Senate Secretary career of Bobby Baker was largely served under Senator—and Vice President Johnson. It is hard to believe he was unaware of the influence peddling by Baker.

* * *

Now as President, the Johnson fortune continues to increase. Its principal property is radio and TV stations under which the Federal Communications Commission has the power of decision. It has permitted the Johnson company to maintain a monopoly in Austin, Tex. The FCC members are appointed by the President and approved by the Senate.

Tragedy of the Bobby Baker case is that the Senate Rules Committee appears to be reluctant to publicly bring out the true story of this influence peddling. It is feared that it would involve other Senators and important personalities. Baker took the Fifth Amendment dozens of times to avoid incriminating himself. The contractor insists the over \$100,000 of insurance payments said to involve a \$35,000 payoff was an error in bookkeeping.

* * *

This disregard of ethics and integrity is not confined to Washington. The California State controller appoints men to appraise property for estate tax purposes. It is quite lucrative. The estate of a wealthy oil man recently was assessed \$90,000 for the appraiser fees. It was estimated it took the appraiser only a few minutes' time to conduct his part of the work. During last year's primary election it was shown that these appraisers contributed most of the money for the U. S. Senate campaign of Controller Alan Cranston—the man who appointed them.

A large majority of the people accept these men as having great ability. They trust the President to deal with foreign affairs and should recognize his outstanding business ability. Bobby Baker had to have great ability to deal with the many Senators and department heads of government. But it should be recognized that if we accept ability without integrity, we are encouraging others to ignore the difference. It is therefore of the utmost importance that each of us avoid the tendency to accept what is wrong just because some public officials get away with it. If it is true, we have lost our capacity for indignation then surely we are lost as a decent people.—L.A.C.

RE PLAN

Dr. Donovan F. Ward, AMA president, who outlined the proposal in the statement and at a news conference, said eligibility for benefits would be determined quickly on the basis of a "simple income statement" by applicants.

"On the basis of this re-

turn alone," the AMA said, "an individual within the limits set by the states could immediately become eligible for benefits."

The insurance policies would vary by states.

Red-Tinged Protesters Revile U.S.

PANAMA (P)—National guardsmen hurled tear-gas grenades Saturday to keep about 40 demonstrators from marching on the Panama Canal Zone on the first anniversary of bloody anti-U.S. riots.

About 100 students and labor-organization members started the march toward the legislative palace, across the street from the Canal Zone, which was a focal point of the 1964 clashes.

National guardsmen stopped them about a block away. The demonstrators started to disperse but about 40 attempted to stand their ground. A half-dozen grenades of tear gas put them to rout, the whole area was cleared and traffic returned to normal.

THE GROUP was among 1,500 marchers who had paraded to the national cemetery and the grave of Ascanio Arosemena, the student who was the first to die in the 1964 rioting that took the lives of four Americans and 21 Panamanians.

The marchers carried anti-U.S. and antigovern-

Birch Society Accused of 'Conspiracy' Tenet

Sen. ^{CRAZY} Church Urges 'Fanatical Right' Be Repudiated in Speech Before Senate

WASHINGTON (AP)—Sen. Frank Church Tuesday charged that the Birch Society is "the tap root of the conspiracy doctrine," and urged that the "fanatical right" be repudiated by all responsible citizens.

In a Senate speech, the Idaho Democrat said it was dangerous to assume "the forces of irrationality and vituperation have been vanquished" by President Johnson's victory in November.

Citing examples of scare techniques he attributed to the "radical right," Church said:

"In the face of such vehemence, people voted heavily for the moderates. The landslide, some concluded, smothered the radical right.

"I do not agree."

Others Named

The 40-year-old senator tabbed the Birch Society as the largest and most influential group in this political area. He also named the Christian Crusade, headed by the Rev. Billy James Hargis; the Minutemen, headed by Robert B. DePugh, and the Rev. Carl McIntire, a radio broadcaster heard on 617 stations.

Church said Hargis, "like other leaders of the right-wing movement, styles himself a 'conservative.'"

Later, Church said that the nation's leaders must put the world and nation in a proper perspective for the American people.

Then he added:

"They must be repudiated by all responsible citizens, Republicans and Democrats, Liberals and Conservatives, who won't run at the first cry of 'Comsymp' (Communist sympathizer)!"

The senator said the "radical right" has reported rapid growth. Since 1955, he said,

its organized membership has expanded at an average annual rate of 22%.

He said the Birch Society reported new membership highs during last year's campaign months, and that the 30 largest organizations raised their budgets from \$4.9 million in 1958 to \$14.3 million in 1963.

In 1964 alone, Church said, total spending by all right-wing groups hit \$30 million, "half again more than both major parties spent in the Presidential campaign."

Utah Action Recalled

In another Senate speech, Sen. Frank E. Moss (D-Utah) said the Birch Society and similar organizations have been active in Utah.

He said the Birch Society and others tried out their muscle several times in hand-to-hand-combat with the Utah State Legislature. In 1961 they organized against a bill to provide for community health services.

"The community health service bill was endorsed by the State Medical Society, the Community Welfare Council and many other professional groups. Its worth was so obvious that everybody thought it was sure to receive favorable legislative consideration.

"But a rightest organization called the Utah Citizens Community for Constitutional Mental Health decided there was something subversive about helping the mentally ill, and set out to defeat it," Moss said.

"When hearings were set on the bill," Moss said, the hearing room was "packed with hordes of rightists," and advocates "had to testify from the doorway under the heckling of the crowd and catcalls of 'Communist.'"

At least 19 bullets holes were counted in three cars and in what was left of the shattered plate glass window and door of the bar.

"I HEARD the noise, a sort of loud, long brrrrrrt," said Bob McGowan, who was sitting at a table in the dining room of his nearby home.

"I thought at first it was a bunch of firecrackers," he said. "You know the noise they make when they go off. Then I realized it was machinegun fire.

"I stayed inside and called the police."

The car sped away after the shooting.

Lt. James Cooper said an unidentified truck driver saw the car approach the tavern, with two youths in the front seat and the third holding the machine gun in the rear.

THE WOUNDED were taken to a local hospital.

They were identified as Paul Johnson, 27; James Carter, 40; Eddy Moore Jr., 25; Isidre Coleman Jr., 48; Joseph McLeod, 38, and Homer Chambers, 34. All are residents of Deerfield Beach.

"They are all fine," said a hospital nurse. "None is injured seriously, but we ad-

mitted them."

The daughter of the bar manager said she did not see how it could be a racial shooting.

"We don't have any of that kind of trouble around here," she said. "I have white people come into my restaurant (next door) and eat often."

There were about 20 Negroes in the tavern at the time of the shooting, some standing at the bar and some sitting. Most of the bullets cut a low swath across the room and caused leg wounds. One of the slugs shattered a case of gin.

The bar manager, Willie Wimberly, 44, could give no reason for the shooting. He said there had been no racial trouble in the area.

Bomb Threat Phoned Kansas City Hospital

KANSAS CITY, Kan. (UPI)—A man called Bethany Hospital Thursday night and said he had planted a bomb to go off at 10 o'clock. He referred to the bomb as "your Christmas present."

Approximately 35 policemen and firemen quietly searched the hospital, where an estimated 130 patients were spending Christmas Eve. No bomb was found and no patients were moved.
